## ENGROSSED HOUSE BILL No. 1342

---

DIGEST OF HB 1342 (Updated February 25, 2014 5:03 pm - DI 69)

**Citations Affected:** IC 6-6; IC 6-8.1; IC 13-11; IC 13-14; IC 13-20; IC 13-22; IC 13-23; IC 13-25; IC 35-51.

**Synopsis:** Environmental fees and expenses. Provides that the hazardous waste disposal fee (which replaces the hazardous waste disposal tax), the fee on the disposal or incineration of solid waste, and the annual registration fee paid by owners of underground storage tanks shall be collected by the department of environmental management instead of the department of state revenue. Provides that 75% of the revenue from the hazardous waste disposal fee shall be deposited in the hazardous substance response fund and 25% shall be paid over to the county in which the hazardous waste is disposed of. Provides that: (1) 50% of the registration fees paid in connection with underground petroleum storage tanks and deposited in the petroleum trust fund shall be used to pay for corrective actions that involve releases of regulated substances from underground storage tanks that are not eligible to receive funds from the underground petroleum storage tank excess liability trust; and (2) not more than 11% of the funds expended for the

Digest Continued

corrective actions may be used to pay for administrative and personnel expenses incurred in carrying out the corrective actions. Allows the commissioner of the department of environmental management, under certain circumstances, to authorize the modification of a restrictive covenant that the owner of a property contaminated with a hazardous substance has been required to execute and record. Provides for the administrative and personnel expenses incurred by the state in evaluating a proposed modification of a restrictive covenant to be paid from the hazardous substances response trust fund, and requires the environmental rules board to adopt rules providing for the recovery of those expenses by the state. Removes references to the solid waste management board, which was abolished on January 1, 2013.

 35 ~~(I) (H) Any other tax the commissioner designates.~~  
 36 (2) Upon the commissioner's request, conduct studies of the  
 37 department's operations and recommend whatever changes seem  
 38 advisable.  
 39 (3) Annually audit a statistical sampling of the returns filed for  
 40 the taxes administered by the division.  
 41 (4) Annually audit a statistical sampling of registrants with the  
 42 bureau of motor vehicles, international registration plan division.

- 1 (5) Review federal tax returns and other data that may be helpful  
 2 in performing the division's function.
- 3 (6) Furnish, at the commissioner's request, information that the  
 4 commissioner requires.
- 5 (7) Conduct audits requested by the commissioner or the  
 6 commissioner's designee.
- 7 (8) Administer the statutes providing for motor carrier regulation  
 8 (IC 8-2.1).
- 9 SECTION 4. IC 13-11-2-57 IS AMENDED TO READ AS  
 10 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 57. "Disposal", for  
 11 purposes of environmental management laws, means the:  
 12 (1) discharge;  
 13 (2) deposit;  
 14 (3) injection;  
 15 (4) spilling;  
 16 (5) leaking; or  
 17 (6) placing;  
 18 of any solid waste or hazardous waste into or on any land or water so  
 19 that the solid waste or hazardous waste, or any constituent of the waste,  
 20 may enter the environment, be emitted into the air, or be discharged  
 21 into any waters, including ground waters.
- 22 (b) "Disposal", for purposes of IC 13-29-1, means the isolation of  
 23 waste from the biosphere in a permanent facility designed for that  
 24 purpose.
- 25 (c) **"Disposal", for purposes of IC 13-22-12-3.5, means all forms  
 26 of disposal in or on the land, including underground injection.**
- 27 SECTION 5. IC 13-11-2-57.2 IS ADDED TO THE INDIANA  
 28 CODE AS A NEW SECTION TO READ AS FOLLOWS  
 29 [EFFECTIVE JULY 1, 2014]: Sec. 57.2. **"Disposal facility", for  
 30 purposes of IC 13-22-12-3.5, means a site where hazardous wastes  
 31 are disposed of in or on the land, including a site associated with,  
 32 within, or adjacent to facilities generating the waste.**
- 33 SECTION 6. IC 13-11-2-99 IS AMENDED TO READ AS  
 34 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 99. (a) "Hazardous  
 35 waste", for purposes of section 96(a) of this chapter, IC 13-19, and  
 36 environmental management laws, means a solid waste or combination  
 37 of solid wastes that, because of its quantity, concentration, or physical,  
 38 chemical, or infectious characteristics, may:  
 39 (1) cause or significantly contribute to an increase in:  
 40 (A) mortality;  
 41 (B) serious irreversible illness; or  
 42 (C) incapacitating reversible illness; or

- 1 (2) pose a substantial present or potential hazard to:  
 2 (A) human health; or  
 3 (B) the environment;  
 4 when improperly treated, stored, transported, disposed of, or  
 5 otherwise managed.  
 6 (b) "Hazardous waste", for purposes of IC 13-22-10, includes a  
 7 waste determined to be a hazardous waste under IC 13-22-2-3(b).  
 8 (c) "Hazardous waste", for purposes of IC 13-22-11, has the  
 9 meaning set forth in the federal Resource Conservation and Recovery  
 10 Act (42 U.S.C. 6903(5)), as in effect January 1, 1989.  
 11 (d) "Hazardous waste", for purposes of IC 13-22-12-3.5,  
 12 includes any waste that:  
 13 (1) meets the definition set forth in subsection (a);  
 14 (2) is determined to be hazardous under the criteria developed  
 15 under IC 13-22-2-3(a); or  
 16 (3) is included on the list compiled and maintained by the  
 17 board under IC 13-22-2-3(b).  
 18 SECTION 7. IC 13-11-2-232.8 IS ADDED TO THE INDIANA  
 19 CODE AS A NEW SECTION TO READ AS FOLLOWS  
 20 [EFFECTIVE JULY 1, 2014]: **Sec. 232.8. "Ton", for purposes of**  
 21 **IC 13-22-12-3.5, means a short ton.**  
 22 SECTION 8. IC 13-14-2-9 IS ADDED TO THE INDIANA CODE  
 23 AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY  
 24 1, 2014]: **Sec. 9. (a) This section applies to a restrictive covenant**  
 25 **created in connection with a remediation project conducted under:**  
 26 (1) IC 13-23;  
 27 (2) IC 13-24;  
 28 (3) IC 13-25-4; or  
 29 (4) IC 13-25-5.  
 30 (b) If:  
 31 (1) a change of conditions or an advancement in science or  
 32 technology permits a modification of the conditions and  
 33 restrictions imposed by a restrictive covenant; and  
 34 (2) the modification of the conditions and restrictions imposed  
 35 by the restrictive covenant would not increase the potential  
 36 hazards to human health or the environment;  
 37 the commissioner may, under subsection (c), authorize the filing in  
 38 the office of the county recorder of a supplemental recording  
 39 recognizing the modification of the conditions and restrictions of  
 40 the restrictive covenant to reflect the change in conditions or  
 41 advancement in science or technology.  
 42 (c) The commissioner may authorize the filing of a supplemental

