(a) As used in this section, "tax incentive" means a benefit provided through a state or local tax that is intended to alter, reward, or subsidize a particular action or behavior by the tax incentive recipient, including a benefit intended to encourage economic development. The term includes the following:

(A) reduces the amount of a tax that would otherwise be due to the state;

(B) results in a tax refund in excess of any tax due; or

(2) The dedication of revenue by a political subdivision to provide improvements or to retire bonds issued to pay for improvements in an economic or sports development area, a community revitalization area, an enterprise zone, a tax increment financing district, or any other similar area or district.

(b) The general assembly intends that each tax incentive effectuate the purposes for which it was enacted and that the cost of tax incentives

should be included more readily in the biennial budgeting process. To provide the general assembly with the information it needs to make informed policy choices about the efficacy of each tax incentive, the legislative services agency shall conduct a regular review, analysis, and evaluation of all tax incentives according to a schedule developed by the legislative services agency.

(c) The legislative services agency shall conduct a systematic and comprehensive review, analysis, and evaluation of each tax incentive scheduled for review. The review, analysis, and evaluation must include information about each tax incentive that is necessary to achieve the goals described in subsection (b), which may include any of the following:

(1) The basic attributes and policy goals of the tax incentive, including the statutory and programmatic goals of the tax incentive, the economic parameters of the tax incentive, the original scope and purpose of the tax incentive, and how the scope or purpose has changed over time.

(2) The tax incentive's equity, simplicity, competitiveness, public purpose, adequacy, and extent of conformance with the original purposes of the legislation enacting the tax incentive.

(C) An estimate of the number of jobs that were the direct result of the tax incentive.

(8) The estimated cost to the state to administer the tax incentive.

(9) An estimate of the extent to which benefits of the tax incentive remained in Indiana or flowed outside Indiana.

(10) Whether the effectiveness of the tax incentive could be determined more definitively if the general assembly were to clarify or modify the tax incentive's goals and intended purpose.

(12) An estimate of the indirect economic benefit or activity stimulated by the tax incentive.

(13) Any additional review, analysis, or evaluation that the legislative services agency considers advisable, including comparisons with tax incentives offered by other states if those comparisons would add value to the review, analysis, and evaluation.

The legislative services agency may request a state or local official or a state agency, a political subdivision, a body corporate and politic, or a county or municipal redevelopment commission to furnish information necessary to complete the tax incentive review, analysis,

and evaluation required by this section. An official or entity presented with a request from the legislative services agency under this subsection shall cooperate with the legislative services agency in providing the requested information. An official or entity may require that the legislative services agency adhere to the provider's rules, if any, that concern the confidential nature of the information.

biennial budget; and

(3) should be continued, amended, or repealed.

(g) The legislative services agency shall establish and maintain a system for making available to the public information about the amount and effectiveness of tax incentives.

(h) The legislative services agency shall develop and publish on the general assembly's Internet web site a multi-year schedule that lists all tax incentives and indicates the year when the report will be published for each tax incentive reviewed. The legislative services agency may revise the schedule as long as the legislative services agency provides for a systematic review, analysis, and evaluation of all tax incentives and that each tax incentive is reviewed at least once every ~~five (5)~~ **seven (7)** years.

(b) ~~This subsection does not apply to an application for a deduction under section 34.5 of this chapter.~~ The department of environmental management, upon application by a property owner, shall determine whether a system or device qualifies for a deduction provided by section ~~31,~~ 33 or 34 of this chapter. If the department determines that a system or device qualifies for a deduction, it shall certify the system or device and provide proof of the certification to the property owner. The department shall prescribe the form and manner of the certification process required by this subsection.

~~(e) A person who timely files a personal property return under IC 6-1.1-3-7(a) for an assessment year and who desires to claim the deduction provided in section 31 of this chapter for property that is not assessed under IC 6-1.1-7 must file the statement described in subsection (a) during the year in which the personal property return is filed.~~

~~(f) This subsection applies only to an application for a deduction under section 34.5 of this chapter. If the center receives an application for certification of a building under section 34.5 of this chapter:~~

~~(1) the center shall determine whether the building qualifies for a deduction; and~~

~~(2) if the center fails to make a determination before December 31 of the year in which the application is received, the building is considered certified.~~

(c) The auditor of each county shall, in a particular year, apply a deduction provided under section 26, 29, 33, 34, ~~34.5,~~ or 38 of this chapter to each person who received the deduction in the preceding year unless the auditor determines that the person is no longer eligible for the deduction.

SECTION 16. IC 6-1.1-12-37, AS AMENDED BY P.L.255-2017, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 37. (a) The following definitions apply throughout this section:

(A) that is located in Indiana;

(B) that:

(i) the individual owns;

(ii) the individual is buying under a contract recorded in the county recorder's office, or evidenced by a memorandum of contract recorded in the county recorder's office under IC 36-2-11-20, that provides that the individual is to pay the property taxes on the residence, and that obligates the owner to convey title to the individual upon completion of all of the individual's contract obligations;

(C) that consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

Except as provided in subsection (k), the term does not include property owned by a corporation, partnership, limited liability company, or other entity not described in this subdivision.

(b) Each year a homestead is eligible for a standard deduction from the assessed value of the homestead for an assessment date. Except as provided in subsection (p), the deduction provided by this section applies to property taxes first due and payable for an assessment date only if an individual has an interest in the homestead described in subsection (a)(2)(B) on:

(1) the assessment date; or

(2) any date in the same year after an assessment date that a statement is filed under subsection (e) or section 44 of this chapter, if the property consists of real property.

If more than one (1) individual or entity qualifies property as a homestead under subsection (a)(2)(B) for an assessment date, only one (1) standard deduction from the assessed value of the homestead may

be applied for the assessment date. Subject to subsection (c), the auditor of the county shall record and make the deduction for the individual or entity qualifying for the deduction.

(c) Except as provided in section 40.5 of this chapter, the total amount of the deduction that a person may receive under this section for a particular year is the lesser of:

(1) sixty percent (60%) of the assessed value of the real property, mobile home not assessed as real property, or manufactured home not assessed as real property; or

(2) forty-five thousand dollars ($45,000).

(d) A person who has sold real property, a mobile home not assessed as real property, or a manufactured home not assessed as real property to another person under a contract that provides that the contract buyer is to pay the property taxes on the real property, mobile home, or manufactured home may not claim the deduction provided under this section with respect to that real property, mobile home, or manufactured home.

(e) Except as provided in sections 17.8 and 44 of this chapter and subject to section 45 of this chapter, an individual who desires to claim the deduction provided by this section must file a certified statement on forms prescribed by the department of local government finance, with the auditor of the county in which the homestead is located. The statement must include:

(1) the parcel number or key number of the property and the name of the city, town, or township in which the property is located;

(2) the name of any other location in which the applicant or the applicant's spouse owns, is buying, or has a beneficial interest in residential real property;

(3) the names of:

(A) the applicant and the applicant's spouse (if any):

(i) as the names appear in the records of the United States Social Security Administration for the purposes of the issuance of a Social Security card and Social Security number; or

(ii) that they use as their legal names when they sign their names on legal documents;

if the applicant is an individual; or

(B) each individual who qualifies property as a homestead under subsection (a)(2)(B) and the individual's spouse (if any):

(i) as the names appear in the records of the United States Social Security Administration for the purposes of the issuance of a Social Security card and Social Security

number; or

(ii) that they use as their legal names when they sign their names on legal documents;

if the applicant is not an individual; and

(4) either:

(A) the last five (5) digits of the applicant's Social Security number and the last five (5) digits of the Social Security number of the applicant's spouse (if any); or

(B) if the applicant or the applicant's spouse (if any) does not have a Social Security number, any of the following for that individual:

(i) The last five (5) digits of the individual's driver's license number.

(ii) The last five (5) digits of the individual's state identification card number.

(iii) The last five (5) digits of a preparer tax identification number that is obtained by the individual through the Internal Revenue Service of the United States.

