21	SECTION 16. IC 6-1.1-8-35, AS AMENDED BY P.L.85-2011,
22	SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
23	JULY 1, 2021]: Sec. 35. (a) Each year the department of local
24	government finance shall tax:

31	The department of local government finance shall compute the tax on
32	a railroad car railcar company's indefinite-situs distributable property
33	based upon the average property tax rate in this state. The average
34	property tax rate in this state for a year equals (A) the total of the
35	property taxes in this state that will come due during that year divided
36	by (B) the total net assessed valuation of property in this state for the

38	finance shall base its computation of the average property tax rate for
39	a year upon information which is available to the department as of
40	December 31 of the preceding year. The department of local

government finance shall compute the tax on a railroad company's

distributable property based upon the average property tax rate that is

imposed by taxing districts that are located in any county in which a railroad company, that is taxed under this section, provides railroad services. The average property tax rate of taxing districts that are located in any county in which a railroad company that is taxed under this section equals (i) the total of the property taxes in those taxing districts that will come due during that year divided by (ii) the total net assessed valuation of property in those districts for the preceding year's assessment. - (b) The department of local government finance shall certify the tax it imposes on indefinite-situs distributable property of railroad car railcar companies and a railroad company's distributable property taxed under this section to the department of state revenue. Each of those companies shall pay the tax to the department of state revenue on or before December 31 of the year the assessment is made. If one (1) of those companies does not pay the tax when it is due, the company shall pay a penalty, in addition to the tax, equal to twenty-five percent (25%) of the delinquent tax. When the tax imposed on indefinite-situs distributable property of railroad car railcar companies by this chapter becomes delinquent, the department of state revenue shall proceed with the collection of the delinquent tax and penalty in accordance with the provisions of IC 6-8.1-8.
- (c) The department of state revenue shall promptly deposit all amounts collected under this section that are derived from indefinite-situs distributable property of railroad ear railcar companies in the state treasury for credit to the commuter rail service fund established by IC 8-3-1.5-20.5 to be used as provided in IC 8-3-1.5-20.5(c).
- (d) The department of state revenue shall promptly deposit all amounts collected under this section from a railroad company in the state treasury for credit to the electric rail service fund established by IC 8-3-1.5-20.6.

7	FOLLOWS [EFFECTIVE JULY 1, 2021]: Sec. 38. (a) Taxes which are
8	based upon an assessment which is made under this chapter are a lier

10	the year of assessment. In addition, the taxes are a personal debt of the
11	public utility company in whose name the property is assessed.
12	(b) If a public utility company does not pay the taxes when they are
13	due, the county treasurer shall notify the prosecuting attorney of that
14	fact. The prosecuting attorney shall then bring an action against the
15	company to recover the delinquent taxes or to enforce the lien upon the
16	property, or both. In such an action, the judgment shall include a

SECTION 27. IC 6-1.1-17-16, AS AMENDED BY P.L.159-2020, SECTION 24, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2021]: Sec. 16. (a) The department of local government finance shall certify the tax rates and tax levies for all funds of political subdivisions subject to the department of local government finance's review.

(b) For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3, the department of local government finance shall calculate and certify the allowable budget of the fund if the political subdivision adopts a tax levy that exceeds the estimated maximum levy limits as provided by the department of local government finance under

IC 6-1.1-18.5-24.

- (c) For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3 and for which the political subdivision adopts a tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, the department of local government finance shall review the fund to ensure the adopted budget is fundable based on the unit's adopted tax levy and estimates of available revenues. If the adopted budget is fundable, the department of local government finance shall use the adopted budget as the approved appropriation for the fund for the budget year. As needed, the political subdivision may complete the additional appropriation process through IC 6-1.1-18-5 for these funds during the budget year.
- (d) For a fund of the political subdivision subject to levy limits under IC 6-1.1-18.5-3 and for which the political subdivision adopts a tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, if the department of local government finance has determined the adopted budget is not fundable based on the unit's adopted tax levy and estimates of available revenues, the department of local government finance shall calculate and certify the allowable budget that is fundable based on the adopted tax levy and the department's estimates of available revenues.
- (e) For all other funds of a political subdivision not described in subsections (b), (c), and (d), the department of local government finance shall certify a budget for the fund.
- (f) Except as provided in section 16.1 of this chapter, the department of local government finance is not required to hold a public hearing before the department of local government finance reviews, revises, reduces, or increases a political subdivision's budget by fund, tax rate, or tax levy under this section.

However, if the department of local government finance determines that IC 5-3-1-2.3(b) applies to the tax rate, tax levy, or budget of the political subdivision, the maximum amount by which the department may increase the tax rate, tax levy, or budget is the amount originally fixed by the political subdivision, and not the amount that was incorrectly published or omitted in the notice described in IC 5-3-1-2.3(b). The department of local government finance shall give the political subdivision notification electronically in the manner prescribed by the department of local government finance specifying

any revision, reduction, or increase the department proposes in a
political subdivision's tax levy or tax rate. The political subdivision has
ten (10) calendar days from the date the political subdivision receives
the notice to provide a response electronically in the manner prescribed
by the department of local government finance. The response may
include budget reductions, reallocation of levies, a revision in the
amount of miscellaneous revenues, and further review of any other
item about which, in the view of the political subdivision, the
department is in error. The department of local government finance
shall consider the adjustments as specified in the political subdivision's
response if the response is provided as required by this subsection and
shall deliver a final decision to the political subdivision. The
department of local government finance may not consider any
adjustments that are suggested by the political subdivision after the
expiration of the ten (10) day period allowed for the political
subdivision's response.

- (h) The department of local government finance may not approve a levy for lease payments by a city, town, county, library, or school corporation if the lease payments are payable to a building corporation for use by the building corporation for debt service on bonds and if:
 - (1) no bonds of the building corporation are outstanding; or
 - (2) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested.

If the department increases a levy beyond what was advertised or adopted under this subsection, it shall, unless the department finds extenuating circumstances, reduce the certified levy affected below the maximum allowable levy by the lesser of five percent (5%) of the difference between the advertised or adopted levy and the increased levy, or one hundred thousand dollars (\$100,000).

- (e) The fiscal body of the city, town, or county (whichever applies) shall review each budget and proposed tax levy and adopt a final budget and tax levy for the public library. The fiscal body may reduce or modify but not increase the proposed budget or tax levy.
- (f) If a public library fails to file the information required in subsection (c) or (d), whichever applies, with the appropriate fiscal body by the time prescribed by this section, the most recent annual appropriations and annual tax levy of that public library are continued for the ensuing budget year.
- (g) If the appropriate fiscal body fails to complete the requirements of subsection (e) before the adoption deadline in section 5 of this chapter for any public library subject to this section, the most recent annual appropriations and annual tax levy of the city, town, or county, whichever applies, are continued for the ensuing budget year.

SECTION 30. IC 6-1.1-18-5, AS AMENDED BY P.L.159-2020, SECTION 27, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2021]: Sec. 5. (a) If the proper officers of a political subdivision desire to appropriate more money for a particular year than the amount prescribed in the budget for that year as finally determined under this article, they shall give notice of their proposed additional appropriation. The notice shall state the time and place at which a public hearing will be held on the proposal. The notice shall be given once in accordance with IC 5-3-1-2(b).

