| 3 | Sec. 15. As used in this chapter, "incapacity" and |
| 4 | "incapacitated" mean that an individual is unable to communicate |
| 5 | a willful and knowing health care decision. For the purposes of |
| 6 | making an anatomical gift, the terms include an individual who is |
| 7 | deceased. |
| 8 | Sec. 16. As used in this chapter, "informed consent" means |
| 9 | consent voluntarily given by an individual after a sufficient |
| 10 | explanation and disclosure of the subject matter involved to enable |
| 11 | that individual to have a general understanding of the treatment or |
| 12 | procedure and the medically acceptable alternatives, including the |
| 13 | substantial risks and hazards inherent in the proposed treatment |
| 14 | or procedure, and to make a knowing health care decision without |
| 15 | coercion or undue influence. |
| 16 | Sec. 17. As used in this chapter, "proxy" means a competent |
| 17 | adult who: |
| 18 | (1) has not been expressly designated in a declaration to make |
| 19 | health care decisions for a particular incapacitated |
| 20 | individual; and |

| 22 | the individual under section 38 of this chapter. |
| 23 | Sec. 18. As used in this chapter, "reasonably available" means |
| 24 | a health care representative or proxy for an individual who is: |
| 25 | (1) readily able to be contacted without undue effort; and |
| 26 | (2) willing and able to act in a timely manner considering the |
| 27 | urgency of that individual's health care needs or health |
| 28 | decisions. |
| 29 | Sec. 19. As used in this chapter, "sign" includes the valid use of |
| 30 | an electronic signature. |
| 31 | Sec. 20. As used in this chapter, "signature" means the |
| 32 | authorized use of the name or mark of a declarant or other person |
| 33 | to authenticate an electronic record or other writing. The term |

| 39 | Sec. 22. As used in this chapter, "written" and "writing" include |
| 40 | the use of any method to inscribe information in or on a tangible |
| 41 | medium or to store the information in an electronic or other |

medium that can retrieve, view, and print the information in

42

| 1 | perceivable form. |
|-----------|---|
| 2 | Sec. 23. (a) Except when an individual has been determined to |
| 3 | be incapacitated under section 31 of this chapter, an individual |
| 4 | may consent to the individual's own health care if the individual is: |
| 5 | (1) an adult; or |
| 6 | (2) a minor, and: |
| 7 | (A) is emancipated; |
| 8 | (B) is: |
| 9 | (i) at least fourteen (14) years of age; |
| 0 | (ii) not dependent on a parent for support; |
| 1 | (iii) living apart from the minor's parents or from an |
| 2 | individual in loco parentis; and |
| 3 | (iv) managing the minor's own affairs; |
| 4 | (C) is or has been married; |
| 5 | (D) is in the military service of the United States; or |
| 6 | (E) is authorized to consent to health care by another |
| 7 | statute. |
| 8 | (b) A person at least seventeen (17) years of age is eligible to |
| 9 | donate blood in a voluntary and noncompensatory blood program |
| 20 | without obtaining parental permission. |
| 21 | (c) A person who is sixteen (16) years of age is eligible to donate |
| 22 | blood in a voluntary and noncompensatory blood program if the |
| .3 .4 | person has obtained written permission from the person's parent. |
| 24 | (d) An individual who has, could be expected to have exposure |
| 25 26 | to, or has been exposed to a venereal disease is competent to give |
| | consent for medical or hospital care or treatment, including |
| 27 | preventive treatment, of the individual. |
| 28 | (e) If: |
| .9 | (1) an individual: |
| 0 | (A) has a signed advance directive that is in effect; and |
| 1 | (B) has not been determined to be incapacitated under |
| 2 | section 31 of this chapter; and |
| 3 | (2) the individual's decisions and the health care |
| 4 | representative's decisions present a material conflict; |
| 5 | the health care decisions by that individual take precedence over |
| 6 | decisions made by a health care representative designated in that |
| 7 | individual's advance directive. |
| 8 | (f) Nothing in this chapter prohibits or restricts a health care |
| 9 | provider's right to follow or rely on a health care decision or the |
| $\cdot 0$ | designation of a health care representative on a permanent or |
| -1 | temporary basis that is: |
| -2 | (1) made by a competent individual described in subsection |

