HOUSE BILL No. 1008

DIGEST OF HB 1008 (Updated January 23, 2020 2:56 pm - DI 128)

Citations Affected: IC 25-0.5; IC 25-1.

Synopsis: Occupational license endorsement. Requires a board that issues a license for certain regulated occupations to issue a license to an individual who: (1) is licensed in another state or jurisdiction in the regulated occupation; (2) has established residency; (3) has passed a substantially equivalent examination as determined by the appropriate board; (4) is and has been in good standing; (5) pays a fee; and (6) completes the licensure application form. Allows for a board that requires an applicant to submit to a national criminal history background check to maintain that requirement even if an individual who applies for a license for a regulated occupation meets all of the license endorsement requirements. Provides that nothing in this bill prevents or supersedes a: (1) compact; or (2) reciprocity or comity agreement; if established by the board or the general assembly. Provides that, if a board has entered into a national reciprocal or endorsement agreement or a reciprocal or endorsement agreement with one or more states, then those agreements remain in effect. Makes a technical correction.

Effective: July 1, 2020.