- (b) If the additional appropriation by the political subdivision is made from a fund for which the budget, rate, or levy is certified by the department of local government finance under IC 6-1.1-17-16, the political subdivision must report the additional appropriation to the department of local government finance in the manner prescribed by the department of local government finance. If the additional appropriation is made from a fund described under this subsection, subsections (f), (g), (h), and (i) apply to the political subdivision.
- (c) However, if the additional appropriation is not made from a fund described under subsection (b), subsections (f), (g), (h), and (i) do not apply to the political subdivision. Subsections (f), (g), (h), and (i) do not apply to an additional appropriation made from the cumulative bridge fund if the appropriation meets the requirements under IC 8-16-3-3(c).
- (d) A political subdivision may make an additional appropriation without approval of the department of local government finance if the additional appropriation is made from a fund that is not described

- under subsection (b). However, the fiscal officer of the political subdivision shall report the additional appropriation to the department of local government finance.
- (e) Subject to subsections (j) and (k), after the public hearing, the proper officers of the political subdivision shall file a certified copy of their final proposal and any other relevant information to the department of local government finance not later than fifteen (15) days after the additional appropriation is adopted by the appropriate fiscal body. If the additional appropriation is not submitted to the department of local government finance within fifteen (15) days after adoption, the department of local government finance may require the political subdivision to conduct a readoption hearing.
- (f) When the department of local government finance receives a certified copy of a proposal for an additional appropriation under subsection (e), the department shall determine whether sufficient funds are available or will be available for the proposal. The determination shall be made in writing and sent to the political subdivision not more than fifteen (15) days after the department of local government finance receives the proposal.
- (g) In making the determination under subsection (f), the department of local government finance shall limit the amount of the additional appropriation to revenues available, or to be made available, which have not been previously appropriated.
- (h) If the department of local government finance disapproves an additional appropriation under subsection (f), the department shall specify the reason for its disapproval on the determination sent to the political subdivision.
- (i) A political subdivision may request a reconsideration of a determination of the department of local government finance under this section by filing a written request for reconsideration. A request for reconsideration must:
 - (1) be filed with the department of local government finance within fifteen (15) days of the receipt of the determination by the political subdivision; and
- (2) state with reasonable specificity the reason for the request. The department of local government finance must act on a request for reconsideration within fifteen (15) days of receiving the request.
- (j) This subsection applies to an additional appropriation by a political subdivision that must have the political subdivision's annual appropriations and annual tax levy adopted by a city, town, or county fiscal body under IC 6-1.1-17-20 or IC 36-1-23 or by a legislative or fiscal body under IC 36-3-6-9. The fiscal or legislative body of the city,

town, or county that adopted the political subdivision's annual appropriation and annual tax levy must adopt the additional appropriation by ordinance before the department of local government finance may approve the additional appropriation.

- (k) This subsection applies to a public library that is not required to submit the public library's budgets, tax rates, and tax levies for binding review and approval under IC 6-1.1-17-20 or IC 6-1.1-17-20.4. If a public library subject to this subsection proposes to make an additional appropriation for a year, and the additional appropriation would result in the budget for the library for that year increasing (as compared to the previous year) by a percentage that is greater than the result of the maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the calendar year minus one (1), the additional appropriation must first be approved by the city, town, or county fiscal body described in IC 6-1.1-17-20.3(c) or IC 6-1.1-17-20.3(d), as appropriate.
- (l) This subsection applies to an appropriation for which the underlying purpose is a bond issue. The political subdivision shall include the appropriation for the bond proceeds in the budget of the political subdivision for the ensuing year adopted under IC 6-1.1-17. If the political subdivision does not include the appropriation for the bond proceeds as required by this subsection, the political subdivision shall comply with the requirements of this section in the year in which the bond proceeds are received, but may not take an action pursuant to this section in a year before the year in which the bond proceeds are received.

The most recent property tax referendum within the boundaries of the political subdivision for which this public question is being considered was (insert name of political subdivision) in proposed by (insert year of most recent property tax referendum) (insert whether the measure passed or failed).". The public question must appear on the ballot in the form approved by the county election board. If the political subdivision proposing to issue bonds or enter into a lease is located in more than one (1) county, the county election board of each county shall jointly approve the form of the public question that will appear on the ballot in each county. The form approved by the county election board may differ from the language certified to the county election board by the county auditor. If the county election board approves the language of a public question under this subsection, the county election board shall submit the language and the certification of the county auditor described in subsection (p) to the department of local government finance for review.

(d) The department of local government finance shall review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of the controlled project or a vote against the controlled project. The department of local government finance shall post the estimated average percentage of property tax increases to be paid to a political subdivision on a residence and business property that are certified by the county auditor under subsection (p) on the department's Internet web site. The department of local government finance may either approve the ballot language as submitted or recommend that the ballot language be modified as necessary to ensure that the description of the controlled project is accurate and is not biased. The department of local government finance shall certify its approval or recommendations to the county auditor and the county election board not more than ten (10) days after the language of the public question is submitted to the department for review. If the department of local government finance recommends a modification to the ballot language, the county election board shall, after reviewing the recommendations of the department of local government finance, submit modified ballot language to the department for the department's approval or recommendation of any additional modifications. public question may not be certified by the county auditor under subsection (e) unless the department of local government finance has first certified the department's final approval of the ballot language for the public question.

- (e) The county auditor shall certify the finally approved public question under IC 3-10-9-3 to the county election board of each county in which the political subdivision is located. The certification must occur not later than noon:
 - (1) seventy-four (74) days before a primary election if the public question is to be placed on the primary or municipal primary election ballot; or
 - (2) August 1 if the public question is to be placed on the general or municipal election ballot.

Subject to the certification requirements and deadlines under this subsection and except as provided in subsection (j), the public question shall be placed on the ballot at the next primary election, general election or municipal election in which all voters of the political subdivision are entitled to vote. However, if a primary election, general election, or municipal election will not be held during the first year in which the public question is eligible to be placed on the ballot under this section and if the political subdivision requests the public question to be placed on the ballot at a special election, the public question shall be placed on the ballot at a special election to be held on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon seventy-four (74) days before a special election to be held in May (if the special election is to be held in May) or noon on August 1 (if the special election is to be held in November). The fiscal body of the political subdivision that requests the special election shall pay the costs of holding the special election. The county election board shall give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

- (f) The circuit court clerk shall certify the results of the public question to the following:
 - (1) The county auditor of each county in which the political subdivision is located.
 - (2) The department of local government finance.
- (g) Subject to the requirements of IC 6-1.1-18.5-8, the political subdivision may issue the proposed bonds or enter into the proposed lease rental if a majority of the eligible voters voting on the public

- (h) If a majority of the eligible voters voting on the public question vote in opposition to the public question, both of the following apply:
 - (1) The political subdivision may not issue the proposed bonds or enter into the proposed lease rental.
 - (2) Another public question under this section on the same or a substantially similar project may not be submitted to the voters earlier than:
 - (A) except as provided in clause (B), seven hundred (700) days after the date of the public question; or
 - (B) three hundred fifty (350) days after the date of the election, if a petition that meets the requirements of subsection (m) is submitted to the county auditor.
- (i) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.
- (j) A political subdivision may not divide a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has divided a controlled project into two (2) or more capital projects in order to avoid the requirements of this section and section 3.5 of this chapter. The petition must be filed not more than ten (10) days after the political subdivision gives notice of the political subdivision's decision under section 3.5 of this chapter or a determination under section 5 of this chapter to issue bonds or enter into leases for a capital project that the person believes is the result of a division of a controlled project that is prohibited by this subsection. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter. If the department of local government finance determines that a political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter and the political subdivision continues to desire to proceed with the project, the political subdivision may appeal the determination of the department of local government finance to the Indiana board of tax review. A political subdivision shall be considered to have divided a capital project in order to avoid the requirements of this section and section 3.5 of this chapter if the result of one (1) or more of the subprojects

cannot reasonably be considered an independently desirable end in itself without reference to another capital project. This subsection does not prohibit a political subdivision from undertaking a series of capital projects in which the result of each capital project can reasonably be considered an independently desirable end in itself without reference to another capital project.

