6 compensation is due, the employer or the employer's insurance carrier
7 shall file a report of payment of compensation with the worker's
8 compensation board electronically and tender to the employee or to the
9 employee's dependents, with all compensation due, a properly prepared
10 compensation agreement in a form prescribed by the board. The
11 presentation to the employee or to the employee's dependents of the
12 check, draft, or electronic payment from the employer or the employer's
13 insurance carrier for the proper amount, drawn upon a bank in which
14 money is on deposit to pay the same on demand, shall be sufficient
15 tender of the compensation.

16 (b) Whenever an employer or the employer's insurance carrier
17 denies or is not able to determine liability to pay compensation or
18 benefits, the employer or the employer's insurance carrier shall notify
19 the worker's compensation board and the employee in writing on a form
20 prescribed by the worker's compensation board not later than thirty (30)
21 days after the employer's knowledge of the claimed disablement. If a
22 determination of liability cannot be made within thirty (30) days, the
23 worker's compensation board may approve an additional thirty (30)
24 days upon a written request of the employer or the employer's insurance
25 carrier that sets forth the reasons that the determination could not be
26 made within thirty (30) days and states the facts or circumstances that
27 are necessary to determine liability within the additional thirty (30)
28 days. More than thirty (30) days of additional time may be approved by
29 the worker's compensation board upon the filing of a petition by the
30 employer or the employer's insurance carrier that sets forth:

- 31 (1) the extraordinary circumstances that have precluded a
32 determination of liability within the initial sixty (60) days;
33 (2) the status of the investigation on the date the petition is filed;
34 (3) the facts or circumstances that are necessary to make a
35 determination; and
36 (4) a timetable for the completion of the remaining investigation.

37 An employer who fails to comply with this section is subject to a civil
38 penalty under IC 22-3-4-15.

39 (c) Once begun, temporary total disability benefits may not be
40 terminated by the employer unless:

- 41 (1) the employee has returned to work;
42 (2) the employee has died;

1 (3) the employee has refused to undergo a medical examination
2 under section 20 of this chapter;

3 (4) the employee has received five hundred (500) weeks of
4 temporary total disability benefits or has been paid the maximum
5 compensation allowable under section 19 of this chapter; or

6 (5) the employee is unable or unavailable to work for reasons
7 unrelated to the compensable disease.

8 In each instance, the employer must provide written notice to the
9 injured worker on a form approved by the board. In all other cases the
10 employer must notify the employee in writing of the employer's intent
11 to terminate the payment of temporary total disability benefits, and of
12 the availability of employment, if any, on a form approved by the
13 board. In all instances, the employer must file an electronic notice of
14 the termination with the board.

15 (d) If the employee disagrees with the termination or proposed
16 termination, the employee must give written notice of disagreement to
17 the board and the employer within seven (7) days after receipt of the
18 notice of intent to terminate benefits. If the board and employer do not
19 receive a notice of disagreement under this section, the employee's
20 temporary total disability benefits shall be terminated. Upon receipt of
21 the notice of disagreement, the board shall immediately contact the
22 parties, which may be by telephone or other means and attempt to
23 resolve the disagreement. If the board is unable to resolve the
24 disagreement within ten (10) days of receipt of the notice of
25 disagreement, the board shall immediately arrange for an evaluation of
26 the employee by an independent medical examiner. The independent
27 medical examiner shall be selected by mutual agreement of the parties
28 or, if the parties are unable to agree, appointed by the board under
29 IC 22-3-4-11. If the independent medical examiner determines that the
30 employee is no longer temporarily disabled or is still temporarily
31 disabled but can return to employment that the employer has made
32 available to the employee, or if the employee fails or refuses to appear
33 for examination by the independent medical examiner, temporary total
34 disability benefits may be terminated. If either party disagrees with the
35 opinion of the independent medical examiner, the party shall apply to
36 the board for a hearing under section 27 of this chapter.

37 (e) An employer is not required to continue the payment of
38 temporary total disability benefits for more than fourteen (14) days
39 after the employer's proposed termination date unless the independent
40 medical examiner determines that the employee is temporarily disabled
41 and unable to return to any employment that the employer has made
42 available to the employee.

1 (f) If it is determined that as a result of this section temporary total
2 disability benefits were overpaid, the overpayment shall be deducted
3 from any benefits due the employee under this section and, if there are
4 no benefits due the employee or the benefits due the employee do not
5 equal the amount of the overpayment, the employee shall be
6 responsible for paying any overpayment which cannot be deducted
7 from benefits due the employee.