1 recording under subsection (b) if the owner of the real property  
 2 that is subject to the restrictive covenant submits to the  
 3 department:

- 4 (1) a written request for the modification of the covenant;  
 5 (2) a copy of the proposed modification of the restrictive  
 6 covenant; and  
 7 (3) information indicating why the covenant should be  
 8 modified.

9 The information submitted under subdivision (3) must be sufficient  
 10 to enable the department to determine whether the proposed  
 11 modification of the restrictive covenant will increase the potential  
 12 hazards to human health or the environment. The commissioner  
 13 may request additional information from the owner of the real  
 14 property if necessary to the making of a determination under this  
 15 subsection.

16 (d) The board shall adopt rules under IC 4-22-2 and IC 13-14-9  
 17 providing for the recovery of administrative and personnel  
 18 expenses incurred by the state in evaluating proposed  
 19 modifications of restrictive covenants under this section.

20 SECTION 9. IC 13-20-22-1, AS AMENDED BY P.L.131-2006,  
 21 SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
 22 JULY 1, 2014]: Sec. 1. (a) Unless the legislative body of a county  
 23 having a consolidated city elects by ordinance to participate in the  
 24 rules, ordinances, and governmental structures enacted or created  
 25 under this chapter, the collection of fees on the disposal of solid waste  
 26 in a final disposal facility located in that county are exempt until  
 27 December 2, 2008; from regulation or control under this chapter.

28 (b) (a) A fee is imposed on the disposal or incineration of solid  
 29 waste in a final disposal facility in Indiana. Except as provided in  
 30 section 14 of this chapter, the amount of the fee is as follows:

- 31 (1) For solid waste generated in Indiana and delivered to a final  
 32 disposal facility in a motor vehicle having a registered gross  
 33 vehicle weight greater than nine thousand (9,000) pounds, fifty  
 34 cents (\$0.50) a ton.  
 35 (2) For solid waste generated outside Indiana and delivered to a  
 36 final disposal facility in a motor vehicle having a registered gross  
 37 vehicle weight greater than nine thousand (9,000) pounds:  
 38 (A) fifty cents (\$0.50) a ton; and  
 39 (B) if the solid waste management board has adopted rules  
 40 under subsection (c), an additional amount imposed under the  
 41 rules.  
 42 (3) For solid waste generated in Indiana or outside Indiana and

1 delivered to a final disposal facility in:

2 (A) a motor vehicle having a registered gross vehicle weight  
3 of not more than nine thousand (9,000) pounds; or

4 (B) a passenger motor vehicle (as defined in IC 9-13-2-123);  
5 fifty cents (\$0.50) for each load delivered by the motor vehicle.

6 ~~(c)~~ **(b)** The ~~solid waste management~~ board may adopt rules to  
7 establish and impose a fee on the disposal or incineration of solid waste  
8 that is:

9 (1) generated outside Indiana; and

10 (2) disposed of or incinerated in a final disposal facility in  
11 Indiana.

12 If rules are adopted under this subsection, the fee shall be set at an  
13 amount necessary to offset the costs incurred by the state or a county,  
14 municipality, or township that can be attributed to the importation of  
15 the solid waste into Indiana and the presence of the solid waste in  
16 Indiana.

17 ~~(d)~~ **(c)** Revenue from fees collected under subsection ~~(b)(1)~~ **(a)(1)**  
18 and ~~(b)(2)(A)~~ **(a)(2)(A)** shall be deposited in the state solid waste  
19 management fund established by section 2 of this chapter. Revenue  
20 from fees collected under subsection ~~(b)(2)(B)~~ **(a)(2)(B)** shall be  
21 deposited in the hazardous substances response trust fund established  
22 by IC 13-25-4-1, except that any part of the revenue that the board  
23 finds is necessary to offset costs incurred by counties, municipalities,  
24 and townships shall be distributed to solid waste management districts  
25 pro rata on the basis of the district's population.

26 ~~(e)~~ **(d)** If solid waste has been subject to a fee under this section, the  
27 total amount of the fee paid shall be credited against any other fee to  
28 which the solid waste may later be subject under this section.

29 ~~(f)~~ **(e)** A fee may not be imposed upon material used as alternate  
30 daily cover pursuant to a permit issued by the department under 329  
31 IAC 10-20-13.

32 SECTION 10. IC 13-20-22-4 IS REPEALED [EFFECTIVE JULY  
33 1, 2014]. Sec. 4. An owner or operator of a final disposal facility  
34 responsible for collecting the fees imposed under section 1 of this  
35 chapter shall register with the department of state revenue. To register  
36 with the department of state revenue, the owner or operator must do the  
37 following:

38 (1) Pay a registration fee of twenty-five dollars (\$25).

39 (2) File a verified registration form containing the following:

40 (A) The registrant's name and address.

41 (B) The name and address of each final disposal facility owned  
42 or operated by the registrant.

