34 (c) Subject to subsection (e) and not later than fifty (50) days before

 38 agency proposing the rule determines that the rule will have a total

 41 (\$500,000), the agency proposing the rule shall consider the impact of
 42 the rule on any regulated person that already complies with the

1 standards imposed by the rule on a voluntary basis.

2 (g) For purposes of this section, a rule is fully implemented after:

3 (1) the conclusion of any phase-in period during which:

5 persons; or

6 (B) the costs of the rule are gradually implemented; and

8 by the rule.

9 In determining the total estimated economic impact of a proposed rule
10 under this section, the agency proposing the rule shall consider the
11 annual economic impact on all regulated persons beginning with the
12 first twelve (12) month period after the rule is fully implemented. The
13 agency may use actual or forecasted data and may consider the actual
14 and anticipated effects of inflation and deflation. The agency shall

30 publisher.

31 (i) An agency shall provide the legislative council in an electronic
32 format under IC 5-14-6 with any economic impact or fiscal impact
33 statement, including any supporting data, studies, or analysis, prepared
34 for a rule proposed by the agency or subject to readoption by the