8 (g) For disablements occurring on and after July 1, 1976, from
9 occupational disease resulting in temporary total disability for any work
10 there shall be paid to the disabled employee during the temporary total

12 percent (66 2/3%) of the employee's average weekly wages, as defined
13 in section 19 of this chapter, for a period not to exceed five hundred
14 (500) weeks. Compensation shall be allowed for the first seven (7)
15 calendar days only if the disability continues for longer than twenty-one
16 (21) days.

17 (h) For disablements occurring on and after July 1, 1974, from
18 occupational disease resulting in temporary partial disability for work
19 there shall be paid to the disabled employee during such disability a
20 weekly compensation equal to sixty-six and two-thirds percent (66
21 2/3%) of the difference between the employee's average weekly wages,
22 as defined in section 19 of this chapter, and the weekly wages at which
23 the employee is actually employed after the disablement, for a period
24 not to exceed three hundred (300) weeks. Compensation shall be
25 allowed for the first seven (7) calendar days only if the disability
26 continues for longer than twenty-one (21) days. In case of partial
27 disability after the period of temporary total disability, the latter period
28 shall be included as a part of the maximum period allowed for partial
29 disability.

30 (i) For disabilities occurring on and after July 1, 1979, and before
31 July 1, 1988, from occupational disease in the schedule set forth in
32 subsection (l), the employee shall receive in addition to disability

5 July 1, 1990, from occupational disease in the schedule set forth in
6 subsection (l), the employee shall receive in addition to disability
7 benefits, not exceeding seventy-eight (78) weeks on account of the
8 occupational disease, a weekly compensation of sixty percent (60%) of
9 the employee's average weekly wages, not to exceed one hundred
10 eighty-three dollars (\$183) average weekly wages, for the period stated
11 for the disabilities.

12 (l) For disabilities occurring on and after July 1, 1990, and before
13 July 1, 1991, from occupational disease in the following schedule, the
14 employee shall receive in addition to disability benefits, not exceeding
15 seventy-eight (78) weeks on account of the occupational disease, a
16 weekly compensation of sixty percent (60%) of the employee's average
17 weekly wages, not to exceed two hundred dollars (\$200) average
18 weekly wages, for the period stated for the disabilities.

28 the knee joint, one hundred fifty (150) weeks; and of the leg
29 above the knee joint, two hundred (200) weeks. The loss of more
30 than one (1) phalange of a thumb or toe shall be considered as the
31 loss of the entire thumb or toe. The loss of more than two (2)
32 phalanges of a finger shall be considered as the loss of the entire
33 finger. The loss of not more than one (1) phalange of a thumb or
34 toe shall be considered as the loss of one-half (1/2) of the thumb
35 or toe and compensation shall be paid for one-half (1/2) of the
36 period for the loss of the entire thumb or toe. The loss of not more
37 than two (2) phalanges of a finger shall be considered as the loss
38 of one-half (1/2) the finger and compensation shall be paid for
39 one-half (1/2) of the period for the loss of the entire finger.

40 (2) Loss of Use: The total permanent loss of the use of an arm,
41 hand, thumb, finger, leg, foot, toe, or phalange shall be considered
42 as the equivalent of the loss by separation of the arm, hand,

- 1 thumb, finger, leg, foot, toe, or phalange and the compensation
 2 shall be paid for the same period as for the loss thereof by
 3 separation.
- 4 (3) Partial Loss of Use: For the permanent partial loss of the use
 5 of an arm, hand, thumb, finger, leg, foot, toe, or phalange,
 6 compensation shall be paid for the proportionate loss of the use of

 12 disablement by occupational disease, five hundred (500) weeks.
- 13 (6) For the permanent and complete loss of vision by enucleation
 14 of an eye, or its ~~education~~ **reduction** to one-tenth (1/10) of normal
 15 vision with glasses, one hundred fifty (150) weeks, and for any
 16 other permanent reduction of the sight of an eye, compensation
 17 shall be paid for a period proportionate to the degree of such
 18 permanent reduction without correction or glasses. However,
 19 when such permanent reduction without correction or glasses
 20 would result in one hundred percent (100%) loss of vision, but
 21 correction or glasses would result in restoration of vision, then
 22 compensation shall be paid for fifty percent (50%) of such total
 23 loss of vision without glasses plus an additional amount equal to
 24 the proportionate amount of such reduction with glasses, not to
 25 exceed an additional fifty percent (50%).