- 1           (C) Any additional information that the department of state  
2           revenue reasonably requires:
- 3           SECTION 11. IC 13-20-22-5 IS REPEALED [EFFECTIVE JULY  
4           1, 2014]. Sec. 5: (a) The department of state revenue may require a  
5           registrant under section 4 of this chapter to file a surety bond:  
6           (1) in an amount determined by the department of state revenue  
7           of:  
8           (A) not less than two thousand dollars (\$2,000); and  
9           (B) not more than three (3) months tax liability for the  
10           registrant as estimated by the department of state revenue; and  
11           (2) conditioned upon:  
12           (A) the keeping of records; and  
13           (B) the making of full and complete reports and payments;  
14           as required by this chapter.  
15           (b) If the registrant files a bond, the bond must:  
16           (1) be with a surety company or financial institution approved by  
17           the department of state revenue; and  
18           (2) name:  
19           (A) the registrant as the principal; and  
20           (B) the state as the obligee.
- 21           SECTION 12. IC 13-20-22-6 IS REPEALED [EFFECTIVE JULY  
22           1, 2014]. Sec. 6: (a) The department of state revenue may require a  
23           registrant under section 4 of this chapter to furnish a current financial  
24           statement with the registration form:  
25           (b) After registration, the department of state revenue may require  
26           a registrant to periodically furnish a current financial statement. If the  
27           registrant's financial condition warrants an increase in the surety bond,  
28           the department of state revenue may require the registrant to furnish an  
29           increased bond:  
30           (c) The department of state revenue may require an audited financial  
31           statement under this section.
- 32           SECTION 13. IC 13-20-22-7 IS REPEALED [EFFECTIVE JULY  
33           1, 2014]. Sec. 7: The department of state revenue shall issue a  
34           registration card to each registrant under section 4 of this chapter who  
35           complies with this chapter. The registration card shall be prominently  
36           displayed at each place in Indiana where the registrant is engaged in  
37           business as an owner or operator of a final disposal facility.
- 38           SECTION 14. IC 13-20-22-8 IS REPEALED [EFFECTIVE JULY  
39           1, 2014]. Sec. 8: (a) Sixty (60) days after making a written request for  
40           release to the department of state revenue, the surety of a bond  
41           furnished by a registrant under section 5 of this chapter is released from  
42           any liability to the state accruing on the bond after the sixty (60) day

1 period: The release does not affect any liability accruing before the  
2 expiration of the sixty (60) day period.

3 (b) The department of state revenue shall promptly notify the  
4 registrant furnishing the bond that a release has been requested. The  
5 registrant must:

6 (1) obtain a new bond that meets the requirements of section 5 of  
7 this chapter; and

8 (2) file with the department of state revenue a new bond within  
9 the sixty (60) day period.

10 (c) The department of state revenue shall cancel the registration for  
11 failure to submit a new bond within the sixty (60) day period.

12 SECTION 15. IC 13-20-22-9 IS REPEALED [EFFECTIVE JULY  
13 1, 2014]. Sec. 9: (a) The department of state revenue may, after a  
14 hearing, cancel a registration issued to an owner or operator of a final  
15 disposal facility if the owner or operator does any of the following:

16 (1) Files a false monthly report of the information required by this  
17 chapter.

18 (2) Fails or refuses to file a monthly report required by this  
19 chapter.

20 (3) Fails or refuses to pay the full amount of the fee imposed by  
21 this chapter on or before the due date established by section 11 of  
22 this chapter.

23 (4) Fails or refuses to comply with IC 6-8-1-5-4.

24 (5) Knowingly removes or alters a sign posted by the department  
25 of state revenue under section 17 of this chapter.

26 (6) Fails or refuses to have on file a valid bond, as required by  
27 section 5 or 8 of this chapter.

28 (7) Fails to honor a subpoena issued under IC 6-8-1-3-12.

29 (b) The department of state revenue shall notify the owner or  
30 operator at least fifteen (15) days before the date set for the hearing of  
31 the proposed cancellation. The notice must be sent by registered mail  
32 to the last known address of the owner or operator. The owner or  
33 operator may appear at the time and place given in the notice to show  
34 cause why the registration should not be canceled.

35 SECTION 16. IC 13-20-22-10 IS REPEALED [EFFECTIVE JULY  
36 1, 2014]. Sec. 10: A person registered under this chapter may make a  
37 written request to the department of state revenue to cancel the person's  
38 registration. The department of state revenue may cancel the  
39 registration sixty (60) days from the date of the written request if before  
40 cancellation the person has:

41 (1) paid all fees, penalties, and interest accruing under this  
42 chapter or IC 13-9-5-5 (before its repeal); and

1           (2) surrendered to the department of state revenue the:

2           (A) registration certificate issued under this chapter or  
3           IC 13-9.5-5 (before its repeal); and

4           (B) any additional copies of the registration.

5           SECTION 17. IC 13-20-22-11 IS AMENDED TO READ AS  
6           FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 11. (a) The owner or  
7           operator of a final disposal facility is responsible for collecting the fees  
8           imposed under section 1 of this chapter from persons delivering solid  
9           waste to that facility.

10          (b) Each owner or operator may:

11           (1) deduct from the fees an amount equal to one percent (1%) of  
12           the fees collected; and

13           (2) retain this amount as compensation for collecting and  
14           remitting the fees;

15          if the fees collected and the reports required under subsection (e) are  
16          timely remitted and filed.

17          (c) If:

18           (1) the fees collected are remitted; or

19           (2) the required report is filed;

20          after the due date, the owner or operator shall remit all fees collected  
21          to the department. ~~of state revenue.~~

22          (d) The owner or operator shall remit the remainder of the fees that  
23          the owner or operator collects during a month to the department ~~of state~~  
24          ~~revenue~~ not later than ten (10) days after the last day of the month in  
25          which the fees are collected.

26          (e) The owner or operator of a final disposal facility shall file  
27          monthly reports with the department concerning the fees collected  
28          under this section. The department shall adopt a form for these reports.  
29          An owner or operator shall use the form in reporting to the department.