| 1 | (a); |
|----------------|--|
| 2 | (2) communicated orally by the individual to a health care |
| 3 | provider in the direct physical presence of the individual; and |
| 4 | (3) reduced to or confirmed in writing by the health care |
| 5 | provider on a reasonably contemporaneous basis and made a |
| 6 | part of the health care provider's medical records for the |
| 7 | individual. |
| 8 | (g) If: |
| 9 | (1) an individual later signs an advance directive under |
| 10 | section 24 of this chapter; and |
| l 1 | (2) the advance directive conflicts with the recorded earlier |
| 12 | oral instructions of the individual with respect to health care |
| 13 | decisions or the designation of a health care representative; |
| 14 | the advance directive controls. |
| 15 | Sec. 24. (a) An advance directive signed by or for a declarant |
| 16 | under this section may accomplish or communicate one (1) or more |
| 17 | of the following: |
| 18 | (1) Designate one (1) or more competent adult individuals or |
| 19 | other persons as a health care representative to make health |
| 20 | care decisions for the declarant or receive health information |
| 21 | on behalf of the declarant, or both. |
| 22 | (2) State specific health care decisions by the declarant. |
| 23 24 25 | (3) State the declarant's preferences or desires regarding the |
| 24 | provision, continuation, termination, or refusal of life |
| 25 | prolonging procedures, palliative care, comfort care, or |
| 26 | assistance with activities of daily living. |
| 27 | (4) Specifically disqualify one (1) or more named individuals |
| 28 | from: |
| 29 | (A) being appointed as a health care representative for the |
| 30 | declarant; |
| 31 | (B) acting as a proxy for the declarant under section 38 of |
| 32 | this chapter; or |
| 33 | (C) receiving and exercising delegated authority from the |
| 34 | declarant's health care representative. |
| 35 | (b) An advance directive under this section must be signed by or |
| 36 | for the declarant using one (1) of the following methods: |
| 37 | (1) Signed by the declarant in the presence of two (2) adult |
| 38 | witnesses or in the presence of a notary public. |
| 39 | (2) Signing of the declarant's name by another adult |
| 10 | individual at the specific direction of the declarant, in the |
| 11 | declarant's direct physical presence, and in the presence of |
| 12 | the two (2) adult witnesses or a notary public. However, an |

| individual who signs the declarant's name on the advance |
|---|
| directive may not be a witness, the notary public, or a health |
| care representative designated in the advance directive. |
| (c) An advance directive signed under this section must be |
| witnessed or acknowledged in one (1) of the following ways: |
| (1) Signed in the declarant's direct physical presence by two |
| (2) adult witnesses, at least one (1) of whom may not be the |
| spouse or other relative of the declarant. |
| (2) Signed or acknowledged by the declarant in the presence |
| of a notary public, who completes and signs a notarial |
| certificate under IC 33-42-9-12 and makes it a part of the |
| advance directive. |
| If the advance directive complies with either subdivision (1) or (2), |
| but contains additional witness signatures or a notarial certificate |
| that is not needed, the advance directive is still validly witnessed |
| and acknowledged. |
| (d) If a declarant resides in or is located in a jurisdiction other |
| than Indiana at the time when the declarant signs a writing that |
| communicates the information described in subsection (a), the |
| writing must be treated as a validly signed advance directive under |
| this chapter if the declarant was not incapacitated at the time of |
| signing and if the writing was: |
| (1) signed and witnessed or acknowledged in a manner that |
| complies with subsections (b) and (c); or |
| (2) signed in a manner that complies with the applicable law |
| of the jurisdiction in which the declarant was residing or was |
| physically located at the time of signing. |
| Sec. 25. An advance directive signed by a declarant under this |
| section may contain any of the following additional provisions: |
| (1) A provision that delays: |
| (A) the effectiveness of an instruction or decision by the |
| declarant; or |
| (B) the effectiveness of the authority of a designated health |
| care representative; |
| until a stated date or the occurrence of a specifically defined |
| event. |
| (2) If the advance directive explicitly provides that a health |
| care decision or instruction or the authority of one (1) or |
| more health care representatives is to be effective upon the |
| future incapacity, disability, or incompetence of the declarant, |
| a provision that: |
| |

