36
 37
 38 Included in the above appropriations for house and senate expenses are funds for
 39 a legislative business per diem allowance, meals, and other usual and customary
 40 expenses associated with legislative affairs. Except as provided below, this allowance
 41 is to be paid to each member of the general assembly for every day, including Sundays,
 42 during which the general assembly is convened in regular or special session, commencing
 43 with the day the session is officially convened and concluding with the day the session
 44 is adjourned sine die. However, after five (5) consecutive days of recess, the legislative
 45 business per diem allowance is to be made on an individual voucher basis until the
 46 recess concludes.

47
 48 Each member of the general assembly is entitled, when authorized by the speaker of the
 49 house or the president pro tempore of the senate, to the legislative business per diem

1 allowance for every day the member is engaged in official business.

2
3 The legislative business per diem allowance that each member of the general assembly
4 is entitled to receive equals the maximum daily amount allowable to employees of the
5 executive branch of the federal government for subsistence expenses while away from
6 home in travel status in the Indianapolis area. The legislative business per diem changes
7 each time there is a change in that maximum daily amount.

8
9 In addition to the legislative business per diem allowance, each member of the general
10 assembly shall receive the mileage allowance in an amount equal to the standard
11 mileage rates for personally owned transportation equipment established by the federal
12 Internal Revenue Service for each mile necessarily traveled from the member's usual
13 place of residence to the state capitol. However, if the member traveled by a means
14 other than by motor vehicle, and the member's usual place of residence is more than
15 one hundred (100) miles from the state capitol, the member is entitled to reimbursement
16 in an amount equal to the lowest air travel cost incurred in traveling from the
17 usual place of residence to the state capitol. During the period the general assembly
18 is convened in regular or special session, the mileage allowance shall be limited
19 to one (1) round trip each week per member.

20
21 Any member of the general assembly who is appointed by the governor, speaker of
22 the house, president or president pro tempore of the senate, house or senate minority
23 floor leader, or Indiana legislative council to serve on any research, study, or survey
24 committee or commission, or who attends any meetings authorized or convened
25 under the auspices of the Indiana legislative council, including pre-session conferences
26 and federal-state relations conferences, is entitled, when authorized by the legislative
27 council, to receive the legislative business per diem allowance for each day the
28 member is in actual attendance and is also entitled to a mileage allowance, at the
29 rate specified above, for each mile necessarily traveled from the member's usual
30 place of residence to the state capitol, or other in-state site of the committee,
31 commission, or conference. The per diem allowance and the mileage allowance permitted
32 under this paragraph shall be paid from the legislative council appropriation for
33 legislator and lay member travel unless the member is attending an out-of-state
34 meeting, as authorized by the speaker of the house of representatives or the president
35 pro tempore of the senate, in which case the member is entitled to receive:
36 (1) the legislative business per diem allowance for each day the member is engaged
37 in approved out-of-state travel; and
38 (2) reimbursement for traveling expenses actually incurred in connection with the
39 member's duties, as provided in the state travel policies and procedures established
40 by the legislative council.

41
42 Notwithstanding the provisions of this or any other statute, the legislative council
43 may adopt, by resolution, travel policies and procedures that apply only to members
44 of the general assembly or to the staffs of the house of representatives, senate, and
45 legislative services agency, or both members and staffs. The legislative council may
46 apply these travel policies and procedures to lay members serving on research, study,
47 or survey committees or commissions that are under the jurisdiction of the legislative
48 council. Notwithstanding any other law, rule, or policy, the state travel policies and
49 procedures established by the Indiana department of administration and approved

1 by the budget agency do not apply to members of the general assembly, to the staffs
 2 of the house of representatives, senate, or legislative services agency, or to lay members
 3 serving on research, study, or survey committees or commissions under the jurisdiction
 4 of the legislative council (if the legislative council applies its travel policies and
 5 procedures to lay members under the authority of this SECTION), except that, until
 6 the legislative council adopts travel policies and procedures, the state travel policies
 7 and procedures established by the Indiana department of administration and approved
 8 by the budget agency apply to members of the general assembly, to the staffs of the house
 9 of representatives, senate, and legislative services agency, and to lay members serving
 10 on research, study, or survey committees or commissions under the jurisdiction of the
 11 legislative council. The executive director of the legislative services agency is responsible
 12 for the administration of travel policies and procedures adopted by the legislative
 13 council. The auditor of state shall approve and process claims for reimbursement of travel
 14 related expenses under this paragraph based upon the written affirmation of the speaker
 15 of the house of representatives, the president pro tempore of the senate, or the executive
 16 director of the legislative services agency that those claims comply with the travel
 17 policies and procedures adopted by the legislative council. If the funds appropriated
 18 for the house and senate expenses and legislative salaries are insufficient to pay all
 19 the necessary expenses incurred, including the cost of printing the journals of the
 20 house and senate, there is appropriated such further sums as may be necessary to pay
 21 such expenses.

