HOUSE ENROLLED ACT No. 1343

AN ACT to amend the Indiana Code concerning state and local administration.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 6-1.1-17-20.3, AS ADDED BY P.L.137-2012, SECTION 28, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 20.3. (a) **Except as provided in section 20.4 of this chapter**, this section applies only to the governing body of a public library that:

- (1) is not comprised of a majority of officials who are elected to serve on the governing body; and
- (2) has a percentage increase in the proposed budget for the taxing unit for the ensuing calendar year that is more than the result of:
 - (A) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the ensuing calendar year; minus
 - (B) one (1).

For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.

(b) This section does not apply to an entity whose tax levies are subject to review and modification by a city-county legislative body under IC 36-3-6-9.

HEA 1343 — CC 1

(c) If:

- (1) the assessed valuation of a public library is entirely contained within a city or town; or
- (2) the assessed valuation of a public library is not entirely contained within a city or town but the public library was originally established by the city or town;

the governing body shall submit its proposed budget and property tax levy to the city or town fiscal body in the manner prescribed by the department of local government finance before September 2 of a year. However, the governing body shall submit its proposed budget and property tax levy to the county fiscal body in the manner provided in subsection (d), rather than to the city or town fiscal body, if more than fifty percent (50%) of the parcels of real property within the jurisdiction of the public library are located outside the city or town.

(d) If subsection (c) does not apply, the governing body of the public library shall submit its proposed budget and property tax levy to the county fiscal body in the county where the public library has the most assessed valuation. The proposed budget and levy shall be submitted to the county fiscal body in the manner prescribed by the department of local government finance before September 2 of a year.

(e) The fiscal body of the city, town, or county (whichever applies) shall review each budget and proposed tax levy and adopt a final budget and tax levy for the public library. The fiscal body may reduce or modify but not increase the proposed budget or tax levy.

(f) If a public library fails to file the information required in subsection (c) or (d), whichever applies, with the appropriate fiscal body by the time prescribed by this section, the most recent annual appropriations and annual tax levy of that public library are continued for the ensuing budget year.

(g) If the appropriate fiscal body fails to complete the requirements of subsection (e) before the adoption deadline in section 5 of this chapter for any public library subject to this section, the most recent annual appropriations and annual tax levy of the city, town, or county, whichever applies, are continued for the ensuing budget year.

SECTION 2. IC 6-1.1-17-20.4 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: **Sec. 20.4. (a) This section applies only if a public library's cash on hand plus its expected revenues is greater than one hundred fifty percent (150%) of the public library's proposed budget.**

(b) As used in this section, "cash on hand" refers to the public library's cash and investments balance in nondebt funds as of the

date the public library proposes a budget for the following budget year. The term does not include cash derived from gifts, bequests, or philanthropic funds.

(c) As used in this section, "expected revenues" refers to the total of a public library's expected revenues in the public library's nondebt funds in the following budget year.

(d) Notwithstanding section 20.3(a)(2) of this chapter, the fiscal body of a city, town, or county that established a public library described in section 20.3(a)(1) of this chapter may adopt a resolution to require the public library to submit its proposed budget and property tax levy to the city, town, or county fiscal body as set forth in section 20.3(c) or 20.3(d) of this chapter (whichever is applicable) for binding review and approval as set forth under section 20.3 of this chapter. However, the fiscal body of the city, town, or county may not reduce a public library's proposed budget or tax levy in a budget year under this section by more than ten percent (10%) of the public library's operating levy in the immediately preceding budget year.

(e) A resolution may be adopted under this section not later than July 1. A resolution adopted under this section remains in full force and effect until repealed by the fiscal body.

(f) Before a fiscal body may adopt a resolution under this section, the fiscal body must hold a public hearing on the proposed resolution and provide the public with notice of the time and place where the public hearing will be held. The notice required by this subsection must be given in accordance with IC 5-3-1 and include the proposed resolution. In addition to the notice required by this subsection, the fiscal body shall also provide a copy of the notice to all taxing units in the city, town, or county at least thirty (30) days before the public hearing.