2020

(A) specifies the person or persons who are authorized to

| 1 | participate in the determination of incapacity, disability, or |
|-----|--|
| 2 | incompetence and the evidence or information to be used |
| 3 | for the determination; |
| 4 | (B) is not more stringent than the procedure described in |
| 5 | section 31 of this chapter; and |
| 6 | (C) does not allow a medical determination by a physician |
| 7 | psychologist, or other health care professional to be |
| 8 | superseded by the subjective judgment or veto of another |
| 9 | person or by nonmedical evidence regarding the |
| 10 | declarant's capacity or incapacity. |
| 11 | (3) A provision that terminates the authority of a designated |
| 12 | health care representative on: |
| 13 | (A) a stated date; or |
| 14 | (B) upon the occurrence of a specifically defined event. |
| 15 | (4) A provision that designates two (2) or more health care |
| 16 | representatives as having authority to act individually to |
| 17 | make health care decisions for the declarant in a specified |
| 18 | order of priority. |
| 19 | (5) A provision that designates two (2) or more health care |
| 20 | representatives and permits them to act individually and |
| 21 | independently, or that requires them to act jointly, on a |
| 22 | majority vote basis, or under a combination of requirements |
| 23 | to make all health care decisions or specified health care |
| 24 | decisions for the declarant. The advance directive may include |
| 25 | a provision for a successor health care representative to act |
| 26 | according to different requirements. |
| 27 | (6) A provision that states a fee or presumptive reasonable |
| 28 | hourly rate for the compensation that a health care |
| 29 | representative may collect for acting on behalf of the |
| 30 | declarant or providing caregiving services to the declarant. |
| 31 | (7) A provision that prohibits a health care representative |
| 32 | from collecting compensation for acting under the advance |
| 33 | directive. |
| 34 | (8) A provision that prohibits the declarant from orally |
| 35 | revoking a designation of one (1) or more health care |
| 36 | representatives within an advance directive or that requires |
| 37 | a professional adviser or other additional person to witness. |
| 38 | ratify, or approve the declarant's oral or written revocation |
| 39 | or amendment of designation of one (1) or more health care |
| 40 | representatives within the advance directive. |
| 4.1 | |

2020

(A) prohibits a designated health care representative from

| 1 | consenting to mental health treatment for the declarant; or |
|----------|--|
| 2 | (B) designates a different health care representative to |
| 3 | consent to mental health treatment. |
| 4 | (10) A provision that designates an adult individual or |
| 5 | another person as an advocate with the authority to: |
| 6 | (A) receive: |
| 7 | (i) health information about the declarant; and |
| 8 | (ii) information and documents from a health care |
| 9 | representative about the health care representative's |
| 10 | actions on behalf of the declarant; |
| 11 | (B) monitor, audit, and evaluate the actions of a health |
| 12 | care representative designated by the declarant; and |
| 13 | (C) take remedial action in the best interests of the |
| 14 | declarant, including revoking or limiting the authority of |
| 15 | any health care representative or filing a petition with a |
| 16 | court for appropriate relief. |
| 17 | (11) Any other provision concerning the: |
| 18 | (A) declarant's health care or health information; or |
| 19 | (B) implementation of the declarant's advance directive. |
| 20 | Sec. 26. (a) The state department of health shall develop a |
| 21 | sample form for an advance directive that is consistent with this |
| 22 | chapter. The sample form must contain the following provisions: |
| 23 24 | (1) A provision that states a declarant's preferences or desires |
| 24 | about providing, continuing, terminating, or refusing life |
| 25 | prolonging procedures, palliative care, comfort care, or |
| 26 | assistance with activities of daily living. |
| 27 | (2) A provision that designates one (1) or more health care |
| 28 | representatives to make health care decisions for a declarant |
| 29 | or to receive health information on behalf of a declarant, or |
| 30 | both. |
| 31 | The sample form may include boxes that can be checked, signed, or |
| 32 | initialed to select provisions that are optional but permitted under |
| 33 | section 25 of this chapter. |
| 34 | (b) A declarant is not required to use any official or unofficial |
| 35 | form to prepare and sign a valid advance directive. |
| 36 | Sec. 27. (a) A complete copy of the signed and witnessed or |
| 37 | notarized advance directive must be given to each health care |
| 38 | representative who: |
| 39 | (1) is specifically designated by name in the advance directive; |
| 10 | and |
| 11 | (2) has authority to make health care decisions that are |
| 12 | immediately effective under the explicit terms of the advance |