30          SECTION 18. IC 13-20-22-12 IS AMENDED TO READ AS  
31          FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 12. Each month the  
32          department ~~of state revenue~~ shall deposit the following:

33           (1) Not less than fifty percent (50%) of the revenue from the fee  
34           imposed under section ~~1(b)(1)~~ **1(a)(1)** of this chapter into the  
35           Indiana recycling promotion and assistance fund established in  
36           IC 4-23-5.5-14.

37           (2) Not more than fifty percent (50%) of the revenue from the fee  
38           imposed under section ~~1(b)(1)~~ **1(a)(1)** of this chapter into the  
39           fund.

40           (3) The revenue from the fee imposed under section ~~1(b)(2)~~  
41           **1(a)(2)** of this chapter into the hazardous substance response trust  
42           fund established by IC 13-25-4-1.

1 SECTION 19. IC 13-20-22-17 IS REPEALED [EFFECTIVE JULY  
2 1, 2014]. Sec. 17: (a) If any of the following conditions occur, the  
3 department of state revenue may post a sign at a solid waste disposal  
4 site that prohibits further transactions involving solid waste disposal at  
5 the site:

6 (1) An owner or operator of a final disposal facility becomes  
7 delinquent in payment of any amount due under this chapter.

8 (2) There is evidence that the revenue of an owner or operator of  
9 a final disposal facility is in jeopardy.

10 (3) An owner or operator of a final disposal facility is operating  
11 without the registration required by this chapter.

12 (4) An owner or operator of a final disposal facility is operating  
13 without the bond required by this chapter.

14 (5) An owner or operator of a final disposal facility continues to  
15 operate the final disposal facility after the registration of the  
16 owner or operator has been canceled under this chapter.

17 (b) The department of state revenue may require that the sign posted  
18 under this section must remain posted until the owner or operator of the  
19 final disposal facility does all of the following:

20 (1) Files all reports and pays in full the fees and penalties imposed  
21 by this chapter.

22 (2) Pays in full the interest and penalties imposed under  
23 IC 6-8.1-10-1 and IC 6-8.1-10-2.1.

24 (3) Obtains the registration required by this chapter.

25 (4) Provides the bond required by this chapter.

26 SECTION 20. IC 13-20-22-19, AS AMENDED BY P.L.158-2013,  
27 SECTION 189, IS AMENDED TO READ AS FOLLOWS  
28 [EFFECTIVE JULY 1, 2014]: Sec. 19. A person who knowingly or  
29 intentionally fails to pay the fee to the department of state revenue  
30 under section 11 of this chapter commits a Level 6 felony.

31 SECTION 21. IC 13-20-22-20 IS REPEALED [EFFECTIVE JULY  
32 1, 2014]. Sec. 20: (a) A person who, without authorization:

33 (1) removes;

34 (2) alters;

35 (3) defaces; or

36 (4) covers;

37 a sign posted by the department of state revenue under section 17 of  
38 this chapter commits a Class B misdemeanor. However, the offense is  
39 a Level 6 felony if the offense is committed with the intent to evade the  
40 fee imposed by this chapter or to defraud the state.

41 (b) An owner or operator of a final disposal facility shall notify the  
42 department of state revenue not later than two (2) days after

1 discovering that a sign posted by the department has been removed;  
2 altered, defaced, or covered:

3 (c) An owner or operator of a final disposal facility who fails to  
4 notify the department under subsection (b) commits a Class B  
5 misdemeanor.

6 SECTION 22. IC 13-22-12-1 IS AMENDED TO READ AS  
7 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 1. Notwithstanding the  
8 fees established under IC 13-16-1, the hazardous waste:

- 9 (1) permit application fees;
- 10 (2) annual operation fees; and
- 11 (3) prices for purchasing manifests; and
- 12 (4) disposal fees;

13 contained provided for in this chapter are established.

14 SECTION 23. IC 13-22-12-3.5 IS ADDED TO THE INDIANA  
15 CODE AS A NEW SECTION TO READ AS FOLLOWS  
16 [EFFECTIVE JULY 1, 2014]: Sec. 3.5. (a) For the disposal of  
17 hazardous waste in Indiana, the fees are as follows:

18 (1) For hazardous waste disposed of in a disposal facility,  
19 eleven dollars and fifty cents (\$11.50) per ton. If hazardous  
20 waste is mixed with or dissolved or suspended in water or  
21 another liquid at the time it is disposed of in a disposal  
22 facility, the entire mixture, solution, or suspension disposed of  
23 is considered hazardous waste disposed of in a disposal facility  
24 for the purposes of this subdivision.

25 (2) For hazardous waste disposed of by underground  
26 injection, eleven dollars and fifty cents (\$11.50) per ton.  
27 However, a person required to pay disposal fees under this  
28 subdivision is not liable for more than twenty-five thousand  
29 dollars (\$25,000) in disposal fees under this subdivision for all  
30 hazardous waste disposed of by the person by underground  
31 injection in one (1) calendar year.

32 (b) Fees imposed under subsection (a)(1) shall be paid by the  
33 operator of the disposal facility at which the hazardous waste is  
34 disposed of. For hazardous waste disposed of by underground  
35 injection at a location other than a disposal facility, the fee imposed  
36 on the disposal of the hazardous waste under subsection (a)(2) shall  
37 be paid by the person disposing of the hazardous waste.

38 (c) Fees imposed under this section shall be paid quarterly to the  
39 department in the manner prescribed by the department. However,  
40 the department is not required to assess quarterly payments  
41 separately. Fees under this section begin accruing on January 1 of  
42 each year.

1           (d) The fees imposed under this section shall be based on the  
2 total tonnage of hazardous waste disposed of. The fees do not apply  
3 to the treatment or storage of hazardous waste in a disposal  
4 facility.

5           (e) The fees collected under this section shall be deposited and  
6 paid over as provided in section 3.6 of this chapter.