(k) This subsection applies to a political subdivision for which a petition requesting a public question has been submitted under section 3.5 of this chapter. The legislative body (as defined in IC 36-1-2-9) of the political subdivision may adopt a resolution to withdraw a controlled project from consideration in a public question. If the legislative body provides a certified copy of the resolution to the county auditor and the county election board not later than sixty-three (63) days before the election at which the public question would be on the ballot, the public question on the controlled project shall not be placed on the ballot and the public question on the controlled project shall not be held, regardless of whether the county auditor has certified the public question to the county election board. If the withdrawal of a public question under this subsection requires the county election board to reprint ballots, the political subdivision withdrawing the public question shall pay the costs of reprinting the ballots. If a political subdivision withdraws a public question under this subsection that would have been held at a special election and the county election board has printed the ballots before the legislative body of the political subdivision provides a certified copy of the withdrawal resolution to the county auditor and the county election board, the political subdivision withdrawing the public question shall pay the costs incurred by the county in printing the ballots. If a public question on a controlled project is withdrawn under this subsection, a public question under this section on the same controlled project or a substantially similar controlled project may not be submitted to the voters earlier than three hundred fifty (350) days after the date the resolution withdrawing the public question is adopted.

- (l) If a public question regarding a controlled project is placed on the ballot to be voted on at an election under this section, the political subdivision shall submit to the department of local government finance, at least thirty (30) days before the election, the following information regarding the proposed controlled project for posting on the department's Internet web site:
 - (1) The cost per square foot of any buildings being constructed as part of the controlled project.
 - (2) The effect that approval of the controlled project would have

2	(3) The maximum term of the bonds or lease.
3	(4) The maximum principal amount of the bonds or the maximum
4	lease rental for the lease.
5	(5) The estimated interest rates that will be paid and the total
6	interest costs associated with the bonds or lease.
7	(6) The purpose of the bonds or lease.
8	(7) In the case of a controlled project proposed by a school
9	corporation:
10	(A) the current and proposed square footage of school building
11	space per student;
12	(B) enrollment patterns within the school corporation; and
13	(C) the age and condition of the current school facilities.
14	(m) If a majority of the eligible voters voting on the public question
15	vote in opposition to the public question, a petition may be submitted
16	to the county auditor to request that the limit under subsection
17	(h)(2)(B) apply to the holding of a subsequent public question by the
18	political subdivision. If such a petition is submitted to the county
19	auditor and is signed by the lesser of:
20	(1) five hundred (500) persons who are either owners of property
21 22	within the political subdivision or registered voters residing
22	within the political subdivision; or
23 24	(2) five percent (5%) of the registered voters residing within the
	political subdivision;
25	the limit under subsection (h)(2)(B) applies to the holding of a second
26	public question by the political subdivision and the limit under
27	subsection (h)(2)(A) does not apply to the holding of a second public
28	question by the political subdivision.
29	(n) At the request of a political subdivision that proposes to
30	impose property taxes to pay debt service on bonds or lease rentals
31	on a lease for a controlled project, the county auditor of a county
32	in which the political subdivision is located shall determine the
33	estimated average percentage of property tax increase on a
34	homestead to be paid to the political subdivision that must be
35	included in the public question under subsection (c) as follows:
36	STEP ONE: Determine the average assessed value of a
37	homestead located within the political subdivision.
38	STEP TWO: For purposes of determining the net assessed
39	value of the average homestead located within the political
40	subdivision, subtract:
1 1	(A) an amount for the homestead standard deduction

under IC 6-1.1-12-37 as if the homestead described in

1	STEP ONE was eligible for the deduction; and
2	(B) an amount for the supplemental homestead deduction
3	under IC 6-1.1-12-37.5 as if the homestead described in
4	STEP ONE was eligible for the deduction;
5	from the result of STEP ONE.
6	STEP THREE: Divide the result of STEP TWO by one
7	hundred (100).
8	STEP FOUR: Determine the overall average tax rate per one
9	hundred dollars (\$100) of assessed valuation for the current
0	year imposed on property located within the political
l 1	subdivision.
12	STEP FIVE: For purposes of determining net property tax
13	liability of the average homestead located within the political
14	subdivision:
15	(A) multiply the result of STEP THREE by the result of
16	STEP FOUR; and
17	(B) as appropriate, apply any currently applicable county
18	property tax credit rates and the credit for excessive
19	property taxes under IC 6-1.1-20.6-7.5(a)(1).
20	STEP SIX: Determine the amount of the political
21	subdivision's part of the result determined in STEP FIVE.
22	STEP SEVEN: Determine the estimated tax rate that will be
23	imposed if the public question is approved by the voters.
23 24 25	STEP EIGHT: Multiply the result of STEP SEVEN by the
25	result of STEP THREE.
26	STEP NINE: Divide the result of STEP EIGHT by the result
27	of STEP SIX, expressed as a percentage.
28	(o) At the request of a political subdivision that proposes to
29	impose property taxes to pay debt service on bonds or lease rentals
30	on a lease for a controlled project, the county auditor of a county
31	in which the political subdivision is located shall determine the
32	estimated average percentage of property tax increase on a
33	business property to be paid to the political subdivision that must
34	be included in the public question under subsection (c) as follows:
35	STEP ONE: Determine the average assessed value of a
36	homestead located within the political subdivision.
37	STEP TWO: Divide the result of STEP ONE by one hundred
38	(100).
39	STEP THREE: Determine the overall average tax rate per
10	one hundred dollars (\$100) of assessed valuation for the
11	current year imposed on property located within the political
12	subdivision.

1	STEP FOUR: For purposes of determining net property tax
2	liability of the average business property located within the
3	political subdivision:
4	(A) multiply the result of STEP TWO by the result of
5	STEP THREE; and
6	(B) as appropriate, apply any currently applicable county
7	property tax credit rates and the credit for excessive
8	property taxes under IC 6-1.1-20.6-7.5 as if the applicable
9	percentage was three percent (3%).
10	STEP FIVE: Determine the amount of the politica
l 1	subdivision's part of the result determined in STEP FOUR.
12	STEP SIX: Determine the estimated tax rate that will be
13	imposed if the public question is approved by the voters.
14	STEP SEVEN: Multiply the result of STEP TWO by the
15	result of STEP SIX.
16	STEP EIGHT: Divide the result of STEP SEVEN by the result
17	of STEP FIVE, expressed as a percentage.
18	(p) The county auditor shall certify the estimated average
19	percentage of property tax increase on a homestead to be paid to
20	the political subdivision determined under subsection (n), and the
21	estimated average percentage of property tax increase on a
22	business property to be paid to the political subdivision determined
23	under subsection (o), in a manner prescribed by the department of
24	local government finance, and provide the certification to the
25	political subdivision that proposes to impose property taxes. The
26	political subdivision shall provide the certification to the county
27	election board and include the estimated average percentages in
28	the language of the public question at the time the language of the
29	public question is submitted to the county election board for
30	approval as described in subsection (c).