| 1 | directive or under section 30(1) of this chapter. |
|----|---|
| 2 | If the advance directive is signed with electronic signatures, a |
| 3 | complete copy that is generated or converted from the original |
| 4 | electronic record and that is viewable and printable is valid and |
| 5 | may be relied upon as the equivalent to the original. |
| 6 | (b) If a health care representative determines that a declarant |
| 7 | has not provided a copy of the declarant's advance directive to the |
| 8 | declarant's health care providers, the health care representative |
| 9 | shall provide a copy of the advance directive to the health care |
| 10 | providers. Upon receipt of the declarant's advance directive the |
| 11 | health care provider shall put a copy of the advance directive in the |
| 12 | declarant's medical records. |
| 13 | Sec. 28. (a) The declarant who signs an advance directive may |
| 14 | revoke that advance directive by any of the following: |
| 15 | (1) Signing, in a manner that complies with section 24(b) and |
| 16 | 24(c) of this chapter, another advance directive that explicitly |
| 17 | revokes or supersedes the previous advance directive or all |
| 18 | previous advance directives signed by that declarant. |
| 19 | (2) Signing, in a manner that complies with section 24(b) and |
| 20 | 24(c) of this chapter, a document that: |
| 21 | (A) states in writing that the declarant is revoking the |
| 22 | previously signed advance directive; and |
| 23 | (B) confirms the declarant's compliance with any explicit |
| 24 | additional conditions for valid revocation that are stated in |
| 25 | the advance directive. |
| 26 | (3) Unless the advance directive explicitly prohibits oral |
| 27 | revocation of a designation of one (1) or more health care |
| 28 | representatives within the advance directive, orally expressing |
| 29 | the declarant's present intention, in the direct physical |
| 30 | presence of a health care provider, to: |
| 31 | (A) revoke the entire advance directive; |
| 32 | (B) revoke a designation of one (1) or more health care |
| 33 | representatives within the advance directive; or |
| 34 | (C) revoke one (1) or more specific health care decisions or |
| 35 | one (1) or more desires or treatment preferences within the |
| 36 | advance directive. |
| 37 | However, a declarant always has the right to orally revoke a health |
| 38 | care decision that is included within an advance directive under |
| 39 | section 24(a)(2) of this chapter or a statement of desires or |
| 40 | treatment preferences that is included within an advance directive |
| 41 | under section 24(a)(3) of this chapter, despite any contrary |
| 42 | wording in the advance directive. |

- 26 1 (b) Until a health care representative or health care provider 2 has actual knowledge of a valid revocation of an advance directive: 3 (1) actions and health care decisions by a health care 4 representative designated in the advance directive are valid 5 and binding on the declarant; and 6 (2) health care providers may continue to rely on health care 7 decisions by the health care representative. 8 (c) A declarant who has signed a valid advance directive may 9 amend or restate that advance directive in a writing that is signed 10 in compliance with section 24(b) of this chapter and witnessed or 11 acknowledged in compliance with section 24(c) of this chapter. The 12 amendment or restatement may take any action that could have 13 been included in the former or original advance directive. 14 Sec. 29. (a) Except when the terms of the advance directive 15 explicitly prohibit or restrict delegation, a health care 16 representative who is designated by name in an advance directive 17 may make a written delegation of some or all of the health care 18 representative's authority to one (1) or more other competent 19 adults or other persons, on a temporary or open ended basis as 20 stated in the written delegation document. 21 (b) A written delegation document under this section must be 22 signed in compliance with section 24(b) of this chapter and 23 witnessed or acknowledged in compliance with section 24(c) of this 24 chapter. 25
 - (c) A written delegation of authority that does not state an expiration date continues until it is revoked, in a manner complying with section 28 of this chapter, by the competent declarant or by the health care representative who signed the written delegation.
 - (d) If the advance directive explicitly states a date or event that triggers termination of the advance directive or termination of the authority of a health care representative who makes a written delegation under this section, the delegated authority terminates upon the triggering event or expiration date.
 - Sec. 30. An advance directive must be interpreted to carry out the known or demonstrable intent of the declarant. The following presumptions apply to an advance directive unless the terms of the advance directive explicitly prevent a presumption from applying:
 - (1) If the advance directive does not state a delayed effective date or a future triggering event for effectiveness, the advance directive is effective immediately upon signing and witnessing or acknowledgment in compliance with section 24 of this

