SENATE BILL No. 220

DIGEST OF SB 220 (Updated January 16, 2014 12:00 pm - DI 55)

Citations Affected: IC 27-2; IC 27-4.

Synopsis: Unclaimed life insurance benefits. Requires an insurer, at least once every six months, to perform a comparison of in-force life insurance policies, annuities, and retained asset accounts issued by the insurer in Indiana against a death master file to identify insureds, annuitants, and account owners who have died. Requires an insurer, not more than 90 days after learning of a possible death of an insured, annuitant, or account owner, to confirm the person's death and determine the benefits due under the policy, annuity, or retained asset account. Provides that if the beneficiary, policy owner, annuity owner, or account owner to whom the benefits are due cannot be found, the benefits escheat to the state under the unclaimed property law. Makes an insurer's noncompliance with the requirements an unfair or deceptive act or practice for which the insurance commissioner may impose a civil penalty or suspend or revoke the insurer's certificate of authority.

Effective: July 1, 2014.

3	(D) using any name or title of any policy or class of policies
4	misrepresenting the true nature thereof; or
5	(E) making any misrepresentation to any policyholder insured

9	(2) Making, publishing, disseminating, circulating, or placing
10	before the public, or causing, directly or indirectly, to be made,
11	published, disseminated, circulated, or placed before the public,

26	(4) Entering into any agreement to commit, or individually or by

30	(5) Filing with any supervisory or other public official, or making,
31	publishing, disseminating, circulating, or delivering to any person,
32	or placing before the public, or causing directly or indirectly, to

2	(6) Issuing or delivering or permitting agents, officers, or

8	(7) Making or permitting any of the following:
9	(A) Unfair discrimination between individuals of the same
10	class and equal expectation of life in the rates or assessments
11	charged for any contract of life insurance or of life annuity or
12	in the dividends or other benefits payable thereon, or in any
13	other of the terms and conditions of such contract. However,
14	in determining the class, consideration may be given to the
15	nature of the risk, plan of insurance, the actual or expected
16	expense of conducting the business, or any other relevant
17	factor.
18	(B) Unfair discrimination between individuals of the same
19	class involving essentially the same hazards in the amount of
20	premium, policy fees, assessments, or rates charged or made
20	for any policy or contract of accident or health insurance or in
21	the benefits payable thereunder, or in any of the terms or
22	conditions of such contract, or in any other manner whatever.
23	However, in determining the class, consideration may be given
24	to the nature of the risk, the plan of insurance, the actual or
26	expected expense of conducting the business, or any other
20 27	relevant factor.
28	(C) Excessive or inadequate charges for premiums, policy

33	(i) policies or contracts of reinsurance or joint reinsurance,
34	or abstract and title insurance;
35	(ii) policies or contracts of insurance against loss or damage
36	to aircraft, or against liability arising out of the ownership,
37	maintenance, or use of any aircraft, or of vessels or craft,
38	their cargoes, marine builders' risks, marine protection and
39 40	indemnity, or other risks commonly insured under marine,
40	as distinguished from inland marine, insurance; or
41	(iii) policies or contracts of any other kind or kinds of
42	insurance whatsoever.

1 However, nothing contained in clause (C) shall be construed to 2 apply to any of the kinds of insurance referred to in clauses (A) 3 and (B) nor to reinsurance in relation to such kinds of insurance. 4 Nothing in clause (A), (B), or (C) shall be construed as making or 5 permitting any excessive, inadequate, or unfairly discriminatory 6 charge or rate or any charge or rate determined by the department 7 or commissioner to meet the requirements of any other insurance 8 rate regulatory law of this state.

(8) Except as otherwise expressly provided by law, knowingly 9 10 permitting or offering to make or making any contract or policy of insurance of any kind or kinds whatsoever, including but not in 11 12 limitation, life annuities, or agreement as to such contract or 13 policy other than as plainly expressed in such contract or policy 14 issued thereon, or paying or allowing, or giving or offering to pay, 15 allow, or give, directly or indirectly, as inducement to such 16 insurance, or annuity, any rebate of premiums payable on the 17 contract, or any special favor or advantage in the dividends, 18 savings, or other benefits thereon, or any valuable consideration 19 or inducement whatever not specified in the contract or policy; or 20 giving, or selling, or purchasing or offering to give, sell, or 21 purchase as inducement to such insurance or annuity or in 22 connection therewith, any stocks, bonds, or other securities of any 23 insurance company or other corporation, association, limited 24 liability company, or partnership, or any dividends, savings, or 25 profits accrued thereon, or anything of value whatsoever not 26 specified in the contract. Nothing in this subdivision and 27 subdivision (7) shall be construed as including within the 28 definition of discrimination or rebates any of the following 29 practices: 30

