40	(25) Provide financial assistance (including grants and loans) to

9	(B) to families whose income does not exceed eighty percent
10	(80%) of the unit's median income for families; and

12	(27) This subdivision does not apply to a redevelopment
13	commission in a county for which the total amount of net property
14	taxes allocated to all allocation areas or other tax increment
15	financing areas established by a redevelopment commission,
16	military base reuse authority, military base development authority,
17	or another similar entity in the county in the preceding calendar
18	year exceeded nineteen percent (19%) of the total net property
19	taxes billed in the county in the preceding calendar year. Subject
20	to prior approval by the fiscal body of the unit that established the
21	redevelopment commission, expend money and provide financial
22	assistance (including grants and loans):
23	(A) in direct support of:
24	(i) an active military base located within the unit; or
25	(ii) an entity located in the territory or facilities of a military
26	base or former military base within the unit that is scheduled
27	for closing or is completely or partially inactive or closed, or
28	an entity that is located in any territory or facilities of the
29	United States Department of Defense within the unit that are
30	scheduled for closing or are completely or partially inactive
31	or closed;
32	including direct support for the promotion of the active
33	military base or entity, the growth of the active military base
34	or entity, and activities at the active military base or entity; and
35	(B) in support of any other entity that provides services or
36	direct support to an active military base or entity described in
37	clause (A).
38	The fiscal body of the unit that established the redevelopment
39	commission must separately approve each grant, loan, or other
40	expenditure for financial assistance under this subdivision. The
41	terms of any loan that is made under this subdivision may be
42	changed only if the change is approved by the fiscal body of the

unit that established the redevelopment commission. As used in this subdivision, "active military base" has the meaning set forth in IC 36-1-4-20.

(b) Conditions imposed by the commission under subsection (a)(26)remain in force throughout the period determined under subsection (a)(26)(A), even if the owner sells, leases, or conveys the property. The subsequent owner or lessee is bound by the conditions for the remainder of the period.

9 (c) As used in this section, "pedestrian skyway" means a pedestrian 10 walkway within or outside of the public right-of-way and through and 11 above public or private property and buildings, including all structural 12 supports required to connect skyways to buildings or buildings under 13 construction. Pedestrian skyways constructed, extended, or improved over or through public or private property constitute public property 14 15 and public improvements, constitute a public use and purpose, and do not require vacation of any public way or other property. 16

17 (d) All powers that may be exercised under this chapter by the redevelopment commission may also be exercised by the 18 19 redevelopment commission in carrying out its duties and purposes 20 under IC 36-7-14.5. However, if a power pertains to issuing bonds or 21 incurring an obligation, the exercise of the power must first be 22 specifically approved by the fiscal or legislative body of the unit, 23 whichever applies. 24

(e) A commission may not exercise the power of eminent domain. SECTION 2. IC 36-7-14-39, AS AMENDED BY P.L.86-2018, SECTION 344, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 39. (a) As used in this section:

28 "Allocation area" means that part of a redevelopment project area 29 to which an allocation provision of a declaratory resolution adopted 30 under section 15 of this chapter refers for purposes of distribution and 31 allocation of property taxes. 32

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally 36 37 determined for the assessment date immediately preceding the 38 effective date of the allocation provision of the declaratory 39 resolution, as adjusted under subsection (h); plus

40 (B) to the extent that it is not included in clause (A), the net 41 assessed value of property that is assessed as residential 42 property under the rules of the department of local government

