13	(H) the inclusion of students with disabilities;
14	(I) positive behavioral approaches that reduce suspensions
15	and expulsions; and
16	(J) other similar initiatives.
17	Sec. 2. As used in this chapter, "school monitoring tool" refers
18	to the school monitoring tool created by the department under
19	section 5 of this chapter.
20	Sec. 3. The department shall develop a safe and supportive
21	school framework. The safe and supportive school framework must
22	provide guidance and support to schools to assist with the creation
23	of safe and supportive schools that improve education outcomes for
24	students.
25	Sec. 4. A school corporation, by vote of the school corporation's
26	governing body, may implement the safe and supportive school
27	framework developed under section 3 of this chapter to:
28	(1) organize, integrate, and sustain school corporation wide
29	efforts to create safe and supportive public school
30 31	environments; and
31 32	(2) coordinate and align student support initiatives.
32 33	Sec. 5. The department shall create a school monitoring tool that:
33 34	(1) is organized in accordance with the elements of the safe
35	and supportive school framework developed under section 3
36	of this chapter; and
37	(2) may be used by a public school to:
38	(A) gauge the public school's capacity to create and sustain
38 39	safe and supportive school environments for all students;
40	(B) identify areas where additional public school based
40	action, efforts, guidance, and support are needed to create
42	and maintain safe and supportive school environments;
r 🗠	and maintain sait and supportive school environments,

1	and
2	(C) create action plans to address the areas of need
3	identified by the school monitoring tool.
4	Sec. 6. The department shall develop procedures for updating,
5	improving, or refining the:
6	(1) safe and supportive school framework developed under
7	section 3 of this chapter; and
8	(2) school monitoring tool.
9	Sec. 7. (a) A school corporation, by vote of the school
10	corporation's governing body, may develop and implement an
11	action plan to create and maintain the safe and supportive school
12	framework developed by the department under section 3 of this
13	chapter.
14	(b) Except as provided under subsection (c), the action plan
15	under subsection (a) must be incorporated, as applicable, into the
16	school improvement plan required under IC 20-31-4-6 and be
17	developed by a team of stakeholders within the school corporation,
18	including:
19	(1) the superintendent of the school corporation;
20	(2) principals of public schools within the school corporation;
21	(3) classroom teachers and educational support professionals
22	employed by the school corporation;
23	(4) students enrolled in the school corporation; and
24	(5) parents and other community members.
25	(c) Upon approval by the superintendent of a school
26	corporation, a public school in the school corporation may develop
27	and implement an action plan to create and maintain the safe and
28	supportive school framework developed by the department under
29	section 3 of this chapter. If a public school develops and
30	implements an action plan under this subsection, the principal of