(g) A resolution adopted by a fiscal body under this section shall be submitted to:

- (1) the department of local government finance; and
- (2) the public library;

not later than five (5) days after the date the resolution is adopted.

SECTION 3. IC 6-1.1-18-5, AS AMENDED BY P.L.184-2016, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 5. (a) If the proper officers of a political subdivision desire to appropriate more money for a particular year than the amount prescribed in the budget for that year as finally determined under this article, they shall give notice of their proposed additional appropriation. The notice shall state the time and place at which a

public hearing will be held on the proposal. The notice shall be given once in accordance with IC 5-3-1-2(b).

(b) If the additional appropriation by the political subdivision is made from a fund that receives:

(1) distributions from the motor vehicle highway account established under IC 8-14-1-1 or the local road and street account established under IC 8-14-2-4; or

(2) revenue from property taxes levied under IC 6-1.1;

the political subdivision must report the additional appropriation to the department of local government finance. If the additional appropriation is made from a fund described under this subsection, subsections (f), (g), (h), and (i) apply to the political subdivision.

(c) However, if the additional appropriation is not made from a fund described under subsection (b), subsections (f), (g), (h), and (i) do not apply to the political subdivision. Subsections (f), (g), (h), and (i) do not apply to an additional appropriation made from the cumulative bridge fund if the appropriation meets the requirements under IC 8-16-3-3(c).

(d) A political subdivision may make an additional appropriation without approval of the department of local government finance if the additional appropriation is made from a fund that is not described under subsection (b). However, the fiscal officer of the political subdivision shall report the additional appropriation to the department of local government finance.

(e) After the public hearing, the proper officers of the political subdivision shall file a certified copy of their final proposal and any other relevant information to the department of local government finance.

(f) When the department of local government finance receives a certified copy of a proposal for an additional appropriation under subsection (e), the department shall determine whether sufficient funds are available or will be available for the proposal. The determination shall be made in writing and sent to the political subdivision not more than fifteen (15) days after the department of local government finance receives the proposal.

(g) In making the determination under subsection (f), the department of local government finance shall limit the amount of the additional appropriation to revenues available, or to be made available, which have not been previously appropriated.

(h) If the department of local government finance disapproves an additional appropriation under subsection (f), the department shall specify the reason for its disapproval on the determination sent to the

political subdivision.

(i) A political subdivision may request a reconsideration of a determination of the department of local government finance under this section by filing a written request for reconsideration. A request for reconsideration must:

- (1) be filed with the department of local government finance within fifteen (15) days of the receipt of the determination by the political subdivision; and
- (2) state with reasonable specificity the reason for the request.

The department of local government finance must act on a request for reconsideration within fifteen (15) days of receiving the request.

(j) This subsection applies to an additional appropriation by a political subdivision that must have the political subdivision's annual appropriations and annual tax levy adopted by a city, town, or county fiscal body under IC 6-1.1-17-20 or IC 36-1-23 or by a legislative or fiscal body under IC 36-3-6-9. The fiscal or legislative body of the city, town, or county that adopted the political subdivision's annual appropriation and annual tax levy must adopt the additional appropriation by ordinance before the department of local government finance may approve the additional appropriation.

(k) This subsection applies to a public library that is not required to submit the public library's budgets, tax rates, and tax levies for binding review and approval under IC 6-1.1-17-20 **or IC 6-1.1-17-20.4**. If a public library subject to this subsection proposes to make an additional appropriation for a year, and the additional appropriation would result in the budget for the library for that year increasing (as compared to the previous year) by a percentage that is greater than the result of the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the calendar year minus one (1), the additional appropriation must first be approved by the city, town, or county fiscal body described in IC 6-1.1-17-20.3(c) or ~~IC 6-1.1-17-20(d)~~, **IC 6-1.1-17-20.3(d)**, as appropriate.