 35 exceeding two hundred (200) weeks, except that no compensation
 36 shall be payable under this paragraph where compensation shall

 39 amount of compensation shall be deducted from any
 40 compensation due for permanent disfigurement.
- 41 (m) With respect to disablements in the following schedule
 42 occurring on and after July 1, 1991, the employee shall receive in

1 addition to temporary total disability benefits, not exceeding one

27 on or after July 1, 1997, the dollar values per degree applying on
28 the date of the injury as described in subsection (n) shall be
29 multiplied by two (2). However, the doubling provision of this
30 subdivision does not apply to a loss of use that is not a loss by
31 separation.

33 be considered as the loss of the entire thumb or toe. The loss of
34 more than two (2) phalanges of a finger shall be considered as the

30 compensation, whichever is greater.
- 31 (11) Visual impairments shall be based on the Functional Vision
32 Score (FVS) assessing the visual acuity and visual field to
33 evaluate any reduction in ability to perform vision-related
34 Activities of Daily Living (ADL). Unless such loss is otherwise
35 specified in subdivision (5), visual impairments shall be paid as
36 a whole person rating.
- 37 (12) For any permanent reduction of the hearing of one (1) or both
38 ears, less than the total loss as specified in subdivision (6),

- 40 (17) With respect to disablements occurring on or after July 1,
41 2016, one thousand one hundred seventy dollars (\$1,170).
- 42 (p) If any employee, only partially disabled, refuses employment

1 suitable to the employee's capacity procured for the employee, the
2 employee shall not be entitled to any compensation at any time during
3 the continuance of such refusal unless, in the opinion of the worker's
4 compensation board, such refusal was justifiable. The employee must
5 be served with a notice setting forth the consequences of the refusal
6 under this subsection. The notice must be in a form prescribed by the
7 worker's compensation board.

8 (q) If an employee has sustained a permanent impairment or
9 disability from an accidental injury other than an occupational disease
10 in another employment than that in which the employee suffered a
11 subsequent disability from an occupational disease, such as herein
12 specified, the employee shall be entitled to compensation for the
13 subsequent disability in the same amount as if the previous impairment
14 or disability had not occurred. However, if the permanent impairment
15 or disability resulting from an occupational disease for which
16 compensation is claimed results only in the aggravation or increase of
17 a previously sustained permanent impairment from an occupational
18 disease or physical condition regardless of the source or cause of such
19 previously sustained impairment from an occupational disease or
20 physical condition, the board shall determine the extent of the
21 previously sustained permanent impairment from an occupational
22 disease or physical condition as well as the extent of the aggravation or
23 increase resulting from the subsequent permanent impairment or
24 disability, and shall award compensation only for that part of said
25 occupational disease or physical condition resulting from the
26 subsequent permanent impairment. An amputation of any part of the
27 body or loss of any or all of the vision of one (1) or both eyes caused by
28 an occupational disease shall be considered as a permanent impairment
29 or physical condition.

30 (r) If an employee suffers a disablement from an occupational
31 disease for which compensation is payable while the employee is still
32 receiving or entitled to compensation for a previous injury by accident
33 or disability by occupational disease in the same employment, the
34 employee shall not at the same time be entitled to compensation for
35 both, unless it be for a permanent injury, such as specified in
36 subsection (m)(1), (m)(4), (m)(5), (m)(8), or (m)(9), but the employee
37 shall be entitled to compensation for that disability and from the time
38 of that disability which will cover the longest period and the largest
39 amount payable under this chapter.

40 (s) If an employee receives a permanent disability from an
41 occupational disease such as specified in subsection (m)(1), (m)(4),
42 (m)(5), (m)(8), or (m)(9) after having sustained another such

1 permanent disability in the same employment the employee shall be
2 entitled to compensation for both such disabilities, but the total
3 compensation shall be paid by extending the period and not by
4 increasing the amount of weekly compensation and, when such
5 previous and subsequent permanent disabilities, in combination result
6 in total permanent disability or permanent total impairment,
7 compensation shall be payable for such permanent total disability or
8 impairment, but payments made for the previous disability or
9 impairment shall be deducted from the total payment of compensation
10 due.

