ARTICLE 14.1. DENTIST AND DENTAL HYGIENIST COMPACT

Chapter 1. Title and Scope

- Sec. 1. This article shall be known and cited as the Dentist and Dental Hygienist Compact. The purposes of this compact are to facilitate the interstate practice of dentistry and dental hygiene and improve public access to dentistry and dental hygiene services by providing dentists and dental hygienists licensed in a participating state the ability to practice in participating states in which they are not licensed. The compact does this by establishing a pathway for dentists and dental hygienists licensed in a participating state to obtain a compact privilege that authorizes them to practice in another participating state in which they are not licensed. The compact enables participating states to protect the public health and safety with respect to the practice of such dentists and dental hygienists, through the state's authority to regulate the practice of dentistry and dental hygiene in the state. The compact does the following:
 - (1) Enables dentists and dental hygienists who qualify for a compact privilege to practice in other participating states without satisfying duplicative requirements associated with securing a license to practice in those states.
 - (2) Promotes mobility and addresses workforce shortages through each participating state's acceptance of a compact privilege to practice in that state.
 - (3) Increases public access to qualified licensed dentists and dental hygienists by creating a responsible, streamlined pathway for licensees to practice in participating states.
 - (4) Enhances the ability of participating states to protect the public's health and safety.
 - (5) Does not interfere with licensure requirements established by a participating state.
 - (6) Facilitates the sharing of licensure and disciplinary information among participating states.
 - (7) Requires dentists and dental hygienists who practice in a participating state pursuant to a compact privilege to practice within the scope of practice authorized in that state.
 - (8) Extends the authority of a participating state to regulate

the practice of dentistry and dental hygiene within its borders $% \left(x\right) =\left(x\right) +\left(x\right)$

to dentists and dental hygienists who practice in the state

3	through a compact privilege.
4	(9) Promotes the cooperation of participating states in
5	regulating the practice of dentistry and dental hygiene within

14	the circumstances under which they may be undertaken may be

33	Sec. 1. (a) In order to join the compact and thereafter continue
34	as a participating state, a state must:
35	(1) enact a compact that is not materially different from the
36	model compact as determined in accordance with commission
37	rules;
38	(2) participate fully in the commission's data system;
39	(3) have a mechanism in place for receiving and investigating

complaints about its licensees and license applicants;

(4) notify the commission, in compliance with the terms of the

compact and commission rules, of any adverse action or the

40 41

42

1	availability of significant investigative information regarding
2	a licensee and license applicant;
3	(5) fully implement a criminal background check
4	requirement, within a time frame established by commission
5	rule, by receiving the results of a qualifying criminal
6	background check;
7	(6) comply with the commission rules applicable to a
8	participating state;
9	(7) accept the national board examinations of the Joint
10	Commission on National Dental Examinations or another
l 1	examination accepted by commission rule as a licensure
12	examination;
13	(8) accept for licensure that applicants for a dentist license
14	graduate from a predoctoral dental education program
15	accredited by the Commission on Dental Accreditation, or
16	another accrediting agency recognized by the United States
17	Department of Education for the accreditation of dentistry
18	and dental hygiene education programs, leading to the Doctor
19	of Dental Surgery (D.D.S.) or Doctor of Dental Medicine
20	(D.M.D.) degree;
21	(9) accept for licensure that applicants for a dental hygienis
22	license graduate from a dental hygiene education program
23 24	accredited by the Commission on Dental Accreditation or

25	Department of Education for the accreditation of dentistry
26	and dental hygiene education programs;
27	(10) require for licensure that applicants successfully
28	complete a clinical assessment;
29	(11) have continuing professional development requirements
30	as a condition for license renewal; and
31	(12) pay a participation fee to the commission as established
32	by commission rule.
33	(b) Providing alternative pathways for an individual to obtain
34	an unrestricted license does not disqualify a state from
35	participating in the compact.
36	Sec. 2. When conducting a criminal background check, the state
37	licensing authority shall:
38	(1) consider the criminal background check information in
39	making a licensure decision;
10	(2) maintain documentation of completion of the crimina
11	background check and background check information to the