| 1 | chapter. However, if the declarant has capacity to consent to |
|----|---|
| 2 | health care, the declarant has the right to make health care |
| 3 | decisions, give consent, or provide instructions that supersede |
| 4 | or overturn any decision that is made or could be made by the |
| 5 | declarant's health care representative. |
| 6 | (2) If the advance directive does not explicitly state an |
| 7 | expiration date or a triggering event for termination, the |
| 8 | advance directive and the authority of each designated health |
| 9 | care representative continues until the death of the declarant |
| 10 | or until an earlier valid revocation of the advance directive. |
| 11 | (3) If an advance directive designates two (2) or more health |
| 12 | care representatives and does not specify that: |
| 13 | (A) the health care representative's respective authority to |
| 14 | act is subject to an order of priority; or |
| 15 | (B) the health care representatives must act jointly or on |
| 16 | a majority vote basis; |
| 17 | each health care representative has concurrent authority to |
| 18 | act individually and independently to make health care |
| 19 | decisions for the declarant. If two (2) or more health care |
| 20 | representatives who are required to act jointly disagree about |
| 21 | a health care decision, or if two (2) or more health care |
| 22 | representatives who are authorized to act independently give |
| 23 | conflicting instructions to a health care provider, the health |
| 24 | care provider may decline to comply with the conflicting |
| 25 | instructions, and in an urgent or emergency situation, the |
| 26 | health care provider may provide treatment consistent with |
| 27 | the instructions of two (2) physicians who examine or evaluate |
| 28 | the declarant. |
| 29 | (4) If: |
| 30 | (A) an individual signs more than one (1) advance directive |
| 31 | at different times; and |
| 32 | (B) the later signed advance directive does not explicitly |
| 33 | state that one (1) or more of the previous advance |
| 34 | directives by the declarant remain in effect; |
| 35 | each previous advance directive is superseded and revoked by |
| 36 | the last signed advance directive. |
| 37 | (5) Unless the advance directive explicitly provides otherwise, |
| 38 | each health care representative who is designated in an |
| 39 | advance directive continues to have authority after the death |
| 40 | of the declarant to do the following: |
| 41 | (A) Make anatomical gifts on the declarant's behalf, |

2020

subject to any previous written direction by the declarant.

| 1 | (B) Request or authorize an autopsy. |
|----|--|
| 2 | (C) Make plans for the disposition of the declarant's body |
| 3 | including executing a funeral planning declaration or |
| 4 | behalf of the declarant under IC 29-2-19. |
| 5 | (6) Each health care representative who is designated in ar |
| 6 | advance directive and who has current authority to act is a |
| 7 | personal representative of the declarant for purposes of 45 |
| 8 | CFR Parts 160 through 164. |
| 9 | (7) If an advance directive explicitly provides that the |
| 10 | authority of one (1) or more health care representatives is to |
| 11 | be effective upon the future incapacity, disability, or |
| 12 | incompetence of the declarant but if the advance directive |
| 13 | does not specify a method or procedure for determining the |
| 14 | incapacity, disability, or incompetence of the declarant: |
| 15 | (A) the health care representative's authority to ac |
| 16 | becomes effective upon a determination that the declaran |
| 17 | is incapacitated that is stated in a writing or other record |
| 18 | by a physician, licensed psychologist, or judge; and |
| 19 | (B) each health care representative who is designated in |
| 20 | the advance directive is authorized to act as the declarant's |
| 21 | personal representative under 45 CFR 164.502(g) to obtain |
| 22 | access to the declarant's information, and to communicate |
| 23 | with the declarant's health care providers, for the purpose |
| 24 | of gathering information necessary for determinations |
| 25 | under this subdivision. |
| 26 | (8) Each health care representative who is designated in ar |
| 27 | advance directive and who has current authority to make |
| 28 | health care decisions for the declarant has authority to |
| 29 | consent to mental health treatment for the declarant. |
| 30 | (9) If the advance directive is silent on the issue of |
| 31 | compensation for a health care representative designated in |
| 32 | the advance directive, then each health care representative is |
| 33 | entitled to receive the following: |
| 34 | (A) Reasonable compensation from the declarant's |
| 35 | property for services or acts actually performed by the |
| 36 | health care representative and for the declarant. |
| 37 | (B) Reasonable reimbursement from the declarant's |
| 38 | property for out-of-pocket expenses actually incurred and |
| 39 | paid by the health care representative from the health care |
| 40 | representative's own funds in the course of performing |
| 41 | services or acts for the declarant under the advance |
| 42 | directive. |