2 3	effective date of the allocation provision.
3	(2) If an allocation provision is adopted after June 30, 1997, in a
4	declaratory resolution or an amendment to a declaratory
5	resolution establishing a redevelopment project area:
6	(A) the net assessed value of all the property as finally
7	determined for the assessment date immediately preceding the
8	effective date of the allocation provision of the declaratory
9	resolution, as adjusted under subsection (h); plus
10	(B) to the extent that it is not included in clause (A), the net
11	assessed value of property that is assessed as residential
12	property under the rules of the department of local government
13	finance, as finally determined for any assessment date after the
14	effective date of the allocation provision.
15	(3) If:
16	(A) an allocation provision adopted before June 30, 1995, in
17	a declaratory resolution or an amendment to a declaratory
18	resolution establishing a redevelopment project area expires
19	after June 30, 1997; and
20	(B) after June 30, 1997, a new allocation provision is included
21	in an amendment to the declaratory resolution;
22	the net assessed value of all the property as finally determined for
23	the assessment date immediately preceding the effective date of
24	the allocation provision adopted after June 30, 1997, as adjusted
25	under subsection (h).
26	(4) Except as provided in subdivision (5), for all other allocation
27	areas, the net assessed value of all the property as finally
28	determined for the assessment date immediately preceding the
29 20	effective date of the allocation provision of the declaratory
30	resolution, as adjusted under subsection (h).
31	(5) If an allocation area established in an economic development
32	area before July 1, 1995, is expanded after June 30, 1995, the
33	definition in subdivision (1) applies to the expanded part of the
34	area added after June 30, 1995.
35	(6) If an allocation area established in a redevelopment project
36	area before July 1, 1997, is expanded after June 30, 1997, the
37	definition in subdivision (2) applies to the expanded part of the
38	area added after June 30, 1997.
39 40	Except as provided in section 39.3 of this chapter, "property taxes"
40	means taxes imposed under IC 6-1.1 on real property. However, upon
41	approval by a resolution of the redevelopment commission adopted
42	before June 1, 1987, "property taxes" also includes taxes imposed

under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter 10 11 on or before the allocation deadline determined under subsection (i) 12 may include a provision with respect to the allocation and distribution 13 of property taxes for the purposes and in the manner provided in this 14 section. A declaratory resolution previously adopted may include an 15 allocation provision by the amendment of that declaratory resolution on 16 or before the allocation deadline determined under subsection (i) in 17 accordance with the procedures required for its original adoption. A 18 declaratory resolution or amendment that establishes an allocation 19 provision must include a specific finding of fact, supported by 20 evidence, that the adoption of the allocation provision will result in 21 new property taxes in the area that would not have been generated but 22 for the adoption of the allocation provision. For an allocation area 23 established before July 1, 1995, the expiration date of any allocation 24 provisions for the allocation area is June 30, 2025, or the last date of 25 any obligations that are outstanding on July 1, 2015, whichever is later. 26 A declaratory resolution or an amendment that establishes an allocation 27 provision after June 30, 1995, must specify an expiration date for the 28 allocation provision. For an allocation area established before July 1, 29 2008, the expiration date may not be more than thirty (30) years after 30 the date on which the allocation provision is established. For an 31 allocation area established after June 30, 2008, the expiration date may 32 not be more than twenty-five (25) years after the date on which the first 33 obligation was incurred to pay principal and interest on bonds or lease 34 rentals on leases payable from tax increment revenues. However, with 35 respect to bonds or other obligations that were issued before July 1, 36 2008, if any of the bonds or other obligations that were scheduled when 37 issued to mature before the specified expiration date and that are 38 payable only from allocated tax proceeds with respect to the allocation 39 area remain outstanding as of the expiration date, the allocation 40 provision does not expire until all of the bonds or other obligations are 41 no longer outstanding. The allocation provision may apply to all or part 42 of the redevelopment project area. The allocation provision must

4	(1) Except as otherwise provided in this section, the proceeds of
5	the taxes attributable to the lesser of:
6	(A) the assessed value of the property for the assessment date
7	with respect to which the allocation and distribution is made;

23	collected, paid into an allocation fund for that allocation area that
24	may be used by the redevelopment district only to do one (1) or
25	more of the following:

27	payable solely from allocated tax proceeds which are incurred
28	by the redevelopment district for the purpose of financing or
28 29	refinancing the redevelopment of that allocation area.

31	bonds payable solely or in part from allocated tax proceeds in
32	that allocation area.

