delivery sales, and notices posted at retail establishments and at vending machines. Provides that a retail establishment that sells an e-liquid to a person less than 21 years of age is subject to a civil judgment for an infraction. Doubles the civil judgment for an infraction for: (1) a retail establishment that sells or distributes tobacco, an e-liquid, or an electronic cigarette to a person less than 21 years of age; and (2) certain retail establishments that allow an underage person to enter their establishment. Modifies the time frame for when retail establishments may receive enhanced penalties for repeat e-liquid and tobacco products violations. Requires a merchant who mails or ships cigarettes as part of a delivery sale to use a shipping service that requires a customer to present identification if they appear to be less than 30 years of age. Prohibits a tobacco business from locating within 1,000 feet (instead of 200 feet) of a school after June 30, 2020, unless the tobacco business was in operation before: (1) July 1, 2020; or (2) the school located near the tobacco business. Provides that a tobacco sales certificate (certificate) may only be issued to a person who has not had an interest in a certificate revoked by the commission for a business location within one year. Provides that an employee or agent of a certificate holder who committed at least six tobacco sales violations in one year is prima facie evidence of a lack of due diligence in the training and supervision of the employee. Provides that a retail establishment in which tobacco products, electronic cigarettes, and e-liquids account for at least 85% of the retail establishment's gross sales: (1) may not allow an individual who is less than 21 years of age into the retail establishment; (2) must post certain notices in the retail establishment; and (3) is not subject to a self-service of tobacco and electronic cigarettes statute. Makes it a Class B infraction for a person to knowingly sell tobacco, an e-liquid, or an electronic cigarette that contains vitamin E acetate. Makes technical corrections.