(A) Paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance, so long as any such bonuses or abatement of premiums are fair and equitable to policyholders and for the best interests of the company and its policyholders.
(B) In the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expense.
(C) Readjustment of the rate of premium for a group insurance

40 (C) Readjustment of the rate of premium for a group insurance

3 (D) Paying by an insurer or insurance producer thereof duly 4 licensed as such under the laws of this state of money, 5 commission, or brokerage, or giving or allowing by an insurer 6 or such licensed insurance producer thereof anything of value, 7 for or on account of the solicitation or negotiation of policies 8 or other contracts of any kind or kinds, to a broker, an 9 insurance producer, or a solicitor duly licensed under the laws 10 of this state, but such broker, insurance producer, or solicitor receiving such consideration shall not pay, give, or allow 11 12 credit for such consideration as received in whole or in part, 13 directly or indirectly, to the insured by way of rebate.

However, this 19 subdivision shall not prevent the exercise by any lender of the 20 lender's right to approve or disapprove of the insurance company 21 selected by the borrower to underwrite the insurance.

(10) Entering into any contract, combination in the form of a trust
or otherwise, or conspiracy in restraint of commerce in the
business of insurance.

However, 28 participation as a member, director, or officer in the activities of 29 any nonprofit organization of insurance producers or other 30 workers in the insurance business shall not be interpreted, in 31 itself, to constitute a combination in restraint of trade or as 32 combining to create a monopoly as provided in this subdivision 33 and subdivision (10). The enumeration in this chapter of specific 34 unfair methods of competition and unfair or deceptive acts and 35 practices in the business of insurance is not exclusive or 36 restrictive or intended to limit the powers of the commissioner or 37 department or of any court of review under section 8 of this 38 chapter.

39 (12) Requiring as a condition precedent to the sale of real or

However, this subdivision shall not prevent the exercise by any seller of such property or the one making a loan thereon of the right to approve or disapprove of the insurance company selected by the buyer to underwrite the insurance. (13) Issuing, offering, or participating in a plan to issue or offer, any policy or certificate of insurance of any kind or character as an inducement to the purchase of any property, real, personal, or mixed, or services of any kind, where a charge to the insured is not made for and on account of such policy or certificate of insurance. 38	medical facility, to make payments otherwise required to be made
38 39	under a contract or policy of insurance for charges incurred by an
40	insured in such a for-profit hospital or other for-profit medical
40 41	facility licensed by the state department of health.
42	(15) Refusing to insure an individual, refusing to continue to issue

1 insurance to an individual, limiting the amount, extent, or kind of 2 coverage available to an individual, or charging an individual a 3 different rate for the same coverage, solely because of that 4 individual's blindness or partial blindness, except where the 5 refusal, limitation, or rate differential is based on sound actuarial 6 principles or is related to actual or reasonably anticipated 7 experience. 8 (16) Committing or performing, with such frequency as to 9 indicate a general practice, unfair claim settlement practices (as defined in section 4.5 of this chapter). 10 (17) Between policy renewal dates, unilaterally canceling an 11 individual's coverage under an individual or group health 12 insurance policy solely because of the individual's medical or 13 14 physical condition. 15 (18) Using a policy form or rider that would permit a cancellation 16 of coverage as described in subdivision (17). Madam President: The Senate Committee on Insurance and Financial Institutions, to which was referred Senate Bill No. 220, has had the same under consideration and begs leave to report the same back to the Senate with the recommendation that said bill be AMENDED as follows:

Page 5, after line 27, begin a new paragraph and insert:

"SECTION 2. IC 27-4-1-4, AS AMENDED BY P.L.278-2013, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 4. (a) The following are hereby defined as unfair methods of competition and unfair and deceptive acts and practices in the business of insurance:

(1) Making, issuing, circulating, or causing to be made, issued, or circulated, any estimate, illustration, circular, or statement:

(A) misrepresenting the terms of any policy issued or to be issued or the benefits or advantages promised thereby or the dividends or share of the surplus to be received thereon;

(B) making any false or misleading statement as to the dividends or share of surplus previously paid on similar policies;

(C) making any misleading representation or any misrepresentation as to the financial condition of any insurer, or as to the legal reserve system upon which any life insurer operates;

(D) using any name or title of any policy or class of policies misrepresenting the true nature thereof; or

(E) making any misrepresentation to any policyholder insured in any company for the purpose of inducing or tending to induce such policyholder to lapse, forfeit, or surrender the policyholder's insurance.

(2) Making, publishing, disseminating, circulating, or placing before the public, or causing, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio or television station, or in any other way, an advertisement, announcement, or statement containing any assertion, representation, or statement with respect to any person in the conduct of the person's insurance business, which is untrue, deceptive, or misleading.

(3) Making, publishing, disseminating, or circulating, directly or

indirectly, or aiding, abetting, or encouraging the making, publishing, disseminating, or circulating of any oral or written statement or any pamphlet, circular, article, or literature which is false, or maliciously critical of or derogatory to the financial condition of an insurer, and which is calculated to injure any person engaged in the business of insurance.

(4) Entering into any agreement to commit, or individually or by a concerted action committing any act of boycott, coercion, or intimidation resulting or tending to result in unreasonable restraint of, or a monopoly in, the business of insurance.

(5) Filing with any supervisory or other public official, or making, publishing, disseminating, circulating, or delivering to any person, or placing before the public, or causing directly or indirectly, to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false statement of financial condition of an insurer with intent to deceive. Making any false entry in any book, report, or statement of any insurer with intent to deceive any agent or examiner lawfully appointed to examine into its condition or into any of its affairs, or any public official to which such insurer is required by law to report, or which has authority by law to examine into its condition or into any of its affairs, or, with like intent, willfully omitting to make a true entry of any material fact pertaining to the business of such insurer in any book, report, or statement of such insurer.

(6) Issuing or delivering or permitting agents, officers, or employees to issue or deliver, agency company stock or other capital stock, or benefit certificates or shares in any common law corporation, or securities or any special or advisory board contracts or other contracts of any kind promising returns and profits as an inducement to insurance.

(7) Making or permitting any of the following:

(A) Unfair discrimination between individuals of the same class and equal expectation of life in the rates or assessments charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract. However, in determining the class, consideration may be given to the nature of the risk, plan of insurance, the actual or expected expense of conducting the business, or any other relevant factor.

(B) Unfair discrimination between individuals of the same class involving essentially the same hazards in the amount of

premium, policy fees, assessments, or rates charged or made for any policy or contract of accident or health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such contract, or in any other manner whatever. However, in determining the class, consideration may be given to the nature of the risk, the plan of insurance, the actual or expected expense of conducting the business, or any other relevant factor.

(C) Excessive or inadequate charges for premiums, policy fees, assessments, or rates, or making or permitting any unfair discrimination between persons of the same class involving essentially the same hazards, in the amount of premiums, policy fees, assessments, or rates charged or made for:

(i) policies or contracts of reinsurance or joint reinsurance, or abstract and title insurance;

(ii) policies or contracts of insurance against loss or damage to aircraft, or against liability arising out of the ownership, maintenance, or use of any aircraft, or of vessels or craft, their cargoes, marine builders' risks, marine protection and indemnity, or other risks commonly insured under marine, as distinguished from inland marine, insurance; or

(iii) policies or contracts of any other kind or kinds of insurance whatsoever.

However, nothing contained in clause (C) shall be construed to apply to any of the kinds of insurance referred to in clauses (A) and (B) nor to reinsurance in relation to such kinds of insurance. Nothing in clause (A), (B), or (C) shall be construed as making or permitting any excessive, inadequate, or unfairly discriminatory charge or rate or any charge or rate determined by the department or commissioner to meet the requirements of any other insurance rate regulatory law of this state.

