If the public agency is within a political subdivision having a fiscal body, the fee is subject to the approval of the fiscal body of the political subdivision.

(k) The fee charged by a public agency under subsection (j) to cover costs for maintaining, upgrading, and enhancing an electronic map may be waived by the public agency if the electronic map for which the fee is charged will be used for a noncommercial purpose, including the following:

A school corporation or charter school may not charge a fee for the first five (5) hours required to search for a record that is in an electronic format. A school corporation or charter school may charge a search fee for any time spent searching for a record that is in an electronic format that exceeds two (2) hours.
