(d) Each recreational vehicle or truck camper shall be taxed as a recreational vehicle or truck camper in its first year of manufacture throughout the calendar year in which a recreational vehicle or truck camper of that make and model is first offered for sale in Indiana. However, a recreational vehicle or truck camper of a make and model first offered for sale in Indiana after August 1 of any year continues to be taxed as a recreational vehicle or truck camper in its first year of manufacture until the end of the calendar year following the year in which it is first offered for sale. Thereafter, the recreational vehicle or truck camper shall be considered to have aged one (1) year as of January 1 of each year.

SECTION 40. IC 6-6-5.1-15, AS AMENDED BY P.L.149-2015, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 15. (a) This section applies only to recreational vehicles.

- (b) With respect to a recreational vehicle that has been acquired, has been brought into Indiana, or for any other reason becomes subject to registration after the regular annual registration date in the year on or before which the owner of the recreational vehicle is required under the state motor vehicle registration laws to register vehicles, the tax imposed by this chapter is due and payable at the time the recreational vehicle is acquired, is brought into Indiana, or otherwise becomes subject to registration.
- (c) For taxes due and payable before January 1, 2017, the amount of tax to be paid by the owner for the remainder of the year shall be reduced by eight and thirty-three hundredths percent (8.33%) for each full calendar month that has elapsed since the regular annual registration date in the year fixed by the state motor vehicle registration laws for annual registration by the owner. The tax shall be paid at the

1	time of the registration of the recreational vehicle.
2	(d) For taxes due and payable after December 31, 2016, the tax
3	shall be paid at the time of the registration of the recreationa
4	vehicle and is determined as follows:
5	(1) For a recreational vehicle with an initial registration
6	period under IC 9-18.1-11-3, the amount determined under
7	STEP THREE of the following formula:
8	STEP ONE: Determine the number of months remaining
9	until the recreational vehicle's next registration date under
10	IC 9-18.1-11-3. A partial month shall be rounded up to one
11	(1) month.
12	STEP TWO: Multiply the STEP ONE result by one-twelfth
13	(1/12).
14	STEP THREE: Multiply the annual excise tax for the
15	recreational vehicle by the STEP TWO product.
16	(2) For a recreational vehicle with a renewal registration
17	period described in IC 9-18.1-11-3(b), the annual excise tax
18	for the current registration.
19	(c) If a recreational vehicle is acquired, is brought into Indiana, or
20	for any other reason becomes subject to registration after January 1 or
21	any year, the owner may pay the applicable registration fee on the
22	recreational vehicle as provided in the state motor vehicle registration
23	laws and may pay any excise tax due on the recreational vehicle for the
24	remainder of the annual registration year and simultaneously register
25	the recreational vehicle and, if the succeeding annual registration year
26	does not extend beyond the end of the next calendar year, pay the
27	· · · · · · · · · · · · · · · · · · ·
28	excise tax due for the next succeeding annual registration year.
	(d) (e) Except as provided in subsection (h), (i), a reduction in the
29	applicable annual excise tax may not be allowed to an Indiana residen
30	applicant upon registration of a recreational vehicle that was owned by
31	the applicant on or before the first day of the applicant's annua
32	registration period. A recreational vehicle that is owned by an Indiana
33	resident applicant and that was located in and registered for use ir
34	another state during the same calendar year is entitled to the same
35	reduction when registered in Indiana.
36	(e) (f) The owner of a recreational vehicle who sells the recreational
37	vehicle in a year in which the owner has paid the tax imposed by this
38	chapter shall receive a credit equal to the remainder of:
39	(1) the tax paid for the recreational vehicle; minus
40	(2) eight and thirty-three hundredths percent (8.33%) for each ful
41	or partial calendar month that has elapsed in the owner's annua
42	registration year before the date of the sale.

