8	on an airport (as defined in IC 8-21-1-1) that is owned,
9	occupied, leased, or maintained by a public agency, or any part
10	of a law enforcement recording that captures information
11	about airport security procedures, areas, or systems. A record
12	described in this clause may not be released for public
13	inspection by any public agency without the prior approval of
14	the public agency that owns, occupies, leases, or maintains the
15	airport. Both of the following apply to the public agency that
16	owns, occupies, leases, or maintains the airport:
17	(i) The public agency is responsible for determining whether
18	the public disclosure of a record or a part of a record,
19	including a law enforcement recording, has a reasonable
20	likelihood of threatening public safety by exposing a
21	security procedure, area, system, or vulnerability to terrorist
22	attack.
23	(ii) The public agency must identify a record described
24	under item (i) and clearly mark the record as "confidential

26	IC 5-14-3-4(b)(19)(J) without approval of (insert name of
27	submitting public agency)". However, in the case of a law

30	disclosure under IC 5-14-3-4(b)(19)(K) without approval of
31	(insert name of the public agency that owns, occupies,

41	IC 16-18-2-6.5).
42	This subdivision does not apply to a record or portion of a record

1	pertaining to a location or structure owned or protected by a
2 3	public agency in the event that an act of terrorism under
	IC 35-47-12-1 or an act of agricultural terrorism under
4	IC 35-47-12-2 has occurred at that location or structure, unless
5	release of the record or portion of the record would have a
6	reasonable likelihood of threatening public safety by exposing a
7	vulnerability of other locations or structures to terrorist attack.
8	(20) The following personal information concerning a customer
9	of a municipally owned utility (as defined in IC 8-1-2-1):
10	(A) Telephone number.

13	(21) The following personal information about a complainant
14	contained in records of a law enforcement agency:

18	accident, or complaint reported, the address shall be made
19	available for public inspection and copying.
20	(22) Notwithstanding subdivision <del>(8)(A)</del> (8) and section 4.2 of
20	this chapter, the name, compensation, job title, business address,
21 22	business telephone number, job description, education and
22	training background, previous work experience, or dates of first
23	
24	employment of a law enforcement officer who is operating in an
	undercover capacity.
26	(23) Records requested by an offender that:
27	(A) contain personal information relating to:
28	(i) a correctional officer (as defined in IC 5-10-10-1.5);
29	(ii) a law enforcement officer (as defined in
30	IC 35-31.5-2-185);
31	(iii) a judge (as defined in IC 33-38-12-3);
32	(iv) the victim of a crime; or
33	(v) a family member of a correctional officer, law
34	enforcement officer (as defined in IC 35-31.5-2-185), judge
35	(as defined in IC 33-38-12-3), or victim of a crime; or
36	(B) concern or could affect the security of a jail or correctional
37	facility.
38	(24) Information concerning an individual less than eighteen (18)
39	years of age who participates in a conference, meeting, program,

However, before 16 disclosing the recording, the public agency must comply with the 17 obscuring requirements of sections 5.1 and 5.2 of this chapter, if 18 applicable. 19 (28) Records relating to negotiations between a state educational 20institution and another entity concerning the establishment of a 21 collaborative relationship or venture to advance the research, 22 engagement, or educational mission of the state educational 23 institution, if the records are created while negotiations are in 24 progress. The terms of the final offer of public financial resources 25 communicated by the state educational institution to an industrial, 26 a research, or a commercial prospect shall be available for 27 inspection and copying under section 3 of this chapter after 28 negotiations with that prospect have terminated. However, this 29 subdivision does not apply to records regarding research 30 prohibited under IC 16-34.5-1-2 or any other law. 31 (c) Nothing contained in subsection (b) shall limit or affect the right 32 of a person to inspect and copy a public record required or directed to 33 be made by any statute or by any rule of a public agency. 34 (d) Notwithstanding any other law, a public record that is classified 35 as confidential, other than a record concerning an adoption or patient 36 medical records, shall be made available for inspection and copying 37 seventy-five (75) years after the creation of that record. 38 (e) Only the content of a public record may form the basis for the 39 adoption by any public agency of a rule or procedure creating an 40 exception from disclosure under this section. 41 (f) Except as provided by law, a public agency may not adopt a rule 42 or procedure that creates an exception from disclosure under this