11 (t) When an employee has been awarded or is entitled to an award
12 of compensation for a definite period from an occupational disease
13 wherein disablement occurs on and after April 1, 1963, and such
14 employee dies from other causes than such occupational disease,
15 payment of the unpaid balance of such compensation not exceeding
16 three hundred fifty (350) weeks shall be paid to the employee's
17 dependents of the second and third class as defined in sections 11
18 through 14 of this chapter and compensation, not exceeding five
19 hundred (500) weeks shall be made to the employee's dependents of the
20 first class as defined in sections 11 through 14 of this chapter.

21 (u) Any payment made by the employer to the employee during the
22 period of the employee's disability, or to the employee's dependents,
23 which, by the terms of this chapter, was not due and payable when
24 made, may, subject to the approval of the worker's compensation board,
25 be deducted from the amount to be paid as compensation, but such
26 deduction shall be made from the distal end of the period during which
27 compensation must be paid, except in cases of temporary disability.

28 (v) When so provided in the compensation agreement or in the
29 award of the worker's compensation board, compensation may be paid
30 semimonthly, or monthly, instead of weekly.

31 (w) When the aggregate payments of compensation awarded by
32 agreement or upon hearing to an employee or dependent under eighteen
33 (18) years of age do not exceed one hundred dollars (\$100), the
34 payment thereof may be made directly to such employee or dependent,
35 except when the worker's compensation board shall order otherwise.

36 (x) Whenever the aggregate payments of compensation, due to any
37 person under eighteen (18) years of age, exceed one hundred dollars
38 (\$100), the payment thereof shall be made to a trustee, appointed by the
39 circuit or superior court, or to a duly qualified guardian, or, upon the
40 order of the worker's compensation board, to a parent or to such minor
41 person. The payment of compensation, due to any person eighteen (18)
42 years of age or over, may be made directly to such person.

1 (y) If an employee, or a dependent, is mentally incompetent, or a
 2 minor at the time when any right or privilege accrues to the employee
 3 under this chapter, the employee's guardian or trustee may, in the
 4 employee's behalf, claim and exercise such right and privilege.

5 (z) All compensation payments named and provided for in this
 6 section, shall mean and be defined to be for only such occupational
 7 diseases and disabilities therefrom as are proved by competent
 8 evidence, of which there are or have been objective conditions or
 9 symptoms proven, not within the physical or mental control of the
 10 employee.

11 SECTION 65. IC 24-4.5-2-201, AS AMENDED BY P.L.85-2020,
 12 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 13 JULY 1, 2021]: Sec. 201. Credit Service Charge for Consumer Credit
 14 Sales — (1) Except as provided in subsections (8) and (11), with
 15 respect to a consumer credit sale, a seller may contract for and receive
 16 a credit service charge not exceeding that permitted by this section.

17 (2) The credit service charge, calculated according to the actuarial
 18 method, may not exceed the equivalent of the greater of:

19 (a) the total of:

20 (i) thirty-six percent (36%) per year on that part of the unpaid
 21 balances of the amount financed (as defined in section 111 of
 22 this chapter) which is two thousand dollars (\$2,000) or less;

23 (ii) twenty-one percent (21%) per year on that part of the
 24 unpaid balances of the amount financed (as defined in section
 25 111 of this chapter) which is more than two thousand dollars
 26 (\$2,000) but does not exceed four thousand dollars (\$4,000);
 27 and

28 (iii) fifteen percent (15%) per year on that part of the unpaid
 29 balances of the amount financed (as defined in section 111 of
 30 this chapter) which is more than four thousand dollars
 31 (\$4,000); or

32 (b) twenty-five percent (25%) per year on the unpaid balances of
 33 the amount financed (as defined in section 111 of this chapter).

34 (3) In the case of a sale agreement entered into before July 1, 2020,
 35 this section does not limit or restrict the manner of contracting for the
 36 credit service charge, whether by way of add-on, discount, or
 37 otherwise, so long as the rate of the credit service charge does not
 38 exceed that permitted by this section. If the sale is precomputed:

39 (a) the credit service charge may be calculated on the assumption
 40 that all scheduled payments will be made when due; and

41 (b) the effect of prepayment is governed by the provisions on
 42 rebate upon prepayment in section 210 of this chapter.

