Synopsis: Workforce education. Requires the department of workforce development (DWD) to prepare an occupational demand report before July 1, 2016, regarding the expected workforce needs of employers for a 10 year projection and the training and education that will be required to meet those expected workforce needs. Requires DWD to categorize these workforce needs and training and education requirements by job classification on a statewide basis and also for each region designated under the federal Workforce Innovation and Opportunity Act of 2014 (WIOA). Provides that in preparing the labor market demand report and the average wage level report used in determining school funding for career and technical education, the DWD shall consider the information included in the report. Requires the DWD, with the assistance of the commission for higher education (CHE), Ivy Tech Community College (Ivy Tech), department of education and local workforce development boards, to do the following for each region

designated under the WIOA: (1) Prepare an inventory of the career and technical education courses available to students attending high school in the region and of the certification courses provided by Ivy Tech in the region. (2) Identify any gaps or imbalances between the career and technical education courses and certification courses offered and the workforce needs and training and education requirements in the region. Requires the DWD, with the assistance of the CHE, Ivy Tech, and local workforce development boards, to annually: (1) develop recommendations concerning the career and technical education courses and courses leading to a certification that should be offered at high schools within each region designated under the WIOA; (2) report to the budget committee before January 1 of each year concerning the recommendations; and (3) report the recommendations to the board of trustees, administration, and faculty of Ivy Tech at a meeting scheduled by the Ivy Tech board of trustees. Requires the DWD, in consultation with the CHE, and Ivy Tech, to develop a procedure for measuring certain outcomes for credential or degree completers and separately for current or previously enrolled students of Ivy Tech. Requires advisory committees established by Ivy Tech to do the following: (1) Consider the workforce needs and training and education needs identified in the occupational demand report prepared by the DWD. (2) Present to the Ivy Tech board of trustees any findings or recommendations of the advisory committee concerning those needs. Requires the CHE, in coordination with DWD, to develop and recommend funding amounts and performance metrics that reward workforce training programs. Provides that these funding amounts and performance metrics must be aligned with the workforce needs and training and education requirements reported by the DWD. Specifies that a regional works council may develop an alternative career, technical, or vocational educational curriculum for high school students in its region in order to provide a curriculum that is aligned with the workforce needs of the region as described in the occupational demand report. (Current law allows a regional works council to develop an alternative curriculum under certain circumstances, and requires approval by the state board of education (state board) before the alternative curriculum may be implemented.) Requires public high schools, including charter high schools, to make an annual report to the DWD concerning career and technical education course availability, enrollment, completion, and subsequent employment. Provides that the board of trustees of Ivy Tech Community College shall establish an administrative structure for Ivy Tech Community College that provides the support necessary for: (1) workforce training programs, including programs designed for the direct entry of individuals into the workforce; and (2) programs to enhance the skills of workers. Requires Ivy Tech to employ two vice presidents. Provides that before November 1, 2016, and each November 1 thereafter, Ivy Tech Community College shall provide the budget committee certain information for each of Ivy Tech Community College's owned or operated campus locations or sites that offer ongoing academic programs and services. Requires Ivy Tech to annually report to the DWD concerning certificate programs available that are linked to third party certifications, including the enrollment, completion, and subsequent employment for students completing certificate programs. Requires Ivy Tech to annually report to the CHE, the DWD, and the legislative council concerning: (1) the elimination or restructuring of certain programs and services; (2) the development of courses and programs identified as being required to meet workforce needs; and (3) whether the resources available to Ivy Tech are sufficient. Requires the president of Ivy Tech to report each year concerning progress in the efforts to align courses and programs with the workforce needs and educational requirements within each works council region. Requires the Ivy Tech board of trustees to do the following in its development and adoption of programs leading to a

certificate and for workforce training programs: (1) Consider findings and recommendations that are submitted to the board of trustees by advisory committees. (2) Obtain and consider comments and input from Indiana employers and employer organizations. (3) Ensure that the programs are aligned with the primary purposes of Ivy Tech. Requires the state board to consider the workforce needs and training and education requirements reported by the DWD when the state board makes revisions to its long range state plan for secondary level career and technical education programs. Provides that in carrying out its duties to match education and training programs with current and future needs of the state's job market, the Indiana career council shall consider the workforce needs and training and education requirements reported by the DWD. Specifies that certain of these requirements sunset on July 1, 2020.