| 1 | Any health care representative may waive part or all of the |
|----|--|
| 2 | compensation or expense reimbursements that the health care |
| 3 | representative would be entitled to receive under the terms of |
| 4 | the advance directive or under this subdivision. |
| 5 | (10) If an advance directive explicitly provides that the |
| 6 | authority of a health care representative is effective only at |
| 7 | times when the declarant is incapacitated or unable to consent |
| 8 | to health care, then unless the advance directive explicitly |
| 9 | states another procedure: |
| 10 | (A) the health care representative's authority becomes |
| 11 | effective when a determination of the declarant's |
| 12 | incapacity is noted in the declarant's medical records |
| 13 | under section 31(c) of this chapter; and |
| 14 | (B) the health care representative's authority becomes |
| 15 | inactive when the declarant regains capacity. |
| 16 | (11) If the authority of a health care representative under the |
| 17 | advance directive is effective immediately upon signing by the |
| 18 | declarant, the health care representative's authority may be |
| 19 | rescinded or superseded by the direct decisions of the |
| 20 | declarant at all times when the declarant has not been |
| 21 | determined to be incapacitated. |
| 22 | (12) If: |
| 23 | (A) an advance directive designates one (1) or more health |
| 24 | care representatives; |
| 25 | (B) a health care representative is not reasonably available |
| 26 | to act for the declarant; and |
| 27 | (C) the declarant is incapacitated or not competent to |
| 28 | make personal health care decisions; |
| 29 | then subject to any order of priority explicitly stated in the |
| 30 | advance directive, each health care representative designated |
| 31 | in the advance directive must be given the opportunity to |
| 32 | exercise authority for the declarant. |
| 33 | (13) If explicitly allowed or required in the advance directive, |
| 34 | each person who may act as a proxy for the declarant under |
| 35 | sections 38 and 39 of this chapter, if an advance directive had |
| 36 | not existed, has the right to make a written demand for and to |
| 37 | receive from a health care representative a narrative |
| 38 | description or other appropriate accounting of the actions |
| 39 | taken and decisions made by a health care representative |
| 10 | under the advance directive. Notwithstanding any provision |

in the advance directive, a health care representative who

- (14) Notwithstanding any provision in the advance directive, if a declarant is not competent to amend or revoke the declarant's advance directive, then a person who may act as a proxy for the declarant under sections 38 and 39 of this chapter has the right to petition a probate court with jurisdiction over the declarant for any of the following relief:
 - (A) An order modifying or terminating the advance directive.
 - (B) An order removing a health care representative or terminating the authority of a person who holds delegated authority under the advance directive, on the grounds that the health care representative or person is not acting or is declining to act in the best interests of the declarant.
 - (C) An order directing a health care representative to make or carry out a specific health care decision for the declarant.
 - (D) An order appointing a new or additional health care representative, on the grounds that all health care representatives designated in the advance directive are not reasonably available to act.

Before issuing an order under this subdivision, the court must hold a hearing after notice to the declarant, to each health care representative, and any other person whose rights or authority could be affected by the order, and to any persons who have the highest priority under sections 38 and 39 of this chapter to serve as a proxy for the declarant if an advance directive had not existed. An order issued under this subdivision must be guided by the declarant's best interests and the declarant's known or demonstrable intent.

Sec. 31. (a) A declarant is presumed to be capable of making health care decisions for the declarant unless the declarant is determined to be incapacitated. The declarant's desires are controlling while a declarant has decision making capacity. Each physician or health care provider must clearly communicate to a declarant who has decision making capacity the treatment plan and any change to the treatment plan before implementation of the plan or a change to the plan. Incapacity may not be inferred from a person's voluntary or involuntary hospitalization for mental illness or from the person's intellectual disability.

(b) When a declarant is incapacitated, a health care decision

| m | ade on the declarant's behalf by a health care representative is |
|----|--|
| | fective to the same extent as a decision made by the declarant if |
| | e declarant were not incapacitated. However, if: |
| | (1) a health care representative makes and communicates a |
| | health care decision; and |
| | (2) a health care provider concludes that carrying out that |
| | health care decision would be medically inappropriate or |
| | clearly contrary to the declarant's best interests; |
| tł | en the health care provider has the same right to refuse to carry |
| 0 | ut that decision as if that decision were made and communicated |
| | rectly by the declarant at a time when the declarant was not ecapacitated. |
| | (c) If a declarant's capacity to make health care decisions or |
| p | rovide informed consent is in question, the declarant's treating |
| p | hysician shall evaluate the declarant's capacity and, if the treating |
| p | hysician concludes that the declarant lacks capacity, enter that |
| e | valuation in the declarant's medical record. |
| | (d) If the treating physician is unable to reach a conclusion |
| u | nder subsection (c) about whether the declarant lacks capacity, a |
| tı | eating physician or other health care provider may follow |
| p | rocedures, including consultation with one (1) or more other |
| p | hysicians or ethicists, to evaluate the declarant or assist in |
| d | etermining whether the declarant lacks capacity. However, if the |
| p | rocedures followed under this subsection do not result in a |
| c | onclusion that the declarant lacks capacity, the treating physician |
| | nd other health care providers shall treat the declarant as still |
| h | aving capacity to make health care decisions and provide |
| | formed consent, until a later evaluation occurs under this section |
| a | fter the passage of time or after a change in the declarant's |
| c | ondition. |

has been expressly limited by the declarant in an advance directive,

responsibilities:

(1) The authority to act for the declarant and to make all

- health care decisions for the declarant at all times when the health care representative's authority is in effect, subject to the right of the competent declarant to act directly and personally.
- (2) The authority and responsibility to be reasonably available to consult with appropriate health care providers to provide informed consent.
- (3) The authority and responsibility to act in good faith and make only health care decisions for the declarant that the health care representative believes the declarant would have made under the circumstances if the declarant were capable of making the decisions, taking into account the express or implied intentions of the declarant or if the declarant's express or implied intentions are not known, the declarant's best interests.
- (4) The authority and responsibility to provide written consent using an appropriate form when consent is required, including a physician's order not to resuscitate (IC 16-36-6).
- (5) The authority to be provided access to the appropriate health information of the declarant.
- (6) The authority to apply for public benefits, including Medicaid and the community and home options to institutional care for the elderly and disabled (CHOICE) program, for the declarant and have access to information regarding the declarant's income, assets, and banking and financial records to the extent required to make application. A health care provider or health care facility may not make the application a condition of continued care if the declarant, if capable of deciding, would have refused to apply for the public benefits.
- (b) The health care representative may authorize the release of health information to appropriate persons to ensure the continuity of the declarant's health care and may authorize the admission, discharge, or transfer of the declarant to or from a health care facility or other heath or residential facility or program licensed or registered by a state agency.
- (c) If, after a declarant has designated one (1) or more health care representatives in an advance directive, a court appoints a guardian of the declarant's person, the authority of each designated health care representative continues unless the appointing court modifies or revokes the authority of one (1) or more health care representatives after a hearing upon notice under

| 1 | section 30(14) of this chapter. The court may order a health care |
|----|---|
| 2 | representative to make appropriate or specified reports to the |
| 3 | guardian of the declarant's person or property. |
| 4 | Sec. 33. (a) A health care provider furnished with a copy of a |
| 5 | declarant's advance directive shall make the declarant's advance |
| 6 | directive a part of the declarant's medical records. If a change in |
| 7 | or termination of the advance directive becomes known to the |
| 8 | health care provider, the change or termination must be noted in |
| 9 | the declarant's medical records. |
| 10 | (b) If a health care provider believes that an individual may lack |
| 11 | the capacity to give informed consent to health care, then, until the |
| 12 | individual is determined to have capacity under section 31 of this |
| 13 | chapter, the health care provider shall consult with: |
| 14 | (1) a health care representative designated by the declarant; |
| 15 | or |
| 16 | (2) if a health care representative has not been designated or |
| 17 | if a health care representative is not reasonably available to |
| 18 | act, a proxy under section 38 of this chapter; |
| 19 | who has authority and priority to act and who is reasonably |
| 20 | available to act. |
| 21 | (c) Subject to the right of a competent declarant to directly |
| 22 | make and communicate health care decisions for the declarant and |
| 23 | to rescind a health care decision by a health care representative |
| 24 | who is designated in an advance directive the following conditions |
| 25 | apply: |
| 26 | (1) A health care provider may continue to administer |
| 27 | treatment for the declarant's comfort, care, or the alleviation |
| 28 | of pain in addition to treatment made under the decision of |
| 29 | the health care representative. |
| 30 | (2) Subject to subdivision (3), a health care provider shall |
| 31 | comply with a health care decision made by a health care |
| 32 | representative if the decision is communicated to the provider. |
| 33 | (3) If a health care provider is unwilling to comply with a |
| 34 | health care decision made by a health care representative, the |
| 35 | provider shall do the following: |
| 36 | (A) Notify the health care representative of the health care |
| 37 | provider's unwillingness to comply with the decision. |
| 38 | (B) Promptly take all steps necessary to transfer the |
| 39 | responsibility for the declarant's health care to another |
| 40 | health care provider designated by the health care |
| 41 | representative. However, a health care provider who takes |
| 42 | steps for a transfer does not have a duty to look for or |

