40 (3) The financial resources reasonably available to the applicant,

 27 extension program under IC 21-13-5.

28 (b) This subsection applies to an individual who:

29 (1) meets the requirements set forth in subsection (a); and

30 (2) before the date that eligibility is determined by the

 32 department of child services, by a court order, or by a licensed
 33 child placing agency in:

34 (A) a foster family home;

35 (B) the home of a relative or other unlicensed caretaker;

36 (C) a child caring institution; or

37 (D) a group home.

38 The commission shall consider an individual to whom this subsection

42 SECTION 5. IC 21-12-3-4, AS AMENDED BY P.L.107-2012,

11 bearing proprietary educational institution that qualifies as an
12 approved postsecondary educational institution; and

13 (2) meets the requirements in sections 1 and 2 of this chapter for
14 a first year higher education award except the requirement of
15 satisfactory progress toward a first baccalaureate degree;

16 is eligible to receive a state higher education award under this chapter.

17 However, the student must make satisfactory progress toward obtaining
18 the diploma, technical certificate, or associate degree to remain eligible
19 for the award.

20 SECTION 6. IC 21-12-3-9, AS AMENDED BY P.L.281-2013,
21 SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
22 JULY 1, 2016]: Sec. 9. (a) A higher education award for a student in
23 a program leading to a baccalaureate degree may be renewed for a total
24 of three (3) undergraduate academic years following the academic year
25 of the first award or until an earlier time as the student receives a
26 degree normally obtained in four (4) undergraduate academic years. A
27 higher education award for a student in a program leading to a
28 technical certificate or an undergraduate associate degree may be
29 renewed for the number of academic years normally required to obtain
30 a certificate or degree in the student's program. The commission may
31 grant a renewal only upon application and only upon its finding that:

32 (1) the applicant has successfully completed the work of a
33 preceding year;

34 (2) the applicant remains domiciled in Indiana;

35 (3) the recipient's financial situation continues to warrant an
36 award, based on the financial requirements set forth in section

37 (1)(a)(3) of this chapter;

38 (4) the applicant is eligible under section 2 of this chapter;

39 (5) if the student initially enrolls in an eligible institution for a
40 semester (or its equivalent) beginning after June 30, 2012; the
41 student maintains at least a cumulative grade point average that
42 the eligible institution determines is satisfactory academic

1 progress; and

2 **(6) beginning in an academic year beginning after August 31,**
 3 **2017, the student successfully completes:**

4 **(A) at least twenty-four (24) credit hours or the equivalent**
 5 **during the last academic year in which the student**
 6 **received state financial aid; or**

7 **(B) at least twenty-four (24) credit hours or the equivalent**
 8 **during the last academic year in which the student was**
 9 **enrolled in a postsecondary educational institution; and**

10 ~~(6)~~ **(7) if the student initially enrolls in an eligible institution for**
 11 **an academic year beginning after August 31, 2013, the student**
 12 **successfully completes:**

13 **(A) at least twenty-four (24) credit hours or the equivalent by**
 14 **the end of the student's first academic year;**

15 **(B) at least forty-eight (48) credit hours or the equivalent by**
 16 **the end of the student's second academic year; and**

17 **(C) at least seventy-two (72) credit hours or the equivalent by**
 18 **the end of the student's third academic year.**

19 A student's academic years used to determine if the student meets
 20 the requirements of this subdivision are not required to be
 21 successive calendar years. A recipient who fails to meet the credit
 22 hour requirement for a particular academic year becomes
 23 ineligible for an award during the next academic year. The
 24 recipient may regain eligibility for an award in subsequent
 25 academic years if the recipient meets the aggregate credit hour
 26 requirements commensurate with the recipient's academic
 27 standing. In addition, the commission may allow a student who is
 28 otherwise ineligible under this subdivision for an award during
 29 the next academic year to maintain eligibility for an award if the
 30 student submits a petition to the commission and the commission
 31 makes a determination that extenuating circumstances (as
 32 determined by the commission) prevented the student from
 33 meeting the requirements of this subdivision. **This subdivision**
 34 **expires June 30, 2017.**

35 **(b) In determining eligibility under subsection (a)(6), the**
 36 **commission shall apply all the following types of credits:**

37 **(1) Credits earned from dual credit, advanced placement, and**
 38 **international baccalaureate courses.**

39 **(2) College credits earned during high school.**

40 **(3) Credits earned exceeding thirty (30) credit hours during**
 41 **a previous academic year in which a student received state**
 42 **financial aid.**

11 (3) This subdivision applies only to applicants who initially enroll

 13 after June 30, 2011. For purposes of this chapter, applicants who
 14 are enrolled in the program before July 1, 2011, will not have an
 15 income or financial resources test applied to them when they
 16 subsequently apply to renew a scholarship. Continue to have a
 17 lack of financial resources reasonably available to the applicant,
 18 as defined by the commission, that, in the absence of an award
 19 under this chapter, would deter the scholarship applicant from
 20 completing the applicant's education at the approved
 21 postsecondary educational institution that the applicant has
 22 selected and that has accepted the applicant.

23 (4) If the student initially enrolls in an eligible institution for a

36 A student's academic years used to determine if the student meets
 37 the requirements of this subdivision are not required to be
 38 successive calendar years. A recipient who fails to meet the credit
 39 hour requirement for a particular academic year becomes
 40 ineligible for an award during the next academic year. The
 41 recipient may become eligible for an award in subsequent
 42 academic years if that recipient meets the aggregate credit hour

1 requirements commensurate with the recipient's academic
 2 standing. In addition, the commission may allow a student who is
 3 otherwise ineligible under this subdivision for an award during
 4 the next academic year to maintain eligibility for an award if the
 5 student submits a petition to the commission and the commission
 6 makes a determination that extenuating circumstances (as
 7 determined by the commission) prevented the student from
 8 meeting the requirements of this subdivision. **This subdivision
 9 expires June 30, 2017.**

10 **(6) Beginning in an academic year beginning after August 31,

 19 by the commission.**

20 **(b) In determining eligibility under subsection (a)(6), the
 21 commission shall apply all the following types of credits:**

25 **(3) Credits earned exceeding thirty (30) credit hours during
 26 a previous academic year in which a student received state
 27 financial aid.**

28 **(c) The commission may allow a student who is otherwise
 29 ineligible under subsection (a)(6) for an award during the next
 30 academic year to maintain eligibility for an award if the student
 31 submits a petition to the commission and the commission makes a
 32 determination that extenuating circumstances (as determined by
 33 the commission) prevented the student from meeting the
 34 requirements under subsection (a)(6).**