1 (4) The following apply to a sale agreement for a consumer credit
 2 sale (or for the refinancing or consolidation of a consumer credit sale)
 3 that is entered into after June 30, 2020:

4 (a) The credit service charge authorized by this section must be:

5 (i) contracted for between the seller and the debtor; and

6 (ii) calculated by applying a rate not exceeding the rate set
 7 forth in subsection (2) to unpaid balances of the amount
 8 financed (as defined in section 111 of this chapter).

9 (b) A sale agreement for a precomputed consumer credit sale is
 10 prohibited.

11 (c) Subject to subsection (13), in addition to the credit service
 12 charge authorized by subsection (2) and to any other fees
 13 permitted by this chapter, and not subject to the rate set forth in
 14 subsection (2), the seller may contract for and receive as a
 15 condition for, or an incident to, the extension of credit a
 16 nonrefundable prepaid finance charge under subsection (11),
 17 whether the charge is:

18 (i) paid separately in cash or by check before or at
 19 consummation; or

20 (ii) withheld from the proceeds of the consumer credit sale.

21 (5) For the purposes of this section, the term of a sale agreement
 22 commences with the date the credit is granted or, if goods are delivered
 23 or services performed more than thirty (30) days after that date, with
 24 the date of commencement of delivery or performance except as set
 25 forth below:

26 (a) Delays attributable to the customer. Where the customer
 27 requests delivery after the thirty (30) day period or where delivery
 28 occurs after the thirty (30) day period for a reason attributable to
 29 the customer (including but not limited to failure to close on a
 30 residence or failure to obtain lease approval), the term of the sale
 31 agreement shall commence with the date credit is granted.

32 (b) Partial Deliveries. Where any portion of the order has been
 33 delivered within the thirty (30) day period, the term of the sale
 34 agreement shall commence with the date credit is granted.

35 Differences in the lengths of months are disregarded and a day may be
 36 counted as one-thirtieth (1/30) of a month. Subject to classifications
 37 and differentiations the seller may reasonably establish, a part of a
 38 month in excess of fifteen (15) days may be treated as a full month if
 39 periods of fifteen (15) days or less are disregarded and that procedure
 40 is not consistently used to obtain a greater yield than would otherwise
 41 be permitted.

42 (6) With respect to a consumer credit sale made pursuant to a

1 revolving charge account, the parties to the sale may contract for the
 2 payment by the buyer of a credit service charge not exceeding that
 3 permitted in this section, subject to the following:

4 (a) The credit service charge contracted for and received may not
 5 exceed a charge in each monthly billing cycle which is either two
 6 and eighty-three thousandths percent (2.083%) of an amount not
 7 greater than:

8 (i) the average daily balance of the account;

9 (ii) the unpaid balance of the account on the same day of the
 10 billing cycle; or

11 (iii) subject to subsection (7), the median amount within a
 12 specified range within which the average daily balance of the
 13 account or the unpaid balance of the account, on the same day
 14 of the billing cycle, is included.

15 For purposes of clauses (ii) and (iii), a variation of not more than
 16 four (4) days from month to month is "the same day of the billing
 17 cycle".

18 (b) If the billing cycle is not monthly, the maximum charge is that
 19 percentage which bears the same relation to the applicable
 20 monthly maximum percentage as the number of days in the billing
 21 cycle bears to thirty (30).

22 (c) Notwithstanding subdivision (a), if there is an unpaid balance
 23 on the date as of which the credit service charge is applied, the
 24 seller may contract for and receive a charge not exceeding fifty
 25 cents (\$0.50) if the billing cycle is monthly or longer, or the pro
 26 rata part of fifty cents (\$0.50) which bears the same relation to
 27 fifty cents (\$0.50) as the number of days in the billing cycle bears
 28 to thirty (30) if the billing cycle is shorter than monthly. However,
 29 a seller may not contract for or receive a charge under this
 30 subdivision if the seller has made an annual charge for the same
 31 period as permitted by the provisions on additional charges in
 32 section 202(1)(e) of this chapter.

33 (7) Subject to classifications and differentiations the seller may
 34 reasonably establish, the seller may make the same credit service
 35 charge on all amounts financed within a specified range. A credit
 36 service charge so made does not violate subsection (2) if:

37 (a) when applied to the median amount within each range, it does
 38 not exceed the maximum permitted by subsection (2); and

39 (b) when applied to the lowest amount within each range, it does
 40 not produce a rate of credit service charge exceeding the rate
 41 calculated according to subdivision (a) by more than eight percent
 42 (8%) of the rate calculated according to subdivision (a).

