6 JULY 1, 2021]: Sec. 7. (a) The state, excluding state educational
7 institutions, may not purchase or maintain a policy of group insurance,
8 except:

9 (1) life insurance for the state's employees;

10 (2) long term care insurance under a long term care insurance

23 employment the option to purchase, without evidence of insurability,
24 an individual policy of insurance.

25 (c) Notwithstanding subsection (a), with the consent of the

30 to establish long term and short term disability plans for state
31 employees (except employees who hold elected offices (as defined by
32 IC 3-5-2-17)). The plans adopted under this subsection may include
33 any provisions the department considers necessary and proper and
34 must:

35 (1) require participation in the plan by employees with six (6)
36 months of continuous, full-time service;

37 (2) require an employee to make a contribution to the plan in the
38 form of a payroll deduction;

39 (3) require that an employee's benefits under the short term
40 disability plan be subject to a thirty (30) day elimination period
41 and that benefits under the long term plan be subject to a six (6)
42 month elimination period;

- 1 (4) prohibit the termination of an employee who is eligible for
 2 benefits under the plan;
- 3 (5) provide, after a seven (7) day elimination period, eighty
 4 percent (80%) of base biweekly wages for an employee disabled
 5 by injuries resulting from tortious acts, as distinguished from
 6 passive negligence, that occur within the employee's scope of
 7 state employment;
- 8 (6) provide that an employee's benefits under the plan may be
 9 reduced, dollar for dollar, if the employee derives income from:

- 12 (C) the Indiana state teachers' retirement fund;
- 13 (D) pension disability;
- 14 (E) worker's compensation;

 19 development shall cooperate with the state personnel department
 20 to confirm that an employee has disclosed complete and accurate
 21 information necessary to administer this subdivision.);
- 22 (7) provide that an employee will not receive benefits under the
 23 plan for a disability resulting from causes specified in the rules;
 24 and
- 25 (8) provide that, if an employee refuses to:
- 26 (A) accept work assignments appropriate to the employee's
 27 medical condition;
- 28 (B) submit information necessary for claim administration; or
- 29 (C) submit to examinations by designated physicians;
 30 the employee forfeits benefits under the plan.
- 31 (e) This section does not affect insurance for retirees under
 32 IC 5-10.3 or IC 5-10.4.
- 33 (f) The state may pay part of the cost of self-insurance or prepaid
 34 health care delivery plans for its employees.
- 35 (g) A state agency may not provide any insurance benefits to its
 36 employees that are not generally available to other state employees,
 37 unless specifically authorized by law.
- 38 (h) The state may pay a part of the cost of group medical and life
 39 coverage for its employees.
- 40 (i) To carry out the purposes of this section, a trust fund may be
 41 established. The trust fund established under this subsection is
 42 considered a trust fund for purposes of IC 4-9.1-1-7. Money may not be

1 transferred, assigned, or otherwise removed from the trust fund
 2 established under this subsection by the state board of finance, the
 3 budget agency, or any other state agency. Money in a trust fund
 4 established under this subsection does not revert to the state general
 5 fund at the end of any state fiscal year. The trust fund established under
 6 this subsection consists of appropriations, revenues, or transfers to the
 7 trust fund under IC 4-12-1. Contributions to the trust fund are
 8 irrevocable. The trust fund must be limited to providing prefunding of
 9 annual required contributions and to cover OPEB liability for covered
 10 individuals. Funds may be used only for these purposes and not to
 11 increase benefits or reduce premiums. The trust fund shall be
 12 established to comply with and be administered in a manner that
 13 satisfies the Internal Revenue Code requirements concerning a trust
 14 fund for prefunding annual required contributions and for covering
 15 OPEB liability for covered individuals. All assets in the trust fund
 16 established under this subsection:

17 (1) are dedicated exclusively to providing benefits to covered
 18 individuals and their beneficiaries according to the terms of the
 19 health plan; and

20 (2) are exempt from levy, sale, garnishment, attachment, or other
 21 legal process.

22 The trust fund established under this subsection shall be administered
 23 by the state personnel department. The expenses of administering the
 24 trust fund shall be paid from money in the trust fund. Notwithstanding
 25 IC 5-13, the treasurer of state shall invest the money in the trust fund
 26 not currently needed to meet the obligations of the trust fund in the
 27 same manner as money may be invested by the public employees'
 28 retirement fund under IC 5-10.3-5. However, the trustee may not invest
 29 the money in the trust in equity securities. The trustee shall also comply
 30 with the prudent investor rule set forth in IC 30-4-3.5. The trustee may
 31 contract with investment management professionals, investment
 32 advisors, and legal counsel to assist in the investment of the trust and
 33 may pay the state expenses incurred under those contracts from the
 34 trust. Interest that accrues from these investments shall be deposited in
 35 the trust fund.

36 **(j) Nothing in this section prohibits the state personnel**
 37 **department from directly contracting with health care providers**
 38 **for health care services for state employees.**