1 section based upon whether a public record is stored or accessed using 2 paper, electronic media, magnetic media, optical media, or other 3 information storage technology. 4 (g) Except as provided by law, a public agency may not adopt a rule 5 or procedure nor impose any costs or liabilities that impede or restrict 6 the reproduction or dissemination of any public record. 7 (h) Notwithstanding subsection (d) and section 7 of this chapter: 8 (1) public records subject to IC 5-15 may be destroyed only in 9 accordance with record retention schedules under IC 5-15; or 10 (2) public records not subject to IC 5-15 may be destroyed in the ordinary course of business. 11 12 SECTION 3. IC 5-14-3-4.2 IS ADDED TO THE INDIANA CODE 13 AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 14 1, 2018]: Sec. 4.2. (a) Notwithstanding section 4(b)(8)(A) through 4(b)(8)(C) of this chapter, a public agency may not disclose 15 16 information: 17 (1) about a public employee, former public employee, or an 18 applicant for public employment; and 19 (2) that is required to be kept confidential under this chapter, 20 another Indiana statute, or federal law. 21 (b) If a person requests any information described in section 22 4(b)(8)(A) through 4(b)(8)(C) of this chapter, the public agency 23 shall make available for inspection and copying the information 24 through either of the following: 25 (1) An existing record that contains the information 26 requested. 27 (2) Creating a new record that contains only the requested 28 information that is required to be disclosed under section 29 4(b)(8)(A) through 4(b)(8)(C) of this chapter. 30 (c) If the public agency chooses to make the requested information available from an existing record that contains 31 32 information that is confidential and information that is not 33 confidential, the public agency shall make available for inspection 34 and copying the information that is not confidential under section 35 4(b)(8)(A) through 4(b)(8)(C) of this chapter as provided in section 36 6 of this chapter. 37 (d) If the public agency chooses to make the requested 38 information available for inspection and copying by creating a new 39 record under subsection (b)(2), the new record may not contain 40 any confidential information.

41 (e) If the requested information is the factual basis for a 42 disciplinary action as described in section 4(b)(8)(C) of this

2018

1	chapter, the record provided under subsection (b)(1) or the record
2	created under subsection (b)(2) must disclose the following
$\frac{2}{3}$	information:

5	discharged.
6	(2) A statement of the specific:
7	(A) statute;
8	(B) ordinance;
9	(C) rule; or
10	(D) policy;
11	that is the basis for the suspension, demotion, or discharge of
12	the public employee. If the statute, ordinance, rule, or policy
13	is generally available to the public, a citation to the statute,
14	ordinance, rule, or policy is sufficient.
15	(3) Findings of fact that support the public agency's:
16	(A) finding that the public employee violated the statute,
17	ordinance, rule, or policy referred to under subdivision (2);
18	and

21	(f) Notwithstanding section 4(b)(8) of this chapter, the following
22	apply:
23	(1) A public agency shall make available all information the
24	public agency has about an employee or former employee
25	available to the employee, the former employee, or the
26	employee's or former employee's representative.
27	(2) A public agency shall make available for inspection and
28	copying general personnel information that the public agency
29	has on all its employees or for groups of its employees if
30	disclosure of the general information would not reveal
31	confidential information about a particular employee. If
32	disclosure of the general personnel information would reveal
33	confidential information about a particular individual, the
34	public agency shall make available for inspection and copying
35	the information that is not confidential as provided in section
36	6 of this chapter so that confidential information about any
37	particular individual is not disclosed.