33 34	
34 35	allocated tax proceeds in that allocation area and from the
	special tax levied under section 27 of this chapter.

37	unit to pay for local public improvements that are physically
38	located in or physically connected to that allocation area.

41	allocation area.

2 3 4 5	chapter.
3	(G) Reimburse the unit for expenditures made by it for local

	facilities, and other items described in section 25.1(a) of this

7	to that allocation area.
8	(H) Reimburse the unit for rentals paid by it for a building or
9	parking facility that is physically located in or physically
10	connected to that allocation area under any lease entered into
11	under IC 36-1-10.
12	(I) For property taxes first due and payable before January 1,
13	2009, pay all or a part of a property tax replacement credit to
14	taxpayers in an allocation area as determined by the
15	redevelopment commission. This credit equals the amount
16	determined under the following STEPS for each taxpayer in a
17	taxing district (as defined in IC 6-1.1-1-20) that contains all or
18	part of the allocation area:
19	STEP ONE: Determine that part of the sum of the amounts
20	-
20 21	under IC $6-1.1-21-2(g)(1)(A)$, IC $6-1.1-21-2(g)(2)$,
	IC $6-1.1-21-2(g)(3)$, IC $6-1.1-21-2(g)(4)$, and
22	IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to
23	the taxing district.
24	STEP TWO: Divide:
25	(i) that part of each county's eligible property tax
26	replacement amount (as defined in IC 6-1.1-21-2 (before its
27	repeal)) for that year as determined under IC 6-1.1-21-4
28	(before its repeal) that is attributable to the taxing district;
29	by
30	(ii) the STEP ONE sum.
31	STEP THREE: Multiply:
32	(i) the STEP TWO quotient; times
33	(ii) the total amount of the taxpayer's taxes (as defined in
34	IC 6-1.1-21-2 (before its repeal)) levied in the taxing district
35	that have been allocated during that year to an allocation
36	fund under this section.
37	If not all the taxpayers in an allocation area receive the credit
38	in full, each taxpayer in the allocation area is entitled to
39	receive the same proportion of the credit. A taxpayer may not
40	receive a credit under this section and a credit under section
41	39.5 of this chapter (before its repeal) in the same year.
42	(J) Pay expenses incurred by the redevelopment commission
· —	(), i uj enpenses meaner of the reacter principal commission

1	for local public improvements that are in the allocation area or
2	serving the allocation area. Public improvements include
3	buildings, parking facilities, and other items described in
4	section 25.1(a) of this chapter.
5	(K) Pay expenses incurred by the redevelopment
6	commission, or reimburse the unit for expenditures made
7	by it, for ongoing maintenance and repair of:
8	(i) public ways; and
9	(ii) sewers, central water systems, central sewer systems,
10	roads, sidewalks, and levees;
11	that are located in an allocation area and that were funded
12	in whole or in part with tax proceeds allocated to the
13	redevelopment district. However, the total amount of
14	money spent for purposes described in this clause may not
15	exceed fifteen percent (15%) of the total amount of tax
16	proceeds allocated to the allocation fund of the
17	redevelopment district in the fiscal year immediately
18	preceding the fiscal year in which the expenditure or
19	reimbursement is made.
20	(K) (L) Reimburse public and private entities for expenses
21	incurred in training employees of industrial facilities that are
22	located:
23	(i) in the allocation area; and
24	(ii) on a parcel of real property that has been classified as
25	industrial property under the rules of the department of local
26	government finance.
27	However, the total amount of money spent for this purpose in
28	any year may not exceed the total amount of money in the
29	allocation fund that is attributable to property taxes paid by the
30	industrial facilities described in this clause. The
31	reimbursements under this clause must be made within three
32	(3) years after the date on which the investments that are the
33	basis for the increment financing are made.
34	(L) (M) Pay the costs of carrying out an eligible efficiency
35	project (as defined in IC 36-9-41-1.5) within the unit that
36	established the redevelopment commission. However, property
30 37	tax proceeds may be used under this clause to pay the costs of
37	carrying out an eligible efficiency project only if those
38 39	
	property tax proceeds exceed the amount necessary to do the
40	following:
41	(i) Make, when due, any payments required under clauses (A) through (K) (D) including one payments of principal
42	(A) through (K), (L) , including any payments of principal

