[EFFECTIVE JULY 1, 2019] 23 24 **GENERAL GOVERNMENT** 25 26 **A. LEGISLATIVE** 27 28 FOR THE GENERAL ASSEMBLY 29 **LEGISLATORS' SALARIES - HOUSE** 30 **Total Operating Expense** 7,433,880 8,533,999 31 **HOUSE EXPENSES** 32 **Total Operating Expense** 12,158,288 12,158,288 33 **LEGISLATORS' SALARIES - SENATE** 34 **Total Operating Expense** 2,449,000 2,545,000 35 SENATE EXPENSES 36 **Total Operating Expense** 10,259,000 11,463,000 37 38 Included in the above appropriations for house and senate expenses are funds for 39 a legislative business per diem allowance, meals, and other usual and customary **40** expenses associated with legislative affairs. Except as provided below, this allowance 41 is to be paid to each member of the general assembly for every day, including Sundays, 42 during which the general assembly is convened in regular or special session, commencing 43 with the day the session is officially convened and concluding with the day the session 44 is adjourned sine die. However, after five (5) consecutive days of recess, the legislative 45 business per diem allowance is to be made on an individual voucher basis until the 46 recess concludes.

47

48 Each member of the general assembly is entitled, when authorized by the speaker of the 49 house or the president pro tempore of the senate, to the legislative business per diem

1 allowance for every day the member is engaged in official business.

The legislative business per diem allowance that each member of the general assembly is entitled to receive equals the maximum daily amount allowable to employees of the executive branch of the federal government for subsistence expenses while away from home in travel status in the Indianapolis area. The legislative business per diem changes each time there is a change in that maximum daily amount.

8

2

9 In addition to the legislative business per diem allowance, each member of the general 10 assembly shall receive the mileage allowance in an amount equal to the standard 11 mileage rates for personally owned transportation equipment established by the federal 12 Internal Revenue Service for each mile necessarily traveled from the member's usual 13 place of residence to the state capitol. However, if the member traveled by a means 14 other than by motor vehicle, and the member's usual place of residence is more than 15 one hundred (100) miles from the state capitol, the member is entitled to reimbursement 16 in an amount equal to the lowest air travel cost incurred in traveling from the 17 usual place of residence to the state capitol. During the period the general assembly 18 is convened in regular or special session, the mileage allowance shall be limited 19 to one (1) round trip each week per member.

20

Any member of the general assembly who is appointed by the governor, speaker of
 the house, president or president pro tempore of the senate, house or senate minority

 committee or commission, or who attends any meetings authorized or convened
 under the auspices of the Indiana legislative council, including pre-session conferences
 and federal-state relations conferences, is entitled, when authorized by the legislative

27 council, to receive the legislative business per diem allowance for each day the

28 member is in actual attendance and is also entitled to a mileage allowance, at the 29 rate specified above, for each mile necessarily traveled from the member's usual

30 place of residence to the state capitol, or other in-state site of the committee,

31 commission, or conference. The per diem allowance and the mileage allowance permitted

under this paragraph shall be paid from the legislative council appropriation for
 legislator and lay member travel unless the member is attending an out-of-state

34 meeting, as authorized by the speaker of the house of representatives or the president

35 pro tempore of the senate, in which case the member is entitled to receive:

36 (1) the legislative business per diem allowance for each day the member is engaged
37 in approved out-of-state travel; and

(2) reimbursement for traveling expenses actually incurred in connection with the
member's duties, as provided in the state travel policies and procedures established
by the legislative council.

41

42 Notwithstanding the provisions of this or any other statute, the legislative council 43 may adopt, by resolution, travel policies and procedures that apply only to members 44 of the general assembly or to the staffs of the house of representatives, senate, and 45 legislative services agency, or both members and staffs. The legislative council may 46 apply these travel policies and procedures to lay members serving on research, study, 47 or survey committees or commissions that are under the jurisdiction of the legislative **48** council. Notwithstanding any other law, rule, or policy, the state travel policies and 49 procedures established by the Indiana department of administration and approved

2019

1 by the budget agency do not apply to members of the general assembly, to the staffs 2 of the house of representatives, senate, or legislative services agency, or to lay members 3 serving on research, study, or survey committees or commissions under the jurisdiction 4 of the legislative council (if the legislative council applies its travel policies and 5 procedures to lay members under the authority of this SECTION), except that, until 6 the legislative council adopts travel policies and procedures, the state travel policies 7 and procedures established by the Indiana department of administration and approved 8 by the budget agency apply to members of the general assembly, to the staffs of the house 9 of representatives, senate, and legislative services agency, and to lay members serving 10 on research, study, or survey committees or commissions under the jurisdiction of the 11 legislative council. The executive director of the legislative services agency is responsible 12 for the administration of travel policies and procedures adopted by the legislative 13 council. The auditor of state shall approve and process claims for reimbursement of travel 14 related expenses under this paragraph based upon the written affirmation of the speaker 15 of the house of representatives, the president pro tempore of the senate, or the executive 16 director of the legislative services agency that those claims comply with the travel 17 policies and procedures adopted by the legislative council.
