38 SECTION 9. IC 4-21.5-3-9, AS AMENDED BY P.L.72-2014,  
39 SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
40 JULY 1, 2019]: Sec. 9. (a) Except to the extent that a statute other than

42 judge, the ultimate authority for an agency may:

- 1 (1) act as an administrative law judge;  
 2 (2) designate one (1) or more members of the ultimate authority

 10 **ultimate authority for an agency may request assignment of**  
 11 **an administrative law judge by the office of administrative**  
 12 **law proceedings.**

13 A person designated under subdivision (3) is not required to be an  
 14 employee of the agency. A designation under subdivision (2) or (3)  
 15 may be made in advance of the commencement of any particular  
 16 proceeding for a generally described class of proceedings or may be

20 (b) An agency may not knowingly assign an individual to serve  
 21 alone or with others as an administrative law judge who is subject to  
 22 disqualification under this chapter.

23 (c) If the **administrative law judge assigned to the proceeding**  
 24 believes that the judge's impartiality might reasonably be questioned,

 42 for disqualification may petition the ultimate authority in writing for

1 review of the ruling within ten (10) days after notice of the ruling is  
 2 served. The ultimate authority shall conduct proceedings described by  
 3 section 28 of this chapter to review the petition and affirm, modify, or  
 4 dissolve the ruling within thirty (30) days after the petition is filed. A  
 5 determination by the ultimate authority under this subsection is a final  
 6 order subject to judicial review under IC 4-21.5-5.

7 ~~(e)~~ **(f)** If a substitute is required for an administrative law judge who  
 8 is disqualified or becomes unavailable for any other reason, the

 18 (2) The officer has been found not guilty of a felony by reason of  
 19 mental disease or defect.

 42 revocation concerning a law enforcement officer or chief executive

1 officer, the board shall consider the report and direct the executive  
 2 director to notify the subject officer's hiring or appointing authority  
 3 about the report and request an investigation. The hiring or appointing  
 4 authority shall cause an investigation to be conducted by an appropriate  
 5 investigative agency without unnecessary delay.

6 (f) When a hiring or appointing authority completes an investigation  
 7 of cause for revocation, the hiring or appointing authority shall forward

 23 compliance and qualification, the board shall consider the opinion and  
 24 testimony of the hiring or appointing authority. If the board determines  
 25 that cause for revocation exists, the board may revoke the subject  
 26 officer's diploma, certificate, badge, or other document showing  
 27 compliance and qualification. The board shall send notice of revocation  
 28 by certified mail to the subject officer's hiring or appointing authority.

1 qualification and notify the subject officer by certified mail of the  
 2 decision, with notice of the subject officer's right to appeal to the board

 4 the board must be in writing and may be decided by the board without  
 5 a hearing. The board shall notify the subject officer of the board's  
 6 appellate decision under this subsection by certified mail. The subject  
 7 officer may pursue judicial review of the board's action under  
 8 IC 4-21.5-5-13.

 17 law enforcement officer according to the board's standards.

18 The board may direct the executive director to investigate the  
 19 application for reinstatement and make a report to the board. The board

- 20 SECTION 25. IC 22-9-1-6, AS AMENDED BY P.L.136-2018,  
 21 SECTION 126, IS AMENDED TO READ AS FOLLOWS  
 22 [EFFECTIVE JULY 1, 2019]: Sec. 6. (a) The commission shall  
 23 establish and maintain a permanent office in the city of Indianapolis.
- 24 (b) Except as it concerns judicial review, the commission may adopt  
 25 rules under IC 4-22-2 to implement this chapter.
- 26 (c) The commission shall formulate policies to effectuate the  
 27 purposes of this chapter and make recommendations to agencies and  
 28 officers of the state or local subdivisions thereof to effectuate such  
 29 policies. The several departments, commissions, divisions, authorities,  
 30 boards, bureaus, agencies, and officers of the state or any political  
 31 subdivision or agency thereof shall furnish the commission, upon its  
 32 request, all records, papers, and information in their possession relating  
 33 to any matter before the commission.
- 34 (d) The commission shall receive and investigate complaints  
 35 alleging discriminatory practices. The commission shall not hold  
 36 hearings in the absence of a complaint. All investigations of complaints  
 37 shall be conducted by staff members of the civil rights commission or  
 38 their agents.
- 39 (e) The commission may create such advisory agencies and  
 40 conciliation councils, local or statewide, as will aid in effectuating the  
 41 purposes of this chapter. The commission may itself, or it may  
 42 empower these agencies and councils to:

1 (1) study the problems of discrimination in the areas covered by  
 2 section 2 of this chapter when based on race, religion, color, sex,  
 3 handicap, national origin, or ancestry; and

4 (2) foster through community effort, or otherwise, good will  
 5 among the groups and elements of the population of the state.

6 These agencies and councils may make recommendation to the  
 7 commission for the development of policies and procedures in general.  
 8 Advisory agencies and conciliation councils created by the commission  
 9 shall be composed of representative citizens serving without pay, but  
 10 with reimbursement for reasonable and necessary actual expenses.

11 (f) The commission may issue such publications and such results of  
 12 investigations and research as in its judgment will tend to promote  
 13 good will and minimize or eliminate discrimination because of race,  
 14 religion, color, sex, handicap, national origin, or ancestry.

15 (g) The commission shall prevent any person from discharging,  
 16 expelling, or otherwise discriminating against any other person because  
 17 the person filed a complaint, testified in any hearing before this  
 18 commission, or in any way assisted the commission in any matter under  
 19 its investigation.

20 (h) The commission may hold hearings, subpoena witnesses, compel  
 21 their attendance, administer oaths, take the testimony of any person  
 22 under oath, and require the production for examination of any books  
 23 and papers relating to any matter under investigation or in question  
 24 before the commission. The commission may make rules as to the  
 25 issuance of subpoenas by individual commissioners. Contumacy or  
 26 refusal to obey a subpoena issued under this section shall constitute a  
 27 contempt. All hearings shall be held within Indiana at a location  
 28 determined by the commission. A citation of contempt may be issued  
 29 upon application by the commission to the circuit or superior court in  
 30 the county in which the hearing is held or in which the witness resides  
 31 or transacts business.

32 (i) The commission may:

33 (1) **before July 1, 2020**, appoint administrative law judges other  
 34 than commissioners; **and**

35 (2) **after June 30, 2020**, request assignment of an  
 36 **administrative law judge (as defined in IC 4-21.5-1-2);**

37 when an appointment is deemed necessary by a majority of the  
 38 commission. The administrative law judges shall be members in good  
 39 standing before the bar of Indiana and shall be appointed by the  
 40 chairman of the commission. An administrative law judge appointed  
 41 under this subsection shall have the same powers and duties as a  
 42 commissioner sitting as an administrative law judge. However, the

1 administrative law judge may not issue subpoenas.

2 (j) The commission shall state its findings of fact after a hearing  
3 and, if the commission finds a person has engaged in an unlawful  
4 discriminatory practice, shall cause to be served on this person an order  
5 requiring the person to cease and desist from the unlawful  
6 discriminatory practice and requiring the person to take further  
7 affirmative action as will effectuate the purposes of this chapter,  
8 including but not limited to the power:

9 (1) to restore **the** complainant's losses incurred as a result of  
10 discriminatory treatment, as the commission may deem necessary  
11 to assure justice; however, except in discriminatory practices  
12 involving veterans, this specific provision when applied to orders  
13 pertaining to employment shall include only wages, salary, or  
14 commissions;

15 (2) to require the posting of notice setting forth the public policy  
16 of Indiana concerning civil rights and **the** respondent's  
17 compliance with the policy in places of public accommodations;

18 (3) to require proof of compliance to be filed by **the** respondent  
19 at periodic intervals; and

20 (4) to require a person who has been found to be in violation of  
21 this chapter and who is licensed by a state agency authorized to  
22 grant a license to show cause to the licensing agency why the  
23 person's license should not be revoked or suspended.

24 When an employer has been found to have committed a discriminatory  
25 practice in employment by failing to employ an applicant on the basis  
26 that the applicant is a veteran, the order to restore the veteran's losses  
27 may include placing the veteran in the employment position with the  
28 employer for which the veteran applied.

