Sec. 1. The following definitions apply throughout this chapter:

(5) "Vulnerable victim" means the victim of a crime committed or alleged to have been committed by a tracked individual:

(A) under circumstances suggesting that the tracked individual may disturb, harass, or harm the victim, as determined by a court or the supervising agency;

(B) if the tracked individual is the subject of a protection order, restraining order, or no contact order with respect to the victim; or

(C) that is a crime of domestic or sexual violence (as defined in IC 16-18-2-88.5).

Sec. 2. A supervising agency must do the following:

(1) An employee of a supervising agency must provide notification to the supervising agency as soon as possible, but not later than fifteen (15) minutes, after:

(A) the monitoring device of a tracked individual suffers an unexplained or undocumented loss of communication with the employee, and the employee is unable to verify the tracked individual's presence at an approved location by using a backup verification method, if applicable;

(B) a tracked individual enters a prohibited exclusion zone; or

(C) a tracked individual removes, disables, or otherwise interferes with a monitoring device.

In addition, if the tracked individual has committed or is alleged to have committed a crime against a vulnerable victim, the supervising agency shall notify the vulnerable victim and request local law enforcement to conduct a welfare check on the vulnerable victim in accordance with the protocol developed by the supervising agency under subdivision (5).

(2) Verify in person the location of each tracked individual placed on electronic monitoring due to being charged with or convicted of:

(A) a crime of violence (as defined in IC 35-50-1-2(a)); or

(B) a crime of domestic or sexual violence (as defined in IC 16-18-2-88.5);

by making one (1) scheduled in person contact and one (1) unannounced in person contact with the individual in every thirty (30) day period.

(3) Beginning January 1, 2023, transmit a quarterly report to the local justice reinvestment advisory council (established by IC 33-38-9.5-4) that includes information concerning:

The report must be submitted not later than fifteen (15) calendar days after the close of each quarter. The local justice reinvestment advisory council shall transmit each report electronically to the statewide justice reinvestment advisory council (established by IC 33-38-9.5-2), which shall publish the reports quarterly and electronically transmit the reports to the legislative council and to the judicial conference of Indiana. The report to the legislative council must be in an electronic format under IC 5-14-6.

(8) Specify a backup verification method for a tracked individual if there is reason to believe that the tracked individual's monitoring device may lose communication with the supervising agency at an approved location. However, a supervising agency has the discretion to establish a backup verification method for any tracked individual regardless of whether the supervising agency has reason to believe that the monitoring device may lose communication at an approved location.

Sec. 3. (a) The supervising agency shall:

(1) inform a vulnerable victim of where the tracked individual

is not permitted to be;

(2) if the vulnerable victim wishes to be informed if the tracked individual commits a violation as described in section 2(1)(A) through 2(1)(C) of this chapter, obtain the best manner of contacting the vulnerable victim from the vulnerable victim; and

(3) advise the vulnerable victim that events such as power outages, Internet outages, and natural disasters may interfere with the ability of the supervising agency to notify the vulnerable victim in a timely manner.

(b) Upon notice of a possible violation by a tracked individual as described in section 2(1)(A) through 2(1)(C) of this chapter, the supervising agency shall, as soon as practicable, seek a warrant for the arrest of the tracked individual.

Sec. 4. (a) This subsection applies to a tracked individual who is charged with or convicted of a crime of violence (as defined in IC 35-50-1-2(a)) or a crime of domestic or sexual violence (as defined in IC 16-18-2-88.5). As soon as possible, but not later than:

(2) forty-eight (48) hours after a warrant has been issued for a tracked individual to whom this subsection applies, a local law enforcement agency shall dispatch a law enforcement officer to apprehend the tracked individual.

(c) The local law enforcement agency shall keep a record of each dispatch made under this section.

Sec. 5. A supervising agency may contract with a third party contractor to maintain consistent constant supervision of each

tracked individual only if the third party contractor can comply with the requirements of a supervising agency in this chapter. A contract must specify the duties of the third party contractor and the duties of the supervising agency described in this chapter. A third party contractor:

(1) may not employ or be owned by any person convicted of a felony within the previous seven (7) years; and

(2) may not employ an individual who was a tracked individual within the previous one (1) year.

Sec. 6. (a) This subsection applies to contracts entered into and renewed after June 30, 2022. In addition to any penalties described in the contract, a supervising agency may cancel the contract of a third party contractor that fails to comply with the requirements of this chapter.

(A) canceled a contract under this section; or

(B) determined that it will not renew its contract with the third party contractor due to the contractor's performance;

The office of judicial administration shall inform every court that may act as a supervising agency of the identity of the third party contractor, of the act or determination made by the supervising agency, and of the reasons for the act or determination by the supervising agency.
