25 SECTION 2. IC 6-1.1-4-31.8 IS ADDED TO THE INDIANA  
26 CODE AS A **NEW SECTION TO READ AS FOLLOWS**  
27 **[EFFECTIVE JANUARY 1, 2023]: Sec. 31.8. (a) As used in this**  
28 **section, "department" refers to the department of local**  
29 **government finance.**

30 **(b) This section applies only to a real property assessment of a**  
31 **commercial building or structure used for retail purposes to which**  
32 **section 43.5 of this chapter applies.**

33 **(c) A county assessor or a township assessor (if any) may**  
34 **request the department to perform a state conducted assessment**  
35 **of a particular property in the county for a specified assessment**  
36 **date. The request must be made in the form and in the manner**  
37 **prescribed by the department.**

38 **(d) If the department receives a request for a state conducted**  
39 **assessment of a particular property in a county, the department**  
40 **shall assume the duties of the county assessor with regard to the**  
41 **assessment of that property for that assessment date.**

42 **(e) Before assuming the duties of a county assessor, the**

1 department shall transmit a notice of the state conducted  
2 assessment of the property for the assessment date to the county  
3 assessor, the county fiscal body, and the county auditor.

4 (f) A county assessor who requests the department to perform  
5 a state conducted assessment under this section shall make  
6 available and provide access to all information requested by the  
7 department or the department's contractor that is related to the  
8 assessment of real property that is subject to the state conducted  
9 assessment in the county.

10 (g) The department may enter into a contract with a  
11 professional appraising firm to conduct a requested assessment of  
12 the property under this section.

13 (h) After receiving the report of the assessed value of the  
14 property from the appraisal firm acting under a contract described  
15 in subsection (g), the department shall give notice to the taxpayer  
16 and the county assessor, by mail, of the amount of the assessment  
17 of the property.

18 (i) The department shall forward to the auditor of the county in  
19 which the state conducted assessment occurs a bill for:

20 (1) services as agreed to by the department and the county  
21 under specific terms contained in the contract described in  
22 subsection (g); and

23 (2) all administrative costs incurred by the department.

24 The county shall pay the bill, without appropriation, from the  
25 county reassessment fund.

26 (j) The county shall pay all costs associated with an appeal of a  
27 state conducted assessment if a taxpayer files a notice under  
28 IC 6-1.1-15.

29 SECTION 3. IC 6-1.1-4-43.5 IS ADDED TO THE INDIANA  
30 CODE AS A NEW SECTION TO READ AS FOLLOWS  
31 [EFFECTIVE JANUARY 1, 2023]: **Sec. 43.5. (a) This section applies**  
32 **to a real property assessment of commercial real property used for**  
33 **retail purposes:**

34 (1) for the 2023 assessment date and assessment dates  
35 thereafter; and

36 (2) if the commercial real property is:

37 (A) at least one hundred thousand (100,000) square feet;  
38 and

39 (B) occupied by the original owner or by a tenant for  
40 which the improvement was built.

41 (b) This section does not apply to real property described in  
42 subsection (a) if the real property is sold:

1 (1) by the original owner for which the improvement was  
2 built; and

3 (2) to a subsequent purchaser in an arms length transaction.

4 (c) This subsection applies to a taxpayer that files a notice under  
5 IC 6-1.1-15 after December 31, 2022, requesting a review of the  
6 assessment of the taxpayer's real property that is subject to this  
7 section. In determining the true tax value of real property under  
8 this section, true tax value shall be determined by the cost  
9 approach for the first ten (10) years of occupancy of the subject  
10 property, less normal depreciation and normal obsolescence under  
11 the rules and guidelines of the department of local government  
12 finance. For purposes of this subsection, the land value shall be  
13 assessed separately. The assessed value of the land underlying the  
14 improvements assessed under this section may be assessed or  
15 challenged based on the market value of comparable land. For  
16 purposes of this section, economic and functional obsolescence of  
17 the subject property may be determined by application of  
18 aggregate market data, but shall not be determined by comparison  
19 to any other individual parcels.

20 (d) Beginning after December 31, 2022, the department of local  
21 government finance shall annually establish for each region a  
22 standard construction cost per square foot for real property that  
23 is subject to this section. The department's construction cost in a  
24 region must be based on average market costs in the state, if there  
25 is insufficient data to determine a standard construction cost for  
26 the region based on average market costs in that region. For  
27 purposes of this subsection, region has the meanings set forth in  
28 IC 6-1.1-8-2(20) through IC 6-1.1-8-2(22).

29 (e) This subsection applies to a taxpayer that files a notice under  
30 IC 6-1.1-15 after December 31, 2022, requesting a review of the  
31 assessment of the taxpayer's real property that is subject to this  
32 section. For purposes of applying the cost approach, the  
33 construction costs for the real property shall be determined by  
34 applying the standard construction cost per square foot established  
35 by the department of local government finance for the county in  
36 which the real property is located, unless the taxpayer has  
37 provided to the appropriate county or township assessing official,  
38 not later than forty-five (45) days after the date of the assessment  
39 notice that is the subject of the review, the taxpayer's  
40 determination of actual construction costs for the real property  
41 and all the information relied on by the taxpayer in making the  
42 taxpayer's determination. If the taxpayer has provided the

1 taxpayer's determination of actual construction costs to the  
2 appropriate county or township assessing official not later than  
3 forty-five (45) days after the date of the assessment notice, not later  
4 than ten (10) days prior to the scheduled hearing by the county  
5 property tax assessment board of appeals the taxpayer shall  
6 provide to the county property tax assessment board of appeals all  
7 information necessary to determine the actual construction costs  
8 for the real property. If the information provided by the taxpayer  
9 establishes that the actual construction costs for the real property  
10 are less than the standard construction cost established by the  
11 department for the county, the normal depreciation and normal  
12 obsolescence factor as described in subsection (c) shall be deducted  
13 from the actual construction costs rather than the standard  
14 construction cost established by the department.

15 (f) If a taxpayer files a notice under IC 6-1.1-15 after December  
16 31, 2022, requesting a review of the assessment of the taxpayer's  
17 real property that is subject to this section, the fiscal officer of the  
18 county shall establish a separate account for purposes of the  
19 review. The fiscal officer shall deposit in the account the greater of  
20 the tax receipts that are attributable to:

- 21 (1) the property tax assessment that is the subject of the  
22 review minus the tax receipts attributable to the property tax  
23 assessment in the immediately prior year; or  
24 (2) twenty five percent (25%) of the tax receipts attributable  
25 to the property tax assessment that is the subject of the  
26 review.

27 Money transferred to an account is not considered miscellaneous  
28 revenue. Both the taxing units and the department of local  
29 government finance shall disregard any balance in the account in  
30 the determination of the taxing units' property tax levy, property  
31 tax rate, and budget until the calendar year in which the money is  
32 released from the account. The fiscal officer of the county,  
33 following a final determination of the review, or final judgement on  
34 an appeal if the review is appealed, shall disburse the money  
35 deposited in the account in accordance with the final determination  
36 or final judgment.

37 (g) If a taxpayer files a notice under IC 6-1.1-15 and a major  
38 roadway or traffic pattern located on the property is changed, that  
39 change must be considered in the determination of the property's  
40 assessed valuation in the appeal process under IC 6-1.1-15.