The credit shall be applied to the tax due on any other recreational vehicle purchased or subsequently registered by the owner in the owner's annual registration year. If the credit is not fully used and the amount of the credit remaining is at least four dollars (\$4), the owner is entitled to a refund in the amount of the unused credit. The owner must pay a fee of three dollars (\$3) to the bureau to cover costs of providing the refund, which may be deducted from the refund. The bureau shall issue the refund. The bureau shall transfer three dollars (\$3) of the fee to the bureau of motor vehicles commission to cover the commission's costs in processing the refund. To claim the credit and refund provided by this subsection, the owner of the recreational vehicle must present to the bureau proof of sale of the recreational vehicle.

- (f) (g) Subject to the requirements of subsection (g), (h), if a recreational vehicle is destroyed in a year in which the owner has paid the tax imposed by this chapter and the recreational vehicle is not replaced by a replacement vehicle for which a credit is issued under this section, the owner is entitled to a refund in an amount equal to eight and thirty-three hundredths percent (8.33%) of the tax paid for each full calendar month remaining in the owner's annual registration year after the date of destruction, but only upon presentation to the bureau of the following:
  - (1) A request for refund on a form furnished by the bureau.
  - (2) A statement of proof of destruction on an affidavit furnished by the bureau.
  - (3) The license plate from the recreational vehicle.
  - (4) The registration from the recreational vehicle.

However, the refund may not exceed ninety percent (90%) of the tax paid on the destroyed recreational vehicle. The amount shall be refunded by a warrant issued by the auditor of the county that received the excise tax revenue and shall be paid out of the special account created under section 21 of this chapter for settlement of the excise tax collections. For purposes of this subsection, a recreational vehicle is considered destroyed if the cost of repair of damages suffered by the recreational vehicle exceeds the recreational vehicle's fair market value.

(g) (h) To claim a refund under subsection (f) (g) for a recreational vehicle that is destroyed, the owner of the recreational vehicle must present to the bureau a valid registration for the recreational vehicle within ninety (90) days after the date that the recreational vehicle is destroyed. The bureau shall then fix the amount of the refund that the owner is entitled to receive.

SECTION 62. IC 8-2.1-24-18, AS AMENDED BY P.L.215-2013, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 18. (a) 49 CFR Parts 40, 375, 380, 382 through 387, 390 through 393, and 395 through 398 are incorporated into Indiana law by reference, and, except as provided in subsections (d), (e), (f), (g), and (j), (k), and (l), must be complied with by an interstate and intrastate motor carrier of persons or property throughout Indiana. Intrastate motor carriers subject to compliance reviews under 49 CFR 385 shall be selected according to criteria determined by the superintendent which must include but are not limited to factors such as previous history of violations found in roadside compliance checks and other recorded violations. However, the provisions of 49 CFR 395 that regulate the hours of service of drivers, including requirements for the maintenance of logs, do not apply to a driver of a truck that is registered by the bureau of motor vehicles and used as a farm truck under IC 9-18 (before its expiration) or IC 9-18.1-7 or a vehicle operated in intrastate construction or construction related service, or the restoration of public utility services interrupted by an emergency. Except as provided in subsection (i) and (j):

- (1) intrastate motor carriers not operating under authority issued by the United States Department of Transportation shall comply with the requirements of 49 CFR 390.21(b)(3) by registering with the department of state revenue as an intrastate motor carrier and displaying the certification number issued by the department of state revenue preceded by the letters "IN"; and

  - (1) private carrier;
  - (2) common carrier;
  - (3) contract carrier;
  - (4) motor carrier of property, intrastate;
  - (5) hazardous material shipper; and
- (6) carrier otherwise exempt under section 3 of this chapter; must comply with the federal regulations incorporated under this subsection, whether engaged in interstate or intrastate commerce.
- (c) Notwithstanding subsection (b), nonspecification bulk and nonbulk packaging, including cargo tank motor vehicles, may be used only if all the following conditions exist:

