## DIGEST OF INTRODUCED BILL

**Citations Affected:** IC 36-8.

**Synopsis:** Mental health disability review panels. Establishes mental health disability review panels (review panel) for evaluation of members of the 1977 police officers' and firefighters' pension and disability fund (1977 fund) who have been determined to have an impairment for mental illness. Includes mental illness in the description of "occupational diseases" for purposes of determining whether a 1977 fund member has an impairment. Makes the final determination of an impairment for a mental illness provisional for two years from the date of the final determination. Requires that, during that time, the 1977 fund member participate in a mental health treatment plan, at the employer's cost, and at the end of the two year period, requires the review panel to evaluate the 1977 fund member to determine if the 1977 fund member: (1) is medically able to return to duty; or (2) may continue for another two year provisional disability period. Requires that, at the end of the second provisional period, the review panel evaluate the 1977 fund member to determine if the 1977 fund member: (1) is medically able to return to duty; or (2) has a permanent impairment. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

**Effective:** July 1, 2020.

# SENATE BILL No. 25

A BILL FOR AN ACT to amend the Indiana Code concerning pensions.

*Be it enacted by the General Assembly of the State of Indiana:*

1 SECTION 1. IC 36-8-8-12.5, AS AMENDED BY P.L.59-2009,  
2 SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
3 JULY 1, 2020]: Sec. 12.5. (a) This section applies only to a fund  
4 member who:  
5 (1) is hired for the first time after December 31, 1989;  
6 (2) chooses coverage by this section and section 13.5 of this  
7 chapter under section 12.4 of this chapter; or  
8 (3) is described in section 12.3(c)(2) of this chapter.  
9 (b) At the same hearing where the determination of whether the  
10 fund member has a covered impairment is made, the local board shall  
11 determine the following:  
12 (1) Whether the fund member has a Class 1 impairment. A Class  
13 1 impairment is a covered impairment that is the direct result of  
14 one (1) or more of the following:  
15 (A) A personal injury that occurs while the fund member is on  
16 duty.  
17 (B) A personal injury that occurs while the fund member is off

- 1 duty and is responding to:
- 2 (i) an offense or a reported offense, in the case of a police
- 3 officer; or
- 4 (ii) an emergency or reported emergency for which the fund
- 5 member is trained, in the case of a firefighter.
- 6 (C) An occupational disease (as defined in IC 22-3-7-10). A
- 7 covered impairment that is included within this clause and
- 8 subdivision (2), **including mental illnesses**, shall be
- 9 considered a Class 1 impairment.
- 10 (D) A health condition caused by an exposure risk disease that
- 11 results in a presumption of disability or death incurred in the
- 12 line of duty under IC 5-10-13.
- 13 (2) Whether the fund member has a Class 2 impairment. A Class
- 14 2 impairment is a covered impairment that is:
- 15 (A) a duty related disease. A duty related disease means a
- 16 disease arising out of the fund member's employment. A
- 17 disease shall be considered to arise out of the fund member's
- 18 employment if it is apparent to the rational mind, upon
- 19 consideration of all of the circumstances, that:
- 20 (i) there is a connection between the conditions under which
- 21 the fund member's duties are performed and the disease;
- 22 (ii) the disease can be seen to have followed as a natural
- 23 incident of the fund member's duties as a result of the
- 24 exposure occasioned by the nature of the fund member's
- 25 duties; and
- 26 (iii) the disease can be traced to the fund member's
- 27 employment as the proximate cause; or
- 28 (B) a health condition caused by:
- 29 (i) an exposure related heart or lung disease;
- 30 (ii) an exposure related cancer; or
- 31 (iii) exposure related Parkinson's disease;
- 32 that results in a presumption of disability incurred in the line
- 33 of duty under IC 5-10-15.
- 34 (3) Whether the fund member has a Class 3 impairment. A Class
- 35 3 impairment is a covered impairment that is not a Class 1
- 36 impairment or a Class 2 impairment.
- 37 SECTION 2. IC 36-8-8-13.1, AS AMENDED BY P.L.179-2018,
- 38 SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
- 39 JULY 1, 2020]: Sec. 13.1. (a) If:
- 40 (1) the local board has determined under this chapter that a
- 41 covered impairment exists and the safety board has determined
- 42 that there is no suitable and available work within the department,