extent allowed by state and federal law; and

42

1	(3) report to the commission whether it has completed the
2	criminal background check and whether the individual was
3	granted or denied a license.
4	Sec. 3. A licensee of a participating state who has a qualifying
5	license in that state and does not hold an encumbered license in any
6	other participating state shall be issued a compact privilege in a
7	remote state in accordance with the terms of the compact and
8	commission rules. If a remote state has a jurisprudence
9	requirement, a compact privilege will not be issued to the licensee
10	unless the licensee has satisfied the jurisprudence requirement.
11	Chapter 4. Compact Privilege
12	Sec. 1. To obtain and exercise the compact privilege under the
13	terms and provisions of the compact, the licensee shall:
14	(1) have a qualifying license as a dentist or dental hygienist in
15	a participating state;
16	(2) be eligible for a compact privilege in any remote state in
17	accordance with section 4(a), 4(d), and 4(e) of this chapter;
18	(3) submit to an application process whenever the licensee is

20	(4) pay any applicable commission and remote state fees for
21	a compact privilege in the remote state;
22	(5) meet any jurisprudence requirement established by a
23	remote state in which the licensee is seeking a compact
24	privilege;
25	(6) have passed a national board examination of the Joint
26	Commission on National Dental Examinations or another
27	examination accepted by commission rule;
28	(7) for a dentist, have graduated from a predoctoral dental
29	education program accredited by the Commission on Dental
30	Accreditation, or another accrediting agency recognized by
31	the United States Department of Education for the
32	accreditation of dentistry and dental hygiene education
33	programs, leading to the Doctor of Dental Surgery (D.D.S.) or
34	Doctor of Dental Medicine (D.M.D.) degree;
35	(8) for a dental hygienist, have graduated from a dental
36	hygiene education program accredited by the Commission on
37	Dental Accreditation or another accrediting agency

39	the accreditation of dentistry and dental hygiene education
40	programs;
41	(9) have successfully completed a clinical assessment for

licensure;

- (10) report to the commission adverse action taken by any nonparticipating state when applying for a compact privilege and, otherwise, within thirty (30) days from the date the adverse action is taken;
 - (11) report to the commission when applying for a compact privilege the address of the licensee's primary residence and thereafter immediately report to the commission any change in the address of the licensee's primary residence; and
 - (12) consent to accept service of process by mail at the licensee's primary residence on record with the commission with respect to any action brought against the licensee by the commission or a participating state, and consent to accept service of a subpoena by mail at the licensee's primary residence on record with the commission with respect to any action brought or investigation conducted by the commission or a participating state.
- Sec. 2. The licensee must comply with the requirements of section 1 of this chapter to maintain the compact privilege in the remote state. If those requirements are met, the compact privilege will continue as long as the licensee maintains a qualifying license in the state through which the licensee applied for the compact privilege and pays any applicable compact privilege renewal fees.
- Sec. 3. A licensee providing dentistry or dental hygiene in a remote state under the compact privilege shall function within the scope of practice authorized by the remote state for a dentist or dental hygienist licensed in that state.
- Sec. 4. (a) A licensee providing dentistry or dental hygiene pursuant to a compact privilege in a remote state is subject to that state's regulatory authority. A remote state may, in accordance with due process and that state's laws, by adverse action revoke or remove a licensee's compact privilege in the remote state for a specific period of time and impose fines or take any other necessary actions to protect the health and safety of its citizens. If a remote state imposes an adverse action against a compact privilege that limits the compact privilege, that adverse action applies to all compact privileges in all remote states. A licensee whose compact privilege in a remote state is removed for a specified period of time is not eligible for a compact privilege in any other remote state until the specific time for removal of the compact privilege has passed and all encumbrance requirements are satisfied.
- (b) If a license in a participating state is an encumbered license, the licensee shall lose the compact privilege in a remote state and