45 any department or an institution unless the receipts of the department or institution
46 have been deposited into the state treasury for the month. However, if a department or
47 an institution has more than \$10,000 in daily receipts, the receipts shall be deposited
48 into the state treasury daily.

1 SECTION 18. [EFFECTIVE JULY 1, 2017]

2
3 In case of loss by fire or any other cause involving any state institution or department,
4 the proceeds derived from the settlement of any claim for the loss shall be deposited in
5 the state treasury, and the amount deposited is hereby reappropriated to the institution
6 or department for the purpose of replacing the loss. If it is determined that the loss shall
7 not be replaced, any funds received from the settlement of a claim shall be deposited
8 into the state general fund.
9

10 SECTION 19. [EFFECTIVE JULY 1, 2017]

11
12 If an agency has computer equipment in excess of the needs of that agency, then the
13 excess computer equipment may be sold under the provisions of surplus property sales,
14 and the proceeds of the sale or sales shall be deposited in the state treasury. The amount
15 so deposited is hereby reappropriated to that agency for other operating expenses of the
16 then current year, if approved by the director of the budget agency.
17

18 SECTION 20. [EFFECTIVE JULY 1, 2017]

19
20 This act does not authorize any rehabilitation and repairs to any state buildings,
21 nor does it allow that any obligations be incurred for lands and structures, without
22 the prior approval of the budget director or the director's designee. This SECTION
23 does not apply to contracts for the state universities supported in whole or in part
24 by state funds.
25

26 SECTION 21. [EFFECTIVE JULY 1, 2017]

27
28 If an agency has an annual appropriation fixed by law, and if the agency also receives
29 an appropriation in this act for the same function or program, the appropriation in
30 this act supersedes any other appropriations and is the total appropriation for the
31 agency for that program or function.
32

33 SECTION 22. [EFFECTIVE JULY 1, 2017]

34
35 The balance of any appropriation or funds heretofore placed or remaining to the
36 credit of any division of the state of Indiana, and any appropriation or funds provided
37 in this act placed to the credit of any division of the state of Indiana, the powers,
38 duties, and functions whereof are assigned and transferred to any department for
39 salaries, maintenance, operation, construction, or other expenses in the exercise
40 of such powers, duties, and functions, shall be transferred to the credit of the
41 department to which such assignment and transfer is made, and the same shall be
42 available for the objects and purposes for which appropriated originally.
43

44 SECTION 23. [EFFECTIVE JULY 1, 2017]

45
46 The director of the division of procurement of the Indiana department of administration,
47 or any other person or agency authorized to make purchases of equipment, shall not
48 honor any requisition for the purchase of an automobile that is to be paid for from any
49 appropriation made by this act or any other act, unless the following facts are shown

1 to the satisfaction of the commissioner of the Indiana department of administration or
2 the commissioner's designee:

3 (1) In the case of an elected state officer, it shall be shown that the duties of the
4 office require driving about the state of Indiana in the performance of official duty.

5 (2) In the case of department or commission heads, it shall be shown that the statutory
6 duties imposed in the discharge of the office require traveling a greater distance
7 than one thousand (1,000) miles each month or that they are subject to official duty
8 call at all times.

9 (3) In the case of employees, it shall be shown that the major portion of the duties
10 assigned to the employee require travel on state business in excess of one thousand
11 (1,000) miles each month, or that the vehicle is identified by the agency as an integral
12 part of the job assignment.

13
14 In computing the number of miles required to be driven by a department head or an
15 employee, the distance between the individual's home and office or designated official
16 station is not to be considered as a part of the total. Department heads shall annually
17 submit justification for the continued assignment of each vehicle in their department,
18 which shall be reviewed by the commissioner of the Indiana department of administration,
19 or the commissioner's designee. There shall be an insignia permanently affixed on
20 each side of all state owned cars, designating the cars as being state owned. However,
21 this requirement does not apply to state owned cars driven by elected state officials
22 or to cases where the commissioner of the Indiana department of administration or
23 the commissioner's designee determines that affixing insignia on state owned cars
24 would hinder or handicap the persons driving the cars in the performance of their
25 official duties.

26

24 of a political subdivision may request technical assistance from the board in helping prevent the political
25 subdivision from becoming a distressed political subdivision. The board, by using the health fiscal

32 (2) Assist the political subdivision in obtaining assistance from state agencies and other resources.