1	(1) The maximum capacity of the vehicle is less than three
2	thousand five hundred (3,500) gallons.
3	(2) The shipment of goods is limited to intrastate commerce.
4	(3) The vehicle is used only for the purpose of transporting fuel
5	oil, kerosene, diesel fuel, gasoline, gasohol, or any combination
6	of these substances.
7	Maintenance, inspection, and marking requirements of 49 CFR 173.8
8	and Part 180 are applicable. In accordance with federal hazardous
9	materials regulations, new or additional nonspecification cargo tank
10	motor vehicles may not be placed in service under this subsection.
11	(d) For the purpose of enforcing this section, only:
12	(1) a state police officer or state police motor carrier inspector
13	who:
14	(A) has successfully completed a course of instruction
15	approved by the United States Department of Transportation;
16	and
17	(B) maintains an acceptable competency level as established
18	by the state police department; or
19	(2) an employee of a law enforcement agency who:
20	(A) before January 1, 1991, has successfully completed a

24	by the state police department;
25	on the enforcement of 49 CFR, may, upon demand, inspect the books,
26	accounts, papers, records, memoranda, equipment, and premises of any
27	carrier, including a carrier exempt under section 3 of this chapter.
28	(e) A person hired before September 1, 1985, who operates a motor
29	vehicle intrastate incidentally to the person's normal employment duties
30	and who is not employed as a chauffeur (as defined in IC 9-13-2-21(a))
31	to operate a motor vehicle for hire is exempt from 49 CFR 391 as
32	incorporated by this section.
33	(f) Notwithstanding any provision of 49 CFR 391 to the contrary, a
34	person at least eighteen (18) years of age and less than twenty-one (21)
35	years of age may be employed as a driver to operate a commercial
36	motor vehicle intrastate. However, a person employed under this
37	subsection is not exempt from any other provision of 49 CFR 391.
38	(g) Notwithstanding subsection (a) or (b), the following provisions
39	of 49 CFR do not apply to private carriers of property operated only in

41	intrastate commerce while employed in construction or construction

related service:

(1) Subpart 391.41(b)(3) as it applies to physical qualifications of
a driver who has been diagnosed as an insulin dependent diabetic,
if the driver has applied for and been granted an intrastate
medical waiver by the bureau of motor vehicles pursuant to this
subsection. The same standards and the following procedures
shall apply for this waiver whether or not the driver is required to
hold a commercial driver's license. An application for the waiver
shall be submitted by the driver and completed and signed by a
certified endocrinologist or the driver's treating physician
attesting that the driver:

- (A) is not otherwise physically disqualified under Subpart 391.41 to operate a motor vehicle, whether or not any additional disqualifying condition results from the diabetic condition, and is not likely to suffer any diminution in driving ability due to the driver's diabetic condition;
- (B) is free of severe hypoglycemia or hypoglycemia unawareness and has had less than one (1) documented, symptomatic hypoglycemic reaction per month;
- (C) has demonstrated the ability and willingness to properly monitor and manage the driver's diabetic condition;
- (D) has agreed to and, to the endocrinologist's or treating physician's knowledge, has carried a source of rapidly absorbable glucose at all times while driving a motor vehicle, has self monitored blood glucose levels one (1) hour before driving and at least once every four (4) hours while driving or on duty before driving using a portable glucose monitoring device equipped with a computerized memory; and
- (E) has submitted the blood glucose logs from the monitoring device to the endocrinologist or treating physician at the time of the annual medical examination.

A copy of the blood glucose logs shall be filed along with the annual statement from the endocrinologist or treating physician with the bureau of motor vehicles for review by the driver licensing medical advisory board established under IC 9-14-4. IC 9-14-11. A copy of the annual statement shall also be provided to the driver's employer for retention in the driver's qualification file, and a copy shall be retained and held by the driver while driving for presentation to an authorized federal, state, or local law enforcement official. Notwithstanding the requirements of this subdivision, the endocrinologist, the treating physician, the advisory board of the bureau of motor vehicles, or the bureau of motor vehicles may, where medical indications warrant, establish