1	shall not be eligible for a compact privilege in any remote state
2	until the license is no longer encumbered.
3	(c) Once an encumbered license in a participating state is
4	restored to good standing, the licensee must meet the requirements
5	of section 1 of this chapter to obtain a compact privilege in a
6	remote state.
7	(d) If a licensee's compact privilege in a remote state is removed
8	by the remote state, the individual shall lose or be ineligible for the
9	compact privilege in any remote state until the following occur:
10	(1) The specific period of time for which the compact privilege
11	was removed has ended.
12	(2) All conditions for removal of the compact privilege have
13	been satisfied.
14	(e) Once the requirements of subsection (d) have been met, the
15	licensee must meet the requirements in section 1 of this chapter to
16	obtain a compact privilege in a remote state.
17	Chapter 5. Active Military Member or the Member's Spouse
18	Sec. 1. An active military member and the member's spouse
19	shall not be required to pay to the commission for a compact
20	privilege the fee otherwise charged by the commission. If a remote
21	state chooses to charge a fee for a compact privilege, it may choose
22	to charge a reduced fee or no fee to an active military member and
23	the member's spouse for a compact privilege.
24	Chapter 6. Adverse Actions
25	Sec. 1. (a) A participating state in which a licensee is licensed
26	shall have exclusive authority to impose adverse action against the
27	qualifying license issued by that participating state.
28	(b) A participating state may take adverse action based on the
29	significant investigative information of a remote state, so long as
30	the participating state follows its own procedures for imposing
31	adverse action.
32	(c) Nothing in this compact shall override a participating state's
33	decision that participation in an alternative program may be used
34	in lieu of adverse action and that such participation shall remain
35	nonpublic if required by the participating state's laws.
36	Participating states must require licensees who enter any
37	alternative program in lieu of discipline to agree not to practice
38	pursuant to a compact privilege in any other participating state
39	during the term of the alternative program without prior

authorization from such other participating state.

(d) Any participating state in which a licensee is applying to

practice or is practicing pursuant to a compact privilege may

40

41

42

1	investigate actual or alleged violations of the statutes and
2	regulations authorizing the practice of dentistry or dental hygiene
3	in any other participating state in which the dentist or dental
4	hygienist holds a license or compact privilege.
5	Sec. 2. A remote state shall have the authority to:
6	(1) take adverse actions as set forth in IC 25-14.1-4-4(a)
7	against a licensee's compact privilege in the state;
8	(2) in furtherance of its rights and responsibilities under the
9	compact and the commission's rules, issue subpoenas for both
10	hearings and investigations that require the attendance and
11	testimony of witnesses, and the production of evidence.
12	Subpoenas issued by a state licensing authority in a
13	participating state for the attendance and testimony of
14	witnesses, or the production of evidence from another
15	participating state, shall be enforced in the latter state by any
16	court of competent jurisdiction, according to the practice and
17	procedure of that court applicable to subpoenas issued in
18	proceedings pending before it. The issuing authority shall pay
19	any witness fees, travel expenses, mileage, and other fees
20	required by the service statutes of the state where the
21	witnesses or evidence are located; and
22	(3) if otherwise permitted by state law, recover from the
23	licensee the costs of investigations and disposition of cases
24	resulting from any adverse action taken against that licensee.
25	Sec. 3. (a) In addition to the authority granted to a participating
26	state by its dentist or dental hygienist licensure act or other
27	applicable state law, a participating state may jointly investigate
28	licensees with other participating states.
29	(b) Participating states shall share any significant investigative
30	information, litigation, or compliance materials in furtherance of
31	any joint or individual investigation initiated under the compact.
32	Sec. 4. (a) After a licensee's compact privilege in a remote state
33	is terminated, the remote state may continue an investigation of the
34	licensee that began when the licensee had a compact privilege in
35	that remote state.
36	(b) If the investigation yields what would be significant
37	investigative information had the licensee continued to have a
38	compact privilege in that remote state, the remote state shall report
39	the presence of such information to the data system as required by
40	IC 25-14.1-8-2(6) as if it was significant investigative information.

Chapter 7. Establishment and Operation of the Commission

Sec. 1. The compact participating states hereby create and

establish a joint government agency whose membership consists of	
all participating states that have enacted the compact.	The
commission is an instrumentality of the participating states a	eting
jointly and not an instrumentality of any one (1) state.	
commission shall come into existence on or after the effective	date
of the compact as set forth in IC 25-14.1-11.	