(iv) If the individual does not have a driver's license, a state identification card, or an Internal Revenue Service preparer tax identification number, the last five (5) digits of a control number that is on a document issued to the individual by the United States government.

If a form or statement provided to the county auditor under this section, IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or part or all of the Social Security number of a party or other number described in subdivision (4)(B) of a party, the telephone number and the Social Security number or other number described in subdivision (4)(B) included are confidential. The statement may be filed in person or by mail. If the statement is mailed, the mailing must be postmarked on or before the last day for filing. The statement applies for that first year and any succeeding year for which the deduction is allowed. ~~With respect to real property,~~ **To obtain the deduction for a desired calendar year in which property taxes are first due and payable,** the statement must be completed and dated in the **immediately preceding** calendar year ~~for which the person desires to obtain the deduction~~ and filed with the county auditor on or before January 5 of the ~~immediately succeeding~~ calendar year ~~With respect to a mobile home that is not assessed as real property, the person must file the statement during the twelve (12) months before March 31 of the year for which the person desires to obtain the deduction.~~ **in which the property taxes are first due and payable.**

(f) Except as provided in subsection (n), if a person who is receiving, or seeks to receive, the deduction provided by this section in the person's name:

(1) changes the use of the individual's property so that part or all of the property no longer qualifies for the deduction under this section; or

(2) is not eligible for a deduction under this section because the person is already receiving:

(A) a deduction under this section in the person's name as an individual or a spouse; or

(B) a deduction under the law of another state that is equivalent to the deduction provided by this section;

the person must file a certified statement with the auditor of the county, notifying the auditor of the person's ineligibility, not more than sixty (60) days after the date of the change in eligibility. A person who fails to file the statement required by this subsection may, under IC 6-1.1-36-17, be liable for any additional taxes that would have been due on the property if the person had filed the statement as required by this subsection plus a civil penalty equal to ten percent (10%) of the additional taxes due. The civil penalty imposed under this subsection is in addition to any interest and penalties for a delinquent payment that might otherwise be due. One percent (1%) of the total civil penalty collected under this subsection shall be transferred by the county to the department of local government finance for use by the department in establishing and maintaining the homestead property data base under subsection (i) and, to the extent there is money remaining, for any other purposes of the department. This amount becomes part of the property tax liability for purposes of this article.

(g) The department of local government finance may adopt rules or guidelines concerning the application for a deduction under this section.

(h) This subsection does not apply to property in the first year for which a deduction is claimed under this section if the sole reason that a deduction is claimed on other property is that the individual or married couple maintained a principal residence at the other property on the assessment date in the same year in which an application for a deduction is filed under this section or, if the application is for a homestead that is assessed as personal property, on the assessment date in the immediately preceding year and the individual or married couple is moving the individual's or married couple's principal residence to the property that is the subject of the application. Except as provided in subsection (n), the county auditor may not grant an individual or a

married couple a deduction under this section if:

(1) the individual or married couple, for the same year, claims the deduction on two (2) or more different applications for the deduction; and

(2) the applications claim the deduction for different property.

(i) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or IC 6-3.6-5 (after December 31, 2016).

(j) A county auditor may require an individual to provide evidence proving that the individual's residence is the individual's principal place of residence as claimed in the certified statement filed under subsection (e). The county auditor may limit the evidence that an individual is required to submit to a state income tax return, a valid driver's license, or a valid voter registration card showing that the residence for which the deduction is claimed is the individual's principal place of residence. The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

(k) As used in this section, "homestead" includes property that satisfies each of the following requirements:

(1) The property is located in Indiana and consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

(2) The property is the principal place of residence of an individual.

(3) The property is owned by an entity that is not described in subsection (a)(2)(B).

(4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.

(5) The property was eligible for the standard deduction under this section on March 1, 2009.

(l) If a county auditor terminates a deduction for property described in subsection (k) with respect to property taxes that are:

(1) imposed for an assessment date in 2009; and

(2) first due and payable in 2010;

on the grounds that the property is not owned by an entity described in

subsection (a)(2)(B), the county auditor shall reinstate the deduction if the taxpayer provides proof that the property is eligible for the deduction in accordance with subsection (k) and that the individual residing on the property is not claiming the deduction for any other property.

(m) For assessment dates after 2009, the term "homestead" includes:

(1) a deck or patio;

(2) a gazebo; or

(3) another residential yard structure, as defined in rules adopted by the department of local government finance (other than a swimming pool);

that is assessed as real property and attached to the dwelling.

(n) A county auditor shall grant an individual a deduction under this section regardless of whether the individual and the individual's spouse claim a deduction on two (2) different applications and each application claims a deduction for different property if the property owned by the individual's spouse is located outside Indiana and the individual files an affidavit with the county auditor containing the following information:

(1) The names of the county and state in which the individual's spouse claims a deduction substantially similar to the deduction allowed by this section.

(2) A statement made under penalty of perjury that the following are true:

(A) That the individual and the individual's spouse maintain separate principal places of residence.

(B) That neither the individual nor the individual's spouse has an ownership interest in the other's principal place of residence.

(C) That neither the individual nor the individual's spouse has, for that same year, claimed a standard or substantially similar deduction for any property other than the property maintained as a principal place of residence by the respective individuals.

A county auditor may require an individual or an individual's spouse to provide evidence of the accuracy of the information contained in an affidavit submitted under this subsection. The evidence required of the individual or the individual's spouse may include state income tax returns, excise tax payment information, property tax payment information, driver license information, and voter registration information.

(o) If:

(1) a property owner files a statement under subsection (e) to

claim the deduction provided by this section for a particular property; and

(2) the county auditor receiving the filed statement determines that the property owner's property is not eligible for the deduction;

the county auditor shall inform the property owner of the county auditor's determination in writing. If a property owner's property is not eligible for the deduction because the county auditor has determined that the property is not the property owner's principal place of residence, the property owner may appeal the county auditor's determination to the county property tax assessment board of appeals as provided in IC 6-1.1-15. The county auditor shall inform the property owner of the owner's right to appeal to the county property tax assessment board of appeals when the county auditor informs the property owner of the county auditor's determination under this subsection.

(p) An individual is entitled to the deduction under this section for a homestead for a particular assessment date if:

(1) either:

(A) the individual's interest in the homestead as described in subsection (a)(2)(B) is conveyed to the individual after the assessment date, but within the calendar year in which the assessment date occurs; or

(B) the individual contracts to purchase the homestead after the assessment date, but within the calendar year in which the assessment date occurs;

(2) on the assessment date:

(A) the property on which the homestead is currently located was vacant land; or

(B) the construction of the dwelling that constitutes the homestead was not completed; and

(3) either:

(A) the individual files the certified statement required by subsection (e); or

(B) a sales disclosure form that meets the requirements of section 44 of this chapter is submitted to the county assessor on or before December 31 of the calendar year for the individual's purchase of the homestead.

An individual who satisfies the requirements of subdivisions (1) through (3) is entitled to the deduction under this section for the homestead for the assessment date, even if on the assessment date the property on which the homestead is currently located was vacant land or the construction of the dwelling that constitutes the homestead was

not completed. The county auditor shall apply the deduction for the assessment date and for the assessment date in any later year in which the homestead remains eligible for the deduction. A homestead that qualifies for the deduction under this section as provided in this subsection is considered a homestead for purposes of section 37.5 of this chapter and IC 6-1.1-20.6.

(q) This subsection applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013. Notwithstanding any other provision of this section, an individual buying a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property under a contract providing that the individual is to pay the property taxes on the mobile home or manufactured home is not entitled to the deduction provided by this section unless the parties to the contract comply with IC 9-17-6-17.

(r) This subsection:

(1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and

(2) does not apply to an individual described in subsection (q).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

(s) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

(1) is serving on active duty in any branch of the armed forces of the United States;

(2) was ordered to transfer to a location outside Indiana; and

(3) was otherwise eligible, without regard to this subsection, for the deduction under this section for the property for the assessment date immediately preceding the transfer date specified in the order described in subdivision (2).