29 (k) Judicial review of a cease and desist order or other affirmative  
30 action as referred to in this chapter may be obtained under IC 22-9-8.  
31 If no proceeding to obtain judicial review is instituted within thirty (30)  
32 days from receipt of notice by a person that an order has been made by  
33 the commission, the commission, if it determines that the person upon  
34 whom the cease and desist order has been served is not complying or  
35 is making no effort to comply, may obtain a decree of a court for the  
36 enforcement of the order in circuit or superior court upon showing that  
37 the person is subject to the commission's jurisdiction and resides or  
38 transacts business within the county in which the petition for  
39 enforcement is brought.

40 (l) If, upon all the evidence, the commission shall find that a person  
41 has not engaged in any unlawful practice or violation of this chapter,  
42 the commission shall state its findings of facts and shall issue and

1 cause to be served on the complainant an order dismissing the  
2 complaint as to the person.

3 (m) The commission may furnish technical assistance requested by  
4 persons subject to this chapter to further compliance with this chapter  
5 or with an order issued under this chapter.

6 (n) The commission shall promote the creation of local civil rights  
7 agencies to cooperate with individuals, neighborhood associations, and  
8 state, local, and other agencies, both public and private, including  
9 agencies of the federal government and of other states.

10 (o) The commission may reduce the terms of conciliation agreed to  
11 by the parties to writing (to be called a consent agreement) that the  
12 parties and a majority of the commissioners shall sign. When signed,  
13 the consent agreement shall have the same effect as a cease and desist  
14 order issued under subsection (j). If the commission determines that a  
15 party to the consent agreement is not complying with it, the  
16 commission may obtain enforcement of the consent agreement in a  
17 circuit or superior court upon showing that the party is not complying  
18 with the consent agreement and the party is subject to the commission's  
19 jurisdiction and resides or transacts business within the county in  
20 which the petition for enforcement is brought.

21 (p) In lieu of investigating a complaint and holding a hearing under  
22 this section, the commission may issue an order based on findings and  
23 determinations by the federal Department of Housing and Urban  
24 Development or the federal Equal Employment Opportunity  
25 Commission concerning a complaint that has been filed with one (1) of  
26 these federal agencies and with the commission. The commission shall  
27 adopt by rule standards under which the commission may issue such an  
28 order.

29 (q) Upon notice that a complaint is the subject of an action in a  
30 federal court, the commission shall immediately cease investigation of  
31 the complaint and may not conduct hearings or issue findings of fact or  
32 orders concerning that complaint.

33 SECTION 26. IC 23-2.5-11-9, AS ADDED BY HEA 1440-2019,  
34 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
35 JULY 1, 2019]: Sec. 9. (a) This section applies when a person or  
36 witness takes an action as follows:

37 (1) A person disobeys a lawful:

38 (A) subpoena issued under this article; or

39 (B) order or demand requiring the production of books,  
40 accounts, papers, records, documents, or other evidence or  
41 information as provided in this article.

42 (2) A witness in a hearing, inquiry, or investigation refuses to:

