ENGROSSED SENATE BILL No. 97

A BILL FOR AN ACT to amend the Indiana Code concerning general provisions.

Whereas, the United States produces nearly all of the world's popcorn, and is the first in the world for consumption of popcorn.

Whereas, twenty-five (25) states in the United States grow the crop.

Whereas, the State of Indiana ranks second in the nation for production of popcorn, just behind the State of Nebraska, which produces more than twenty-five percent (25%) of the nation's popcorn.

Whereas, the States of Illinois, Ohio, and Missouri also produce large amounts of the nation's popcorn.

Whereas, Americans eat approximately thirteen (13) billion quarts of popcorn each year.

Whereas, the State of Indiana produces nearly five hundred million (500,000,000) pounds of popcorn on Hoosier soil each year.

Whereas, the production of popcorn grown in Indiana has brought jobs to the State of Indiana.

Whereas, Purdue University plant breeders helped pioneer popcorn