For property to qualify under this subsection for the deduction provided by this section, the individual described in subdivisions (1) through (3) must submit to the county auditor a copy of the individual's transfer orders or other information sufficient to show that the individual was ordered to transfer to a location outside Indiana. The property continues to qualify for the deduction provided by this section until the individual ceases to be on active duty, the property is sold, or the individual's ownership interest is otherwise terminated, whichever occurs first. Notwithstanding subsection (a)(2), the property remains a homestead

regardless of whether the property continues to be the individual's principal place of residence after the individual transfers to a location outside Indiana. The property continues to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana and is serving on active duty, if the individual has lived at the property at any time during the past ten (10) years. Otherwise, the property ceases to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana. Property that qualifies as a homestead under this subsection shall also be construed as a homestead for purposes of section 37.5 of this chapter.

(1) the adoption of the ordinance under section 2 of this chapter; and

(2) the fiscal body receives preliminary certification from the Indiana economic development corporation under section 2.5 of this chapter that the proposed industrial development project qualifies as a qualified industrial development project and that there is a reasonable likelihood that a loan from the industrial development fund will be approved under IC 5-28-9-12.

The notice must state the general boundaries of the area designated as an economic development district and must state that written remonstrances may be filed with the fiscal body until the time designated for the hearing. The notice must also name the place, date, and time when the fiscal body will receive and hear remonstrances and objections from persons interested in or affected by the proceedings pertaining to the proposed economic development district designation and will determine the public utility and benefit of the proposed economic development district designation. All persons affected in any manner by the hearing, including all taxpayers of the economic development district, shall be considered notified of the pendency of the hearing and of subsequent acts, hearings, adjournments, and orders of the fiscal body affecting the economic development district if the fiscal body gives the notice required by this section.

(b) A copy of the notice of the hearing shall be filed with the office of the unit's plan commission, board of zoning appeals, works board, park board, building commissioner, and any other departments, bodies, or officers of the unit having to do with unit planning, variances from zoning ordinances, land use, or the issuance of building permits.

SECTION 22. IC 6-1.1-39-5, AS AMENDED BY P.L.86-2018, SECTION 65, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 5. (a) A declaratory ordinance adopted under section 2 of this chapter and confirmed under section 3 of this chapter must include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. The allocation provision must apply to the entire economic development district. The allocation provisions must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the economic development district be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units. However, if the effective date of the allocation provision of a declaratory ordinance is after March 1, 1985, and before January 1, 1986, and if an improvement to property was partially completed on March 1, 1985, the unit may provide in the declaratory ordinance that the taxes attributable to the assessed value of the property as finally determined for March 1, 1984, shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, part or all of the property tax proceeds in excess of those described in subdivision (1), as specified in the declaratory ordinance, shall be allocated to the unit for the economic development district and, when collected, paid into a special fund established by the unit for that

economic development district that may be used only to pay the principal of and interest on obligations owed by the unit under IC 4-4-8 (before its repeal) or IC 5-28-9 for the financing of industrial development programs in, or serving, that economic development district. The amount not paid into the special fund shall be paid to the respective units in the manner prescribed by subdivision (1).

(3) When the money in the fund is sufficient to pay all outstanding principal of and interest (to the earliest date on which the obligations can be redeemed) on obligations owed by the unit under IC 4-4-8 (before its repeal) or IC 5-28-9 for the financing of industrial development programs in, or serving, that economic development district, money in the special fund in excess of that amount shall be paid to the respective taxing units in the manner prescribed by subdivision (1).

(b) Property tax proceeds allocable to the economic development district under subsection (a)(2) must, subject to subsection (a)(3), be irrevocably pledged by the unit for payment as set forth in subsection (a)(2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the economic development district that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory ordinance is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Notwithstanding any other law, each assessor shall, upon petition of the fiscal body, reassess the taxable property situated upon or in, or added to, the economic development district effective on the next assessment date after the petition.

(e) Notwithstanding any other law, the assessed value of all taxable property in the economic development district, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(f) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter.

After each reassessment of a group of parcels under a reassessment plan prepared under IC 6-1.1-4-4.2 the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment on the property tax proceeds allocated to the district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1.

(g) As used in this section, "property taxes" means:

(1) taxes imposed under this article on real property; and

(2) any part of the taxes imposed under this article on depreciable personal property that the unit has by ordinance allocated to the economic development district. However, the ordinance may not limit the allocation to taxes on depreciable personal property with any particular useful life or lives.

If a unit had, by ordinance adopted before May 8, 1987, allocated to an economic development district property taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the ordinance continues in effect until an ordinance is adopted by the unit under subdivision (2).

(h) As used in this section, "base assessed value" means, **subject to subsection (i):**

(1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (f); plus

(2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Subdivision (2) applies only to economic development districts established after June 30, 1997, and to additional areas established after June 30, 1997.

(i) If a fiscal body confirms, or modifies and confirms, an ordinance under section 3 of this chapter and the fiscal body makes either of the filings required under section 3(d) of this chapter after the first anniversary of the effective date of the allocation provision in the ordinance, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation

area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or

(2) the date on which the documents are filed with the department.

SECTION 32. IC 36-7-14-17, AS AMENDED BY P.L.146-2008, SECTION 728, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 17. (a) After receipt of the written order of approval of the plan commission and approval of the municipal legislative body or county executive, the redevelopment commission shall publish notice of the adoption and substance of the resolution in accordance with IC 5-3-1. The notice must:

(1) state that maps and plats have been prepared and can be inspected at the office of the department; and

(2) name a date when the commission will:

(A) receive and hear remonstrances and objections from persons interested in or affected by the proceedings pertaining to the proposed project or other actions to be taken under the resolution; and

(B) determine the public utility and benefit of the proposed project or other actions.

All persons affected in any manner by the hearing, including all taxpayers of the special taxing district, shall be considered notified of the pendency of the hearing and of subsequent acts, hearings, adjournments, and orders of the commission by the notice given under this section.

(b) A copy of the notice of the hearing on the resolution shall be filed in the office of the unit's plan commission, board of zoning appeals, works board, park board, and building commissioner, and any other departments, bodies, or officers of the unit having to do with unit planning, variances from zoning ordinances, land use, or the issuance of building permits. These agencies and officers shall take notice of the pendency of the hearing and, until the commission confirms, modifies and confirms, or rescinds the resolution, or the confirmation of the resolution is set aside on appeal, may not:

(1) authorize any construction on property or sewers in the area described in the resolution, including substantial modifications, rebuilding, conversion, enlargement, additions, and major structural improvements; or

(2) take any action regarding the zoning or rezoning of property, or the opening, closing, or improvement of streets, alleys, or boulevards in the area described in the resolution.

This subsection does not prohibit the granting of permits for ordinary maintenance or minor remodeling, or for changes necessary for the continued occupancy of buildings in the area.

(c) If the resolution to be considered at the hearing includes a provision establishing or amending an allocation provision under section 39 of this chapter, the redevelopment commission shall file the following information with each taxing unit that is wholly or partly located within the allocation area:

(1) A copy of the notice required by subsection (a).

(2) A statement disclosing the impact of the allocation area, including the following:

(A) The estimated economic benefits and costs incurred by the allocation area, as measured by increased employment and anticipated growth of real property assessed values.

(B) The anticipated impact on tax revenues of each taxing unit.

The redevelopment commission shall file the information required by this subsection with the officers of the taxing unit who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 at least ten (10) days before the date of the hearing.

(d) At the hearing, which may be adjourned from time to time, the redevelopment commission shall hear all persons interested in the proceedings and shall consider all written remonstrances and objections that have been filed. After considering the evidence presented, the commission shall take final action determining the public utility and benefit of the proposed project or other actions to be taken under the resolution, and confirming, modifying and confirming, or rescinding the resolution. The final action taken by the commission shall be recorded and is final and conclusive, except that an appeal may be taken in the manner prescribed by section 18 of this chapter.