1	and interest on bonds and other obligations payable under
2	this subdivision, any payments of premiums under this
3 4	subdivision on the redemption before maturity of bonds, and
4	any payments on leases payable under this subdivision.
5	(ii) Make any reimbursements required under this
6	subdivision.
7	(iii) Pay any expenses required under this subdivision.
8	(iv) Establish, augment, or restore any debt service reserve
9	under this subdivision.
10	(M) (N) Expend money and provide financial assistance as
11	authorized in section $12.2(a)(27)$ of this chapter.
12	The allocation fund may not be used for operating expenses of the
13	commission.
14	(4) Except as provided in subsection (g), before June 15 of each
15	year, the commission shall do the following:
16	(A) Determine the amount, if any, by which the assessed value
17	of the taxable property in the allocation area for the most
18	recent assessment date minus the base assessed value, when
19	multiplied by the estimated tax rate of the allocation area, will
20	exceed the amount of assessed value needed to produce the
20	property taxes necessary to make, when due, principal and
22	interest payments on bonds described in subdivision (3), plus
$\frac{22}{23}$	the amount necessary for other purposes described in
23	subdivision (3).
25	(B) Provide a written notice to the county auditor, the fiscal
26	body of the county or municipality that established the
20 27	department of redevelopment, the officers who are authorized
28	
28 29	to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for
29 30	each of the other taxing units that is wholly or partly located
30 31	within the allocation area, and (in an electronic format) the
31 32	department of local government finance. The notice must:
	(i) state the amount, if any, of excess assessed value that the
33	commission has determined may be allocated to the
34	respective taxing units in the manner prescribed in
35	subdivision (1); or
36	(ii) state that the commission has determined that there is no
37	excess assessed value that may be allocated to the respective
38	taxing units in the manner prescribed in subdivision (1).
39	The county auditor shall allocate to the respective taxing units
40	the amount, if any, of excess assessed value determined by the
41	commission. The commission may not authorize an allocation
42	of assessed value to the respective taxing units under this

$ \begin{array}{c} 1\\2\\3\\4\\5\\6\\7\\8\\9\\10\\11\\12\\13\\14\\15\\16\\17\\18\\19\\20\end{array} $	 subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3) or lessors under section 25.3 of this chapter. (C) If: (i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus (ii) the amount necessary for other purposes described in subdivision (3); the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).
20 21	(c) For the purpose of allocating taxes levied by or for any taxing
21	unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective
22	date of the allocation provision of the declaratory resolution is the
24	lesser of:
25	(1) the assessed value of the property for the assessment date with
26	respect to which the allocation and distribution is made; or
27	(2) the base assessed value.
28	(d) Property tax proceeds allocable to the redevelopment district
29	under subsection (b)(3) may, subject to subsection (b)(4), be
30	irrevocably pledged by the redevelopment district for payment as set
31	forth in subsection $(b)(3)$.
32	(e) Notwithstanding any other law, each assessor shall, upon
33	petition of the redevelopment commission, reassess the taxable
34	property situated upon or in, or added to, the allocation area, effective
35	on the next assessment date after the petition.
36	(f) Notwithstanding any other law, the assessed value of all taxable
37	property in the allocation area, for purposes of tax limitation, property
38	tax replacement, and formulation of the budget, tax rate, and tax levy
39	for each political subdivision in which the property is located is the
40	lesser of:
41	(1) the assessed value of the property as valued without regard to
42	this section; or

(2) the base assessed value.