40	(1) fifty (50) years, for a lease entered into before July 1, 2008;

(2) thirty-five (35) years, for leases entered into after June 30, 2019, to finance a project that is located in a redevelopment

commission from special benefits taxes levied under section 27 of this chapter, taxes allocated under section 39 of this chapter, any other revenues available to the redevelopment commission, or any combination of these sources.

- (b) A lease may provide that payments by the redevelopment commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.
- (c) A lease may be entered into by the redevelopment commission only after a public hearing by the redevelopment commission at which all interested parties are provided the opportunity to be heard. After the public hearing, the redevelopment commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the redevelopment commission must also be approved by an ordinance or resolution of the fiscal body of the unit. The approving ordinance or resolution of the fiscal body must include the following:
 - (1) The maximum annual lease rental for the lease.
 - (2) The maximum interest rate or rates, any provisions for redemption before maturity, and any provisions for the payment of capitalized interest associated with the lease.

be of the opinion that no necessity exists for the execution of the lease or that the payments provided for in the lease are not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after the publication of the notice of execution and approval. The petition must set forth the petitioners' names, addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary or unwise or that the payments provided for in the lease are not fair and reasonable, as the case may be.

- (e) Upon the filing of the petition, the county auditor shall immediately certify a copy of it, together with such other data as may be necessary in order to present the questions involved, to the department of local government finance. Upon receipt of the certified petition and information, the department of local government finance shall fix a time and place for a hearing, in the redevelopment district, which must be not less than five (5) or more than thirty (30) days after the time is fixed. The department of local government finance may either hold the hearing in the affected county or through electronic means. - (f) A redevelopment commission entering into a lease payable from allocated taxes under section 39 of this chapter or other available funds of the redevelopment commission may:
 - (1) pledge the revenue to make payments under the lease pursuant to IC 5-1-14-4; and
 - (2) establish a special fund to make the payments.
- (g) Lease rentals may be limited to money in the special fund so that the obligations of the redevelopment commission to make the lease rental payments are not considered debt of the unit or the district for purposes of the Constitution of the State of Indiana.
- (h) Except as provided in this section, no approvals of any governmental body or agency are required before the redevelopment commission enters into a lease under this section.
- (i) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within

thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the department of local government finance, an action to contest the validity or enjoin the performance must be brought within thirty (30) days after the decision of the department.

(j) If a redevelopment commission exercises an option to buy a leased facility from a lessor, the redevelopment commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the redevelopment commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the redevelopment commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days of the hearing.

SECTION 88. IC 36-7-14-39, AS AMENDED BY P.L.156-2020, SECTION 139, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2021]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j), the following:

- (1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:
 - (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
 - (B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.
- (2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

1	(A) the net assessed value of all the property as finally
2	determined for the assessment date immediately preceding the
3	effective date of the allocation provision of the declaratory
4	resolution, as adjusted under subsection (h); plus
5	(B) to the extent that it is not included in clause (A), the net
6	assessed value of property that is assessed as residential
7	property under the rules of the department of local government
8	finance, as finally determined for the current assessment date.
9	(3) If:
10	(A) an allocation provision adopted before June 30, 1995, in
11	a declaratory resolution or an amendment to a declaratory
12	resolution establishing a redevelopment project area expires
13	after June 30, 1997; and
14	(B) after June 30, 1997, a new allocation provision is included
15	in an amendment to the declaratory resolution;
16	the net assessed value of all the property as finally determined for
17	the assessment date immediately preceding the effective date of
18	the allocation provision adopted after June 30, 1997, as adjusted
19	under subsection (h).
20	(4) Except as provided in subdivision (5), for all other allocation
21	areas, the net assessed value of all the property as finally
22	determined for the assessment date immediately preceding the
23	effective date of the allocation provision of the declaratory
24	resolution, as adjusted under subsection (h).
25	(5) If an allocation area established in an economic development
26	area before July 1, 1995, is expanded after June 30, 1995, the
27	definition in subdivision (1) applies to the expanded part of the
28	area added after June 30, 1995.
29	(6) If an allocation area established in a redevelopment project
30	area before July 1, 1997, is expanded after June 30, 1997, the
31	definition in subdivision (2) applies to the expanded part of the
32	area added after June 30, 1997.
33	Except as provided in section 39.3 of this chapter, "property taxes"
34	means taxes imposed under IC 6-1.1 on real property. However, upon
35	
	approval by a resolution of the redevelopment commission adopted
36	before June 1, 1987, "property taxes" also includes taxes imposed
37	under IC 6-1.1 on depreciable personal property. If a redevelopment
38	commission adopted before June 1, 1987, a resolution to include within
39	the definition of property taxes, taxes imposed under IC 6-1.1 on

depreciable personal property that has a useful life in excess of eight

(8) years, the commission may by resolution determine the percentage

of taxes imposed under IC 6-1.1 on all depreciable personal property

40

41

that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. Notwithstanding any other law, in the case of an allocation area that is established after June 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, the expiration date of the allocation provision may not be more than thirty-five (35) years after the date on which the allocation provision is established.

1	The allocation provision may apply to all or part of the redevelopment
2	project area. The allocation provision must require that any property
3	taxes subsequently levied by or for the benefit of any public body
4	entitled to a distribution of property taxes on taxable property in the
5	allocation area be allocated and distributed as follows:
6	(1) Except as otherwise provided in this section, the proceeds of
7	the taxes attributable to the lesser of:
8	(A) the assessed value of the property for the assessment date
9	with respect to which the allocation and distribution is made;
10	or
11	(B) the base assessed value;
12	shall be allocated to and, when collected, paid into the funds of
13	the respective taxing units.
14	(2) The excess of the proceeds of the property taxes imposed for
15	the assessment date with respect to which the allocation and
16	distribution is made that are attributable to taxes imposed after
17	being approved by the voters in a referendum or local public
18	question conducted after April 30, 2010, not otherwise included
19	in subdivision (1) shall be allocated to and, when collected, paid
20	into the funds of the taxing unit for which the referendum or local
21	public question was conducted.
22	(3) Except as otherwise provided in this section, property tax
23	proceeds in excess of those described in subdivisions (1) and (2)
24	shall be allocated to the redevelopment district and, when
25	collected, paid into an allocation fund for that allocation area that
26	may be used by the redevelopment district only to do one (1) or
27	more of the following:
28	(A) Pay the principal of and interest on any obligations
29	payable solely from allocated tax proceeds which are incurred
30	by the redevelopment district for the purpose of financing or
31	refinancing the redevelopment of that allocation area.
32	(B) Establish, augment, or restore the debt service reserve for
33	bonds payable solely or in part from allocated tax proceeds in
34	that allocation area.
35	(C) Pay the principal of and interest on bonds payable from
36	allocated tax proceeds in that allocation area and from the
37	special tax levied under section 27 of this chapter.
38	(D) Pay the principal of and interest on bonds issued by the
39	unit to pay for local public improvements that are physically

located in or physically connected to that allocation area.