- a short period for the medical examinations required under this subdivision.
  - (2) Subpart 396.9 as it applies to inspection of vehicles carrying or loaded with a perishable product. However, this exemption does not prohibit a law enforcement officer from stopping these vehicles for an obvious violation that poses an imminent threat of an accident or incident. The exemption is not intended to include refrigerated vehicles loaded with perishables when the refrigeration unit is working.
  - (3) Subpart 396.11 as it applies to driver vehicle inspection reports.
  - (4) Subpart 396.13 as it applies to driver inspection.
  - (h) For purposes of 49 CFR 395.1(k)(2), "planting and harvesting season" refers to the period between January 1 and December 31 of each year. The intrastate commerce exception set forth in 49 CFR 395.1(k), as it applies to the transportation of agricultural commodities and farm supplies, is restricted to single vehicles and cargo tank motor vehicles with a capacity of not more than five thousand four hundred (5,400) gallons.
  - (i) The requirements of 49 CFR 390.21 do not apply to an intrastate motor carrier or a guest operator not engaged in interstate commerce and operating a motor vehicle as a farm vehicle in connection with agricultural pursuits usual and normal to the user's farming operation or for personal purposes unless the vehicle is operated either part time or incidentally in the conduct of a commercial enterprise.
  - (j) This section does not apply to private carriers that operate using only the type of motor vehicles specified in IC 8-2.1-24-3(6).
  - (k) This subsection expires October 1, 2015. The exemption provided by Section 32101(d) (amending Section 229(a)(1) of the Motor Carrier Safety Improvement Act of 1999 (MCSIA) (49 U.S.C. 31136 (note)) of the federal Moving Ahead for Progress in the 21st Century Act (MAP-21) (Public Law 112-141, 126 Stat. 405) (77 Fed. 5	2016]. Sec. 1. (a) Except as provided in subsection (b) or in a rule
6	adopted by the Indiana department of transportation, each railroad in
7	the State of Indiana shall maintain each public crossing under its
8	control in such a manner that the operator of any licensed motor
9	vehicle has an unobstructed view for fifteen hundred (1,500) feet in
10	both directions along the railroad right-of-way subject only to terrain
11	elevations or depressions, track curvature, or permanent improvements.
12	However, the Indiana department of transportation may adopt rules
13	under IC 4-22-2 to adjust the distance of the unobstructed view
14	requirement under this subsection based on variances in train speeds,
15	number of tracks, angles of highway and rail crossing intersections,
16	elevations, and other factors consistent with accepted engineering
17	<del>practices.</del>
18	(b) A public crossing equipped with a train activated crossing gate
19	is exempt from the requirements of subsection (a), if the railroad
20	maintains an unobstructed view for at least two hundred fifty (250) feet
21	in both directions along the railroad right-of-way.
22	(c) This section expires on the date on which rules described in
23	section 1.1 of this chapter are finally adopted.

28	benefit of operators of licensed motor vehicles, an unobstructed
29	view within the railroad right-of-way at a public railroad crossing
30	that is under the control of the railroad. In establishing distances
31	under this subdivision, the Indiana department of transportation
32	shall take into account safety measures in place at a public
33	erossing, including train activated warning devices and federal
34	railroad track classifications.
35	(2) Provide exceptions to distances required under subdivision (1)
36	based on variances in terrain, elevations, track curvature, and
37	permanent improvements at or near a public crossing.
38	(3) Develop a method to determine and verify distances required
39	under subdivision (1). The method must:
40	(A) be consistent with accepted engineering practices; and

(A) be consistent with accepted engineering practices; and

(b) A rule adopted under subsection (a) replaces any common law

SECTION 597. IC 9-30-3-15, AS AMENDED BY P.L.125-2012,

SECTION 327, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 15. In a proceeding, prosecution, or

hearing where the prosecuting attorney must prove that the defendant had a prior conviction for an offense under this title, the relevant portions of a certified computer printout or electronic copy as set forth in IC 9-14-3-4 made from the records of the bureau are admissible as prima facie evidence of the prior conviction. However, the prosecuting attorney must establish that the document identifies the defendant by the defendant's driver's license number or by any other identification method utilized by the bureau.

SECTION 598. IC 9-30-4-1 IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 1. (a) Upon any reasonable ground appearing on the records of the bureau and specified in rules adopted under subsection (b), the bureau may do the following:

- (b) The bureau shall adopt rules under IC 4-22-2 to specify reasonable grounds for suspension or revocation permitted under subsection (a).