2 (g) If any part of the allocation area is located in an enterprise zone 3 created under IC 5-28-15, the unit that designated the allocation area 4 shall create funds as specified in this subsection. A unit that has 5 obligations, bonds, or leases payable from allocated tax proceeds under 6 subsection (b)(3) shall establish an allocation fund for the purposes 7 specified in subsection (b)(3) and a special zone fund. Such a unit 8 shall, until the end of the enterprise zone phase out period, deposit each 9 year in the special zone fund any amount in the allocation fund derived 10 from property tax proceeds in excess of those described in subsection 11 (b)(1) and (b)(2) from property located in the enterprise zone that 12 exceeds the amount sufficient for the purposes specified in subsection 13 (b)(3) for the year. The amount sufficient for purposes specified in 14 subsection (b)(3) for the year shall be determined based on the pro rata 15 portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all 16 17 such current property tax proceeds derived from the allocation area. A 18 unit that has no obligations, bonds, or leases payable from allocated tax 19 proceeds under subsection (b)(3) shall establish a special zone fund 20 and deposit all the property tax proceeds in excess of those described 21 in subsection (b)(1) and (b)(2) in the fund derived from property tax 22 proceeds in excess of those described in subsection (b)(1) and (b)(2)23 from property located in the enterprise zone. The unit that creates the 24 special zone fund shall use the fund (based on the recommendations of 25 the urban enterprise association) for programs in job training, job 26 enrichment, and basic skill development that are designed to benefit 27 residents and employers in the enterprise zone or other purposes 28 specified in subsection (b)(3), except that where reference is made in 29 subsection (b)(3) to allocation area it shall refer for purposes of 30 payments from the special zone fund only to that part of the allocation 31 area that is also located in the enterprise zone. Those programs shall 32 reserve at least one-half (1/2) of their enrollment in any session for 33 residents of the enterprise zone. 34

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of

2	time to neutralize any effect of the annual adjustment on the property
3	tax proceeds allocated to the redevelopment district under this section.
4	However, the adjustments under this subsection:
5	(1) may not include the effect of phasing in assessed value due to
6	property tax abatements under IC 6-1.1-12.1;
7	(2) may not produce less property tax proceeds allocable to the (1)
8	redevelopment district under subsection $(b)(3)$ than would
9	otherwise have been received if the reassessment under the
10	reassessment plan or the annual adjustment had not occurred; and
11	(3) may decrease base assessed value only to the extent that
12	assessed values in the allocation area have been decreased due to
13	annual adjustments or the reassessment under the reassessment
14	plan.
15	Assessed value increases attributable to the application of an abatement
16	schedule under IC 6-1.1-12.1 may not be included in the base assessed
17	value of an allocation area. The department of local government
18	finance may prescribe procedures for county and township officials to
19	follow to assist the department in making the adjustments.
20	(i) The allocation deadline referred to in subsection (b) is
21	determined in the following manner:
22	(1) The initial allocation deadline is December 31, 2011.
23	(2) Subject to subdivision (3), the initial allocation deadline and
24	subsequent allocation deadlines are automatically extended in
25	increments of five (5) years, so that allocation deadlines
26	subsequent to the initial allocation deadline fall on December 31,
27	2016, and December 31 of each fifth year thereafter.
28	(3) At least one (1) year before the date of an allocation deadline
29	determined under subdivision (2), the general assembly may enact
30	a law that:
31	(A) terminates the automatic extension of allocation deadlines
32	under subdivision (2); and
33	(B) specifically designates a particular date as the final
34	allocation deadline.