1	(E) Pay premiums on the redemption before maturity of bonds
2 3	payable solely or in part from allocated tax proceeds in that
	allocation area.
4	(F) Make payments on leases payable from allocated tax
5	proceeds in that allocation area under section 25.2 of this
6	chapter.
7	(G) Reimburse the unit for expenditures made by it for local
8	public improvements (which include buildings, parking
9	facilities, and other items described in section 25.1(a) of this
10	chapter) that are physically located in or physically connected
11	to that allocation area.
12	(H) Reimburse the unit for rentals paid by it for a building or
13	parking facility that is physically located in or physically
14	connected to that allocation area under any lease entered into
15	under IC 36-1-10.
16	(I) For property taxes first due and payable before January 1,
17	2009, pay all or a part of a property tax replacement credit to
18	taxpayers in an allocation area as determined by the
19	redevelopment commission. This credit equals the amount
20	determined under the following STEPS for each taxpayer in a
21	taxing district (as defined in IC 6-1.1-1-20) that contains all or
22	part of the allocation area:
23	STEP ONE: Determine that part of the sum of the amounts
24	under IC $6-1.1-21-2(g)(1)(A)$, IC $6-1.1-21-2(g)(2)$,
25	IC $6-1.1-21-2(g)(3)$, IC $6-1.1-21-2(g)(4)$, and
26	IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to
27	the taxing district.
28	STEP TWO: Divide:
29	(i) that part of each county's eligible property tax
30	replacement amount (as defined in IC 6-1.1-21-2 (before its
31	repeal)) for that year as determined under IC 6-1.1-21-4
32	(before its repeal) that is attributable to the taxing district;
33	by
34	(ii) the STEP ONE sum.
35	STEP THREE: Multiply:
36	(i) the STEP TWO quotient; times
37	(ii) the total amount of the taxpayer's taxes (as defined in
38	IC 6-1.1-21-2 (before its repeal)) levied in the taxing district
39	that have been allocated during that year to an allocation
40	fund under this section.
40	
	If not all the taxpayers in an allocation area receive the credit
42	in full, each taxpayer in the allocation area is entitled to

receive the same proportion of the credit. A taxpayer may not
receive a credit under this section and a credit under section
39.5 of this chapter (before its repeal) in the same year.
(J) Pay expenses incurred by the redevelopment commission
for local public improvements that are in the allocation area or
serving the allocation area. Public improvements include
buildings, parking facilities, and other items described in
section 25.1(a) of this chapter.
(K) Reimburse public and private entities for expenses
incurred in training employees of industrial facilities that are
located:
(i) in the allocation area; and
(ii) on a parcel of real property that has been classified as
industrial property under the rules of the department of local
government finance.
However, the total amount of money spent for this purpose in
any year may not exceed the total amount of money in the
allocation fund that is attributable to property taxes paid by the
industrial facilities described in this clause. The
reimbursements under this clause must be made within three
(3) years after the date on which the investments that are the
basis for the increment financing are made.
(L) Pay the costs of carrying out an eligible efficiency project
(as defined in IC 36-9-41-1.5) within the unit that established
the redevelopment commission. However, property tax
proceeds may be used under this clause to pay the costs of
carrying out an eligible efficiency project only if those
property tax proceeds exceed the amount necessary to do the
following:
(i) Make, when due, any payments required under clauses
(A) through (K), including any payments of principal and
interest on bonds and other obligations payable under this
subdivision, any payments of premiums under this
subdivision on the redemption before maturity of bonds, and
any payments on leases payable under this subdivision.
(ii) Make any reimbursements required under this
subdivision.
(iii) Pay any expenses required under this subdivision.
(iv) Establish, augment, or restore any debt service reserve
under this subdivision.
(M) Expend money and provide financial assistance as

authorized in section 12.2(a)(27) of this chapter.

1	The allocation fund may not be used for operating expenses of the
2	commission.
3	(4) Except as provided in subsection (g), before June 15 of each
4	year, the commission shall do the following:
5	(A) Determine the amount, if any, by which the assessed value
6	of the taxable property in the allocation area for the most
7	recent assessment date minus the base assessed value, when
8	multiplied by the estimated tax rate of the allocation area, will
9	exceed the amount of assessed value needed to produce the
0	property taxes necessary to make, when due, principal and
1	interest payments on bonds described in subdivision (3), plus
2	the amount necessary for other purposes described in
3	subdivision (3).
4	(B) Provide a written notice to the county auditor, the fiscal
5	body of the county or municipality that established the
6	department of redevelopment, and the officers who are
7	authorized to fix budgets, tax rates, and tax levies under
8	IC 6-1.1-17-5 for each of the other taxing units that is wholly
9	or partly located within the allocation area. and The county
20	auditor, upon receiving the notice, shall forward this notice
21	(in an electronic format) to the department of local
.2	government finance not later than June 15 of each year. The
23	notice must:
24	(i) state the amount, if any, of excess assessed value that the
22 23 24 25 26	commission has determined may be allocated to the
	respective taxing units in the manner prescribed in
27	subdivision (1); or
28	(ii) state that the commission has determined that there is no
.9	excess assessed value that may be allocated to the respective
0	taxing units in the manner prescribed in subdivision (1).
1	The county auditor shall allocate to the respective taxing units
2	the amount, if any, of excess assessed value determined by the
3	commission. The commission may not authorize an allocation
4	of assessed value to the respective taxing units under this
5	subdivision if to do so would endanger the interests of the
6	holders of bonds described in subdivision (3) or lessors under
7	section 25.3 of this chapter.
8	(C) If:
9	(i) the amount of excess assessed value determined by the
-0	commission is expected to generate more than two hundred
-1	percent (200%) of the amount of allocated tax proceeds

1	necessary to make, when due, principal and interest
2	payments on bonds described in subdivision (3); plus
3	(ii) the amount necessary for other purposes described in
4	subdivision (3);
5	the commission shall submit to the legislative body of the unit
6	its determination of the excess assessed value that the
7	commission proposes to allocate to the respective taxing units
8	in the manner prescribed in subdivision (1). The legislative
9	body of the unit may approve the commission's determination
10	or modify the amount of the excess assessed value that will be
11	allocated to the respective taxing units in the manner
12	prescribed in subdivision (1).
13	(5) Notwithstanding subdivision (4), in the case of an allocation
14	area that is established after June 30, 2019, and that is located in
15	a redevelopment project area described in section 25.1(c)(3)(C)
16	of this chapter, an economic development area described in
17	section 25.1(c)(3)(C) of this chapter, or an urban renewal project
18	area described in section 25.1(c)(3)(C) of this chapter, for each
19	year the allocation provision is in effect, if the amount of excess
20	assessed value determined by the commission under subdivision
21	(4)(A) is expected to generate more than two hundred percent
22	(200%) of:
23	(A) the amount of allocated tax proceeds necessary to make,
24	when due, principal and interest payments on bonds described
25	in subdivision (3) for the project; plus
26	(B) the amount necessary for other purposes described in
27	subdivision (3) for the project;
28	the amount of the excess assessed value that generates more than
29	two hundred percent (200%) of the amounts described in clauses
30	(A) and (B) shall be allocated to the respective taxing units in the
31	manner prescribed by subdivision (1).
32	(c) For the purpose of allocating taxes levied by or for any taxing
33	unit or units, the assessed value of taxable property in a territory in the
34	allocation area that is annexed by any taxing unit after the effective
35	date of the allocation provision of the declaratory resolution is the
36	lesser of:
37	(1) the assessed value of the property for the assessment date with
38	respect to which the allocation and distribution is made; or
39	(2) the base assessed value.
40	(d) Property tax proceeds allocable to the redevelopment district
41	under subsection (b)(3) may, subject to subsection (b)(4), be

irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

- (e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.
- (f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:
 - (1) the assessed value of the property as valued without regard to this section; or
 - (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of

payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

- (h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection:
 - (1) may not include the effect of phasing in assessed value due to property tax abatements under IC 6-1.1-12.1;
 - (2) may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the reassessment plan or the annual adjustment had not occurred; and (3) may decrease base assessed value only to the extent that assessed values in the allocation area have been decreased due to annual adjustments or the reassessment under the reassessment plan.

Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may not be included in the base assessed value of an allocation area. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

- (i) The allocation deadline referred to in subsection (b) is determined in the following manner:
 - (1) The initial allocation deadline is December 31, 2011.
 - (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

1	(3) At least one (1) year before the date of an allocation deadline
2	determined under subdivision (2), the general assembly may enact
3	a law that:
4	(A) terminates the automatic extension of allocation deadlines
5	under subdivision (2); and
6	(B) specifically designates a particular date as the final
7	allocation deadline.
8	(j) If a redevelopment commission adopts a declaratory resolution
9	or an amendment to a declaratory resolution that contains an allocation
10	provision and the redevelopment commission makes either of the
11	filings required under section 17(e) of this chapter after the first
12	anniversary of the effective date of the allocation provision, the auditor
13	of the county in which the unit is located shall compute the base
14	assessed value for the allocation area using the assessment date
15	immediately preceding the later of:
16	(1) the date on which the documents are filed with the county
17	auditor; or
18	(2) the date on which the documents are filed with the department
19	of local government finance.
20	SECTION 89. IC 36-7-14-48, AS AMENDED BY P.L.257-2019,
21	SECTION 123, IS AMENDED TO READ AS FOLLOWS
22	[EFFECTIVE JULY 1, 2021]: Sec. 48. (a) Notwithstanding section
23	39(a) of this chapter, with respect to the allocation and distribution of
24	property taxes for the accomplishment of a program adopted under
25	section 45 of this chapter, "base assessed value" means, subject to
26	section 39(j) of this chapter, the net assessed value of all of the
27	property, other than personal property, as finally determined for the
28	assessment date immediately preceding the effective date of the
29	allocation provision, as adjusted under section 39(h) of this chapter.
30	(b) The allocation fund established under section 39(b) of this
31	chapter for the allocation area for a program adopted under section 45
32	of this chapter may be used only for purposes related to the
33	accomplishment of the program, including the following:
34	(1) The construction, rehabilitation, or repair of residential units
35	within the allocation area.
36	(2) The construction, reconstruction, or repair of any
37	infrastructure (including streets, sidewalks, and sewers) within or
38	serving the allocation area.
39	(3) The acquisition of real property and interests in real property

41

within the allocation area.

(4) The demolition of real property within the allocation area.

1	(5) The provision of financial assistance to enable individuals and
2	families to purchase or lease residential units within the allocation
3	area. However, financial assistance may be provided only to those
4	individuals and families whose income is at or below the county's
5	median income for individuals and families, respectively.
6	(6) The provision of financial assistance to neighborhood
7	development corporations to permit them to provide financial
8	assistance for the purposes described in subdivision (5).
9	(7) For property taxes first due and payable before January 1,
10	2009, providing each taxpayer in the allocation area a credit for
11	property tax replacement as determined under subsections (c) and
12	(d). However, the commission may provide this credit only if the
13	municipal legislative body (in the case of a redevelopment
14	commission established by a municipality) or the county
15	executive (in the case of a redevelopment commission established
16	by a county) establishes the credit by ordinance adopted in the
17	year before the year in which the credit is provided.
18	(c) The maximum credit that may be provided under subsection
19	(b)(7) to a taxpayer in a taxing district that contains all or part of an
20	allocation area established for a program adopted under section 45 of
21	this chapter shall be determined as follows:
22	STEP ONE: Determine that part of the sum of the amounts
23	described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2)
24	through IC 6-1.1-21-2(g)(5) (before their repeal) that is
25	attributable to the taxing district.
26	STEP TWO: Divide:
27	(A) that part of each county's eligible property tax replacement
28	amount (as defined in IC 6-1.1-21-2) (before its repeal) for
29	that year as determined under IC 6-1.1-21-4(a)(1) (before its
30	repeal) that is attributable to the taxing district; by
31	(B) the amount determined under STEP ONE.
32	STEP THREE: Multiply:
33	(A) the STEP TWO quotient; by
34	(B) the taxpayer's taxes (as defined in IC 6-1.1-21-2) (before
35	its repeal) levied in the taxing district allocated to the
36	allocation fund, including the amount that would have been
37	allocated but for the credit.
38	(d) The commission may determine to grant to taxpayers in an
39	allocation area from its allocation fund a credit under this section, as
40	calculated under subsection (c). Except as provided in subsection (g),
41	one-half $(1/2)$ of the credit shall be applied to each installment of taxes

(as defined in IC 6-1.1-21-2) (before its repeal) that under

1	IC 6-1.1-22-9 are due and payable in a year. The commission must
2	provide for the credit annually by a resolution and must find in the
3	resolution the following:
4	(1) That the money to be collected and deposited in the allocation
5	fund, based upon historical collection rates, after granting the
6	credit will equal the amounts payable for contractual obligations
7	from the fund, plus ten percent (10%) of those amounts.
8	(2) If bonds payable from the fund are outstanding, that there is
9	a debt service reserve for the bonds that at least equals the amount
10	of the credit to be granted.
11	(3) If bonds of a lessor under section 25.2 of this chapter or under
12	IC 36-1-10 are outstanding and if lease rentals are payable from
13	the fund, that there is a debt service reserve for those bonds that
14	at least equals the amount of the credit to be granted.
15	If the tax increment is insufficient to grant the credit in full, the
16	commission may grant the credit in part, prorated among all taxpayers.
17	(e) Notwithstanding section 39(b) of this chapter, the allocation
18	fund established under section 39(b) of this chapter for the allocation
19	area for a program adopted under section 45 of this chapter may only
20	be used to do one (1) or more of the following:
21	(1) Accomplish one (1) or more of the actions set forth in section
22	39(b)(3)(A) through 39(b)(3)(H) and 39(b)(3)(J) of this chapter
23	for property that is residential in nature.
24	(2) Reimburse the county or municipality for expenditures made
25	by the county or municipality in order to accomplish the housing
26	program in that allocation area.
27	The allocation fund may not be used for operating expenses of the
28	commission.
29	(f) Notwithstanding section 39(b) of this chapter, the commission
30	shall, relative to the allocation fund established under section 39(b) of
31	this chapter for an allocation area for a program adopted under section
32	45 of this chapter, do the following before June 15 of each year:
33	(1) Determine the amount, if any, by which the assessed value of
34	the taxable property in the allocation area for the most recent
35	assessment date minus the base assessed value, when multiplied
36	by the estimated tax rate of the allocation area, will exceed the
37	amount of assessed value needed to produce the property taxes
38	necessary to:
39	(A) make the distribution required under section 39(b)(2) of
40	this chapter;
41	(B) make, when due, principal and interest payments on bonds
42	described in section 39(b)(3) of this chapter;