7           SECTION 24. IC 13-22-12-3.6 IS ADDED TO THE INDIANA  
8 CODE AS A NEW SECTION TO READ AS FOLLOWS  
9 [EFFECTIVE JULY 1, 2014]: **Sec. 3.6. (a) The fees collected under**  
10 **section 3.5 of this chapter upon the disposal of a quantity of**  
11 **hazardous waste shall be deposited and paid over as follows:**

12           (1) Seventy-five percent (75%) shall be deposited in the  
13 hazardous substances response trust fund established by  
14 IC 13-25-4-1.

15           (2) Twenty-five percent (25%) shall be paid over to the county  
16 in which the hazardous waste is disposed of.

17           (b) Except as provided in subsection (e), and subject to  
18 subsections (f) and (g), the revenue paid over to the county under  
19 subsection (a)(2) shall be deposited in a separate fund established  
20 by the county for the purposes of the following:

21           (1) Establishing monitoring wells on land near the site of the  
22 disposal facility.

23           (2) Analyzing samples from the monitoring wells established  
24 under subdivision (1).

25           (3) Conducting other types of testing and surveillance for  
26 hazardous waste contamination of land near the disposal  
27 facility.

28           (4) Providing training for county and local public health and  
29 public safety officers in the proper procedures for dealing  
30 with emergencies involving hazardous substances or  
31 hazardous waste.

32           (5) Providing special clothing and equipment needed by  
33 county and local public health and public safety officers for  
34 dealing with emergencies involving hazardous substances or  
35 hazardous waste.

36           (6) Funding research on alternatives to land disposal as a  
37 means of eliminating hazardous waste.

38           (7) Paying the cost of hazardous waste, hazardous substance,  
39 or solid waste removal and remedial action at a site located  
40 within the county.

41           (8) Meeting the county's requirements under IC 13-21 for the  
42 planning and implementation of a solid waste management

- 1 district plan.
- 2 (9) Paying the costs associated with the construction or
- 3 rehabilitation of a facility used for training described in
- 4 subdivision (4).
- 5 (10) Paying the costs associated with any other project that
- 6 has identifiable environmental benefits.
- 7 (11) Paying the costs associated with the construction,
- 8 structural rehabilitation, and equipment of a facility used for
- 9 either of the following purposes:
- 10 (A) A county public safety central dispatch.
- 11 (B) A county emergency operations center.
- 12 (12) Paying costs associated with the maintenance or repair of
- 13 county roads.
- 14 (13) Paying for the costs of county ambulance service.
- 15 (c) The county fund established under subsection (b) shall be
- 16 administered by the county treasurer, and the expenses of
- 17 administering the fund shall be paid from money in the fund.
- 18 Money in the fund not currently needed to meet the obligations of
- 19 the fund may be invested in the same manner as other public funds
- 20 may be invested. Interest that accrues from these investments shall
- 21 be deposited in the fund. Money in the fund at the end of a
- 22 particular fiscal year does not revert to the county general fund.
- 23 (d) No money in the county fund established under subsection
- 24 (b) shall be used for activities authorized in subsection (b)(8) or
- 25 (b)(9) until the purposes listed in subsection (b)(1) through (b)(7)
- 26 have been fulfilled.
- 27 (e) Subsection (b)(9), (b)(10), and (b)(11) do not apply to a
- 28 county having a population of more than three hundred thousand
- 29 (300,000) but less than four hundred thousand (400,000).
- 30 (f) The county may not pay from the county fund established
- 31 under subsection (b) in a calendar year for the purposes set forth
- 32 in subsection (b)(11) an amount that exceeds ten percent (10%) of
- 33 the balance in the fund as of January 1 of that calendar year.
- 34 (g) If a county expends money in the county fund established
- 35 under subsection (b) for the maintenance or repair of county roads,
- 36 the county may not annually expend more than ten percent (10%)
- 37 of the balance in the fund (as determined on January 1 of the
- 38 calendar year in which the expenditures are made) for those
- 39 purposes.
- 40 (h) A fund established by a county under IC 6-6-6.6-3 before its
- 41 repeal:
- 42 (1) satisfies the requirement of subsection (b) that a county

1           **establish a fund;**  
 2           **(2) shall be administered under subsection (c); and**  
 3           **(3) is in all other respects subject to this section.**  
 4           **(i) Money deposited in a fund established by a county under**  
 5           **IC 6-6-6.6-3 before its repeal:**  
 6           **(1) may remain in the fund; and**  
 7           **(2) may be used for the purposes set forth in subsection (b),**  
 8           **subject to subsections (d) through (g);**  
 9           **notwithstanding the repeal of IC 6-6-6.6-3.**  
 10          SECTION 25. IC 13-22-12-13 IS AMENDED TO READ AS  
 11          FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 13. **Except for the**  
 12          **hazardous waste disposal fee collected under section 3.5 of this**  
 13          **chapter**, the fees and delinquency charges collected under this chapter:  
 14                  (1) are payable to the department; and  
 15                  (2) shall be deposited in the environmental management permit  
 16                  operation fund established by IC 13-15-11-1.  
 17          SECTION 26. IC 13-23-12-2 IS AMENDED TO READ AS  
 18          FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 2. If the total amount  
 19          of the fees owed under this article exceed five hundred dollars (\$500),  
 20          the fee payer has the option of paying the annual fees in four (4) equal  
 21          installment payments. The department of ~~state revenue~~ shall establish  
 22          a payment schedule to implement this section.

5 SECTION 29. IC 13-23-12-5 IS REPEALED [EFFECTIVE JULY  
6 1, 2014]. Sec. 5: (a) The department of state revenue shall provide each  
7 person who pays a fee under this chapter with a receipt and a copy of  
8 the receipt. The receipt or the copy of the receipt shall be maintained  
9 at:

10 (1) the place of business where the underground storage tank is  
11 located; or

12 (2) if no place of business exists where the tank is located; the  
13 place of business or residence of the owner of the tank.