(e) If the redevelopment commission adopts the resolution and the resolution includes a provision establishing or amending an allocation provision under section 39 of this chapter, the redevelopment commission shall file a copy of the resolution with both the auditor of the county in which the unit is located and the department of local government finance, together with any supporting documents that are relevant to the computation of assessed values in the allocation area, within thirty (30) days after the date on which the redevelopment commission takes final action on the resolution.

SECTION 33. IC 36-7-14-39, AS AMENDED BY P.L.86-2018, SECTION 344, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, **subject to subsection (j),** the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation

areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 39.3 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. A declaratory resolution or an amendment that establishes an allocation

provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations

payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its

repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

(i) Make, when due, any payments required under clauses

(A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.

(ii) Make any reimbursements required under this subdivision.

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(M) Expend money and provide financial assistance as authorized in section 12.2(a)(27) of this chapter.

The allocation fund may not be used for operating expenses of the commission.

(4) Except as provided in subsection (g), before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3), plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation

of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3) or lessors under section 25.3 of this chapter.

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus

(ii) the amount necessary for other purposes described in subdivision (3);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to

this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section.

After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection:

(1) may not include the effect of phasing in assessed value due to property tax abatements under IC 6-1.1-12.1;

(2) may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the reassessment plan or the annual adjustment had not occurred; and

(3) may decrease base assessed value only to the extent that assessed values in the allocation area have been decreased due to annual adjustments or the reassessment under the reassessment plan.

Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may not be included in the base assessed value of an allocation area. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

(j) If a redevelopment commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the redevelopment commission makes either of the filings required under section 17(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation

area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or

(2) the date on which the documents are filed with the department of local government finance.

SECTION 34. IC 36-7-14-39.2, AS AMENDED BY P.L.119-2012, SECTION 207, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 39.2. (a) This section applies to a county having a population of more than two hundred fifty thousand (250,000) but less than two hundred seventy thousand (270,000).

(b) As used in this section, "designated taxpayer" means any taxpayer designated by the commission in a declaratory resolution adopted or amended under section 15 or 17.5 of this chapter and with respect to which the commission finds that taxes to be derived from the taxpayer's depreciable personal property in the allocation area, in excess of the taxes attributable to the base assessed value of that personal property, are reasonably expected to exceed in one (1) or more future years the taxes to be derived from the taxpayer's real property in the allocation area in excess of the taxes attributable to the base assessed value of that real property.

(c) The allocation provision of a declaratory resolution may modify the definition of "property taxes" under section 39(a) of this chapter to include taxes imposed under IC 6-1.1 on the depreciable personal property of designated taxpayers, in accordance with the procedures and limitations set forth in this section and section 39 of this chapter. If such a modification is included in the resolution for purposes of section 39 of this chapter, the term "base assessed value" with respect to the depreciable personal property of designated taxpayers means, **subject to section 39(j) of this chapter,** the net assessed value of all the depreciable personal property as finally determined for the assessment date immediately preceding:

(1) the effective date of the modification, for modifications adopted before July 1, 1995; and

(2) the adoption date of the modification for modifications adopted after June 30, 1995;

as adjusted under section 39(h) of this chapter.

SECTION 35. IC 36-7-14-39.3, AS AMENDED BY P.L.6-2012, SECTION 244, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 39.3. (a) As used in this section, "depreciable personal property" refers to:

(1) all of the designated taxpayer's depreciable personal property that is located in the allocation area; and

(2) all other depreciable property located and taxable on the designated taxpayer's site of operations within the allocation area.

(b) As used in this section, "designated taxpayer" means any taxpayer designated by the commission in a declaratory resolution adopted or amended under section 15 or 17.5 of this chapter, and with respect to which the commission finds that taxes to be derived from the depreciable personal property in the allocation area, in excess of the taxes attributable to the base assessed value of that personal property, are needed to pay debt service or to provide security for bonds issued under section 25.1 of this chapter or to make payments or to provide security on leases payable under section 25.2 of this chapter in order to provide local public improvements for a particular allocation area. However, a commission may not designate a taxpayer after June 30, 1992, unless the commission also finds that:

(1) the taxpayer's property in the allocation area will consist primarily of industrial, manufacturing, warehousing, research and development, processing, distribution, or transportation related projects or regulated amusement devices (as defined in IC 22-12-1-19.1) and related improvements; and

(2) the taxpayer's property in the allocation area will not consist primarily of retail, commercial, or residential projects, other than an amusement park or tourism industry project.

(c) The allocation provision of a declaratory resolution may modify the definition of "property taxes" under section 39(a) of this chapter to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of the designated taxpayers in accordance with the procedures and limitations set forth in this section and section 39 of this chapter. If such a modification is included in the resolution, for purposes of section 39 of this chapter the term "base assessed value" with respect to the depreciable personal property means, **subject to section 39(j) of this chapter,** the net assessed value of all the depreciable personal property as finally determined for the assessment date immediately preceding:

(1) the effective date of the modification, for modifications adopted before July 1, 1995; and

(2) the adoption date of the modification for modifications adopted after June 30, 1995;

as adjusted under section 39(h) of this chapter.

(d) A declaratory resolution of a city redevelopment commission that is adopted before March 20, 1990, is legalized and validated as if it had been adopted under this section.

(e) An action taken by a redevelopment commission before

February 24, 1992, to designate a taxpayer, modify the definition of property taxes, or establish a base assessed value as described in this section, as in effect on February 24, 1992, is legalized and validated as if this section, as in effect on February 24, 1992, had been in effect on the date of the action.

(f) The amendment made to this section by P.L.41-1992, does not affect actions taken pursuant to P.L.35-1990.

(g) A declaratory resolution or an amendment to a declaratory resolution that was adopted by:

(1) a county redevelopment commission for a county; or

(2) a city redevelopment commission for a city;

before February 26, 1992, is legalized and validated as if the declaratory resolution or amendment had been adopted under this section as amended by P.L.147-1992.

SECTION 36. IC 36-7-14-48, AS AMENDED BY P.L.184-2016, SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 48. (a) Notwithstanding section 39(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 45 of this chapter, "base assessed value" means, **subject to section 39(j) of this chapter,** the net assessed value of all of the property, other than personal property, as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 39(h) of this chapter.

(b) The allocation fund established under section 39(b) of this chapter for the allocation area for a program adopted under section 45 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:

(1) The construction, rehabilitation, or repair of residential units within the allocation area.

(2) The construction, reconstruction, or repair of any infrastructure (including streets, sidewalks, and sewers) within or serving the allocation area.

(3) The acquisition of real property and interests in real property within the allocation area.

(4) The demolition of real property within the allocation area.

(5) The provision of financial assistance to enable individuals and families to purchase or lease residential units within the allocation area. However, financial assistance may be provided only to those individuals and families whose income is at or below the county's median income for individuals and families, respectively.

(6) The provision of financial assistance to neighborhood

development corporations to permit them to provide financial assistance for the purposes described in subdivision (5).

(7) For property taxes first due and payable before January 1, 2009, providing each taxpayer in the allocation area a credit for property tax replacement as determined under subsections (c) and (d). However, the commission may provide this credit only if the municipal legislative body (in the case of a redevelopment commission established by a municipality) or the county executive (in the case of a redevelopment commission established by a county) establishes the credit by ordinance adopted in the year before the year in which the credit is provided.

(c) The maximum credit that may be provided under subsection (b)(7) to a taxpayer in a taxing district that contains all or part of an allocation area established for a program adopted under section 45 of this chapter shall be determined as follows:

STEP ONE: Determine that part of the sum of the amounts described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) (before its repeal) for that year as determined under IC 6-1.1-21-4(a)(1) (before its repeal) that is attributable to the taxing district; by

(B) the amount determined under STEP ONE.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the taxpayer's taxes (as defined in IC 6-1.1-21-2) (before its repeal) levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.