the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

8 (b) A resolution adopted under section 8 of this chapter on or before 9 the allocation deadline determined under subsection (i) may include a 10 provision with respect to the allocation and distribution of property 11 taxes for the purposes and in the manner provided in this section. A 12 resolution previously adopted may include an allocation provision by 13 the amendment of that resolution on or before the allocation deadline 14 determined under subsection (i) in accordance with the procedures 15 required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a 16 17 specific finding of fact, supported by evidence, that the adoption of the 18 allocation provision will result in new property taxes in the area that 19 would not have been generated but for the adoption of the allocation 20 provision. For an allocation area established before July 1, 1995, the 21 expiration date of any allocation provisions for the allocation area is 22 June 30, 2025, or the last date of any obligations that are outstanding 23 on July 1, 2015, whichever is later. However, for an allocation area 24 identified as the Consolidated Allocation Area in the report submitted 25 in 2013 to the fiscal body under section 36.3 of this chapter, the expiration date of any allocation provisions for the allocation area is 26 27 January 1, 2051. A declaratory resolution or an amendment that 28 establishes an allocation provision after June 30, 1995, must specify an 29 expiration date for the allocation provision. For an allocation area 30 established before July 1, 2008, the expiration date may not be more 31 than thirty (30) years after the date on which the allocation provision 32 is established. For an allocation area established after June 30, 2008, 33 the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and 34 35 interest on bonds or lease rentals on leases payable from tax increment 36 revenues. However, with respect to bonds or other obligations that were 37 issued before July 1, 2008, if any of the bonds or other obligations that 38 were scheduled when issued to mature before the specified expiration 39 date and that are payable only from allocated tax proceeds with respect 40 to the allocation area remain outstanding as of the expiration date, the 41 allocation provision does not expire until all of the bonds or other 42 obligations are no longer outstanding. The allocation provision may

2	provision must require that any property taxes subsequently levied by
3	or for the benefit of any public body entitled to a distribution of
4	property taxes on taxable property in the allocation area be allocated
5	and distributed as follows:
6	(1) Except as otherwise provided in this section, the proceeds of
7	the taxes attributable to the lesser of:
8	(A) the assessed value of the property for the assessment date
9	with respect to which the allocation and distribution is made;
10	or
11	(B) the base assessed value;
12	shall be allocated to and, when collected, paid into the funds of
13	the respective taxing units.
14	(2) The excess of the proceeds of the property taxes imposed for
15	the assessment date with respect to which the allocation and
16	distribution is made that are attributable to taxes imposed after
17	being approved by the voters in a referendum or local public
18	question conducted after April 30, 2010, not otherwise included
19	in subdivision (1) shall be allocated to and, when collected, paid
20	into the funds of the taxing unit for which the referendum or local
21	public question was conducted.
22	(3) Except as otherwise provided in this section, property tax
23	proceeds in excess of those described in subdivisions (1) and (2)
24	shall be allocated to the redevelopment district and, when
25	collected, paid into a special fund for that allocation area that may
26	be used by the redevelopment district only to do one (1) or more
27	of the following:
28	(A) Pay the principal of and interest on any obligations
29	payable solely from allocated tax proceeds that are incurred by
30	the redevelopment district for the purpose of financing or
31	refinancing the redevelopment of that allocation area.
32	(B) Establish, augment, or restore the debt service reserve for
33	bonds payable solely or in part from allocated tax proceeds in
34	that allocation area.
35	(C) Pay the principal of and interest on bonds payable from
36	allocated tax proceeds in that allocation area and from the
37	special tax levied under section 19 of this chapter.
38	(D) Pay the principal of and interest on bonds issued by the
39	consolidated city to pay for local public improvements that are
40	physically located in or physically connected to that allocation
41	area.
42	(E) Pay premiums on the redemption before maturity of bonds