33 SECTION 60. IC 6-1.1-20.6-9.8, AS AMENDED BY P.L.257-2013, SECTION 29, IS AMENDED
34 TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9.8. (a) This section applies to property
35 taxes first due and payable after December 31, 2009.

36 (b) The following definitions apply throughout this section:

37 (1) "Debt service obligations of a political subdivision" refers to:

38 (A) the principal and interest payable during a calendar year on bonds; and

39 (B) lease rental payments payable during a calendar year on leases;
40 of a political subdivision payable from ad valorem property taxes.

41 (2) "Protected taxes" refers to the following:

42 (A) Property taxes that are exempted from the application of a credit granted under section 7 or
43 7.5 of this chapter by section 7(b), 7(c), 7.5(b), or 7.5(c) of this chapter or another law.

44 (B) Property taxes imposed by a political subdivision to pay for debt service obligations of a
45 political subdivision that are not exempted from the application of a credit granted under section
46 7 or 7.5 of this chapter by section 7(b), 7(c), 7.5(b), or 7.5(c) of this chapter or any other law.

47 Property taxes described in this subsection are subject to the credit granted under section 7 or 7.5

1 of this chapter by section 7(b), 7(c), 7.5(b), or 7.5(c) of this chapter regardless of their
2 designation as protected taxes.

3 (3) "Unprotected taxes" refers to property taxes that are not protected taxes.

4 (c) Except as provided in ~~subsection (e), for property taxes due and payable in 2013~~; **section 13 of this**
5 **chapter**, the total amount of revenue to be distributed to the fund for which the protected taxes were
6 imposed shall be determined as if no credit were granted under section 7 or 7.5 of this chapter. The total
7 amount of the loss in revenue resulting from the granting of credits under section 7 or 7.5 of this chapter
8 must reduce only the amount of unprotected taxes distributed to a fund using the following criteria:

9 (1) The reduction may be allocated in the amounts determined by the political subdivision using a
10 combination of unprotected taxes of the political subdivision in those taxing districts in which the
11 credit caused a reduction in protected taxes.

12 (2) The tax revenue and each fund of any other political subdivisions must not be affected by the
13 reduction.

14 (d) When:

15 (1) the revenue that otherwise would be distributed to a fund receiving only unprotected taxes is
16 reduced entirely under subsection (c) and the remaining revenue is insufficient for a fund receiving
17 protected taxes to receive the revenue specified by subsection (c); or

18 (2) there is not a fund receiving only unprotected taxes from which to distribute revenue;
19 the revenue distributed to the fund receiving protected taxes must also be reduced. If the revenue
20 distributed to a fund receiving protected taxes is reduced, the political subdivision may transfer money
21 from one (1) or more of the other funds of the political subdivision to offset the loss in revenue to the fund
22 receiving protected taxes. The transfer is limited to the amount necessary for the fund receiving protected
23 taxes to receive the revenue specified under subsection (c). The amount transferred shall be specifically
24 identified as a debt service obligation transfer for each affected fund.

25 ~~(e) This subsection applies to property taxes due and payable in 2013. The total amount of the loss in~~
26 ~~revenue resulting from the granting of credits under section 7 or 7.5 of this chapter must reduce the~~
27 ~~amount of protected and unprotected property taxes distributed to a fund in proportion to the property tax~~
28 ~~levy imposed for that fund relative to the total of all protected and unprotected property tax levies imposed~~
29 ~~by the political subdivision. The allocations shall be made after the political subdivision receives its~~
30 ~~distribution.~~

38 **proportionately among all the political subdivision's property tax funds that are not exempt under**
39 **section 7.5(b) or 7.5(c) of this chapter, based on the levy for each fund and without taking into**

2 and, within thirty (30) days after receiving notification from the department, the school corporation that
3 owns the school building shall lease the school building to the charter school for one dollar (\$1) per year
4 for as long as the charter school uses the school building for classroom instruction or for a term at the
5 charter school's discretion, or sell the school building to the charter school for one dollar (\$1). The charter
6 school must begin to use the school building for classroom instruction not later than two (2) years after
7 acquiring the school building. If the school building is not used for classroom instruction within two (2)
8 years after acquiring the school building, the school building shall be placed on the department's list under
9 subsection (f). If during the term of the lease the charter school closes or ceases using the school building
10 for classroom instruction, the school building shall be placed on the department's list under subsection
11 (f). If a school building is sold to a charter school under this subsection and the charter school or any
12 entity related to the charter school subsequently sells or transfers the school building to a third party, the
13 charter school or related entity must transfer an amount equal to the gain in the property minus the
14 adjusted basis (including costs of improvements to the school building) to the school corporation that
15 initially sold the vacant school building to the charter school. Gain and adjusted basis shall be determined
16 in the manner prescribed by the Internal Revenue Code and the applicable Internal Revenue Service
17 regulations and guidelines.