SECTION 599. IC 9-30-4-6, AS AMENDED BY P.L.149-2015, SECTION 98, IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 6. (a) The bureau shall suspend or revoke the current driver's license or driving privileges and all certificates of registration and license plates issued or registered in the name of a person who is convicted of any of the following:

- (1) Manslaughter or reckless homicide resulting from the operation of a motor vehicle.
- (2) Perjury or knowingly making a false affidavit to the department under this chapter or any other law requiring the registration of motor vehicles or regulating motor vehicle operation upon the highways.
- (3) Three (3) charges of criminal recklessness involving the use of a motor vehicle within the preceding twelve (12) months.
- (4) Failure to stop and give information or assistance or failure to stop and disclose the person's identity at the scene of an accident that has resulted in death, personal injury, or property damage in excess of two hundred dollars (\$200).

However, and unless otherwise required by law, the bureau may not suspend a certificate of registration or license plate if the person gives and maintains, during the three (3) years following the date of suspension or revocation, proof of financial responsibility in the future in the manner specified in this section.

1	(b) The bureau shall suspend a driver's license or driving privileges
2	of a person upon conviction in another jurisdiction for the following:
3	(1) Manslaughter or reckless homicide resulting from the
4	operation of a motor vehicle.
5	(2) Perjury or knowingly making a false affidavit to the
6	department under this chapter or any other law requiring the
7	registration of motor vehicles or regulating motor vehicle
8	operation upon the highways.
9	(3) Three (3) charges of criminal recklessness involving the use
10	of a motor vehicle within the preceding twelve (12) months.
11	(4) Failure to stop and give information or assistance or failure to
12	stop and disclose the person's identity at the scene of an accident
13	that has resulted in death, personal injury, or property damage in
14	excess of two hundred dollars (\$200).
15	However, if property damage is less than two hundred dollars (\$200),
16	the bureau may determine whether the driver's license or driving
17	privileges and certificates of registration and license plates shall be
18	suspended or revoked.
19	(c) A person whose driving privileges are suspended under this
20	chapter is eligible for specialized driving privileges under IC 9-30-16.
21	(d) A suspension or revocation remains in effect and a new or

23	may not be registered in the name of the person as follows:
24	(1) Except as provided in subdivision (2), for six (6) months from
25	the date of conviction or on the date on which the person is
26	otherwise eligible for a license, whichever is later.
27	(2) Upon conviction of an offense described in subsection (a)(1)
28	or (b)(1), or (a)(4) or (b)(4) when the accident has resulted in
29	death, for a fixed period of not less than two (2) years and not

34	following the expiration of the suspension or revocation, gives
35	and maintains in force at all times during the effective period of
36	a new or reinstated license proof of financial responsibility in the
37	future in the manner specified in this chapter. However, the
38	liability of the insurance carrier under a motor vehicle liability
39	policy that is furnished for proof of financial responsibility in the
40	future as set out in this chapter becomes absolute whenever loss
41	or damage covered by the policy occurs, and the satisfaction by

the insured of a final judgment for loss or damage is not a

condition precedent to the right or obligation of the carrier to
make payment on account of loss or damage, but the insurance
carrier has the right to settle a claim covered by the policy. If the
settlement is made in good faith, the amount shall be deductive
from the limits of liability specified in the policy. A policy may
not be canceled or annulled with respect to a loss or damage by an
agreement between the carrier and the insured after the insured
has become responsible for the loss or damage, and a cancellation
or annulment is void. The policy may provide that the insured or
any other person covered by the policy shall reimburse the
insurance carrier for payment made on account of any loss or
damage claim or suit involving a breach of the terms, provisions,
or conditions of the policy. If the policy provides for limits in
excess of the limits specified in this chapter, the insurance carrier
may plead against any plaintiff, with respect to the amount of the
excess limits of liability, any defenses that the earrier may be
entitled to plead against the insured. The policy may further
provide for prorating of the insurance with other applicable valid
and collectible insurance. An action does not lie against the
insurance carrier by or on behalf of any claimant under the policy
until a final judgment has been obtained after actual trial by or on
behalf of any claimant under the policy.