1	(C) pay the amount necessary for other purposes described in
2	section 39(b)(3) of this chapter; and
3	(D) reimburse the county or municipality for anticipated
4	expenditures described in subsection (e)(2).
5	(2) Provide a written notice to the county auditor, the fiscal body
6	of the county or municipality that established the department of
7	redevelopment, and the officers who are authorized to fix
8	budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of
9	the other taxing units that is wholly or partly located within the
10	allocation area. and The county auditor, upon receiving the
11	notice, shall forward this notice (in an electronic format) to the
12	department of local government finance not later than June 15
13	of each year. The notice must:
14	(A) state the amount, if any, of excess property taxes that the
15	commission has determined may be paid to the respective
16	taxing units in the manner prescribed in section $39(b)(1)$ of
17	this chapter; or
18	(B) state that the commission has determined that there is no
19	excess assessed value that may be allocated to the respective
20	taxing units in the manner prescribed in subdivision (1).
21	The county auditor shall allocate to the respective taxing units the
22	amount, if any, of excess assessed value determined by the
23	commission.
24	(3) If:
25	(A) the amount of excess assessed value determined by the
26	commission is expected to generate more than two hundred
27	
28	percent (200%) of the amount of allocated tax proceeds
29	necessary to make, when due, principal and interest payments
	on bonds described in subdivision (1); plus
30	(B) the amount necessary for other purposes described in
31	subdivision (1);
32	the commission shall submit to the legislative body of the unit its
33	determination of the excess assessed value that the commission
34	proposes to allocate to the respective taxing units in the manner
35	prescribed in subdivision (2). The legislative body of the unit may
36	approve the commission's determination or modify the amount of
37	the excess assessed value that will be allocated to the respective

SECTION 100. IC 36-8-19-7.5, AS AMENDED BY P.L.247-2017, SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7.5. (a) This section applies to:

- (1) local income tax distributions; and
- (2) excise tax distributions; made after December 31, 2009.

(b) Except as provided in subsection (c), for purposes of allocating local income tax distributions that are based on a taxing unit's allocation amount or that an adopting body allocates under IC 6-3.6-6 to economic development or excise tax distributions that are distributed based on the amount of a taxing unit's property tax levies, each participating unit in a territory is considered to have imposed a part of the property tax levy imposed for the territory. The part of the property tax levy imposed for the territory for a particular year that shall be attributed to a participating unit is equal to the amount determined in the following STEPS:

STEP ONE: Determine the total amount of all property taxes imposed by the participating unit in the year before the year in which a property tax levy was first imposed for the territory.

STEP TWO: Determine the sum of the STEP ONE amounts for all participating units.

STEP THREE: Divide the STEP ONE result by the STEP TWO result.

STEP FOUR: Multiply the STEP THREE result by the property tax levy imposed for the territory for the particular year.

(c) This subsection applies to a determination under subsection (b) made in calendar years 2018, 2019, and 2020. The department of local government finance may, for distributions made in calendar year 2022, adjust the allocation amount determined under subsection (b) to correct for any clerical or mathematical errors

made in any determination for calendar year 2018, 2019, or 2020, as applicable, including the allocation amount for any taxing unit whose distribution was affected by the clerical or mathematical error in those years. The department of local government finance may apply the adjustment to the allocation amount for a taxing unit over a period not to exceed ten (10) years in order to offset the effect of the adjustment on the distribution.

HOUSE MOTION

Mr. Speaker: I move that House Bill 1271 be amended to read as follows:

Page 4, between lines 33 and 34, begin a new paragraph and insert: "SECTION 4. IC 5-11-1-1, AS AMENDED BY P.L.104-2014, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. (a) There is established a state board of accounts. The board **is accountable to the legislative council and** consists of the state examiner and two (2) deputy examiners, as provided in this section.

EH 1271—LS 7256/DI 134

- (b) The principal officer of the board is the state examiner. To hold the office of state examiner, an individual must:
 - (1) be appointed by the governor;
 - (2) have the individual's appointment accepted by the legislative council in conformity with subsection (e); and
 - (3) be a certified public accountant with at least five (5) years of accounting experience, including at least three (3) years of single audit experience in the public or private sector.
- (c) The governor shall also appoint two (2) deputy examiners. To hold the office of deputy examiner, an individual must:
 - (1) be appointed by the governor; and
 - (2) be a certified public accountant.

A deputy examiner is subordinate to the state examiner. In the case of deputy examiners appointed after June 30, 2014, at least one (1) of the deputy examiners must have at least three (3) years of experience with the state board of accounts at the time of appointment.

- (d) Not more than two (2) of the three (3) individuals appointed to the state board of accounts may be members of the same political party. The term of a state examiner is four (4) years. However, the term of the state examiner serving on January 1, 2014, ends December 31, 2017. Notwithstanding the expiration of the term of a state examiner, the state examiner may continue to serve as acting state examiner until a state examiner is appointed or reappointed. The term of a deputy examiner is coterminous with the term of the state examiner.
- (e) The governor shall submit to the executive director of the legislative services agency in an electronic format under IC 5-14-6 the name of an individual who the governor recommends for appointment under subsection (b) along with any supporting information that the governor determines is appropriate. The executive director of the legislative services agency shall submit the governor's recommendation along with any submitted supporting information to the members of the legislative council and place the information on the Internet web site maintained by the general assembly. At a meeting open to the public, the legislative council may adopt a resolution to accept or reject a recommendation of the governor. The legislative council may reject a recommendation with or without cause. If the legislative council fails to adopt a resolution accepting or rejecting a recommendation within forty-five (45) days after the recommendation is submitted to the executive director of the legislative services agency in an electronic format under IC 5-14-6, the recommendation shall be treated as accepted by the legislative council. The state examiner serving on January 1, 2014, shall be treated as accepted by the legislative council

to the same extent as if the legislative council had adopted a resolution that accepted the state examiner's appointment.

- (f) IC 4-21.5 applies to an action under this subsection. The state examiner and the deputy examiners are subject to removal by the governor for incompetency (including failure to maintain the individual's status as a certified public accountant) or for misconduct of the office. If the governor seeks to remove the state examiner under this subsection, the governor shall notify the state examiner in writing of the governor's proposed action in conformity with IC 4-21.5-3-4 and submit a copy of the notice to the executive director of the legislative services agency in an electronic format under IC 5-14-6. The notice must state the reasons for the proposed action and indicate that the state examiner has fifteen (15) days after being given notice to petition for review of the proposed action. The notice must specify that a petition for review of the proposed action must be made in writing and be submitted to the executive director of the legislative services agency in accordance with IC 4-21.5-3-7. The notice must also state that the state examiner may petition the legislative council under IC 4-21.5-3-4 for a stay of the proposed action pending final resolution of the matter. If a timely petition is filed with the executive director of the legislative services agency, the legislative council shall conduct a proceeding under IC 4-21.5 to review the petition. The determination by the legislative council is a final order. A state examiner removed from office under this subsection may petition for judicial review of a final action of the legislative council under IC 4-21.5-5 in the circuit or a superior court of Marion County. A deputy examiner removed from office under this subsection may petition for judicial review regarding the removal in the circuit or a superior court of Marion County.
- (g) A vacancy in the office of state examiner or deputy examiner must be filled in the same manner provided under this section for the appointment of the vacating officer. An individual appointed to fill a vacancy serves for the remainder of the vacating individual's term.".

(a) When the authority, the board of trustees or board of managers of the hospital, the board of commissioners of the county, and a majority of the county council have agreed upon the terms and conditions of any lease proposed to be entered into under section 13 or 14 of this chapter, and before the final execution of the lease, the county auditor shall give notice by publication of a public hearing to be held in the county by the board of commissioners. The hearing shall take place on a day not earlier than ten (10) days after the publication of the notice. The notice of the hearing shall be published one (1) time in a newspaper of general circulation printed in the English language and published in the county. The notice shall do the following:

After the public hearing, the board may adopt an ordinance authorizing the execution of the lease if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the authority and is in the best interest of the residents of the authority district.