- Sec. 2. (a) Each participating state shall have and be limited to one (1) commissioner selected by that participating state's state licensing authority or, if the state has more than one (1) state licensing authority, selected collectively by the state licensing authorities.
- (b) The commissioner shall be a member or designee of such authority or authorities.
- (c) The commission may by rule or bylaw establish a term of office for commissioners and may by rule or bylaw establish term limits.
- (d) The commission may recommend to a state licensing authority or authorities, as applicable, removal or suspension of an individual as the state's commissioner.
- (e) A participating state's state licensing authority or authorities, as applicable, shall fill any vacancy of its commissioner on the commission within sixty (60) days of the vacancy.
- (f) Each commissioner shall be entitled to one (1) vote on all matters that are voted upon by the commission.
- (g) The commission shall meet at least once during each calendar year. Additional meetings may be held as set forth in the bylaws. The commission may meet by telecommunication, video conference, or other similar electronic means.

3	commission's behalf.
4	(8) Purchase and maintain insurance and bonds.
5	(9) Borrow, accept, or contract for services of personnel,
6	including, but not limited to, employees of a participating
7	state.
8	(10) Conduct an annual financial review.

14	of personnel, and other related personnel matters.
15	(12) As set forth in the commission rules, charge a fee to a
16	licensee for the grant of a compact privilege in a remote state
17	and thereafter, as may be established by commission rule,
18	charge the licensee a compact privilege renewal fee for each
19	renewal period in which that licensee exercises or intends to
20	exercise the compact privilege in that remote state. Nothing in
21	this subdivsion shall be construed to prevent a remote state
22	from charging a licensee a fee for a compact privilege or
23	renewals of a compact privilege, or a fee for the jurisprudence
24	requirement if the remote state imposes such a requirement
25	for the grant of a compact privilege.
26	(13) Accept any and all appropriate gifts, donations, grants of
27	money, other sources of revenue, equipment, supplies,
28	materials, and services, and receive, utilize, and dispose of the

30	of impropriety or conflict of interest when accepting,
31	receiving, utilizing, or disposing of the items or services.

7	(21) Establish and elect an executive board.
8	(22) Adopt and provide to the participating states an annual
9	report.
10	(23) Determine whether a state's enacted compact is
11	materially different from the model compact language such
12	that the state would not qualify for participation in the
13	compact.
14	(24) Perform other functions as may be necessary or
15	appropriate to achieve the purposes of this compact.
16	Sec. 4. (a) All meetings of the commission that are not closed
17	pursuant to this section shall be open to the public. Notice of public
18	meetings shall be posted on the commission's website at least thirty
19	(30) days prior to the public meeting.
20	(b) Notwithstanding subsection (a), the commission may
21	convene an emergency public meeting by providing at least
22	twenty-four (24) hours prior notice on the commission's website,
23	and any other means as provided in the commission's rules, for any
24 25	of the reasons it may dispense with notice of proposed rulemaking

26	that one (1) of the reasons justifying an emergency public meeting
27	has been met.
28	(c) Notice of all commission meetings shall provide the time,
29	date, and location of the meeting, and if the meeting is to be held or
30	accessible via telecommunication, video conference, or other
31	electronic means, the notice shall include the mechanism for access
32	to the meeting through such means.
33	(d) The commission may convene in a closed, nonpublic meeting
34	for the commission to receive legal advice or to discuss:
35	(1) noncompliance of a participating state with its obligations
36	under the compact;
37	(2) the employment, compensation, discipline, or other

11	(9) investigative records compiled for law enforcement
12	purposes;
13	(10) information related to any investigative reports prepared
14	by or on behalf of or for use of the commission or other
15	committee charged with responsibility of investigation or
16	determination of compliance issues pursuant to the compact;

18	(12) matters specifically exempted from disclosure to the
19	public by federal or participating state law; and
20	(13) other matters as promulgated by the commission by rule.
21	(e) If a meeting, or portion of a meeting, is closed, the presiding
22	officer shall state that the meeting will be closed and reference each
23	relevant exempting provision, and such reference shall be recorded
24	in the minutes.
25	(f) The commission shall keep minutes that fully and clearly
26	describe all matters discussed in a meeting and shall provide a full
27	and accurate summary of actions taken, and the reasons therefore,
28	including a description of the views expressed. All documents