- (e) The bureau may take action as required in this section upon receiving satisfactory evidence of a conviction of a person in another state.
- (f) For the purpose of this chapter, "conviction" includes any of the following:

    - (A) no sentence is imposed; or
    - (B) a sentence is suspended.
  - (3) A forfeiture of bail, bond, or collateral deposited to secure the defendant's appearance for trial, unless the forfeiture is vacated.

    (4) A payment of money as a penalty or as costs in accordance with an agreement between a moving traffic violator and a traffic violations bureau.
- (g) A suspension or revocation under this section or under IC 9-30-13-0.5 stands pending appeal of the conviction to a higher court and may be set aside or modified only upon the receipt by the bureau of the certificate of the court reversing or modifying the judgment that the cause has been reversed or modified. However, if the suspension or revocation follows a conviction in a court of no record

in Indiana, the suspension or revocation is stayed pending appeal of the

2	conviction to a court of record.
3	(h) A person aggrieved by an order or act of the bureau under this
4	section or IC 9-30-13-0.5 may file a petition for a court review.

9	highways.
20	(3) Three (3) charges of criminal recklessness involving the
21	use of a motor vehicle within the preceding twelve (12)
.2	months.
.3 .4	(4) Failure to stop and give information or assistance or
24	failure to stop and disclose the individual's identity at the
2.5	scene of an accident that has resulted in death, personal
26	injury, or property damage in excess of two hundred dollars
27	(\$200).
28	However, and unless otherwise required by law, the bureau may
29	not suspend a certificate of registration or proof of registration if
0	the individual gives and maintains, during the three (3) years
1	following the date of suspension or revocation, proof of financial
2	responsibility in the future in the manner specified in this section.
3	(b) The bureau shall suspend a driver's license or driving
4	privileges of an individual upon conviction in another jurisdiction
5	for the following:
6	(1) Manslaughter or reckless homicide resulting from the
7	operation of a motor vehicle.
8	(2) Knowingly making a false application, or committing
9	perjury with respect to an application made, under:
0	(A) this chapter; or
-1	(B) any other law requiring the registration of motor
-2	vehicles or regulating motor vehicle operation on

1	highways.
2	(3) Three (3) charges of criminal recklessness involving the
3	use of a motor vehicle within the preceding twelve (12)
4	months.
5	(4) Failure to stop and give information or assistance or
6	failure to stop and disclose the individual's identity at the
7	scene of an accident that has resulted in death, personal
8	injury, or property damage in excess of two hundred dollars
9	(\$200).
10	However, if property damage under subdivision (4) is equal to or
11	less than two hundred dollars (\$200), the bureau may determine
12	whether the driver's license or driving privileges and certificates
13	of registration and proof of registration shall be suspended or
14	revoked.
15	(c) An individual whose driving privileges are suspended under
16	this chapter is eligible for specialized driving privileges under
17	IC 9-30-16.
18	(d) A suspension or revocation remains in effect and a new or
19	renewal license may not be issued to the individual and a motor
20	vehicle may not be registered in the name of the individual as
21	follows:
22	(1) Except as provided in subdivision (2), for six (6) months
23	after the date of conviction or on the date on which the
24	individual is otherwise eligible for a license, whichever is
25	later.
26	(2) Upon conviction of an offense described in subsection
27	(a)(1), (a)(4), (b)(1), or (b)(4), when the accident has resulted
28	in death, for a fixed period of at least two (2) years and not
29	more than five (5) years, to be fixed by the bureau based upon
30	recommendation of the court entering a conviction. A new or
31	reinstated driver's license or driving privileges may not be
32	issued to the individual unless that individual, within the three
33	(3) years following the expiration of the suspension or
34	revocation, gives and maintains in force at all times during the
35	effective period of a new or reinstated license proof of
36	financial responsibility in the future in the manner specified
37	in this chapter. However, the liability of the insurance carrier
38	under a motor vehicle liability policy that is furnished for
39	proof of financial responsibility in the future as set out in this
40	chapter becomes absolute whenever loss or damage covered

by the policy occurs, and the satisfaction by the insured of a final judgment for loss or damage is not a condition precedent