- 1 (A) appear when subpoenaed;
- 2 (B) testify to a matter about which the witness may be lawfully
- 3 interrogated; or
- 4 (C) take or subscribe to an oath required by this article.
- 5 (b) If a person or witness takes an action described in subsection (a):
- 6 ~~the:~~
- 7 (1) ~~the~~ circuit or superior court of the county in which the
- 8 hearing, inquiry, or investigation described in subsection (a) is
- 9 held, if:
- 10 (A) demand is made; or
- 11 (B) upon written petition, the production is ordered to be
- 12 made; ~~or~~
- 13 (2) ~~the~~ commissioner; ~~or~~
- 14 (3) **before July 1, 2020**, a hearing officer appointed by the
- 15 commissioner; ~~or~~
- 16 (4) **after June 30, 2020, an administrative law judge assigned,**
- 17 **after request by the commissioner, by the office of**
- 18 **administrative law proceedings established by IC 4-15-10.5-7;**
- 19 shall compel compliance with the lawful requirements of the subpoena,
- 20 order, or demand, compel the production of the necessary or required
- 21 books, papers, records, documents, and other evidence and
- 22 information, and compel the witness to attend in an Indiana county and
- 23 to testify to any matter about which the witness may lawfully be
- 24 interrogated, and to take or subscribe to any oath required.
- 25 SECTION 27. IC 23-19-6-2, AS AMENDED BY P.L.126-2012,
- 26 SECTION 40, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
- 27 JULY 1, 2019]: Sec. 2. (a) The commissioner may:
- 28 (1) conduct public or private investigations within or outside this
- 29 state which the commissioner considers necessary or appropriate
- 30 to determine whether a person has violated, is violating, or is
- 31 about to violate this article or a rule adopted or order issued under
- 32 this article, or to aid in the enforcement of this article or in the
- 33 adoption of rules and forms under this article;
- 34 (2) require or permit a person to testify, file a statement, or
- 35 produce a record, under oath or otherwise as the commissioner
- 36 determines, as to all the facts and circumstances concerning a
- 37 matter to be investigated or about which an action or proceeding
- 38 is to be instituted; and
- 39 (3) publish a record concerning an action, proceeding, or an
- 40 investigation under, or a violation of, this article or a rule adopted
- 41 or order issued under this article if the commissioner determines
- 42 it is necessary or appropriate in the public interest and for the

- 1 protection of investors.
- 2 (b) For the purpose of an investigation under this article, the  
 3 commissioner or the commissioner's designated officer may administer  
 4 oaths and affirmations, subpoena witnesses, seek compulsion of  
 5 attendance, take evidence, require the filing of statements, and require  
 6 the production of any records that the commissioner considers relevant  
 7 or material to the investigation. Upon order of the commissioner, ~~or~~  
 8 **before July 1, 2020**, a hearing officer appointed by the commissioner,  
 9 **or, after June 30, 2020, an administrative law judge assigned, after**  
 10 **request by the commissioner, by the office of administrative law**  
 11 **proceedings established by IC 4-15-10.5-7**, in any hearing,  
 12 depositions may be taken in the manner prescribed by law for  
 13 depositions in civil actions and made returnable to the commissioner,  
 14 ~~or~~ a hearing officer appointed by the commissioner, **or administrative**  
 15 **law judge.**
- 16 (c) If a person does not appear or refuses to testify, file a statement,  
 17 or produce records, or otherwise does not obey a subpoena as required  
 18 by this article, the commissioner, ~~or before July 1, 2020~~, a hearing  
 19 officer appointed by the commissioner, **or, after June 30, 2020, an**  
 20 **administrative law judge assigned, after request by the**  
 21 **commissioner, by the office of administrative law proceedings**  
 22 **established by IC 4-15-10.5-7**, may apply to the circuit or superior  
 23 court in the county where the hearing, investigation, or inquiry in  
 24 question is being conducted to enforce compliance. The court may:  
 25 (1) hold the person in contempt;  
 26 (2) order the person to appear before the commissioner, ~~or~~  
 27 hearing officer appointed by the commissioner, **or**  
 28 **administrative law judge;**  
 29 (3) order the person to testify about the matter under investigation  
 30 or in question;  
 31 (4) order the production of records;  
 32 (5) grant injunctive relief, including restricting or prohibiting the  
 33 offer or sale of securities or the providing of investment advice;  
 34 (6) impose a civil penalty of not more than twenty thousand  
 35 dollars (\$20,000) for each violation; and  
 36 (7) grant any other necessary or appropriate relief.
- 37 (d) This section does not preclude a person from applying to the  
 38 circuit or superior court in the county where the hearing, investigation,  
 39 or inquiry in question is being conducted for relief from a request to  
 40 appear, testify, file a statement, produce records, or obey a subpoena.
- 41 (e) If a witness, in any hearing, inquiry, or investigation conducted  
 42 under this article, refuses to answer any question or produce any item,