14 (b) The owner of the tank shall produce the receipt for inspection at  
15 the request of any authorized representative of the department or the  
16 state fire marshal.

17 SECTION 30. IC 13-23-12-6 IS REPEALED [EFFECTIVE JULY  
18 1, 2014]. Sec. 6: At least thirty (30) days before payment of a fee is due  
19 in accordance with the schedule established under section 3 of this  
20 chapter, the department of state revenue shall attempt to notify each  
21 owner of an underground storage tank who has submitted notification  
22 to the department as required under 42 U.S.C. 6991a(a) of the  
23 requirements of this chapter.

24 SECTION 31. IC 13-23-13-6 IS AMENDED TO READ AS  
25 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 6. (a) **Except as**  
26 **provided in subsection (b)**, the commissioner, under rules adopted  
27 under IC 13-23-1-2, may use money in the petroleum trust fund to pay  
28 the following costs and expenses associated with underground  
29 petroleum storage tanks:

30 (1) Costs incurred for corrective action conducted under  
31 cooperative agreements entered into between the state and the  
32 Administrator of the United States Environmental Protection  
33 Agency under Section 9003(h)(7) of the federal Solid Waste  
34 Disposal Act (42 U.S.C. 6991b(h)(7)), in accordance with the  
35 provisions of the cooperative agreements.

36 (2) Expenses incurred by the state for the following:

37 (A) Corrective actions that are ordered or undertaken under  
38 this chapter.

39 (B) Enforcement of this article.

40 (3) Expenses incurred by the state under section 8 of this chapter  
41 in recovering the costs of corrective actions undertaken under  
42 section 2 of this chapter.

1 (4) Administrative expenses and personnel expenses incurred by  
2 the state in carrying out this article.

3 **(b) Notwithstanding subsection (a), fifty percent (50%) of the**  
4 **fees deposited in the petroleum trust fund under IC 13-23-12-4(1)**  
5 **shall be used by the commissioner to pay for corrective actions:**

6 **(1) taken under this chapter that involve releases of regulated**  
7 **substances from underground storage tanks; and**

8 **(2) that are not eligible to receive funds from the underground**  
9 **petroleum storage tank excess liability trust fund under**  
10 **IC 13-23-7.**

11 **Not more than eleven percent (11%) of the funds expended under**  
12 **this subsection may be used to pay for administrative and**  
13 **personnel expenses incurred in carrying out this subsection.**

14 SECTION 32. IC 13-25-4-1 IS AMENDED TO READ AS  
15 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 1. (a) The hazardous  
16 substances response trust fund is established. The purpose of the fund  
17 is to accumulate and maintain a source of money for the following  
18 purposes:

19 (1) Financing contracts or cooperative agreements between the  
20 state and the President of the United States under Section 104 of  
21 CERCLA (42 U.S.C. 9604).

22 (2) Providing state assistance in the form of supplies, materials,  
23 services, and equipment to:

24 (A) prevent the release of a hazardous substance or  
25 contaminant; or

26 (B) control, contain, isolate, neutralize, remove, store, or  
27 dispose of any hazardous substance or contaminant already  
28 released into or on the air, land, or waters of Indiana.

29 (3) Financing response actions that are:

30 (A) undertaken or authorized by the commissioner with  
31 respect to sites in Indiana; and

32 (B) considered by the commissioner to be necessary to protect  
33 the public health or welfare or the environment from the  
34 release or threatened release of a hazardous substance or  
35 contaminant.

36 (4) Paying expenses related to releases of regulated substances  
37 other than petroleum from underground storage tanks under  
38 IC 13-23-13-7.

39 (5) Paying administrative and personnel expenses incurred by the  
40 state in responding to releases or threats of releases of hazardous  
41 substances or contaminants.

42 (6) Paying claims for the reimbursement of necessary response

- 1 costs incurred by persons that have received preauthorization  
 2 from the commissioner for reimbursement.
- 3 (7) Providing grants for household hazardous waste and  
 4 conditionally exempt small quantity generator waste collection,  
 5 recycling, or disposal projects under IC 13-20-20.
- 6 (8) Paying administrative and personnel expenses incurred by the  
 7 department in implementing and administering household  
 8 hazardous waste and conditionally exempt small quantity  
 9 generator waste collection, recycling, or disposal projects under  
 10 IC 13-20-20.
- 11 (9) Transferring funds to the environmental remediation revolving  
 12 loan fund established by IC 13-19-5-2.
- 13 **(10) Paying administrative and personnel expenses incurred**  
 14 **by the state in evaluating proposed modifications of restrictive**  
 15 **covenants under IC 13-14-2-9.**
- 16 (b) Money in the fund at the end of a state fiscal year does not revert  
 17 to the state general fund.
- 18 SECTION 33. IC 13-25-4-2, AS AMENDED BY P.L.38-2012,  
 19 SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
 20 JULY 1, 2014]: Sec. 2. The sources of money for the fund are the  
 21 following:
- 22 (1) ~~Revenue produced by the levy under IC 6-6-6.6.~~ **Fees paid**  
 23 **under IC 13-22-12-3.5 for the disposal of hazardous waste.**
- 24 (2) Any payment to the state or the fund as:
- 25 (A) reimbursement for amounts expended by the state in a  
 26 response action; ~~or~~
- 27 **(B) reimbursement of administrative and personnel**  
 28 **expenses incurred by the state in evaluating proposed**  
 29 **modifications of restrictive covenants under IC 13-14-2-9;**  
 30 **or**
- 31 ~~(B)~~ **(C) a settlement or judgment stemming from a lawsuit by**  
 32 **the state or federal government to recover amounts expended**  
 33 **by the state in a response action, including recoveries under**  
 34 **section 10 of this chapter.**
- 35 (3) Accrued interest and other investment earnings of the fund.
- 36 (4) Fees paid under IC 13-23-12-4(2) by owners and operators of  
 37 underground storage tanks used to contain regulated substances  
 38 other than petroleum.
- 39 (5) Appropriations made by the general assembly and gifts and  
 40 donations from private and public entities intended for deposit in  
 41 the fund.
- 42 (6) Grants and other payments made by the United States

