HOUSE BILL No. 1267

DIGEST OF HB 1267 (Updated January 28, 2016 10:32 am - DI 77)

Citations Affected: IC 16-18; IC 16-42.

Synopsis: Food establishment sale of various meats. Provides that a food establishment may not sell or serve a meat product, poultry, or game animal that is intended for human food unless certain inspections have been conducted under a state inspection program. Subject to certain requirements, allows the state department of health to adopt rules that specify the inspection, registration, handling, and processing requirements of food intended for use as human food. (The introduced version of this bill was adopted by the interim study committee on agriculture and natural resources.)

Effective: Upon passage.
