described in clause (A).

(e) A board, a commission, or a committee may conduct a random audit and require an individual seeking a renewal of a license or a certificate specified in subsection (a) to submit to a national criminal history background check at the cost of the individual.

SECTION 2. IC 25-1-1.1-5, AS ADDED BY P.L.155-2011, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2024]: Sec. 5. (a) As used in this section, "licensee" refers to an individual who is licensed or certified in a profession set forth in section 4 of this chapter.

(b) As used in this section, "personal information" means information that identifies an individual, including the following:

- (1) Photograph.
- (2) Social Security number.
- (3) Driver's license number or identification card number.
- (4) Name.
- (5) Address.
- (6) Telephone number.
- (7) Fingerprints.

(c) The state police department and the Indiana professional licensing agency shall enter into a memorandum of understanding to provide data exchange and data matching regarding licensees who are charged with or convicted of an offense.

(d) The state police department and the Indiana board of veterinary medicine established by IC 25-38.1-2-1 shall enter into a memorandum of understanding to provide data exchange and data matching regarding licensees who are charged with or convicted of an offense.

~~(d)~~ (e) Personal information data exchanged under subsection (c) shall be kept confidential and may be used only for the purposes of a government agency, including the following:

- (1) A prosecuting attorney.
- (2) The Indiana professional licensing agency or a board, committee, or commission administered by the Indiana professional licensing agency.
- (3) A court.
- (4) A law enforcement agency.
- (5) The office of the attorney general.

(6) The Indiana board of veterinary medicine established by IC 25-38.1-2-1.

SECTION 3. IC 25-1-2-11 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY

1, 2024]: Sec. 11. (a) As used in this section, "board" refers to the Indiana board of veterinary medicine established by IC 25-38.1-2-1.

(b) As used in this section, "license or registration certificate" means a license or registration certificate issued by the board under IC 25-38.1.

(c) As used in this section, "practitioner" means an individual who holds a license or registration certificate.

(d) After December 31, 2024, a practitioner must provide the following information when renewing the practitioner's license or registration certificate electronically:

- (1) The practitioner's specialty or field of practice.
- (2) The practitioner's current:
 - (A) business address or location;
 - (B) practice setting type;
 - (C) average hours worked per week;
 - (D) average distance traveled between patients (if applicable); and
 - (E) type of services provided.
- (3) The practitioner's educational background and training.
- (4) The approximate outstanding balance of student loans taken out by the practitioner to finance veterinary or veterinary technician schooling.
- (5) Whether the practitioner currently delivers veterinary services through telehealth (as defined in IC 25-1-9.5-6).

(e) After December 31, 2024, a notice of renewal sent under this chapter to a practitioner must notify the practitioner of the requirements of subsection (d).

(f) Not later than December 31 of each year, the board shall do the following:

- (1) Compile the information collected under this section into a report.
- (2) Post the report compiled under subdivision (1) on the board's website.

(g) A report compiled under subsection (f) may not contain personal identifying information.

SECTION 4. IC 25-38.1-3-13, AS AMENDED BY P.L.58-2008, SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2024]: Sec. 13. (a) An individual who:

- (1) practices veterinary medicine after the individual's license has expired, been revoked, or been placed on inactive status; or
- (2) acts as a registered veterinary technician after the individual's

registration has expired, been revoked, or been placed on inactive status;
violates this article.

(b) **In accordance with IC 25-1-8-6(c)**, a veterinarian may renew an expired license or a registered veterinary technician may renew an expired registration certificate not later than ~~five (5)~~ **three (3)** years after the date of expiration by making written application for renewal and paying the required ~~fee~~ **fees**. However, the board may require continuing education as a condition of renewal of an expired license.

(c) **In accordance with IC 25-1-8-6(d)**, a veterinarian may ~~not~~ renew an expired license ~~and or~~ a registered veterinary technician may ~~not~~ renew an expired registration certificate ~~after more than five (5)~~ **three (3)** years ~~have elapsed~~ after the date of the expiration of a license or a registration certificate **by making written application for renewal and paying the required fees.** ~~but the person may make application for a new license or registration certificate and take the appropriate examinations.~~ **However, the board may require as a condition of renewal of an expired license or registration certificate that the applicant:**

- (1) **appear before the board;**
- (2) **complete:**
 - (A) **continuing education; or**
 - (B) **remediation and additional training; or**
- (3) **practice in consultation with or under the supervision of a licensed veterinarian;**

as deemed appropriate by the board given the lapse of time involved.