- 1 government under:
- 2 (A) the federal Solid Waste Disposal Act (42 U.S.C. 6901 et
- 3 seq.) in relation to regulated substances other than petroleum;
- 4 or
- 5 (B) CERCLA.
- 6 (7) Money received from responsible parties under agreements
- 7 under section 23 of this chapter for response actions at specific
- 8 sites.
- 9 SECTION 34. IC 13-25-4-24 IS AMENDED TO READ AS
- 10 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 24. (a) This section
- 11 applies to real property that is:
- 12 (1) the site of an existing or former hazardous waste facility that
- 13 is or was subject to regulation under:
- 14 (A) IC 13-22-2 through IC 13-22-8 and IC 13-22-13 through
- 15 IC 13-22-14; or
- 16 (B) Subchapter III of the federal Solid Waste Disposal Act (42
- 17 U.S.C. 6921 through 6939e); or
- 18 (2) a site:
- 19 (A) on which a hazardous substance has been:
- 20 (i) deposited;
- 21 (ii) stored; or
- 22 (iii) disposed of; and
- 23 (B) that is or was listed on the Comprehensive Environmental
- 24 Response, Compensation, and Liability Information System
- 25 (CERCLIS) in accordance with Section 116 of CERCLA (42
- 26 U.S.C. 9616);
- 27 if more than an insignificantly small amount of a hazardous substance
- 28 remains on or beneath the surface of that property after the partial or
- 29 final closure of a hazardous waste facility located on the property or the
- 30 completion of a remedial action on the property under CERCLA or this
- 31 chapter.
- 32 (b) The owner of real property described in subsection (a) shall
- 33 execute and record, in the office of the county recorder of the county
- 34 in which the property is located, a restrictive covenant applying to the
- 35 property if the commissioner determines that a restrictive covenant
- 36 meeting the requirements set forth in subsection (c) is necessary to
- 37 protect the public health or welfare or the environment from
- 38 unreasonable risk of future exposure to a hazardous substance.
- 39 (c) A restrictive covenant required under this section must:
- 40 (1) to the extent feasible, describe:
- 41 (A) the identity, quantity, and location of every hazardous
- 42 substance:

- 1 (i) deposited;
- 2 (ii) stored;
- 3 (iii) disposed of; or
- 4 (iv) placed;
- 5 on the property; and
- 6 (B) the extent to which each hazardous substance remains on
- 7 the property; and
- 8 (2) incorporate the conditions and restrictions that the
- 9 commissioner considers necessary to assure that the future use of
- 10 the property will not disturb the final cover, any liners, or any
- 11 components of the hazardous substance containment system on
- 12 the property, or disturb the function of the monitoring system on
- 13 the property, unless the commissioner finds that the disturbance:
- 14 (A) is necessary to the proposed use of the property and will
- 15 not increase the potential hazards to human health or to the
- 16 environment; or
- 17 (B) is necessary to mitigate a threat to human health or to the

HOUSE MOTION

Mr. Speaker: I move that House Bill 1342 be amended to read as follows:

Page 11, line 8, delete "in the" and insert "**and paid over as provided in section 3.6 of this chapter.**".

Page 11, delete lines 9 through 10, begin a new paragraph and insert:

"SECTION 23. IC 13-22-12-3.6 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: **Sec. 3.6. (a) The fees collected under section 3.5 of this chapter upon the disposal of a quantity of hazardous waste shall be deposited and paid over as follows:**

**(1) Seventy-five percent (75%) shall be deposited in the hazardous substances response trust fund established by IC 13-25-4-1.**

**(2) Twenty-five percent (25%) shall be paid over to the county in which the hazardous waste is disposed of.**

(b) Except as provided in subsection (e), and subject to subsections (f) and (g), the revenue paid over to the county under subsection (a)(2) shall be deposited in a separate fund established by the county for the purposes of the following:

- (1) Establishing monitoring wells on land near the site of the disposal facility.
- (2) Analyzing samples from the monitoring wells established under subdivision (1).
- (3) Conducting other types of testing and surveillance for hazardous waste contamination of land near the disposal facility.
- (4) Providing training for county and local public health and public safety officers in the proper procedures for dealing with emergencies involving hazardous substances or hazardous waste.
- (5) Providing special clothing and equipment needed by county and local public health and public safety officers for dealing with emergencies involving hazardous substances or hazardous waste.
- (6) Funding research on alternatives to land disposal as a means of eliminating hazardous waste.
- (7) Paying the cost of hazardous waste, hazardous substance, or solid waste removal and remedial action at a site located within the county.
- (8) Meeting the county's requirements under IC 13-21 for the planning and implementation of a solid waste management district plan.
- (9) Paying the costs associated with the construction or rehabilitation of a facility used for training described in subdivision (4).
- (10) Paying the costs associated with any other project that has identifiable environmental benefits.
- (11) Paying the costs associated with the construction, structural rehabilitation, and equipment of a facility used for either of the following purposes:
  - (A) A county public safety central dispatch.
  - (B) A county emergency operations center.
- (12) Paying costs associated with the maintenance or repair of county roads.
- (13) Paying for the costs of county ambulance service.

(c) The county fund established under subsection (b) shall be administered by the county treasurer, and the expenses of

administering the fund shall be paid from money in the fund. Money in the fund not currently needed to meet the obligations of the fund may be invested in the same manner as other public funds may be invested. Interest that accrues from these investments shall be deposited in the fund. Money in the fund at the end of a particular fiscal year does not revert to the county general fund.

(d) No money in the county fund established under subsection (b) shall be used for activities authorized in subsection (b)(8) or (b)(9) until the purposes listed in subsection (b)(1) through (b)(7) have been fulfilled.