42

	23
1	commission and its staff, which must be in a total amount sufficient
2	to cover its annual budget as approved each fiscal year for which
3	sufficient revenue is not provided by other sources. The aggregate
4	annual assessment amount for participating states shall be
5	allocated based upon a formula that the commission shall
6	promulgate by rule.
7	(d) The commission shall not incur obligations of any kind prior
8	to securing the funds adequate to meet the same; nor shall the
9	commission pledge the credit of any participating state, except by
10	and with the authority of the participating state.
11	(e) The commission shall keep accurate accounts of all receipts
12	and disbursements. The receipts and disbursements of the
13	commission shall be subject to the financial review and accounting
14	procedures established under its bylaws. All receipts and
15	disbursements of funds handled by the commission shall be subject
16	to an annual financial review by a certified or licensed public
17	accountant, and the report of the financial review shall be included
18	in and become part of the annual report of the commission.
19	Sec. 6. (a) The executive board shall have the power to act on
20	behalf of the commission according to the terms of this compact.
21	The powers, duties, and responsibilities of the executive board shall

- (b) The commission shall defend any member, officer, executive director, employee, and representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or as determined by the commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that nothing in this section shall be construed to prohibit that person from retaining the person's own counsel at the person's own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

- (e) Nothing in this compact shall be interpreted to waive or otherwise abrogate a participating state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act (15 U.S.C. 1 et seq.), Clayton Act (15 U.S.C. 12 et seq.), or any other state or federal antitrust or anticompetitive law or regulation.
- (f) Nothing in this compact shall be construed to be a waiver of sovereign immunity by the participating states or by the commission.

Chapter 8. Data System

Sec. 1. The commission shall provide for the development,

1	maintenance, operation, and utilization of a coordinated data base
2	and reporting system containing licensure, adverse action, and the
3	presence of significant investigative information on all licensees
4	and applicants for a license in participating states.
5	Sec. 2. Notwithstanding any other provision of state law to the
6	contrary, a participating state shall submit a uniform data set to
7	the data system on all individuals to whom this compact is
8	applicable as required by the rules of the commission, including:
9	(1) identifying information;
10	(2) licensure data;
11	(3) adverse actions against a licensee, license applicant, or
12	compact privilege and information related to the adverse
13	actions;
14	(4) nonconfidential information related to alternative
15	program participation, the beginning and ending dates of such
16	participation, and other information related to such
17	participation;
18	(5) any denial of an application for licensure, and the reason
19	for such denial, (excluding the reporting of any criminal
20	history record information where prohibited by law);
21	(6) the presence of significant investigative information; and
22	(7) other information that may facilitate the administration of
23	this compact or the protection of the public, as determined by
24	the rules of the commission.
25	Sec. 3. The records and information provided to a participating
26	state pursuant to this compact or through the data system, when
27	certified by the commission or an agent thereof, shall constitute the
28	authenticated business records of the commission, and shall be
29	entitled to any associated hearsay exception in any relevant
30	judicial, quasi-judicial, or administrative proceedings in a
31	participating state.
32	Sec. 4. Significant investigative information pertaining to a
33	licensee in any participating state will only be available to other
34	participating states.
35	Sec. 5. It is the responsibility of the participating states to
36	monitor the data base to determine whether adverse action has
37	been taken against a licensee or license applicant. Adverse action
38	information pertaining to a licensee or license applicant in any
39	narticinating state will be available to any other particinating state

Sec. 6. Participating states contributing information to the data

Sec. 7. Any information submitted to the data system that is subsequently expunged pursuant to federal law or the laws of the participating state contributing the information shall be removed
from the data system.
Chapter 9. Rulemaking
Sec. 1. (a) The commission shall promulgate reasonable rules in
order to effectively and efficiently implement and administer the
purposes and provisions of the compact. A commission rule shall
be invalid and have no force or effect only if a court of competent
jurisdiction holds that the rule is invalid because the commission
exercised its rulemaking authority in a manner that is beyond the

(b) The rules of the commission shall have the force of law in each participating state, provided however that where the rules of the commission conflict with the laws of the participating state that establish the participating state's scope of practice as held by a court of competent jurisdiction, the rules of the commission shall be ineffective in that state to the extent of the conflict.

scope and purposes of the compact, or the powers granted

hereunder, or based upon another applicable standard of review.