40 41

to the right or obligation of the carrier to make payment on account of loss or damage, but the insurance carrier has the right to settle a claim covered by the policy. If the settlement is made in good faith, the amount must be deductive from the limits of liability specified in the policy. A policy may not be canceled or annulled with respect to a loss or damage by an agreement between the carrier and the insured after the insured has become responsible for the loss or damage, and a cancellation or annulment is void. The policy may provide that the insured or any other person covered by the policy shall reimburse the insurance carrier for payment made on account of any loss or damage claim or suit involving a breach of the terms, provisions, or conditions of the policy. If the policy provides for limits that exceed the limits specified in this chapter, the insurance carrier may plead against any plaintiff, with respect to the amount of the excess limits of liability, any defenses that the carrier may be entitled to plead against the insured. The policy may further provide for prorating of the insurance with other applicable valid and collectible insurance. An action does not lie against the insurance carrier by or on behalf of any claimant under the policy until a final judgment has been obtained after actual trial by or on behalf of any claimant under the policy.

- (e) The bureau may take action as required in this section upon receiving satisfactory evidence of a conviction of an individual in another state.
- (f) A suspension or revocation under this section or IC 9-30-13-0.5 stands pending appeal of the conviction to a higher court and may be set aside or modified only upon the receipt by the bureau of the certificate of the court reversing or modifying the judgment that the cause has been reversed or modified. However, if the suspension or revocation follows a conviction in a court of no record in Indiana, the suspension or revocation is stayed pending appeal of the conviction to a court of record.
- (g) A person aggrieved by an order or act of the bureau under this section or IC 9-30-13-0.5 may file a petition for a court review.
- (h) An entry in the driving record of a defendant stating that notice of suspension or revocation was mailed by the bureau to the defendant constitutes prima facie evidence that the notice was mailed to the defendant's address as shown in the records of the bureau.

1	SECTION 105, IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 9.
2	(a) Upon the filing of a complaint in writing with the bureau against a
3	person holding a current driver's license or permit or applying for a
4	driver's license, permit, or renewal, the bureau may cite the person for
5	a hearing to consider the suspension or revocation of the person's
6	license, permit, or driving privileges upon any of the following charges
7	or allegations:
8	(1) That the person has committed an offense for the conviction
9	of which mandatory revocation of license is provided.
10	(2) That the person has, by reckless or unlawful operation of a
11	motor vehicle, caused or contributed to an accident resulting in
12	death or injury to any other person or property damage.
13	(3) That the person is incompetent to drive a motor vehicle or is
14	afflicted with mental or physical infirmities or disabilities
15	rendering it unsafe for the person to drive a motor vehicle.
16	(4) That the person is a reckless or negligent driver of a motor
17	vehicle or has committed a violation of a motor vehicle law.
18	(b) Whenever the bureau determines a hearing is necessary upon a
19	complaint in writing for any of the reasons set out in this section, the
20	bureau shall immediately notify the licensee or permit holder of the
21	hearing. The notice must state the time, date, and place where the
22	hearing will be held and that the licensee or permit holder has the right
23	to appear and to be heard. At the hearing the bureau or the deputy or
24	agent may issue an order of suspension or revocation of, or decline to
25	suspend or revoke, the driver's license, permit, or driving privileges of
26	the person.
27	(c) The bureau or the deputy or agent may suspend or revoke the
28	driver's license, permit, or driving privileges of a person and any of the
29	certificates of registration and license plates for a motor vehicle or
30	require the person to operate for a period of one (1) year under
31	restricted driving privileges and make the reports the bureau requires.
32	(d) The bureau or the deputy or agent may subpoena witnesses,
33	administer oaths, and take testimony. The failure of the defendant to
34	appear at the time and place of the hearing after notice as provided in
35	this section does not prevent the hearing, the taking of testimony, and
36	the determination of the matter.
37	(e) Testimony or a record of suspension or revocation of a driver's
38	license, a permit, or driving privileges in the custody of the bureau
39	following a hearing is not admissible as evidence:
40	(1) in any court in any action at law for negligence; or
41	(2) in any civil action brought against a person so cited by the

bureau under this chapter.