(e) Subsection (b)(9), (b)(10), and (b)(11) do not apply to a county having a population of more than three hundred thousand (300,000) but less than four hundred thousand (400,000).

(f) The county may not pay from the county fund established under subsection (b) in a calendar year for the purposes set forth in subsection (b)(11) an amount that exceeds ten percent (10%) of the balance in the fund as of January 1 of that calendar year.

(g) If a county expends money in the county fund established under subsection (b) for the maintenance or repair of county roads, the county may not annually expend more than ten percent (10%) of the balance in the fund (as determined on January 1 of the calendar year in which the expenditures are made) for those purposes.

(h) A fund established by a county under IC 6-6-6.6-3 before its repeal:

- (1) satisfies the requirement of subsection (b) that a county establish a fund;
- (2) shall be administered under subsection (c); and
- (3) is in all other respects subject to this section.

(i) Money deposited in a fund established by a county under IC 6-6-6.6-3 before its repeal:

- (1) may remain in the fund; and
  - (2) may be used for the purposes set forth in subsection (b), subject to subsections (d) through (g);
- notwithstanding the repeal of IC 6-6-6.6-3."

Renumber all SECTIONS consecutively.

SENATE MOTION

Madam President: I move that Engrossed House Bill 1342 be amended to read as follows:

Page 4, between lines 22 and 23, begin a new paragraph and insert:  
"SECTION 8. IC 13-14-2-9 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: **Sec. 9. (a) This section applies to a restrictive covenant created in connection with a remediation project conducted under:**

- (1) IC 13-23;
- (2) IC 13-24;
- (3) IC 13-25-4; or
- (4) IC 13-25-5.

**(b) If:**

- (1) a change of conditions or an advancement in science or technology permits a modification of the conditions and restrictions imposed by a restrictive covenant; and
- (2) the modification of the conditions and restrictions imposed by the restrictive covenant would not increase the potential hazards to human health or the environment;

the commissioner may, under subsection (c), authorize the filing in the office of the county recorder of a supplemental recording recognizing the modification of the conditions and restrictions of the restrictive covenant to reflect the change in conditions or advancement in science or technology.

(c) The commissioner may authorize the filing of a supplemental recording under subsection (b) if the owner of the real property that is subject to the restrictive covenant submits to the department:

EH 1342—LS 7041/DI 55

- (1) a written request for the modification of the covenant;
- (2) a copy of the proposed modification of the restrictive covenant; and
- (3) information indicating why the covenant should be modified.

The information submitted under subdivision (3) must be sufficient to enable the department to determine whether the proposed modification of the restrictive covenant will increase the potential hazards to human health or the environment. The commissioner may request additional information from the owner of the real property if necessary to the making of a determination under this subsection.

(d) The board shall adopt rules under IC 4-22-2 and IC 13-14-9 providing for the recovery of administrative and personnel expenses incurred by the state in evaluating proposed modifications of restrictive covenants under this section."

Page 13, between lines 12 and 13, begin a new paragraph and insert:

"SECTION 24. IC 13-22-12-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 13. **Except for the hazardous waste disposal fee collected under section 3.5 of this chapter**, the fees and delinquency charges collected under this chapter:

- (1) are payable to the department; and
- (2) shall be deposited in the environmental management permit operation fund established by IC 13-15-11-1."

Page 15, line 21, delete "required under section 24(e) of this chapter." and insert "**under IC 13-14-2-9**."

Page 15, line 35, delete "required under" and insert "**under IC 13-14-2-9; or**".

Page 15, delete line 36.

Page 16, delete lines 15 through 42, begin a new paragraph and insert:

"SECTION 31. IC 13-25-4-24 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 24. (a) This section applies to real property that is:

- (1) the site of an existing or former hazardous waste facility that is or was subject to regulation under:
  - (A) IC 13-22-2 through IC 13-22-8 and IC 13-22-13 through IC 13-22-14; or
  - (B) Subchapter III of the federal Solid Waste Disposal Act (42 U.S.C. 6921 through 6939e); or
- (2) a site:
  - (A) on which a hazardous substance has been:

- (i) deposited;
  - (ii) stored; or
  - (iii) disposed of; and
- (B) that is or was listed on the Comprehensive Environmental Response, Compensation, and Liability Information System (CERCLIS) in accordance with Section 116 of CERCLA (42 U.S.C. 9616);

if more than an insignificantly small amount of a hazardous substance remains on or beneath the surface of that property after the partial or final closure of a hazardous waste facility located on the property or the completion of a remedial action on the property under CERCLA or this chapter.

(b) The owner of real property described in subsection (a) shall execute and record, in the office of the county recorder of the county in which the property is located, a restrictive covenant applying to the property if the commissioner determines that a restrictive covenant meeting the requirements set forth in subsection (c) is necessary to protect the public health or welfare or the environment from unreasonable risk of future exposure to a hazardous substance.

(c) A restrictive covenant required under this section must:

(1) to the extent feasible, describe:

(A) the identity, quantity, and location of every hazardous substance:

- (i) deposited;
- (ii) stored;
- (iii) disposed of; or
- (iv) placed;

on the property; and

(B) the extent to which each hazardous substance remains on the property; and

(2) incorporate the conditions and restrictions that the commissioner considers necessary to assure that the future use of the property will not disturb the final cover, any liners, or any components of the hazardous substance containment system on the property, or disturb the function of the monitoring system on the property, unless the commissioner finds that the disturbance:

(A) is necessary to the proposed use of the property and will not increase the potential hazards to human health or to the environment; or

(B) is necessary to mitigate a threat to human health or to the environment.

(d) If a change of conditions or advancements in science or

technology permit an alteration in the conditions and restrictions imposed by A restrictive covenant required by this section that would not increase the potential hazards to human health or to the environment; the commissioner, upon written request by the owner of the real property, may authorize the filing of a supplemental recording recognizing a change in the restrictive covenant in the office of the county recorder to reflect the change in the conditions and restrictions: **is subject to modification under IC 13-14-2-9."**