- (c) The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this chapter and the rules adopted under this chapter. Rules shall become binding as of the date specified by the commission for each rule.
- (d) If a majority of the legislatures of the participating states rejects a commission rule or portion of a commission rule, by enactment of a statute or resolution in the same manner used to adopt the compact, within four (4) years of the date of adoption of the rule, then such rule shall have no further force and effect in any participating state or to any state applying to participate in the compact.
- Sec. 2. (a) Rules shall be adopted at a regular or special meeting of the commission.
- (b) Prior to adoption of a proposed rule, the commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.
- (c) Prior to adoption of a proposed rule by the commission, and at least thirty (30) days in advance of the meeting at which the commission will hold a public hearing on the proposed rule, the commission shall provide a notice of proposed rulemaking:
 - (1) on the website of the commission or other publicly accessible platform;
 - (2) to persons who have requested notice of the commission's

1	notices of proposed rulemaking; and
2	(3) in such other way as the commission may by rule specify.
3	(d) The notice of proposed rulemaking shall include:
4	(1) the time, date, and location of the public hearing at which
5	the commission will hear public comments on the proposed
6	rule and, if different, the time, date, and location of the
7	meeting where the commission will consider and vote on the
8	proposed rule;
9	(2) if the hearing is held via telecommunication, video
10	conference, or other electronic means, the commission shall
11	include the mechanism for access to the hearing in the notice
12	of proposed rulemaking;
13	(3) the text of the proposed rule and the reason for the
14	proposed rule;
15	(4) a request for comments on the proposed rule from any
16	interested person; and
17	(5) the manner in which interested persons may submit
18	written comments.
19	(e) All hearings will be recorded. A copy of the recording and all
20	written comments and documents received by the commission in
21	response to the proposed rule shall be available to the public.
22	Sec. 3. (a) Nothing in this chapter shall be construed as
23	requiring a separate hearing on each commission rule. Rules may
24	be grouped for the convenience of the commission at hearings
25	required by this chapter.
26	(b) The commission shall, by majority vote of all commissioners,
27	take final action on the proposed rule based on the rulemaking
28	record.
29	(c) The commission may adopt changes to the proposed rule
30	provided the changes do not enlarge the original purpose of the
31	proposed rule.
32	(d) The commission shall provide an explanation of the reasons
33	for substantive changes made to the proposed rule as well as
34	reasons for substantive changes not made that were recommended
35	by commenters.
36	(e) The commission shall determine a reasonable effective date
37	for the rule. Except for an emergency as provided in section 4 of
38 39	this chapter, the effective date of the rule shall be not earlier than
39 40	thirty (30) days after the commission issues the notice that it
	adopted or amended the rule.
41	Sec. 4. Upon determination that an emergency exists, the
42	commission may consider and adopt an emergency rule with

twenty-four (24) hours notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the compact and in this chapter shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this section, an emergency rule is one that must be adopted immediately in order to:

- (1) meet an imminent threat to public health, safety, or welfare;
- (2) prevent a loss of commission or participating state funds;
- (3) meet a deadline for the promulgation of a rule that is established by federal law or rule; or
- (4) protect public health and safety.

Sec. 5. The commission or an authorized committee of the commission may direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

Sec. 6. No participating state's rulemaking requirements shall apply under this compact.

Chapter 10. Oversight, Dispute Resolution, and Enforcement

- Sec. 1. (a) The executive and judicial branches of state government in each participating state shall enforce this compact and take all actions necessary and appropriate to implement the compact.
- (b) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing in this section shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct, or any such similar matter.

- (c) The commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact or commission rule and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the commission service of process shall render a judgment or order void as to the commission, this compact, or promulgated rules.
- Sec. 2. (a) If the commission determines that a participating state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the commission may take, and shall offer training and specific technical assistance regarding the default.
- (b) The commission shall provide a copy of the notice of default to the other participating states.
- (c) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the commissioners, and all rights, privileges, and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.
- (d) Termination of participation in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's state licensing authority or authorities, as applicable, and each of the participating states' state licensing authority or authorities, as applicable.
- (e) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.
- (f) Upon the termination of a state's participation in this compact, that state shall immediately provide notice to all licensees of the state, including licensees of other participating states issued a compact privilege to practice within that state, of such termination. The terminated state shall continue to recognize all compact privileges then in effect in that state for a minimum of one hundred eighty (180) days after the date of the notice of

termination.

