37	completion of a log for a commercial purpose. The Indiana

39	or the records from the completion of a log from a law
40	enforcement officer if the information may not be used to identify
41	a specific individual and is used only for statistical purposes. A

pharmacy or NPLEx retailer that in good faith releases

42

2	civil liability unless the release constitutes gross negligence or
3	intentional, wanton, or willful misconduct.
4	(4) The pharmacy or NPLEx retailer maintains a record of
5	information for each sale of a nonprescription product containing
6	pseudoephedrine or ephedrine. Required information includes:
7	(A) the name and address of each purchaser;
8	(B) the type of identification presented;
9	(C) the governmental entity that issued the identification;
10	(D) the identification number; and
11	(E) the ephedrine or pseudoephedrine product purchased,
12	including the number of grams the product contains and the

14	(5) Beginning January 1, 2012, a pharmacy or NPLEx retailer
15	shall, except as provided in subdivision (6), before completing a
16	sale of an over-the-counter product containing pseudoephedrine
17	or ephedrine, electronically submit the required information to the
18	National Precursor Log Exchange (NPLEx), administered by the
19	National Association of Drug Diversion Investigators (NADDI),
20	if the NPLEx system is available to pharmacies or NPLEx
21	retailers in the state without a charge for accessing the system.
22	The pharmacy or NPLEx retailer may not complete the sale if the
23	system generates a stop sale alert, including a stop sale alert for
24	a person convicted of a drug related felony reported under
25	IC 10-11-2-31.5.
26	(6) If a pharmacy or NPLEx retailer selling an over-the-counter
27	product containing ephedrine or pseudoephedrine experiences
28	mechanical or electronic failure of the electronic sales tracking
29	system and is unable to comply with the electronic sales tracking
30	requirement, the pharmacy or NPLEx retailer shall maintain a
31	written log or an alternative electronic recordkeeping mechanism
32	until the pharmacy or NPLEx retailer is able to comply with the
33	electronic sales tracking requirement.
34	(7) The pharmacy or NPLEx retailer stores the drug behind a
35	counter in an area inaccessible to a customer or in a locked
36	display case that makes the drug unavailable to a customer
37	without the assistance of an employee.
38	(e) A person may not purchase drugs containing more than:
39	(1) three and six-tenths (3.6) grams of ephedrine or
40	pseudoephedrine, or both, on one (1) day;

42

(3) sixty-one and two-tenths (61.2) grams of ephedrine or pseudoephedrine, or both, in a three hundred sixty-five (365) day period.

These limits apply to the total amount of base ephedrine and pseudoephedrine contained in the products and not to the overall weight of the products.

- (f) This subsection only applies to convenience packages. A retailer may sell convenience packages under this section without complying with the conditions listed in subsection (d):
 - (1) after June 30, 2013; and
 - (2) before January 1, 2014.

A retailer may not sell drugs containing more than sixty (60) milligrams of ephedrine or pseudoephedrine, or both in any one (1) transaction. A retailer who sells convenience packages must secure the convenience packages behind the counter in an area inaccessible to a customer or in a locked display case that makes the drug unavailable to a customer without the assistance of an employee. A retailer may not sell a drug containing ephedrine or pseudoephedrine after December 31, 2013.

- (i) A unit (as defined in IC 36-1-2-23) may not adopt an ordinance after February 1, 2005, that is more stringent than this section.
- (j) A person who knowingly or intentionally violates this section commits a Class C misdemeanor. However, the offense is a Class A misdemeanor if the person has a prior unrelated conviction under this section.
- (k) A pharmacy or NPLEx retailer that uses the electronic sales tracking system in accordance with this section is immune from civil liability for any act or omission committed in carrying out the duties required by this section, unless the act or omission was due to negligence, recklessness, or deliberate or wanton misconduct. A

1	pharmacy or NPLEx retailer is immune from liability to a third party
2	unless the pharmacy or NPLEx retailer has violated a provision of this
3	section and the third party brings an action based on the pharmacy's or
4	NPLEx retailer's violation of this section.
5	(l) The following requirements apply to the NPLEx:
6	(1) Information contained in the NPLEx may be shared only with
7	law enforcement officials.
8	(2) A law enforcement official may access Indiana transaction
9	information maintained in the NPLEx for investigative purposes.