1 (8) Notwithstanding subsection (2), with respect to a consumer sale
 2 other than a sale under a revolving charge account, the seller may
 3 contract for and receive a minimum credit service charge of not more
 4 than thirty dollars (\$30). The minimum credit service charge allowed
 5 under this subsection may be imposed only if the seller does not
 6 contract for or receive a nonrefundable prepaid finance charge under
 7 subsection (11) and:

8 (a) the debtor prepays in full a consumer credit sale, refinancing,
 9 or consolidation, regardless of whether the sale, refinancing, or
 10 consolidation is precomputed;

11 (b) the sale, refinancing, or consolidation prepaid by the debtor is
 12 subject to a credit service charge that:

13 (i) is contracted for by the parties; and

14 (ii) does not exceed the rate prescribed in subsection (2); and

15 (c) the credit service charge earned at the time of prepayment is
 16 less than the minimum credit service charge contracted for under
 17 this subsection.

18 (9) The amounts of two thousand dollars (\$2,000) and four thousand
 19 dollars (\$4,000) in subsection (2) are subject to change pursuant to the
 20 provisions on adjustment of dollar amounts (IC 24-4.5-1-106).
 21 However, notwithstanding IC 24-4.5-1-106(1), the Reference Base
 22 Index to be used under this subsection is the Index for October 2012.

23 (10) The amount of thirty dollars (\$30) in subsection (8) is subject
 24 to change under the provisions on adjustment of dollar amounts (IC
 25 24-4.5-1-106). However, notwithstanding IC 24-4.5-1-106(1), the
 26 Reference Base Index to be used under this subsection is the Index for
 27 October 1992.

28 (11) This subsection applies to a sale agreement entered into after
 29 June 30, 2020. Except as provided in subsection (8), and subject to
 30 subsection (13), in addition to the credit service charge authorized by
 31 subsection (2), and to any other fees permitted by this chapter, a seller
 32 may contract for and receive a nonrefundable prepaid finance charge
 33 in an amount which is not more than:

34 (a) seventy-five dollars (\$75) for an amount financed (as defined
 35 in section 111 of this chapter) which is two thousand dollars
 36 (\$2,000) or less;

37 (b) one hundred fifty dollars (\$150) for an amount financed (as
 38 defined in section 111 of this chapter) which is more than two
 39 thousand dollars (\$2,000) but does not exceed four thousand
 40 dollars (\$4,000); and

41 (c) two hundred dollars (\$200) for an amount financed (as defined
 42 in section 111 of this chapter) which is more than four thousand

1 dollars (\$4,000).
 2 The nonrefundable prepaid finance charge is not subject to refund or
 3 rebate. However, any amount charged by the seller, other than by a
 4 seller that is a depository institution (as defined in
 5 IC 24-4.5-1-301.5(12)), under this subsection that exceeds the
 6 applicable amount permitted by this subsection constitutes a violation
 7 of this article under IC 24-4.5-6-107.5(1) and is subject to refund. Any
 8 amount charged by a depository institution (as defined in
 9 IC 24-4.5-1-301.5(12)) under this subsection that exceeds the
 10 applicable amount set forth in this subsection is subject to refund. The
 11 amounts in this subsection are not subject to change under
 12 IC 24-4.5-1-106.

13 (12) If the director determines that a seller's accrual method of
 14 accounting as applied to a consumer credit sale under this section
 15 involves the application of subterfuge for the purpose of circumventing
 16 this chapter, the director may conform the credit service charge and
 17 fees for the transaction to the limitations set forth in this section and
 18 may require a refund of overcharges under IC 24-4.5-6-106(2)(a). A
 19 determination by the director under this subsection:

- 20 (a) must be in writing;
 21 (b) shall be delivered to all parties in the transaction; and
 22 (c) is subject to IC 4-21.5-3.

23 (13) At the time of consummation of a consumer credit sale:
 24 (a) the credit service charge authorized by subsection (2); and
 25 (b) the nonrefundable prepaid finance charge authorized by
 26 subsection (11) (including any amount charged by a depository
 27 institution (as defined in IC 24-4.5-1-301.5(12)) that exceeds the
 28 applicable amount set forth in subsection (11)) in the case of a
 29 sale agreement entered into after June 30, 2020;
 30 are subject to IC 35-45-7 and, when combined, may not exceed the rate
 31 set forth in IC 35-45-7-2.