(8) Except as otherwise expressly provided by law, knowingly permitting or offering to make or making any contract or policy of insurance of any kind or kinds whatsoever, including but not in limitation, life annuities, or agreement as to such contract or policy other than as plainly expressed in such contract or policy issued thereon, or paying or allowing, or giving or offering to pay, allow, or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, or any special favor or advantage in the dividends, savings, or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract or policy; or

giving, or selling, or purchasing or offering to give, sell, or purchase as inducement to such insurance or annuity or in connection therewith, any stocks, bonds, or other securities of any insurance company or other corporation, association, limited liability company, or partnership, or any dividends, savings, or profits accrued thereon, or anything of value whatsoever not specified in the contract. Nothing in this subdivision and subdivision (7) shall be construed as including within the definition of discrimination or rebates any of the following practices:

(A) Paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance, so long as any such bonuses or abatement of premiums are fair and equitable to policyholders and for the best interests of the company and its policyholders.(B) In the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expense.

(C) Readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first year or of any subsequent year of insurance thereunder, which may be made retroactive only for such policy year.

(D) Paying by an insurer or insurance producer thereof duly licensed as such under the laws of this state of money, commission, or brokerage, or giving or allowing by an insurer or such licensed insurance producer thereof anything of value, for or on account of the solicitation or negotiation of policies or other contracts of any kind or kinds, to a broker, an insurance producer, or a solicitor duly licensed under the laws of this state, but such broker, insurance producer, or solicitor receiving such consideration shall not pay, give, or allow credit for such consideration as received in whole or in part, directly or indirectly, to the insured by way of rebate.

(9) Requiring, as a condition precedent to loaning money upon the security of a mortgage upon real property, that the owner of the property to whom the money is to be loaned negotiate any policy of insurance covering such real property through a particular insurance producer or broker or brokers. However, this subdivision shall not prevent the exercise by any lender of the

lender's right to approve or disapprove of the insurance company selected by the borrower to underwrite the insurance.

(10) Entering into any contract, combination in the form of a trust or otherwise, or conspiracy in restraint of commerce in the business of insurance.

(11) Monopolizing or attempting to monopolize or combining or conspiring with any other person or persons to monopolize any part of commerce in the business of insurance. However, participation as a member, director, or officer in the activities of any nonprofit organization of insurance producers or other workers in the insurance business shall not be interpreted, in itself, to constitute a combination in restraint of trade or as combining to create a monopoly as provided in this subdivision and subdivision (10). The enumeration in this chapter of specific unfair methods of competition and unfair or deceptive acts and practices in the business of insurance is not exclusive or restrictive or intended to limit the powers of the commissioner or department or of any court of review under section 8 of this chapter.

(12) Requiring as a condition precedent to the sale of real or personal property under any contract of sale, conditional sales contract, or other similar instrument or upon the security of a chattel mortgage, that the buyer of such property negotiate any policy of insurance covering such property through a particular insurance company, insurance producer, or broker or brokers. However, this subdivision shall not prevent the exercise by any seller of such property or the one making a loan thereon of the right to approve or disapprove of the insurance company selected by the buyer to underwrite the insurance.

(13) Issuing, offering, or participating in a plan to issue or offer, any policy or certificate of insurance of any kind or character as an inducement to the purchase of any property, real, personal, or mixed, or services of any kind, where a charge to the insured is not made for and on account of such policy or certificate of insurance. However, this subdivision shall not apply to any of the following:

(iii) insures against baggage loss during the flight to which the ticket relates; or

(iv) insures against a flight cancellation to which the ticket relates.

(14) Refusing, because of the for-profit status of a hospital or medical facility, to make payments otherwise required to be made under a contract or policy of insurance for charges incurred by an insured in such a for-profit hospital or other for-profit medical facility licensed by the state department of health.

(15) Refusing to insure an individual, refusing to continue to issue insurance to an individual, limiting the amount, extent, or kind of coverage available to an individual, or charging an individual a different rate for the same coverage, solely because of that individual's blindness or partial blindness, except where the refusal, limitation, or rate differential is based on sound actuarial principles or is related to actual or reasonably anticipated experience.

(16) Committing or performing, with such frequency as to indicate a general practice, unfair claim settlement practices (as defined in section 4.5 of this chapter).

(17) Between policy renewal dates, unilaterally canceling an individual's coverage under an individual or group health insurance policy solely because of the individual's medical or physical condition.
