Be it enacted by the General Assembly of the State of Indiana:

1	SECTION 1. IC 5-14-3-4.4, AS ADDED BY P.L.248-2013,
2	SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
3	JULY 1, 2019]: Sec. 4.4. (a) This section applies to a request for a
4	record that the public agency considers to be excepted from disclosure
5	under section $4(b)(1)$ or $4(b)(25)$ of this chapter. The public agency
6	may do either of the following:
7	(1) Deny disclosure of the record or a part of the record. The
8	person requesting the information may appeal the denial under
9	section 9 of this chapter.
10	(2) Refuse to confirm or deny the existence of the record,
11	regardless of whether the record exists or does not exist, if the fact
12	of the record's existence or nonexistence would reveal information
13	that would:
14	(A) impede or compromise an ongoing law enforcement
15	investigation or result in danger to an individual's safety,

1 including the safety of a law enforcement officer or a 2 confidential source: or 3 (B) reveal information that would have a reasonable likelihood 4 of threatening public safety. 5 (b) This subsection applies to a request for a record that the public 6 agency considers to be excepted from disclosure under section 4(b)(19)of this chapter. The agency may consult with the counterterrorism and 7 8 security council established by IC 10-19-8-1 governor's security 9 council established by IC 10-19-8.1-2 in formulating a response. The public agency may do either of the following: 10 (1) Deny disclosure of the record or a part of the record. The 11 agency or the counterterrorism and security council shall provide 12 13 a general description of the record being withheld and of how disclosure of the record would have a reasonable likelihood of 14 15 threatening public safety by exposing a vulnerability to terrorist attack. The person requesting the information may appeal the 16 17 denial under section 9 of this chapter. 18 (2) Refuse to confirm or deny the existence of the record 19 regardless of whether the record exists or does not exist, if the fact 20 of the record's existence or nonexistence would reveal information 21 that would have a reasonable likelihood of threatening public 22 safety. 23 (c) If a public agency does not respond to a request for a record 24 under this section: 25 (1) within twenty-four (24) hours of receiving the request for a record from a person who: 26 27 (A) is physically present in the agency office; (B) makes the request by telephone; or 28 (C) requests enhanced access to a document; or 29 30 (2) within seven (7) days of receiving the request for a record 31 made by mail or facsimile; the request for the record is deemed denied. The person requesting the 32 information may appeal the denial under section 9 of this chapter. 33 (d) If a public agency refuses to confirm or deny the existence of a 34 35 record under this section, the name and title or position of the person responsible for the refusal shall be given to the person making the 36 37 records request. 38 (e) A person who has received a refusal from an agency to confirm or deny the existence of a record may file an action in the circuit or 39 40 superior court of the county in which the response was received: (1) to compel the public agency to confirm whether the record 41 exists or does not exist; and 42

	-
1	(2) if the public agency confirms that the record exists, to compel
	the agency to permit the person to inspect and copy the record.
2 3	(f) The court shall determine the matter de novo, with the burden of
4	proof on the public agency to sustain its refusal to confirm or deny the
5	existence of the record. The public agency meets its burden of proof by
6	filing a public affidavit with the court that provides with reasonable
7	specificity of detail, and not simply conclusory statements, the basis of
8	the agency's claim that it cannot be required to confirm or deny the
9	existence of the requested record. If the public agency meets its burden
10	of proof, the burden of proof shifts to the person requesting access to
11	the record. The person requesting access to the record meets the
12	person's burden of proof by proving any of the following:
12	(1) The agency's justifications for not confirming the existence of
13	the record contradict other evidence in the trial record.
14	
15	(2) The agency is withholding the record in bad faith.
	(3) An official with authority to speak for the agency has
17	acknowledged to the public in a documented disclosure that the
18	record exists. The person requesting the record must prove that
19	the information requested:
20	(A) is as specific as the information previously disclosed; and
21	(B) matches the previously disclosed information.
22	(g) Either party may make an interlocutory appeal of the trial court's
23	determination on whether the agency's refusal to confirm or deny the
24	existence of the record was proper.
25	(h) If the court, after the disposition of any interlocutory appeals,
26	finds that the agency's refusal to confirm or deny was improper, the
27	court shall order the agency to disclose whether the record exists or
28	does not exist. If the record exists and the agency claims that the record
29	is exempt from disclosure under this chapter, the court may review the
30	public record in camera to determine whether any part of the record
31	may be withheld.
32	(i) In an action filed under this section, the court shall award
33	reasonable attorney's fees, court costs, and other reasonable expenses
34	of litigation to the prevailing party if:
35	(1) the plaintiff substantially prevails; or
36	(2) the defendant substantially prevails and the court finds the
37	action was frivolous or vexatious.
38	A plaintiff is eligible for the awarding of attorney's fees, court costs,
39	and other reasonable expenses regardless of whether the plaintiff filed
40	the action without first seeking and receiving an informal inquiry
41	response or advisory opinion from the public access counselor.
42	(j) A court that hears an action under this section may not assess a

civil penalty under section 9.5 of this chapter in connection with the action.