(d) To have a license or registration placed on inactive status, a licensed veterinarian or registered veterinarian technician must notify the board in writing of the veterinarian's or technician's desire to have the license or registration placed on inactive status. The board shall waive the continuing education requirements, if any, and payment of the renewal fee during the period the license or registration of a veterinarian or technician is on inactive status. A license or registration may be placed on inactive status during the period:

- (1) the veterinarian or technician is on active duty with any branch of the armed services of the United States;
- (2) the veterinarian or technician is in the Peace Corps;
- (3) the veterinarian or technician is in an alternative service during a time of national emergency;
- (4) the veterinarian or technician is suffering from a severe medical condition that prevents the veterinarian or technician

from meeting the requirements of the board; or

(5) after the veterinarian or technician retires.

A veterinarian or technician who is retired and on inactive status may not maintain an office or practice veterinary medicine. The board may adopt rules under IC 4-22-2 that establish prerequisites or conditions for the reactivation of an inactive license or registration.

SECTION 5. IC 35-48-3-3, AS AMENDED BY P.L.185-2013, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2024]: Sec. 3. (a) Every person who manufactures or distributes any controlled substance within this state or who proposes to engage in the manufacture or distribution of any controlled substance within this state, must obtain biennially a registration issued by the board in accordance with the board's rules.

(b) **Except as provided in subsection (i)**, every person who dispenses or proposes to dispense any controlled substance within Indiana must have a registration issued by the board in accordance with the board's rules. A registration issued to a dispenser under this subsection expires whenever the dispenser's license as a practitioner expires. The board shall renew a dispenser's registration under this subsection concurrently with any state license authorizing the dispenser to act as a practitioner.

(c) This subsection is effective January 1, 2014. An owner must have a registration issued by the board in accordance with the board's rules. An owner shall adopt reasonable procedures to ensure that employed or contracted individuals who are dispensing controlled substances in the office, facility, clinic, or location owned or controlled by the owner dispense the controlled substances in a manner that complies with laws, rules, and regulations.

(d) Persons registered by the board under this article to manufacture, distribute, dispense, or conduct research with controlled substances may possess, manufacture, distribute, dispense, or conduct research with those substances to the extent authorized by their registration and in conformity with the other provisions of this chapter.

(e) The following persons need not register and may lawfully possess controlled substances under this article:

(1) An agent or employee of any registered manufacturer, distributor, or dispenser of any controlled substance if the agent or employee is acting in the usual course of the agent's or employee's business or employment.

(2) A common or contract carrier or warehouseman, or an employee thereof, whose possession of any controlled substance is in the usual course of business or employment.

(3) An ultimate user or a person in possession of any controlled substance under a lawful order of a practitioner or in lawful possession of a schedule V substance.

(f) The board may waive by rule the requirement for registration of certain manufacturers, distributors, or dispensers if it finds it consistent with the public health and safety.

(g) **Except as provided in subsections (h) and (i)**, a separate registration is required at each principal place of business or professional practice where the applicant:

- (1) manufactures, distributes, dispenses, or possesses controlled substances; and
- (2) employs or contracts with individuals to dispense controlled substances. This subdivision is effective January 1, 2014.

(h) A person licensed to practice veterinary medicine in Indiana holding an Indiana controlled substance registration is not required to obtain a separate registration to possess or dispense controlled substances in the usual course of veterinary practice at a site, so long as the site is not a principal place of business or professional practice.

(i) A person licensed to practice veterinary medicine in another state holding a federal controlled substance registration is not required to obtain an Indiana controlled substance registration to possess or dispense controlled substances in the usual course of veterinary practice at a site in Indiana, so long as the site is not a principal place of business or professional practice and the veterinarian is licensed to practice veterinary medicine in Indiana.

~~(h)~~ **(j)** The board may inspect the establishment of a registrant or applicant for registration in accordance with the board's rules.

~~(i)~~ **(k)** Beginning January 1, 2014, the attorney general may file a petition in circuit or superior court to obtain an injunction against a violation of this chapter by an owner. In an action filed by the attorney general under this subsection, the court may:

- (1) issue an injunction;
- (2) order the owner to pay a civil penalty not to exceed five thousand dollars (\$5,000);
- (3) order the owner to pay the state the reasonable costs of the attorney general's investigation and prosecution related to the action; and
- (4) provide the appointment of a receiver.