(d) The commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c). Except as provided in subsection (g), one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2) (before its repeal) that under IC 6-1.1-22-9 are due and payable in a year. The commission must provide for the credit annually by a resolution and must find in the resolution the following:

(1) That the money to be collected and deposited in the allocation fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations

from the fund, plus ten percent (10%) of those amounts.

(2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.

(3) If bonds of a lessor under section 25.2 of this chapter or under IC 36-1-10 are outstanding and if lease rentals are payable from the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.

If the tax increment is insufficient to grant the credit in full, the commission may grant the credit in part, prorated among all taxpayers.

(e) Notwithstanding section 39(b) of this chapter, the allocation fund established under section 39(b) of this chapter for the allocation area for a program adopted under section 45 of this chapter may only be used to do one (1) or more of the following:

(1) Accomplish one (1) or more of the actions set forth in section 39(b)(3)(A) through 39(b)(3)(H) and 39(b)(3)(J) of this chapter for property that is residential in nature.

(2) Reimburse the county or municipality for expenditures made by the county or municipality in order to accomplish the housing program in that allocation area.

The allocation fund may not be used for operating expenses of the commission.

(f) Notwithstanding section 39(b) of this chapter, the commission shall, relative to the allocation fund established under section 39(b) of this chapter for an allocation area for a program adopted under section 45 of this chapter, do the following before June 15 of each year:

(1) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to:

(A) make the distribution required under section 39(b)(2) of this chapter;

(B) make, when due, principal and interest payments on bonds described in section 39(b)(3) of this chapter;

(C) pay the amount necessary for other purposes described in section 39(b)(3) of this chapter; and

(D) reimburse the county or municipality for anticipated expenditures described in subsection (e)(2).

(2) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of

redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(A) state the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 39(b)(1) of this chapter; or

(B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission.

(3) If:

(A) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (1); plus

(B) the amount necessary for other purposes described in subdivision (1);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (2). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (2).

(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-12-37) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (d) for the taxes (as defined in IC 6-1.1-21-2) (before its repeal) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2) (before its repeal).

SECTION 37. IC 36-7-14-52, AS AMENDED BY P.L.184-2016,

SECTION 31, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 52. (a) Notwithstanding section 39(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of the purposes of an age-restricted housing program adopted under section 49 of this chapter, "base assessed value" means, **subject to section 39(j) of this chapter,** the net assessed value of all of the property, other than personal property, as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 39(h) of this chapter.

(b) The allocation fund established under section 39(b) of this chapter for the allocation area for an age-restricted housing program adopted under section 49 of this chapter may be used only for purposes related to the accomplishment of the purposes of the program, including, but not limited to, the following:

(1) The construction of any infrastructure (including streets, sidewalks, and sewers) or local public improvements in, serving, or benefiting the allocation area.

(2) The acquisition of real property and interests in real property within the allocation area.

(3) The preparation of real property in anticipation of development of the real property within the allocation area.

(4) To do any of the following:

(A) Pay the principal of and interest on bonds or any other obligations payable from allocated tax proceeds in the allocation area that are incurred by the redevelopment district for the purpose of financing or refinancing the age-restricted housing program established under section 49 of this chapter for the allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in the allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in the allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to the allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in the allocation area.

(F) Make payments on leases payable from allocated tax

proceeds in the allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by the unit for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to the allocation area.

(c) Notwithstanding section 39(b) of this chapter, the commission shall, relative to the allocation fund established under section 39(b) of this chapter for an allocation area for an age-restricted housing program adopted under section 49 of this chapter, do the following before June 15 of each year:

(1) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to:

(A) make the distribution required under section 39(b)(2) of this chapter;

(B) make, when due, principal and interest payments on bonds described in section 39(b)(3) of this chapter;

(C) pay the amount necessary for other purposes described in section 39(b)(3) of this chapter; and

(D) reimburse the county or municipality for anticipated expenditures described in subsection (b)(2).

(2) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(A) state the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 39(b)(1) of this chapter; or

(B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the

commission.

SECTION 38. IC 36-7-15.1-10, AS AMENDED BY P.L.146-2008, SECTION 747, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 10. (a) After approval by the commission and the legislative body of the consolidated city under section 9 of this chapter, the commission shall publish notice of the adoption and substance of the resolution in accordance with IC 5-3-1. The notice must:

(1) state that maps, plats, or maps and plats have been prepared and can be inspected at the office of the department; and

(2) name a date when the commission will:

(A) receive and hear remonstrances and other testimony from persons interested in or affected by the proceeding pertaining to the proposed project or other actions to be taken under the resolution; and

(B) determine the public utility and benefit of the proposed project or other actions.

All persons affected in any manner by the hearing, including all taxpayers of the redevelopment district, shall be considered notified of the pendency of the hearing and of subsequent acts, hearings, adjournments, and orders of the commission by the notice given under this section.

(b) A copy of the notice of the hearing on the resolution shall be filed in the office of the commission, board of zoning appeals, works board, park board, and any other departments, bodies, or officers of the consolidated city having to do with planning, variances from zoning ordinances, land use, or the issuance of building permits. These agencies and officers shall take notice of the pendency of the hearing, and until the commission confirms, modifies and confirms, or rescinds the resolution, or the confirmation of the resolution is set aside on appeal, they may not, without approval of the commission:

(1) authorize any construction on property or sewers in the area described in the resolution, including substantial modifications, rebuilding, conversion, enlargement, additions, and major structural improvements; or

(2) take any action regarding the zoning or rezoning of property, or the opening, closing, or improvement of public ways in the area described in the resolution.

This subsection does not prohibit the granting of permits for ordinary maintenance or minor remodeling, or for changes necessary for the continued occupancy of buildings in the area.

(c) If the resolution to be considered at the hearing includes a

provision establishing or amending an allocation provision under section 26 of this chapter, the commission shall file the following information with each taxing unit that is wholly or partly located within the allocation area:

(1) A copy of the notice required by subsection (a).

(2) A statement disclosing the impact of the allocation area, including the following:

(A) The estimated economic benefits and costs incurred by the allocation area, as measured by increased employment and anticipated growth of real property assessed values.

(B) The anticipated impact on tax revenues of each taxing unit.

The commission shall file the information required by this subsection with the officers of the taxing unit who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 at least ten (10) days before the date of the hearing.

(d) At the hearing, which may be adjourned from time to time, the commission shall hear all persons interested in the proceedings and shall consider all written remonstrances and objections that have been filed. After considering the evidence presented, the commission shall take final action determining the public utility and benefit of the proposed project or other actions to be taken under the resolution, and confirming, modifying and confirming, or rescinding the resolution. The final action taken by the commission shall be recorded and is final and conclusive, except that an appeal may be taken under section 11 of this chapter.

(e) If the commission adopts the resolution and the resolution includes a provision establishing or amending an allocation provision under section 26 of this chapter, the commission shall file a copy of the resolution with both the auditor of the county in which the unit is located and the department of local government finance, together with any supporting documents that are relevant to the computation of assessed values in the allocation area, within thirty (30) days after the date on which the commission takes final action on the resolution.

SECTION 39. IC 36-7-15.1-26, AS AMENDED BY P.L.86-2018, SECTION 345, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, **subject to subsection (j),** the

following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development

area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. However, for an allocation area identified as the Consolidated Allocation Area in the report submitted in 2013 to the fiscal body under section 36.3 of this chapter, the expiration date of any allocation provisions for the allocation area is January 1, 2051. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area

established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by

the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established

the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

(i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.

(ii) Make any reimbursements required under this subdivision.

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus

(ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property

tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part

of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

(j) If the commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the commission makes either of the filings required under section 10(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county

in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or

(2) the date on which the documents are filed with the department of local government finance.

SECTION 40. IC 36-7-15.1-26.2, AS AMENDED BY P.L.172-2011, SECTION 153, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 26.2. (a) As used in this section, "depreciable personal property" refers to all of the designated taxpayer's depreciable personal property that is located in the allocation area.