| 1 | identify another health care provider who will accept the |
|----|--|
| 2 | declarant. |
| 3 | However, if the declarant's health condition would make |
| 4 | transfer of the declarant untenable or unadvisable, this |
| 5 | subsection does not prohibit the health care provider from |
| 6 | following the health care provider's dispute resolution |
| 7 | procedure with the objective of reaching a decision in the best |
| 8 | interest of the declarant. |
| 9 | Sec. 34. If a health care representative designated in an advance |
| 10 | directive has authority to: |
| 11 | (1) make an anatomical gift on behalf of the declarant; |
| 12 | (2) authorize an autopsy of the declarant's remains; or |
| 13 | (3) direct the disposition of the declarant's remains; |
| 14 | under either the explicit provisions of the advance directive or |
| 15 | section 30(5) of this chapter, the anatomical gift, autopsy, or |
| 16 | remains disposition is considered the act of the declarant or of the |
| 17 | person who has legal authority to make the necessary decisions. |
| 18 | Sec. 35. (a) A health care provider shall give a health care |
| 19 | representative authorized to receive information under an advance |
| 20 | directive the same access as the declarant has to examine and copy |
| 21 | the declarant's health information and medical records, including |
| 22 | records relating to mental health and other medical conditions held |
| 23 | by a physician or other health care provider. |
| 24 | (b) The access to records under this section must be given at the |
| 25 | declarant's expense and may be subject to reasonable rules of the |
| 26 | provider to prevent disruption of the declarant's health care. |
| 27 | (c) A health care representative may release information |
| 28 | obtained under this section to any person authorized to receive the |
| 29 | information under IC 16-39. |
| 30 | Sec. 36. A health care provider or other person who acts in good |
| 31 | faith reliance on an advance directive or on a health care decision |
| 32 | made by a health care representative with apparent authority is |
| 33 | immune from liability to the declarant and to the declarant's heirs |
| 34 | or other successors in interest to the same extent as if the health |
| 35 | care provider or other person had dealt directly with the declarant |
| 36 | and if the declarant had been competent and not incapacitated. |
| 37 | Sec. 37. (a) A health care representative designated in an |
| 38 | advance directive may furnish to a health care provider or other |
| 39 | person an affidavit that states, to the best knowledge of the health |
| 40 | care representative: |
| 41 | (1) that the document attached to and furnished with the |

affidavit is a true copy of the named declarant's advance

| 1 | directive that is currently in effect; |
|----------------|--|
| 2 | (2) that the declarant is alive; |
| 3 | (3) that the advance directive was validly executed; |
| 4 | (4) if the effectiveness of the health care representative's |
| 5 | authority to act under the advance directive begins upon the |
| 6 | occurrence of a certain event, that the event has occurred and |
| 7 | the health care representative has authority to act; |
| 8 | (5) if the health care representative who furnishes the |
| 9 | affidavit does not have the highest priority to act under the |
| 10 | explicit terms of the advance directive, an explanation that all |
| l 1 | health care representatives who are identified in the advance |
| 12 | directive as having higher priority are not reasonably |
| 13 | available to act; and |
| 14 | (6) that the relevant powers granted to the health care |
| 15 | representative have not been altered or terminated. |
| 16 | An affidavit under this section must be signed, sworn to, and |
| 17 | acknowledged by the health care representative in the presence of |
| 18 | a notary public or if the health care representative swears or |
| 19 | affirms to the accuracy of the affidavit's contents under the |
| 20 | penalties for perjury. |
| 21 | (b) A health care provider or other person who: |
| 22 | (1) relies on an affidavit described in subsection (a); and |
| 23 | (2) acts in good faith; |
| 23 24 25 | is immune from liability that might otherwise arise from the health |
| 25 | care provider's or other person's actions in reliance on the advance |
| 26 | directive that is the subject of the affidavit. |
| 27 | Sec. 38. (a) For purposes of this section, the term "declarant" |
| 28 | includes an individual who has not executed an advance directive. |
| 29 | (b) This section applies only if a declarant is not capable of |
| 30 | consenting to health care, and: |
| 31 | (1) the declarant has not executed an advance directive under |
| 32 | this chapter; or |
| 33 | (2) the declarant has executed an advance directive and the |
| 34 | health care representative designated in the advance directive |
| 35 | is not willing, able, or reasonably available to make health |
| 36 | care decisions for the declarant. |
| 37 | (c) Except as provided in section 39 of this chapter, health care |
| 38 | decisions may be made for the declarant by any of the following |
| 39 | individuals to act as a proxy, in the following decreasing order of |
| 10 | priority, if an individual in a prior class is not reasonably available, |
| 11 | willing, and competent to act: |
| 12 | (1) The judicially appointed guardian of the declarant or a |

If there is no reliable indication of what the declarant would have chosen, the proxy shall consider the declarant's best interests in deciding that proposed treatments are to be withheld or that treatments currently in effect are to be withdrawn.