- 1           considering reasonable accommodation to the extent required by  
 2           the Americans with Disabilities Act; or  
 3           (2) the fund member has filed an appeal under section 12.7(o) of  
 4           this chapter;  
 5           the local board shall submit the local board's determinations and the  
 6           safety board's determinations to the system board's director.
- 7           (b) Whenever a fund member is determined to have an impairment  
 8           under section 12.7(i) of this chapter, the system board's director shall  
 9           initiate a review of the default award not later than sixty (60) days after  
 10          the director learns of the default award.
- 11          (c) After the system board's director receives the determinations  
 12          under subsection (a) or initiates a review under subsection (b), the fund  
 13          member must submit to an examination by a medical authority selected  
 14          by the system board. The authority shall determine if there is a covered  
 15          impairment. With respect to a fund member who is covered by sections  
 16          12.5 and 13.5 of this chapter, the authority shall determine the degree  
 17          of impairment. The system board shall adopt rules to establish  
 18          impairment standards, such as the impairment standards contained in  
 19          the United States Department of Veterans Affairs Schedule for Rating  
 20          Disabilities. The report of the examination shall be submitted to the  
 21          system board's director. If a fund member refuses to submit to an  
 22          examination, the authority may find that no impairment exists.
- 23          (d) The system board's director shall review the medical authority's  
 24          report and the local board's determinations and issue an initial  
 25          determination within sixty (60) days after receipt of the local board's  
 26          determinations. The system board's director shall notify the local board,  
 27          the safety board, and the fund member of the initial determination. The  
 28          following provisions apply if the system board's director does not issue  
 29          an initial determination within sixty (60) days and if the delay is not  
 30          attributable to the fund member or the safety board:
- 31           (1) In the case of a review initiated under subsection (a)(1):  
 32           (A) the determinations of the local board and the chief of the  
 33           police or fire department are considered to be the initial  
 34           determination; and  
 35           (B) for purposes of section 13.5(d) of this chapter, the fund  
 36           member is considered to be totally impaired.
- 37           (2) In the case of an appeal submitted under subsection (a)(2), the  
 38           statements made by the fund member under section 12.7(o) of this  
 39           chapter are considered to be the initial determination.
- 40           (3) In the case of a review initiated under subsection (b), the  
 41           initial determination is the impairment determined under section  
 42           12.7(i) of this chapter.

1 (e) The fund member, the safety board, or the local board may  
 2 object in writing to the director's initial determination within fifteen  
 3 (15) days after the determination is issued. If no written objection is  
 4 filed, the initial determination becomes the final order of the system  
 5 board. If a timely written objection is filed, the system board shall issue  
 6 the final order after a hearing. Unless an administrative law judge  
 7 orders a waiver or an extension of the period for cause shown, the final  
 8 order shall be issued not later than one hundred eighty (180) days after  
 9 the date of receipt of the local board's determination or the date the  
 10 system board's director initiates a review under subsection (b). The  
 11 following provisions apply if a final order is not issued within the time  
 12 limit described in this subsection and if the delay is not attributable to  
 13 the fund member or the chief of the police or fire department:

14 (1) In the case of a review initiated under subsection (a)(1):

15 (A) the determinations of the local board and the chief of the  
 16 police or fire department are considered to be the final order;  
 17 and

18 (B) for purposes of section 13.5(f) of this chapter, the fund  
 19 member is considered to be totally impaired.

20 (2) In the case of an appeal submitted under subsection (a)(2), the  
 21 statements made by the fund member under section 12.7(o) of this  
 22 chapter are considered to be the final order.

23 (3) In the case of a review initiated under subsection (b), the  
 24 impairment determined under section 12.7(i) of this chapter is  
 25 considered to be the final order.

26 (f) If the system board approves the director's initial determination,  
 27 then the system board shall issue a final order adopting the initial  
 28 determination. The local board and the chief of the police or fire  
 29 department shall comply with the initial determination. If the system  
 30 board does not approve the initial determination, the system board may  
 31 receive additional evidence on the matter before issuing a final order.

32 (g) Appeals of the system board's final order may be made under  
 33 IC 4-21.5.

34 (h) The transcripts, records, reports, and other materials compiled  
 35 under this section must be retained in accordance with the procedures  
 36 specified in section 12.7(p) of this chapter.

37 **(i) The system board may seek the assistance of the mental**  
 38 **health disability review panel established under IC 36-8-8.3-4 in**  
 39 **issuing an initial determination or a final order.**