18 (i) During the term of a lease under subsection (h), the charter school is responsible for the direct
19 expenses related to the school building leased, including utilities, insurance, maintenance, repairs, and
20 remodeling. The school corporation is responsible for any debt incurred for or liens that attached to the
21 school building before the charter school leased the school building.

22 (j) Notwithstanding anything to the contrary in this section, and with the sole exception of a waiver
23 provided in subsection (n), when a school building is designated as "Available" under subsection (g), the
24 school building must remain designated as "Available" and may not be sold or otherwise disposed of for
25 at least two (2) years. When the two (2) year period has elapsed, the school corporation may sell or
26 otherwise dispose of the school building in accordance with IC 36-1-11.

27 (k) Notwithstanding subsection (e), a governing body may request a waiver from the department from
28 the requirements of subsection (e). In order for a governing body to receive a waiver under subsection (n),
29 the governing body must apply to the department, on a form prescribed by the department, for the waiver.
30 The application must include a statement that the governing body believes that a charter school would
31 not be interested in leasing or purchasing the vacant or unused school building.

32 (l) If the department receives a waiver request under subsection (k), the department, within five (5)
33 days after receiving the waiver request under subsection (k), shall notify each charter school authorizer
34 and statewide organization representing charter schools in Indiana by certified mail of the waiver request
35 received under subsection (k). The notice must include a copy of the governing body's waiver request.

36 (m) Not later than thirty (30) days after a charter school authorizer or statewide organization
37 representing charter schools in Indiana receives a notice described in subsection (l), the charter school
38 authorizer or a statewide organization representing charter schools may submit a qualified objection to
39 the governing body's request for a waiver under subsection (k). The qualified objection must be submitted
40 to the department in writing. In order for an objection to be considered a qualified objection by the
41 department, the objection must include:

42 (1) the name of the charter school that is interested in leasing or purchasing the vacant or unused
43 school building; and

44 (2) a time frame, which may not exceed one (1) year from the date of the objection, in which the
45 charter school intends to begin providing classroom instruction in the vacant or unused school
46 building.

47 (n) If the department receives a qualified objection under subsection (m), the vacant or unused school

1 building shall remain on the department's list under subsection (f) with the designation with which the
2 building is listed under subsection (g) at the time the department receives the waiver request. If the
3 department does not receive a qualified objection, the department shall grant the governing body's request
4 for a waiver. A governing body that receives a waiver under this subsection may sell or otherwise dispose
5 of the unused or vacant school building in accordance with IC 36-1-11.

6 **(o) The governing body of the School City of East Chicago school corporation may request a**
7 **waiver from the department from the requirements of subsection (e) for the Carrie Gosch**
8 **Elementary School building. If requested, the department shall grant the waiver. To receive the**

3 on the ~~days~~ day fixed in September ~~and in February~~ by the state board for a count of students under
4 section 3 of this chapter and as subsequently adjusted not later than the date specified under the rules

6 board determines that the count is unrepresentative of the school corporation's enrollment. In addition,
7 a school corporation may petition the state board to make an adjusted count of students enrolled in the
8 school corporation if the corporation has reason to believe that the count is unrepresentative of the school
9 corporation's enrollment. **In addition, a school corporation shall determine the number of eligible**
10 **pupils enrolled in:**

11 (1) the school corporation; or
12 (2) a transferee corporation;

23 ADM is available, subject to section 9 of this chapter. However, if the new charter school's enrollment
24 estimate is greater than eighty percent (80%) of the new charter school's authorized enrollment cap, the
25 department may use that enrollment estimate if the department has requested and reviewed other
26 enrollment data that support that enrollment estimate. However, if the enrollment data requested and
27 reviewed by the department does not support the enrollment estimate submitted by the new charter school,
28 the department shall determine the estimated ADM based on the enrollment data requested and reviewed
29 by the department. In each odd-numbered year, the department shall provide the new charter school's
30 estimated ADM to the legislative services agency before April 10 of that year.

45 determining the school corporation's enrollment.

46 SECTION 133. IC 20-43-4-4, AS AMENDED BY P.L.205-2013, SECTION 276, IS AMENDED TO

25 general assembly in determining the state tuition support appropriation for the budget act for that state
26 fiscal year. The department may adjust the data used under this subsection for errors.

27 (c) If the state board adjusts a count of ADM after a distribution is made under this article, the adjusted
28 count retroactively applies to the amount of state tuition support distributed to a school corporation
29 affected by the adjusted count. The department shall settle any overpayment or underpayment of state
30 tuition support resulting from an adjusted count of ADM on the schedule determined by the department
31 and approved by the budget agency.