1 the commissioner may file a written petition with the circuit or superior  
2 court in the county where the hearing, investigation, or inquiry in  
3 question is being conducted requesting a hearing on the refusal. The  
4 court shall hold a hearing to determine if the witness may refuse to  
5 answer the question or produce the item. If the court determines that  
6 the witness, based upon the witness's privilege against  
7 self-incrimination, may properly refuse to answer or produce an item,  
8 the commissioner may make a written request that the court grant use  
9 immunity to the witness. Upon written request of the commissioner, the  
10 court shall grant use immunity to a witness. The court shall instruct the  
11 witness, by written order or in open court, that:

12 (1) any evidence the witness gives, or evidence derived from that  
13 evidence, may not be used in any criminal proceedings against  
14 that witness, unless the evidence is volunteered by the witness or  
15 is not responsive to a question; and

16 (2) the witness must answer the questions asked and produce the  
17 items requested. A grant of use immunity does not prohibit the  
18 use of evidence that the witness gives in a hearing, investigation,  
19 or inquiry from being used in a prosecution for perjury under  
20 IC 35-44.1-2-1. If a witness refuses to give the evidence after the  
21 witness has been granted use immunity, the court may find the  
22 witness in contempt.

23 (f) At the request of the securities regulator of another state or a  
24 foreign jurisdiction, the commissioner may provide assistance if the  
25 requesting regulator states that it is conducting an investigation to  
26 determine whether a person has violated, is violating, or is about to  
27 violate a law or rule of the other state or foreign jurisdiction relating to  
28 securities matters that the requesting regulator administers or enforces.  
29 The commissioner may provide the assistance by using the authority to  
30 investigate and the powers conferred by this section as the  
31 commissioner determines is necessary or appropriate. The assistance  
32 may be provided without regard to whether the conduct described in  
33 the request would also constitute a violation of this article or other law  
34 of this state if occurring in this state. In deciding whether to provide the  
35 assistance, the commissioner may consider whether the requesting  
36 regulator is permitted and has agreed to provide assistance reciprocally  
37 within its state or foreign jurisdiction to the commissioner on securities  
38 matters when requested; whether compliance with the request would  
39 violate or prejudice the public policy of this state; and the availability  
40 of resources and employees of the commissioner to carry out the  
41 request for assistance.

42 (g) In any prosecution, action, suit, or proceeding based upon or

1 arising out of or under the provisions of this article, a certificate duly  
 2 signed by the commissioner showing compliance or noncompliance  
 3 with the provisions of this article, respecting the security in question or  
 4 respecting compliance or noncompliance of this article, by any issuer,  
 5 broker-dealer, investment advisor, or agent, shall constitute prima facie  
 6 evidence of compliance or noncompliance with the provisions of this  
 7 article, as the case may be, and shall be admissible in evidence in any  
 8 action at law or in equity to enforce this article.

9 (h) Each witness who shall appear before the commissioner or a  
 10 hearing officer appointed by the commissioner by order shall receive  
 11 for the witness's attendance the fees and mileage provided for witnesses  
 12 in civil cases, which shall be audited and paid by the state in the same  
 13 manner as other expenses of the securities division are audited and paid  
 14 upon the presentation of proper vouchers sworn to by the witnesses and  
 15 approved by the commissioner. However, no witnesses subpoenaed at  
 16 the instance of parties other than the commissioner, or a hearing officer  
 17 appointed by the commissioner shall be entitled to any fee or  
 18 compensation from the state.

19 SECTION 28. [EFFECTIVE JULY 1, 2019] (a) **Notwithstanding**  
 20 **the amendments made by this act or the provisions added by this**  
 21 **act (including the establishment of the office of administrative law**  
 22 **proceedings), in the case of a matter pending before an**  
 23 **administrative law judge at any time during the period after June**  
 24 **30, 2019, and before July 1, 2020, the matter should be decided by**  
 25 **the administrative law judge under the laws in effect before their**  
 26 **amendment by this act.**

27 (b) **Notwithstanding the amendments made by this act or the**  
 28 **provisions added by this act (including the establishment of the**  
 29 **office of administrative law proceedings), a contract in effect on**  
 30 **July 1, 2020, between an agency and an administrative law judge**  
 31 **terminates on the termination date provided in the contract. A**  
 32 **contract may not be extended or renewed by the agency.**

33 (c) **This SECTION expires July 1, 2022.**

34 SECTION 29. **An emergency is declared for this act.**