1	payable solely or in part from allocated tax proceeds in that
2	allocation area.
3	(F) Make payments on leases payable from allocated tax
4	proceeds in that allocation area under section 17.1 of this
5	chapter.
6	(G) Reimburse the consolidated city for expenditures for local
7	public improvements (which include buildings, parking
8	facilities, and other items set forth in section 17 of this
9	chapter) that are physically located in or physically connected
10	to that allocation area.
11	(H) Reimburse the unit for rentals paid by it for a building or
12	parking facility that is physically located in or physically
12	connected to that allocation area under any lease entered into
13	under IC 36-1-10.
15	(I) Reimburse public and private entities for expenses incurred
16	in training employees of industrial facilities that are located:
17	(i) in the allocation area; and
18	(ii) on a parcel of real property that has been classified as
19	industrial property under the rules of the department of local
20	government finance.
20	However, the total amount of money spent for this purpose in
22	any year may not exceed the total amount of money in the
22	allocation fund that is attributable to property taxes paid by the
23 24	industrial facilities described in this clause. The
24	reimbursements under this clause must be made within three
26	(3) years after the date on which the investments that are the
20	basis for the increment financing are made.
28	(J) Pay expenses incurred by the redevelopment
28 29	commission, or reimburse the unit for expenditures made
30	by it, for ongoing maintenance and repair of:
31	(i) public ways; and
32	(ii) sewers, central water systems, central sewer systems,
33	roads, sidewalks, and levees;
33 34	that are located in an allocation area and that were funded
35	in whole or in part with tax proceeds allocated to the
36	redevelopment district. However, the total amount of
30 37	money spent for purposes described in this clause may not
38	exceed fifteen percent (15%) of the total amount of tax
38 39	proceeds allocated to the special fund of the redevelopment
40	district in the fiscal year immediately preceding the fiscal
40	year in which the expenditure or reimbursement is made.

2	established the redevelopment commission. However, property
3	tax proceeds may be used under this clause to pay the costs of
4	carrying out an eligible efficiency project only if those
5	property tax proceeds exceed the amount necessary to do the
6	following:
7	(i) Make, when due, any payments required under clauses
8	(A) through (I), (J) , including any payments of principal and
9	interest on bonds and other obligations payable under this
10	subdivision, any payments of premiums under this
11	subdivision on the redemption before maturity of bonds, and
12	any payments on leases payable under this subdivision.
13	(ii) Make any reimbursements required under this
14	subdivision.
15	(iii) Pay any expenses required under this subdivision.
16	(iv) Establish, augment, or restore any debt service reserve
17	under this subdivision.
18	(K) (L) Expend money and provide financial assistance as
19	authorized in section $7(a)(21)$ of this chapter.
20	The special fund may not be used for operating expenses of the
21	commission.
22	(4) Before June 15 of each year, the commission shall do the
23	following:
24	(A) Determine the amount, if any, by which the assessed value
25	of the taxable property in the allocation area for the most
26	recent assessment date minus the base assessed value, when
27	multiplied by the estimated tax rate of the allocation area will
28	exceed the amount of assessed value needed to provide the
29	property taxes necessary to make, when due, principal and
30	interest payments on bonds described in subdivision (3) plus
31	the amount necessary for other purposes described in
32	subdivision (3) and subsection (g).
33	(B) Provide a written notice to the county auditor, the
34	legislative body of the consolidated city, the officers who are
35	authorized to fix budgets, tax rates, and tax levies under
36	IC 6-1.1-17-5 for each of the other taxing units that is wholly
37	or partly located within the allocation area, and (in an
38	electronic format) the department of local government finance.
39	The notice must:
40	(i) state the amount, if any, of excess assessed value that the
41	commission has determined may be allocated to the
42	respective taxing units in the manner prescribed in

