16	[EFFECTIVE JULY 1, 2018]: Sec. 1.5. (a) This subsection governs
17	salary increases for a teacher employed by a school corporation.
18	Compensation attributable to additional degrees or graduate credits
19	earned before the effective date of a local compensation plan created
20	under this chapter before July 1, 2015, shall continue for school years
21	beginning after June 30, 2015. Compensation attributable to additional
21 22	degrees for which a teacher has started course work before July 1,
23	2011, and completed course work before September 2, 2014, shall also
23 24	continue for school years beginning after June 30, 2015. For school
25 26	years beginning after June 30, 2015, a school corporation may provide
26	a supplemental payment to a teacher in excess of the salary specified
27	in the school corporation's compensation plan if under any of the
28	following circumstances:
29	(1) The teacher:
30	(A) teaches an advanced placement course or a Cambridge
31	International course; or
32	(B) has earned a master's degree from an accredited
33	postsecondary educational institution in a content area directly
34	related to the subject matter of:
35	(1) (i) a dual credit course; or
36	(2) (ii) another course;
37	taught by the teacher.
38	(2) Beginning after June 30, 2018, the teacher:
39	(A) is a special education professional; or
40	(B) teaches in the areas of science, technology, engineering,
41	or mathematics.
42	In addition, a supplemental payment may be made to an elementary

1	school teacher who earns a master's degree in math or reading and
2	math, reading, or literacy. A supplement provided under this
3	subsection is not subject to collective bargaining, but a discussion of
4	the supplement must be held. Such a supplement is in addition to any
5	increase permitted under subsection (b).
6	(b) Increases or increments in a local salary range must be based
7	upon a combination of the following factors:
8	(1) A combination of the following factors taken together may
9	account for not more than thirty-three and one-third percent
10	(33.33%) of the calculation used to determine a teacher's increase
11	or increment:
12	(A) The number of years of a teacher's experience.
13	(B) The possession of either:
14	(i) additional content area degrees beyond the requirements
15	for employment; or
16	(ii) additional content area degrees and credit hours beyond
17	the requirements for employment, if required under an
18	agreement bargained under IC 20-29.

23	(c) To provide greater flexibility and options, a school corporation
24	may differentiate the amount of salary increases or increments
25	determined for teachers under subsection (b)(4). A school corporation
26	shall base a differentiated amount under this subsection on any
27	academic needs the school corporation determines are appropriate,
28	which may include the:
29	(1) subject or subjects, including the subjects described in
30	subsection (a)(2), taught by a given teacher;
31	(2) importance of retaining a given teacher at the school
32	corporation; and
33	(3) need to attract an individual with specific qualifications to fill
34	a teaching vacancy.
35	(d) A school corporation may provide differentiated increases or
36	increments under subsection (b), and in excess of the percentage
37	specified in subsection (b)(1), in order to reduce the gap between the
38	school corporation's minimum teacher salary and the average of the
39	school corporation's minimum and maximum teacher salaries.
40	(c) (e) Except as provided in subsection (d), (f), a teacher rated
41	ineffective or improvement necessary under IC 20-28-11.5 may not
42	receive any raise or increment for the following year if the teacher's

employment contract is continued. The amount that would otherwise have been allocated for the salary increase of teachers rated ineffective or improvement necessary shall be allocated for compensation of all teachers rated effective and highly effective based on the criteria in subsection (b).

(d) (f) Subsection (c) (e) does not apply to a teacher in the first two (2) full school years that the teacher provides instruction to students in elementary school or high school. If a teacher provides instruction to students in elementary school or high school in another state, any full school year, or its equivalent in the other state, that the teacher provides instruction counts toward the two (2) full school years under this subsection.

(e) (g) A teacher who does not receive a raise or increment under subsection (c) (e) may file a request with the superintendent or superintendent's designee not later than five (5) days after receiving notice that the teacher received a rating of ineffective. The teacher is entitled to a private conference with the superintendent or superintendent's designee.

(f) (h) The Indiana education employment relations board established in IC 20-29-3-1 shall publish a model compensation plan with a model salary range that a school corporation may adopt.

(g) (i) Each school corporation shall submit its local compensation plan to the Indiana education employment relations board. For a school year beginning after June 30, 2015, a local compensation plan must specify the range for teacher salaries. The Indiana education employment relations board shall publish the local compensation plans on the Indiana education employment relations board's Internet web site.

(h) (j) The Indiana education employment relations board shall review a compensation plan for compliance with this section as part of its review under IC 20-29-6-6.1. The Indiana education employment relations board has jurisdiction to determine compliance of a compensation plan submitted under this section.

(i) (k) This chapter may not be construed to require or allow a school corporation to decrease the salary of any teacher below the salary the teacher was earning on or before July 1, 2015, if that decrease would be made solely to conform to the new compensation plan.

(j) (l) After June 30, 2011, all rights, duties, or obligations established under IC 20-28-9-1 before its repeal are considered rights, duties, or obligations under this section.