- (2) Territory that is not contiguous to the municipality and is occupied by a municipally owned or operated as either of the following:
 - (A) An airport or landing field.
 - (B) A wastewater treatment facility or water treatment facility. After a municipality annexes territory under this clause, the municipality may annex additional territory to enlarge the territory for the use of the wastewater treatment facility or water treatment facility only if the county legislative body approves that use of the additional territory by ordinance.
- (3) Territory that is not contiguous to the municipality but is found by the legislative body to be occupied by:

However, if territory annexed under subdivision (2) or (3) ceases to be used for the purpose for which the territory was annexed for at least one (1) year, the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation if the unit that had jurisdiction over the territory still exists. If the unit no longer exists, the territory reverts to the jurisdiction of the unit that would currently have jurisdiction over

the territory if the annexation had not occurred. The clerk of the municipality shall notify the offices required to receive notice of a disannexation under section 19 of this chapter when the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation. Territory that is annexed under subdivision (2) (including territory that is enlarged under subdivision (2)(B) for the use of the wastewater treatment facility or water treatment facility) or subdivision (3) may not be considered a part of the municipality for purposes of annexing additional territory.

- (b) This subsection applies to municipalities in a county having any of the following populations:

However, if territory annexed under this

subsection is not used as an industrial park within five (5) years after the date of passage of the annexation ordinance, or if the territory ceases to be used as an industrial park for at least one (1) year, the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation if the unit that had jurisdiction over the territory still exists. "SECTION 86. IC 36-7-14-25.2, AS AMENDED BY P.L.257-2019, SECTION 118, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2021]: Sec. 25.2. (a) Subject to the prior approval of the fiscal body of the unit under subsection (c), a redevelopment commission may enter into a lease of any property that could be financed with the proceeds of bonds issued under this chapter with a lessor for a term not to exceed:

- (1) fifty (50) years, for a lease entered into before July 1, 2008;
- (2) thirty-five (35) years, for leases entered into after June 30, 2019, to finance a project that is located in a redevelopment project area, an economic development area, or an urban renewal project area and that includes, as part of the project, the use and repurposing of two (2) or more buildings and structures that are:
 - (A) at least seventy-five (75) years old; and
 - (B) located at a site at which manufacturing previously occurred over a period of at least seventy-five (75) years; or
- (3) twenty-five (25) years, for a lease that is not described in subdivision (1) or (2).

The lease may provide for payments to be made by the redevelopment commission from special benefits taxes levied under section 27 of this chapter, taxes allocated under section 39 of this chapter, any other revenues available to the redevelopment commission, or any

combination of these sources.

- (b) A lease may provide that payments by the redevelopment commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.
- (c) A lease may be entered into by the redevelopment commission only after a public hearing by the redevelopment commission at which all interested parties are provided the opportunity to be heard. After the public hearing, the redevelopment commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the redevelopment commission must also be approved by an ordinance or resolution of the fiscal body of the unit. The approving ordinance or resolution of the fiscal body must include the following:
 - (1) The maximum annual lease rental for the lease.
 - (2) The maximum interest rate or rates, any provisions for redemption before maturity, and any provisions for the payment of capitalized interest associated with the lease.
 - (3) The maximum term of the lease.
- (d) Upon execution of a lease providing for payments by the redevelopment commission in whole or in part from the levy of special benefits taxes under section 27 of this chapter and upon approval of the lease by the unit's fiscal body, the redevelopment commission shall publish notice of the execution of the lease and its approval in accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the redevelopment district who will be affected by the lease and who may be of the opinion that no necessity exists for the execution of the lease or that the payments provided for in the lease are not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after the publication of the notice of execution and approval. The petition must set forth the petitioners' names, addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary or unwise or that the payments provided for in the lease are not fair and reasonable, as the case may be.
- (e) Upon the filing of the petition, the county auditor shall immediately certify a copy of it, together with such other data as may be necessary in order to present the questions involved, to the department of local government finance. Upon receipt of the certified

petition and information, the department of local government finance shall fix a time and place for a hearing, in the redevelopment district, which must be not less than five (5) or more than thirty (30) days after the time is fixed. The department of local government finance may either hold the hearing in the affected county or through electronic means. Notice of the hearing shall be given by the department of local government finance to the members of the fiscal body, to the redevelopment commission, and to the first fifty (50) petitioners on the petition by a letter signed by the commissioner or deputy commissioner of the department and enclosed with fully prepaid postage sent to those persons at their usual place of residence, at least five (5) days before the date of the hearing. The decision of the department of local government finance on the appeal upon the necessity for the execution of the lease, and as to whether the payments under it are fair and reasonable, is final.

- (f) A redevelopment commission entering into a lease payable from allocated taxes under section 39 of this chapter or other available funds of the redevelopment commission may:
 - (1) pledge the revenue to make payments under the lease pursuant to IC 5-1-14-4; and
 - (2) establish a special fund to make the payments.
- (g) Lease rentals may be limited to money in the special fund so that the obligations of the redevelopment commission to make the lease rental payments are not considered debt of the unit or the district for purposes of the Constitution of the State of Indiana.
- (h) Except as provided in this section, no approvals of any governmental body or agency are required before the redevelopment commission enters into a lease under this section.
- (i) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the department of local government finance, an action to contest the validity or enjoin the performance must be brought within thirty (30) days after the decision of the department.
- (j) If a redevelopment commission exercises an option to buy a leased facility from a lessor, the redevelopment commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the redevelopment commission through auction, appraisal, or arms length

negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the redevelopment commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days of the hearing.".

"SECTION 102. IC 36-8-19-7.5, AS AMENDED BY P.L.247-2017, SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7.5. (a) This section applies to:

- (1) local income tax distributions; and
- (2) excise tax distributions; made after December 31, 2009.
- (b) Except as provided in subsection (c), for purposes of allocating local income tax distributions that are based on a taxing unit's allocation amount or that an adopting body allocates under IC 6-3.6-6 to economic development or excise tax distributions that are distributed based on the amount of a taxing unit's property tax levies, each participating unit in a territory is considered to have imposed a part of the property tax levy imposed for the territory. The part of the property tax levy imposed for the territory for a particular year that shall be attributed to a participating unit is equal to the amount determined in the following STEPS:

STEP ONE: Determine the total amount of all property taxes imposed by the participating unit in the year before the year in which a property tax levy was first imposed for the territory.

STEP TWO: Determine the sum of the STEP ONE amounts for

all participating units.

STEP THREE: Divide the STEP ONE result by the STEP TWO result.

STEP FOUR: Multiply the STEP THREE result by the property tax levy imposed for the territory for the particular year.

(c) This subsection applies to a determination under subsection (b) made in calendar years 2018, 2019, and 2020. The department of local government finance may, for distributions made in calendar year 2022, adjust the allocation amount determined under subsection (b) to correct for any clerical or mathematical errors made in any determination for calendar year 2018, 2019, or 2020, as applicable, including the allocation amount for any taxing unit whose distribution was affected by the clerical or mathematical error in those years. The department of local government finance may apply the adjustment to the allocation amount for a taxing unit over a period not to exceed ten (10) years in order to offset the effect of the adjustment on the distribution."
