(2) The authorization for withholding form shall include the school employee's full name, position, school employee organization, and signature and shall be submitted directly to the school employer by the school employee. After receiving the authorization for withholding form, the school employer shall confirm the authorization by sending an electronic mail message to the school employee at the school employee's school provided work electronic mail address and shall wait for confirmation of the authorization before starting any deduction. If the school employee does not possess a school provided work electronic mail address, the school employer may use other means it deems appropriate to confirm the authorization.

(3) An authorization for school employee organization dues to be deducted from school employee pay shall be on a form prescribed by the attorney general, in consultation with the board, and shall contain a statement in 14 point type boldface font reading: "I am aware that I have a First Amendment right, as recognized by the United States Supreme Court, to refrain from joining and paying dues to a union (school employee organization). I further realize that membership and payment of dues are voluntary and that I may not be discriminated against for my refusal to join or financially support a union. I authorize my employer to deduct union dues from my salary in the amounts specified in accordance with my union's bylaws. I understand that I may revoke this authorization at any time."

(4) Authorizations by a school employee for the withholding of school employee organization dues from the school employee's pay shall not exceed one (1) year in duration and shall be subject to annual renewal. Any authorization submitted by a school employee to the school employer before July 1, 2021, expires on July 1, 2021, and must be resubmitted in accordance with this subsection.

(5) Upon the submission of a written or electronic mail request to a school employer, a school employee shall have the right to cease the withholding of school employee organization dues from their pay. Upon receipt of a request, the school employer shall:

(A) cease the withholding of school employee organization dues from the school employee's pay beginning on the first day of the employee's next pay period; and

(B) provide written or electronic mail notification of the school employee's decision to the school employee organization.

The notification in clause (B) must occur within a reasonable time to ensure that the school employee is not required to have dues withheld during the school employee's next pay period or any subsequent pay period.

(6) A school employer shall annually provide, at a time the school employer prescribes, written or electronic mail notification to its school employees of their right to cease payment of school employee organization dues and to withdraw from that organization. The notification must also include the following:

(A) The authorization form described in subsection (c)(3).

(B) The amount of dues that the school employee will be liable to pay to the school organization during the duration of the authorization, if the employee does not revoke the authorization before it expires.

(d) On or before July 1, 2021, and not later than July 30 of each year thereafter, the attorney general, in consultation with the board and the department, must notify all school employers of the provisions described in subsection (c). This notice must include the authorization form described in subsection (c)(3).