1	(f) Except as provided in subsections (h), (i), and (j), the bureau may
2	suspend or revoke the driver's license, permit, or driving privileges of
3	an Indiana resident for a period of not more than one (1) year upon
4	receiving notice of the conviction of the person in another state of an
5	offense that, if committed in Indiana, would be grounds for the
6	suspension or revocation of the license, permit, or driving privileges.
7	A person whose driver's license, permit, or driving privileges are
8	suspended under this subsection is eligible for specialized driving
9	privileges under IC 9-30-16-4.
10	(g) The bureau may, upon receiving a record of the conviction in
11	Indiana of a nonresident driver of a motor vehicle of an offense under
12	Indiana motor vehicle laws, forward a certified copy of the record to
13	the motor vehicle administrator in the state where the person convicted
14	is a resident.
15	(h) The bureau shall suspend the driver's license, permit, or driving
16	privileges of an Indiana resident for a period of one (1) year upon
17	receiving notice of the conviction of the person in another state of an
18	offense that:
19	(1) involves the use of a motor vehicle; and
20	(2) caused or resulted in serious bodily injury to another person.
21	A person whose driver's license, permit, or driving privileges are
22	suspended under this subsection is eligible for specialized driving
23	<del>privileges under IC 9-30-16-4.</del>
24	(i) The bureau shall suspend the driver's license, permit, or driving
25	privileges of an Indiana resident for a period of one (1) year upon
26	receiving notice of the conviction of the person in another state of an
27	offense that involves the operation of a motor vehicle while the person
28	is intoxicated and the person has a prior conviction:
29	(1) in another state of an offense that involves the operation of a
30	motor vehicle while the person is intoxicated; or
31	(2) under IC 9-30-5.
32	A person whose driver's license, permit, or driving privileges are
33	suspended under this subsection is eligible for specialized driving
34	<del>privileges under IC</del> 9-30-16-4.
35	(j) The bureau shall suspend the driver's license, permit, or driving
36	privileges of an Indiana resident for a period of two (2) years upon
37	receiving notice of the conviction of the person in another state of an
38	offense that:
39	(1) involves the operation of a motor vehicle; and
40	(2) caused the death of another person.
41	A person whose driver's license, permit, or driving privileges are
42	suspended under this subsection is not eligible for specialized driving

1	privileges under IC 9-30-16-4 during the period for which the person's
2	driver's license, permit, or driving privileges are suspended under this
3	subsection.
4	(k) A suspension or revocation under this section stands pending
5	any proceeding for review of an action of the bureau taken under this
6	section.
7	(1) In addition to any other power, the bureau may modify, amend,
8	or cancel any order or determination during the time within which a
9	judicial review could be had. A person aggrieved by the order or act
10	may have a judicial review under sections 10 and 11 of this chapter.
11	SECTION 602. IC 9-30-4-14 IS REPEALED [EFFECTIVE JULY

However, the Indiana department of transportation may adopt rules under IC 4-22-2 to adjust the distance of the unobstructed view requirement under this subsection based on variances in train speeds, number of tracks, angles of highway and rail crossing intersections, elevations, and other factors consistent with accepted engineering practices.

- (b) A public crossing equipped with a train activated crossing gate is exempt from the requirements of subsection (a), if the railroad maintains an unobstructed view for at least two hundred fifty (250) feet in both directions along the railroad right-of-way.

  - (2) Provide exceptions to distances required under subdivision (1) based on variances in terrain, elevations, track curvature, and permanent improvements at or near a public crossing.
  - (3) Develop a method to determine and verify distances required under subdivision (1). The method must:
    - (A) be consistent with accepted engineering practices; and
    - (B) produce results capable of replication.
- (b) A rule adopted under subsection (a) replaces any common law duties imposed on a railroad with respect to distances established or methods of verification developed under the rule.