41 **(4) To the extent a campus has access to the information, the**
 42 **number of students who:**

- 1 (A) successfully completed a certificate program sequence;
 2 and
 3 (B) obtained employment in the field for which the student
 4 successfully completed a certificate program sequence.
 5 The report under this subsection must be submitted in the format
 6 required by the department of workforce development.
 7 (b) Not later than ninety (90) days after receiving the data
 8 provided under IC 22-4.1-4-13, Ivy Tech Community College shall
 9 report the following information to the commission for higher
 10 education, the department of workforce development, and the
 11 legislative council (in an electronic format under IC 5-14-6):
 12 (1) A list of programs that have been identified as having
 13 either:
 14 (A) insufficient student demand;
 15 (B) insufficient employer demand; or
 16 (C) insufficient graduation or transfer rates;
 17 as determined by the commission for higher education in the
 18 review under IC 21-18-9-10.5.
 19 (2) For each of the programs described in subdivision (1),
 20 information concerning whether the program will be
 21 eliminated, restructured, or placed on an improvement plan
 22 or whether no action will be taken regarding the program.
 23 (3) The status of system-wide restructuring of student support
 24 services recommended by the commission under
 25 IC 21-18-9-10.5(b)(1).
 26 (4) A target date for the development of courses and
 27 programs identified under IC 22-4.1-4-12 as being required to
 28 meet the workforce needs in one (1) or more regions
 29 designated under IC 20-19-6-3.
 30 (5) Information concerning whether the resources available
 31 to Ivy Tech Community College are sufficient to comply with
 32 IC 21-18-9-10.5 and section 8 of this chapter.
 33 (c) This section expires July 1, 2020.
 34 SECTION 10. IC 21-41-5-13 IS ADDED TO THE INDIANA
 35 CODE AS A NEW SECTION TO READ AS FOLLOWS
 36 [EFFECTIVE JANUARY 1, 2017]: Sec. 13. (a) The president of Ivy
 37 Tech Community College shall, before October 1 of each year,
 38 report to the governor, the budget committee, and the legislative
 39 council (in an electronic format under IC 5-14-6) concerning
 40 progress in the efforts to align career and technical education
 41 courses and programs and certification courses and programs with
 42 the workforce needs and educational requirements within each

1 **region designated under IC 20-19-6-3.**

2 **(b) This section expires July 1, 2020.**

3 SECTION 11. IC 21-41-5-14 IS ADDED TO THE INDIANA
4 CODE AS A NEW SECTION TO READ AS FOLLOWS
5 [EFFECTIVE JULY 1, 2016]: **Sec. 14. (a) The commissioner of the**
6 **department of workforce development or the commissioner's**
7 **designee shall be a member of each program advisory committee**
8 **established by Ivy Tech Community College.**

9 **(b) Each program advisory committee established by Ivy Tech**
10 **Community College shall do the following:**

11 **(1) Consider the workforce needs and training and education**
12 **needs identified in the occupational demand report prepared**
13 **by the department of workforce development under**
14 **IC 22-4.1-4-10.**

15 **(2) Submit to the board of trustees of Ivy Tech Community**
16 **College at a public meeting any findings or recommendations**
17 **of the advisory committee concerning those workforce needs**
18 **and training and education needs.**

19 **(c) This section expires July 1, 2020.**

20 SECTION 12. IC 21-41-5-15 IS ADDED TO THE INDIANA
21 CODE AS A NEW SECTION TO READ AS FOLLOWS
22 [EFFECTIVE JULY 1, 2016]: **Sec. 15. Before November 1, 2016, and**
23 **each November 1 thereafter, Ivy Tech Community College shall**
24 **provide the budget committee the following information for each**
25 **of Ivy Tech Community College's owned or operated campus**
26 **locations or sites that offer ongoing academic programs and**
27 **services:**

28 **(1) The number of students enrolled.**

29 **(2) The amount of square feet of each building.**

30 **(3) The operating or overhead costs associated with the**
31 **campus location or site.**

