

DIGEST OF HB 1262 (Updated February 19, 2018 2:44 pm - DI 73)

Citations Affected: IC 5-13; IC 6-8.1; noncode.

Synopsis: Public funds and tax refund intercepts. Provides that certain restrictions requiring deposits of public funds to be made within the territorial limits of a political subdivision apply to funds invested in: (1) transaction accounts; and (2) certificates of deposit in a depository designated by the state board of finance but not by the local board of finance. Provides that an ordinance or resolution authorizing funds to be invested in such certificates of deposit expires not later than one year (rather than two years, under current law) after the ordinance or resolution is adopted. Revises the procedures involved when a political subdivision seeks a set off of a tax refund from the department of state revenue for debts owed to the political subdivision by a debtor. Repeals a provision pertaining to hearings with debtors on disputed debts that are owed to political subdivisions that use the tax refund set off process.