(b) As used in this section, "designated taxpayer" means a taxpayer designated by the commission in a declaratory resolution adopted or amended under section 8 or 10.5 of this chapter, and with respect to which the commission finds that:

(1) taxes to be derived from the taxpayer's depreciable personal property in the allocation area, in excess of the taxes attributable to the base assessed value of that personal property, are needed to pay debt service for bonds issued under section 17 of this chapter or to make payments on leases payable under section 17.1 of this chapter in order to provide local public improvements for a particular allocation area;

(2) the taxpayer's property in the allocation area will consist primarily of industrial, manufacturing, warehousing, research and development, processing, distribution, transportation, or convention center hotel related projects or regulated amusement devices (as defined in IC 22-12-1-19.1) and related improvements; and

(3) the taxpayer's property in the allocation area will not consist primarily of retail, commercial, or residential projects, other than an amusement park or tourism industry project.

For purposes of subdivision (3), a convention center hotel project is not considered a retail, commercial, or residential project.

(c) The allocation provision of a declaratory resolution may modify the definition of "property taxes" under section 26(a) of this chapter to include taxes imposed under IC 6-1.1 on the depreciable personal property of designated taxpayers in accordance with the procedures and limitations set forth in this section and section 26 of this chapter. If such a modification is included in the resolution, for purposes of section 26 of this chapter the term "base assessed value" with respect

to the depreciable personal property of designated taxpayers means, **subject to section 26(j) of this chapter,** the net assessed value of the depreciable personal property as finally determined for the assessment date immediately preceding:

(1) the effective date of the modification, for modifications adopted before July 1, 1995; and

(2) the adoption date of the modification for modifications adopted after June 30, 1995;

as adjusted under section 26(h) of this chapter.

SECTION 41. IC 36-7-15.1-35, AS AMENDED BY P.L.184-2016, SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 35. (a) Notwithstanding section 26(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 32 of this chapter, "base assessed value" means, **subject to section 26(j) of this chapter,** the net assessed value of all of the land as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 26(h) of this chapter. However, "base assessed value" does not include the value of real property improvements to the land.

(b) The special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:

(1) The construction, rehabilitation, or repair of residential units within the allocation area.

(2) The construction, reconstruction, or repair of infrastructure (such as streets, sidewalks, and sewers) within or serving the allocation area.

(3) The acquisition of real property and interests in real property within the allocation area.

(4) The demolition of real property within the allocation area.

(5) To provide financial assistance to enable individuals and families to purchase or lease residential units within the allocation area. However, financial assistance may be provided only to those individuals and families whose income is at or below the county's median income for individuals and families, respectively.

(6) To provide financial assistance to neighborhood development corporations to permit them to provide financial assistance for the purposes described in subdivision (5).

(7) For property taxes first due and payable before 2009, to provide each taxpayer in the allocation area a credit for property

tax replacement as determined under subsections (c) and (d). However, this credit may be provided by the commission only if the city-county legislative body establishes the credit by ordinance adopted in the year before the year in which the credit is provided.

(c) The maximum credit that may be provided under subsection (b)(7) to a taxpayer in a taxing district that contains all or part of an allocation area established for a program adopted under section 32 of this chapter shall be determined as follows:

STEP ONE: Determine that part of the sum of the amounts described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4(a)(1) (before its repeal) that is attributable to the taxing district; by

(B) the amount determined under STEP ONE.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.

(d) Except as provided in subsection (g), the commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c), by applying one-half (1/2) of the credit to each installment of taxes (as defined in IC 6-1.1-21-2 (before its repeal)) that under IC 6-1.1-22-9 are due and payable in a year. Except as provided in subsection (g), one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2 (before its repeal)). The commission must provide for the credit annually by a resolution and must find in the resolution the following:

(1) That the money to be collected and deposited in the allocation fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations from the fund, plus ten percent (10%) of those amounts.

(2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.

(3) If bonds of a lessor under section 17.1 of this chapter or under IC 36-1-10 are outstanding and if lease rentals are payable from the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.

If the tax increment is insufficient to grant the credit in full, the commission may grant the credit in part, prorated among all taxpayers.

(e) Notwithstanding section 26(b) of this chapter, the special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may only be used to do one (1) or more of the following:

(1) Accomplish one (1) or more of the actions set forth in section 26(b)(3)(A) through 26(b)(3)(H) of this chapter.

(2) Reimburse the consolidated city for expenditures made by the city in order to accomplish the housing program in that allocation area.

The special fund may not be used for operating expenses of the commission.

(f) Notwithstanding section 26(b) of this chapter, the commission shall, relative to the special fund established under section 26(b) of this chapter for an allocation area for a program adopted under section 32 of this chapter, do the following before June 15 of each year:

(1) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to:

(A) make the distribution required under section 26(b)(2) of this chapter;

(B) make, when due, principal and interest payments on bonds described in section 26(b)(3) of this chapter;

(C) pay the amount necessary for other purposes described in section 26(b)(3) of this chapter; and

(D) reimburse the consolidated city for anticipated expenditures described in subsection (e)(2).

(2) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(A) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective

taxing units in the manner prescribed in section 26(b)(1) of this chapter; or

(B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter.

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission.

(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1 (before its repeal)) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (d) for the taxes (as defined in IC 6-1.1-21-2 (before its repeal)) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2 (before its repeal)).

SECTION 42. IC 36-7-15.1-53, AS AMENDED BY P.L.86-2018, SECTION 346, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, **subject to subsection (j):**

(1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may

include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local

public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the

allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic

skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment of real property in an area under a county's reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in

increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

(j) If the commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the commission makes either of the filings required under section 10(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or

(2) the date on which the documents are filed with the department of local government finance.

SECTION 43. IC 36-7-15.1-55, AS AMENDED BY P.L.172-2011, SECTION 155, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 55. (a) As used in this section, "depreciable personal property" refers to all of the designated taxpayer's depreciable personal property that is located in the allocation area.

(b) As used in this section, "designated taxpayer" means a taxpayer designated by the commission in a declaratory resolution adopted or amended under section 40(a) or 40(b) of this chapter, and with respect to which the commission finds that:

(1) taxes to be derived from the taxpayer's depreciable personal property in the allocation area, in excess of the taxes attributable to the base assessed value of that personal property, are needed to pay debt service for bonds issued under section 45 of this chapter to make payments on leases payable under section 46 of this chapter in order to provide local public improvements for a particular allocation area;

(2) the taxpayer's property in the allocation area will consist primarily of industrial, manufacturing, warehousing, research and development, processing, distribution, or transportation related

projects or regulated amusement devices (as defined in IC 22-12-1-19.1) and related improvements; and

(3) the taxpayer's property in the allocation area will not consist primarily of retail, commercial, or residential projects, other than an amusement park or tourism industry project.

(c) The allocation provision of a declaratory resolution may modify the definition of "property taxes" under section 53(a) of this chapter to include taxes imposed under IC 6-1.1 on the depreciable personal property of designated taxpayers in accordance with the procedures and limitations set forth in this section and section 53 of this chapter. If such a modification is included in the resolution, for purposes of section 53 of this chapter, the term "base assessed value" with respect to the depreciable personal property of designated taxpayers means, **subject to section 53(j) of this chapter,** the net assessed value of the depreciable personal property as finally determined for the assessment date immediately preceding the adoption date of the modification as adjusted under section 53(h) of this chapter.

SECTION 44. IC 36-7-15.1-62, AS AMENDED BY P.L.184-2016, SECTION 35, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 62. (a) Notwithstanding section 26(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of the purposes of an age-restricted housing program adopted under section 59 of this chapter, "base assessed value" means, **subject to section 26(j) of this chapter,** the net assessed value of all of the property, other than personal property, as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 26(h) of this chapter.

(b) The allocation fund established under section 26(b) of this chapter for the allocation area for an age-restricted housing program adopted under section 59 of this chapter may be used only for purposes related to the accomplishment of the purposes of the program, including, but not limited to, the following:

(1) The construction of any infrastructure (including streets, sidewalks, and sewers) or local public improvements in, serving, or benefiting the allocation area.

