SECTION 1. IC 22-4-15-1, AS AMENDED BY P.L.121-2014
SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2015]: Sec. 1. (a) Regarding an individual's most recen
separation from employment before filing an initial or additional claim
for benefits, an individual who voluntarily left the employment withou
good cause in connection with the work or was discharged from the
employment for just cause is ineligible for waiting period or benefit
rights for the week in which the disqualifying separation occurred and
until:
(1) the individual has earned remuneration in employment in a
least eight (8) weeks; and
(2) the remuneration earned equals or exceeds the product of the
weekly benefit amount multiplied by eight (8).
If the qualification amount has not been earned at the expiration of an
individual's benefit period, the unearned amount shall be carried

1	forward to an extended benefit period or to the benefit period of a
2	subsequent claim.
3	(b) When it has been determined that an individual has been
4	separated from employment under disqualifying conditions as outlined
5	in this section, the maximum benefit amount of the individual's current
6	claim, as initially determined, shall be reduced by an amount
7	determined as follows:
8	(1) For the first separation from employment under disqualifying
9	conditions, the maximum benefit amount of the individual's
10	current claim is equal to the result of:
11	(A) the maximum benefit amount of the individual's current
12	claim, as initially determined; multiplied by
13	(B) seventy-five percent (75%);
14	rounded (if not already a multiple of one dollar (\$1)) to the next
15	higher dollar.
16	(2) For the second separation from employment under
17	disqualifying conditions, the maximum benefit amount of the
18	individual's current claim is equal to the result of:
19	(A) the maximum benefit amount of the individual's current
20	claim determined under subdivision (1); multiplied by
21	(B) eighty-five percent (85%);
22	rounded (if not already a multiple of one dollar (\$1)) to the next
23	higher dollar.
24	(3) For the third and any subsequent separation from employment
25	under disqualifying conditions, the maximum benefit amount of
26	the individual's current claim is equal to the result of:
27	(A) the maximum benefit amount of the individual's current
28	claim determined under subdivision (2); multiplied by
29	(B) ninety percent (90%);
30	rounded (if not already a multiple of one dollar (\$1)) to the next
31	higher dollar.
32	(c) The disqualifications provided in this section shall be subject to
33	the following modifications:
34	(1) An individual shall not be subject to disqualification because
35	of separation from the individual's employment if:
36	(A) the individual left to accept with another employer
37	previously secured permanent full-time work which offered
38	reasonable expectation of continued covered employment and
39	betterment of wages or working conditions and thereafter was
40	employed on said job;
41	(B) having been simultaneously employed by two (2)
42	employers, the individual leaves one (1) such employer

1	voluntarily without good cause in connection with the work
2	but remains in employment with the second employer with a
3	reasonable expectation of continued employment; or
4	(C) the individual left to accept recall made by a base period
5	employer.
6	(2) An individual whose unemployment is the result of medically
7	substantiated physical disability and who is involuntarily
8	unemployed after having made reasonable efforts to maintain the
9	employment relationship shall not be subject to disqualification
10	under this section for such separation.
11	(3) An individual who left work to enter the armed forces of the
12	United States shall not be subject to disqualification under this
13	section for such leaving of work.
14	(4) An individual whose employment is terminated under the
15	compulsory retirement provision of a collective bargaining
16	agreement to which the employer is a party, or under any other
17	plan, system, or program, public or private, providing for
18	compulsory retirement and who is otherwise eligible shall not be
19	deemed to have left the individual's work voluntarily without
20	good cause in connection with the work. However, if such
21	individual subsequently becomes reemployed and thereafter
22	voluntarily leaves work without good cause in connection with the
23	work, the individual shall be deemed ineligible as outlined in this
24	section.
25	(5) An otherwise eligible individual shall not be denied benefits
26	for any week because the individual is in training approved under
27	Section 236(a)(1) of the Trade Act of 1974, nor shall the
28	individual be denied benefits by reason of leaving work to enter
29	such training, provided the work left is not suitable employment,
30	or because of the application to any week in training of provisions
31	in this law (or any applicable federal unemployment
32	compensation law), relating to availability for work, active search
33	for work, or refusal to accept work. For purposes of this
34	subdivision, the term "suitable employment" means with respect
35	to an individual, work of a substantially equal or higher skill level
36	than the individual's past adversely affected employment (as

4	work sharing employer.
5	(b) An affected employee who otherwise is eligible may not be

21	to the affected employee under IC 22-4-12-4.
.2	STEP TWO: Subtract the number of the employee's work
22 23 24 25 26	hours under the approved work sharing plan from the
24	number of the employee's normal weekly work hours.
25	STEP THREE: Divide the STEP TWO result by the number
	of the employee's normal weekly work hours.
27	STEP FOUR: Multiply the number determined in STEP ONE
28	by the quotient determined in STEP THREE.
.9	STEP FIVE: If the product determined under STEP FOUR is

4	wages under an approved work sharing plan and other wages, the
5	work sharing benefit shall be reduced by the same percentage that
6	the combined wages are to the wages for normal weekly work
7	hours if the other wages:
8	(1) exceed the wages earned under the approved work sharing
9	plan; and
10	(2) do not exceed ninety percent (90%) of the wages that the
11	employee earns for normal weekly work hours.
12	This computation applies regardless of whether the employee
13	earned the other wages from the work sharing employer or
14	another employer.
15	Sec. 27. While an affected employee applies for or receives work
16	sharing benefits, the affected employee is not eligible for:

34	the approval of the work sharing plan.
35	(b) An affected employee in an affected unit or the collective
36	bargaining agent or representative representing an affected
37	employee in an affected unit may request that the commissioner
38	take action to revoke the approval of an approved work sharing
39	plan.
40	(c) The commissioner shall give written notice of the revocation

to the employing unit specifying:

(1) the date the revocation is effective; and

41

42

1	(2) the reason or reasons for the revocation.
2	(d) If the affected unit includes employees covered by one (1) or
3	more collective bargaining agreements, the commissioner shall also
4	give the written notice described in subsection (c) to the collective
5	bargaining agent or representative for each collective bargaining
6	agreement that covers any affected employee in the affected unit.
7	(e) The commissioner's decision to revoke approval of an
8	approved work sharing plan is final and may not be appealed.
9	(f) The department shall review the operation of all approved

approved by the commissioner.