- (g) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.
- (h) The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.
- Sec. 3. (a) Upon request by a participating state, the commission shall attempt to resolve disputes related to the compact that arise among participating states and between participating states and nonparticipating states.
- (b) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.
- Sec. 4. (a) The commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact and the commission's rules.
- (b) By majority vote, the commission may initiate legal action against a participating state in default in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies in this section shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or the defaulting participating state's law.
- (c) A participating state may initiate legal action against the commission in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.
- (d) No individual or entity other than a participating state may enforce this compact against the commission.

10	(b) A charter participating state whose enactment is found to be
11	materially different from the model compact shall be entitled to the
12	default process set forth in IC 25-14.1-10.
13	(c) If any participating state is later found to be in default, or is
14	terminated or withdraws from the compact, the commission shall
15	remain in existence and the compact shall remain in effect even if
16	the number of participating states should be less than seven (7).
17	(d) Participating states enacting the compact subsequent to the
18	charter participating states shall be subject to the process set forth
19	in IC 25-14.1-7-3(23) to determine if their enactments are
20	materially different from the model compact and whether they
21	qualify for participation in the compact.
22	(e) All actions taken for the benefit of the commission or in
23	furtherance of the purposes of the administration of the compact
24	prior to the effective date of the compact or the commission coming
25	into existence shall be considered to be actions of the commission
26	unless specifically repudiated by the commission.
27	(f) Any state that joins the compact subsequent to the
28	commission's initial adoption of the rules and bylaws shall be
29	subject to the commission's rules and bylaws as they exist on the
30	date on which the compact becomes law in that state. Any rule that
31	has been previously adopted by the commission shall have the full
32	force and effect of law on the day the compact becomes law in that
33	state.
34	Sec. 3. (a) Any participating state may withdraw from this
35	compact by enacting a statute repealing that state's enactment of

37	(b) A participating state's withdrawal shall not take effect until
38	one hundred eighty (180) days after enactment of the repealing
39	statute.

(c) Withdrawal shall not affect the continuing requirement of

with the investigative and adverse action reporting requirements

of this compact prior to the effective date of withdrawal.

- (d) Upon the enactment of a statute withdrawing from this compact, the state shall immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all compact privileges to practice within that state granted pursuant to this compact for a minimum of one hundred eighty (180) days after the date of such notice of withdrawal.
- Sec. 4. Nothing contained in this compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a participating state and a nonparticipating state that does not conflict with the provisions of this compact.
- Sec. 5. This compact may be amended by the participating states. No amendment to this compact shall become effective and binding upon any participating state until it is enacted into the laws of all participating states.

Chapter 12. Construction and Severability

- Sec. 1. This compact and the commission's rulemaking authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the compact. Provisions of the compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the commission's rulemaking authority solely for those purposes.
- Sec. 2. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is held by a court of competent jurisdiction to be contrary to the constitution of any participating state, a state seeking participation in the compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact and the applicability of the compact to any other government, agency, person, or circumstance shall not be affected thereby.
- Sec. 3. Notwithstanding section 2 of this chapter, the commission may deny a state's participation in the compact or, in accordance with the requirements of IC 25-14.1-10-2(a) and IC 25-14.1-10-2(b), terminate a participating state's participation in the compact, if it determines that a constitutional requirement of a participating state is a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the constitution of any participating state, the compact shall remain in

1	full force and effect as to the remaining participating states and ir
2	full force and effect as to the participating state affected as to all
3	severable matters.
4	Chapter 13. Consistent Effect and Conflict with Other State
5	Laws
6	Sec. 1. (a) Nothing in this article shall prevent or inhibit the
7	enforcement of any other law of a participating state that is not
8	inconsistent with the compact.
9	(b) Any laws, statutes, regulations, or other legal requirements
10	in a participating state in conflict with the compact are superseded