1	subdivision (1); or
2	(ii) state that the commission has determined that there is no
2 3 4 5	excess assessed value that may be allocated to the respective
4	taxing units in the manner prescribed in subdivision (1).
	The county auditor shall allocate to the respective taxing units
6	the amount, if any, of excess assessed value determined by the
7	commission. The commission may not authorize an allocation
8	to the respective taxing units under this subdivision if to do so
9	would endanger the interests of the holders of bonds described
10	in subdivision (3).
11	(C) If:
12	(i) the amount of excess assessed value determined by the
13	commission is expected to generate more than two hundred
14	percent (200%) of the amount of allocated tax proceeds
15	necessary to make, when due, principal and interest
16	payments on bonds described in subdivision (3); plus
17	(ii) the amount necessary for other purposes described in
18	subdivision (3) and subsection (g);
19	the commission shall submit to the legislative body of the unit
20	the commission's determination of the excess assessed value
21	that the commission proposes to allocate to the respective
22	taxing units in the manner prescribed in subdivision (1). The
23	legislative body of the unit may approve the commission's
24	determination or modify the amount of the excess assessed
25	value that will be allocated to the respective taxing units in the
26	manner prescribed in subdivision (1).
27	(c) For the purpose of allocating taxes levied by or for any taxing
28	unit or units, the assessed value of taxable property in a territory in the
29	allocation area that is annexed by any taxing unit after the effective
30	date of the allocation provision of the resolution is the lesser of:
31	(1) the assessed value of the property for the assessment date with
32	respect to which the allocation and distribution is made; or
33	(2) the base assessed value.
34	(d) Property tax proceeds allocable to the redevelopment district
35	under subsection $(b)(3)$ may, subject to subsection $(b)(4)$, be
36	irrevocably pledged by the redevelopment district for payment as set
37	forth in subsection (b)(3).
38	(e) Notwithstanding any other law, each assessor shall, upon
39	petition of the commission, reassess the taxable property situated upon
40	or in, or added to, the allocation area, effective on the next assessment
41	date after the petition.
42	(f) Notwithstanding any other law, the assessed value of all taxable

property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

> (1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

8 (g) If any part of the allocation area is located in an enterprise zone 9 created under IC 5-28-15, the unit that designated the allocation area 10 shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under 11 12 subsection (b)(3) shall establish an allocation fund for the purposes 13 specified in subsection (b)(3) and a special zone fund. Such a unit 14 shall, until the end of the enterprise zone phase out period, deposit each 15 year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection 16 17 (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection 18 19 (b)(3) for the year. A unit that has no obligations, bonds, or leases 20 payable from allocated tax proceeds under subsection (b)(3) shall 21 establish a special zone fund and deposit all the property tax proceeds 22 in excess of those described in subsection (b)(1) and (b)(2) in the fund 23 derived from property tax proceeds in excess of those described in 24 subsection (b)(1) and (b)(2) from property located in the enterprise 25 zone. The unit that creates the special zone fund shall use the fund, 26 based on the recommendations of the urban enterprise association, for 27 one (1) or more of the following purposes: 28

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

33 (2) To make loans and grants for the purpose of stimulating 34 business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans 35 and grants may be made to the following: 36 37

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

40 (3) To provide funds to carry out other purposes specified in 41 subsection (b)(3). However, where reference is made in 42 subsection (b)(3) to the allocation area, the reference refers for

purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

3 (h) The state board of accounts and department of local government 4 finance shall make the rules and prescribe the forms and procedures 5 that they consider expedient for the implementation of this chapter. 6 After each reassessment under a reassessment plan prepared under 7 IC 6-1.1-4-4.2, the department of local government finance shall adjust 8 the base assessed value one (1) time to neutralize any effect of the 9 reassessment of the real property in the area on the property tax 10 proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of 11 12 local government finance shall adjust the base assessed value to 13 neutralize any effect of the annual adjustment on the property tax 14 proceeds allocated to the redevelopment district under this section. 15 However, the adjustments under this subsection may not include the 16 effect of property tax abatements under IC 6-1.1-12.1, and these 17 adjustments may not produce less property tax proceeds allocable to 18 the redevelopment district under subsection (b)(3) than would 19 otherwise have been received if the reassessment under the 20 reassessment plan or annual adjustment had not occurred. The 21 department of local government finance may prescribe procedures for 22 county and township officials to follow to assist the department in 23 making the adjustments. 24

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

27 (2) Subject to subdivision (3), the initial allocation deadline and 28 subsequent allocation deadlines are automatically extended in 29 increments of five (5) years, so that allocation deadlines 30 subsequent to the initial allocation deadline fall on December 31, 31 2016, and December 31 of each fifth year thereafter.

32 (3) At least one (1) year before the date of an allocation deadline 33 determined under subdivision (2), the general assembly may enact 34 a law that:

35 (A) terminates the automatic extension of allocation deadlines 36 under subdivision (2); and

37 (B) specifically designates a particular date as the final 38 allocation deadline. 39