(2) The acquisition of real property and interests in real property within the allocation area.

(3) The preparation of real property in anticipation of development of the real property within the allocation area.

(4) To do any of the following:

(A) Pay the principal of and interest on bonds or any other

obligations payable from allocated tax proceeds in the allocation area that are incurred by the redevelopment district for the purpose of financing or refinancing the age-restricted housing program established under section 59 of this chapter for the allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in the allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in the allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to the allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in the allocation area.

(F) Make payments on leases payable from allocated tax proceeds in the allocation area under section 17.1 of this chapter.

(G) Reimburse the unit for expenditures made by the unit for local public improvements (which include buildings, parking facilities, and other items described in section 17(a) of this chapter) that are physically located in or physically connected to the allocation area.

(c) Notwithstanding section 26(b) of this chapter, the commission shall, relative to the allocation fund established under section 26(b) of this chapter for an allocation area for an age-restricted housing program adopted under section 59 of this chapter, do the following before June 15 of each year:

(1) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to:

(A) make the distribution required under section 26(b)(2) of this chapter;

(B) make, when due, principal and interest payments on bonds described in section 26(b)(3) of this chapter;

(C) pay the amount necessary for other purposes described in section 26(b)(3) of this chapter; and

(D) reimburse the county or municipality for anticipated expenditures described in subsection (b)(2).

(2) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(A) state the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter; or

(B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission.

SECTION 45. IC 36-7-30-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 12. (a) After receipt of all orders and approvals required under section 11 of this chapter, the reuse authority shall publish notice of the adoption and the substance of the resolution in accordance with IC 5-3-1. The notice must name a date when the reuse authority will receive and hear remonstrances and objections from persons interested in or affected by the proceedings concerning the proposed project and will determine the public utility and benefit of the proposed project. All persons affected in any manner by the hearing, including all taxpayers of the special taxing district, shall be considered notified of the pendency of the hearing and of subsequent acts, hearings, adjournments, and orders of the reuse authority by the notice given under this section.

(b) At the hearing, which may be adjourned from time to time, the reuse authority shall hear all persons interested in the proceedings and shall consider all written remonstrances and objections that have been filed. After considering the evidence presented, the reuse authority shall take final action determining the public utility and benefit of the proposed project, and confirming, modifying and confirming, or rescinding the resolution. The final action taken by the reuse authority is final and conclusive, except that an appeal may be taken in the manner prescribed by section 14 of this chapter.

(c) If the reuse authority confirms, or modifies and confirms, the

resolution and the resolution includes a provision establishing or amending an allocation provision under section 25 of this chapter, the reuse authority shall file a copy of the resolution with both the auditor of the county in which the proposed project is located and the department of local government finance, together with any supporting documents that are relevant to the computation of assessed values in the allocation area, within thirty (30) days after the date on which the reuse authority takes final action on the resolution.

SECTION 46. IC 36-7-30-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 13. (a) The reuse authority must conduct a public hearing before amending a resolution or plan for a military base reuse area. The reuse authority shall give notice of the hearing in accordance with IC 5-3-1. The notice must do the following:

(1) Set forth the substance of the proposed amendment.

(2) State the time and place where written remonstrances against the proposed amendment may be filed.

(3) Set forth the time and place of the hearing.

(4) State that the reuse authority will hear any person who has filed a written remonstrance during the filing period set forth in subdivision (2).

(b) For the purposes of this section, the consolidation of areas is not considered the enlargement of the boundaries of an area.

(c) If the reuse authority proposes to amend a resolution or plan, the military base reuse authority is not required to have evidence or make findings that were required for the establishment of the original military base reuse area. However, the reuse authority must make the following findings before approving the amendment:

(1) The amendment is reasonable and appropriate when considered in relation to the original resolution or plan and the purposes of this chapter.

(2) The resolution or plan, with the proposed amendment, conforms to the comprehensive plan for the unit.

(d) Notwithstanding subsections (a) and (c), if the resolution or plan is proposed to be amended in a way that enlarges the original boundaries of the area by more than twenty percent (20%), the reuse authority must use the procedure provided for the original establishment of areas and must comply with sections 10 through 12 of this chapter.

(e) At the hearing on the amendments, the reuse authority shall consider written remonstrances that are filed. The action of the reuse

authority on the amendment is final and conclusive, except that an appeal of the reuse authority's action may be taken under section 14 of this chapter.

(f) If the reuse authority confirms, or modifies and confirms, the resolution and the resolution includes a provision establishing or amending an allocation provision under section 25 of this chapter, the reuse authority shall file a copy of the resolution with both the auditor of the county in which the proposed project is located and the department of local government finance, together with any supporting documents that are relevant to the computation of assessed values in the allocation area, within thirty (30) days after the date on which the reuse authority takes final action on the resolution.

SECTION 47. IC 36-7-30-25, AS AMENDED BY P.L.86-2018, SECTION 347, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 25. (a) The following definitions apply throughout this section:

(1) "Allocation area" means that part of a military base reuse area to which an allocation provision of a declaratory resolution adopted under section 10 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means, **subject to subsection (i):**

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment thereto, as finally determined for any subsequent assessment date; plus

(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Clause (C) applies only to allocation areas established in a military reuse area after June 30, 1997, and to the part of an allocation area that was established before June 30, 1997, and that is added to an existing allocation area after June 30, 1997.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 10 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 13 of this chapter. The allocation provision may apply to all or part of the military base reuse area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution are made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the military base reuse district and, when collected, paid into an allocation fund for that allocation area that may be used by the military base reuse district and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the military base reuse district or any other entity for the purpose of financing or refinancing military base reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in

that allocation area or from other revenues of the reuse authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) Pay expenses incurred by the reuse authority, any other department of the unit, or a department of another governmental entity for local public improvements or structures that are in the allocation area or directly serving or benefiting the allocation area, including expenses for the operation and maintenance of these local public improvements or structures if the reuse authority determines those operation and maintenance expenses are necessary or desirable to carry out the purposes of this chapter.

(F) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(G) Expend money and provide financial assistance as authorized in section 9(a)(25) of this chapter.

Except as provided in clause (E), the allocation fund may not be used for operating expenses of the reuse authority.

(4) Except as provided in subsection (g), before July 15 of each year the reuse authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the unit that established the reuse authority, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of excess property taxes that the reuse authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the reuse authority has determined that there are no excess property tax proceeds that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess property tax proceeds determined by the reuse authority. The reuse authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 19 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each reassessment of real property in an area under the county's reassessment plan under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the military base reuse district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustments under this

subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(3) than would otherwise have been received if the reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) If the reuse authority adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the reuse authority makes either of the filings required under section 12(c) or 13(f) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the military base reuse district is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or

(2) the date on which the documents are filed with the department of local government finance.

SECTION 48. IC 36-7-30-26 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 26. (a) As used in this section, "depreciable personal property" refers to:

(1) all or any part of the designated taxpayer's depreciable personal property that is located in the allocation area; and

(2) all or any part of the other depreciable property located and taxable on the designated taxpayer's site of operations within the allocation area;

and that is designated as depreciable personal property for purposes of this section by the reuse authority in a declaratory resolution adopted or amended under section 10 or 13 of this chapter.

(b) As used in this section, "designated taxpayer" means a taxpayer designated by the reuse authority in a declaratory resolution adopted or amended under section 10 or 13 of this chapter, and with respect to which the reuse authority finds that taxes to be derived from the depreciable personal property in the allocation area, in excess of the taxes attributable to the base assessed value of the personal property, are needed to pay debt service or provide security for bonds issued or to be issued under section 18 of this chapter or make payments or provide security on leases payable or to be payable under section 19 of this chapter in order to provide local public improvements or structures for a particular allocation area.

(c) The allocation provision of a declaratory resolution may modify the definition of "property taxes" under section 25(a) of this chapter to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of the designated taxpayers in accordance with the procedures and limitations set forth in this section and section 25 of this chapter. If such a modification is included in the resolution, for purposes of section 25 of this chapter, the term "base assessed value" with respect to the depreciable personal property means, **subject to section 25(i) of this chapter,** the net assessed value of all the depreciable personal property as finally determined for the assessment date immediately preceding the adoption date of the modification, as adjusted under section 25(b) of this chapter.

SECTION 49. IC 36-7-30.5-17, AS ADDED BY P.L.203-2005, SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 17. (a) After adoption of a resolution under section 16 of this chapter, the development authority shall submit the resolution and supporting data to the plan commission of an affected unit or other body charged with the duty of developing a general plan for the unit, if there is such a body. The plan commission may determine whether the resolution and the development plan conform to the plan of development for the unit and approve or disapprove the resolution and plan proposed. The development authority may amend or modify the resolution and proposed plan to conform to the requirements of a plan commission. A plan commission shall issue a written order approving or disapproving the resolution and military base development plan, and may with the consent of the development authority rescind or modify the order.

(b) The determination that a geographic area is a military base development area must be approved by an affected unit's legislative body.

(c) After receipt of all orders and approvals required under subsections (a) and (b), the development authority shall publish notice of the adoption and the substance of the resolution in accordance with IC 5-3-1. The notice must name a date when the development authority will receive and hear remonstrances and objections from persons interested in or affected by the proceedings concerning the proposed project and will determine the public utility and benefit of the proposed project. All persons affected in any manner by the hearing shall be considered notified of the pendency of the hearing and of subsequent acts, hearings, adjournments, and orders of the development authority by the notice given under this section.

(d) At the hearing under subsection (c), which may be adjourned from time to time, the development authority shall:

(1) hear all persons interested in the proceedings; and

(2) consider all written remonstrances and objections that have been filed.

After considering the evidence presented, the development authority shall take final action determining the public utility and benefit of the proposed project, and confirming, modifying and confirming, or rescinding the resolution. The final action taken by the development authority is final and conclusive, except that an appeal may be taken in the manner prescribed by section 19 of this chapter.

(e) If the development authority confirms, or modifies and confirms, the resolution and the resolution includes a provision establishing or amending an allocation provision under section 30 of this chapter, the development authority shall file a copy of the resolution with both the auditor of the county in which the proposed project is located and the department of local government finance, together with any supporting documents that are relevant to the computation of assessed values in the allocation area, within thirty (30) days after the date on which the development authority takes final action on the resolution.

SECTION 50. IC 36-7-30.5-18, AS ADDED BY P.L.203-2005, SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 18. (a) The development authority must conduct a public hearing before amending a resolution or plan for a military base development area. The development authority shall give notice of the hearing in accordance with IC 5-3-1. The notice must do the following:

(1) Set forth the substance of the proposed amendment.

(2) State the time and place where written remonstrances against the proposed amendment may be filed.

(3) Set forth the date, time, and place of the hearing.

(4) State that the development authority will hear any person who has filed a written remonstrance during the filing period set forth in subdivision (2).

(b) For the purposes of this section, the consolidation of areas is not considered the enlargement of the boundaries of an area.

(c) If the development authority proposes to amend a resolution or plan, the development authority is not required to have evidence or make findings that were required for the establishment of the original military base development area. However, the development authority must make the following findings before approving the amendment:

(1) The amendment is reasonable and appropriate when considered in relation to the original resolution or plan and the purposes of this chapter.

(2) The resolution or plan, with the proposed amendment, conforms to the comprehensive plan for an affected unit.

(d) Notwithstanding subsections (a) and (c), if the resolution or plan is proposed to be amended in a way that enlarges the original boundaries of the area by more than twenty percent (20%), the development authority must use the procedure provided for the original establishment of areas and must comply with sections 16 through 17 of this chapter.

(e) At the hearing on the amendments, the development authority shall consider written remonstrances that are filed. The action of the development authority on the amendment is final and conclusive, except that an appeal of the development authority's action may be taken under section 19 of this chapter.

(f) If the development authority confirms, or modifies and confirms, the resolution and the resolution includes a provision establishing or amending an allocation provision under section 30 of this chapter, the development authority shall file a copy of the resolution with both the auditor of the county in which the proposed project is located and the department of local government finance, together with any supporting documents that are relevant to the computation of assessed values in the allocation area, within thirty (30) days after the date on which the development authority takes final action on the resolution.

SECTION 51. IC 36-7-30.5-30, AS AMENDED BY P.L.86-2018, SECTION 348, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 30. (a) The following definitions apply throughout this section:

(1) "Allocation area" means that part of a military base development area to which an allocation provision of a declaratory resolution adopted under section 16 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means, **subject to subsection (i):**

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory

resolution or an amendment to the declaratory resolution, as finally determined for any subsequent assessment date; plus

(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 16 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 18 of this chapter. The allocation provision may apply to all or part of the military base development area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the development authority and, when collected, paid into an allocation fund for that allocation area that

may be used by the development authority and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing military base development or reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the development authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) For property taxes first due and payable before 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the development authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; by

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit

in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 32 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the development authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(H) Expend money and provide financial assistance as authorized in section 15(26) of this chapter.

The allocation fund may not be used for operating expenses of the development authority.

(4) Except as provided in subsection (g), before July 15 of each year the development authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in

subdivision (1); or

(ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the development authority shall create funds as specified in this subsection. A development authority that has obligations, bonds, or leases payable from allocated tax proceeds under

subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. The development authority shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A development authority that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The development authority that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or for other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to an allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each reassessment of real property in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the military base development district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the military base development district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the military base development district under subsection (b)(3) than would otherwise

have been received if the reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) If the development authority adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the development authority makes either of the filings required under section 17(e) or 18(f) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the military base development district is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or

(2) the date on which the documents are filed with the department of local government finance.

SECTION 52. IC 36-7-30.5-31, AS ADDED BY P.L.203-2005, SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 31. (a) As used in this section, "depreciable personal property" refers to:

(1) all or any part of the designated taxpayer's depreciable personal property that is located in the allocation area; and

(2) all or any part of the other depreciable property located and taxable on the designated taxpayer's site of operations within the allocation area;

that is designated as depreciable personal property for purposes of this section by the development authority in a declaratory resolution adopted or amended under section 16 or 18 of this chapter.

(b) As used in this section, "designated taxpayer" means a taxpayer designated by the development authority in a declaratory resolution adopted or amended under section 16 or 18 of this chapter, and with respect to which the development authority finds that taxes to be derived from the depreciable personal property in the allocation area, in excess of the taxes attributable to the base assessed value of the personal property, are needed to pay debt service or provide security for bonds issued or to be issued under section 23 of this chapter or make payments or provide security on leases payable or to be payable under section 24 of this chapter in order to provide local public improvements or structures for a particular allocation area.

(c) The allocation provision of a declaratory resolution may modify the definition of "property taxes" under section 30(a) of this chapter to

include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of the designated taxpayers in accordance with the procedures and limitations set forth in this section and section 30 of this chapter. If a modification is included in the resolution, for purposes of section 30 of this chapter, the term "base assessed value" with respect to the depreciable personal property means, **subject to section 30(i) of this chapter,** the net assessed value of all the depreciable personal property as finally determined for the assessment date immediately preceding the adoption date of the modification, as adjusted under section 30(b) of this chapter.

SECTION 53. IC 36-7-32-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 4. **(a)** As used in this chapter, "base assessed value" means, **subject to subsection (b):**

(1) the net assessed value of all the taxable property located in a certified technology park as finally determined for the assessment date immediately preceding the effective date of the allocation provision of a resolution adopted under section 15 of this chapter; plus

(2) to the extent it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(b) If a redevelopment commission adopts a resolution designating a certified technology park as an allocation area and the redevelopment commission makes either of the filings required under section 15(d) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or