32 SECTION 13. IC 22-4.1-4-9, AS ADDED BY P.L.69-2015,
33 SECTION 38, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
34 UPON PASSAGE]: **Sec. 9. (a) Before December 1 of each year, the**
35 **department shall provide the department of education (established by**
36 **IC 20-19-3-1) with a report, to be used to determine career and**
37 **technical education grant amounts in the state fiscal year beginning**
38 **after the year in which the report is provided, listing whether the labor**
39 **market demand for each generally recognized labor category is more**
40 **than moderate, moderate, or less than moderate. In the report, the**
41 **department shall categorize each of the career and technical education**
42 **programs using the following four (4) categories:**

- 1 (1) Programs that address employment demand for individuals in
 2 labor market categories that are projected to need more than a
 3 moderate number of individuals.
- 4 (2) Programs that address employment demand for individuals in
 5 labor market categories that are projected to need a moderate
 6 number of individuals.
- 7 (3) Programs that address employment demand for individuals in
 8 labor market categories that are projected to need less than a
 9 moderate number of individuals.
- 10 (4) All programs not covered by the employment demand
 11 categories of subdivisions (1) through (3).
- 12 (b) Before December 1 of each year, the department shall provide
 13 the department of education with a report, to be used to determine grant
 14 amounts that will be distributed under IC 20-43-8 in the state fiscal
 15 year beginning after the year in which the report is provided, listing
 16 whether the average wage level for each generally recognized labor
 17 category for which career and technical education programs are offered
 18 is a high wage, a moderate wage, or a less than moderate wage.
- 19 (c) In preparing the labor market demand report under subsection
 20 (a) and the average wage level report under subsection (b), the
 21 department shall **do the following:**
- 22 (1) If possible, list the labor market demand and the average wage
 23 level for specific regions, counties, and municipalities.
- 24 (2) **Consider the information included in the occupational
 25 demand report prepared by the department under section 10
 26 of this chapter.**
- 27 (d) If a new career and technical education program is created by
 28 rule of the state board of education, the department shall determine the
 29 category in which the program should be included.
- 30 SECTION 14. IC 22-4.1-4-10 IS ADDED TO THE INDIANA
 31 CODE AS A NEW SECTION TO READ AS FOLLOWS
 32 [EFFECTIVE UPON PASSAGE]: **Sec. 10. (a) The department shall
 33 prepare an occupational demand report regarding:**
- 34 (1) **the expected workforce needs of Indiana employers for a
 35 ten (10) year projection; and**
- 36 (2) **the training and education that will be required to meet
 37 those expected workforce needs.**
- 38 **The department shall categorize these workforce needs and
 39 training and education requirements by job classification or
 40 generally recognized labor categories on a statewide basis and also
 41 for each region designated under the WIOA.**
- 42 (b) In preparing the report under subsection (a), the department

- 1 shall consult with the following:
- 2 (1) The commission for higher education.

24 (1) Provide coordination to align the various participants in the
 25 state's education, job skills development, and career training
 26 system.

27 (2) Match the education and skills training provided by the state's
 28 education, job skills development, and career training system with
 29 the currently existing and future needs of the state's job market.

30 **In carrying out its duties under this subdivision, the council**
 31 **must consider the workforce needs and training and**
 32 **education requirements identified in the occupational demand**
 33 **report prepared by the department of workforce development**
 34 **under IC 22-4.1-4-10.**

35 (3) In addition to the department's annual report provided under
 36 ~~IC 22-4.5-9-4~~, **IC 22-4.1-4-8**, submit, not later than August 1,
 37 2013, and not later than ~~November~~ **December** 1 each year
 38 thereafter, to the legislative council in an electronic format under
 39 IC 5-14-6 an inventory of current job and career training activities
 40 conducted by:

41 (A) state and local agencies; and

42 (B) whenever the information is readily available, private

1 groups, associations, and other participants in the state's
 2 education, job skills development, and career training system.
 3 The inventory must provide at least the information listed in
 4 ~~IC 22-4.1-9-4(a)(1)~~ **IC 22-4.1-4-8(a)(1)** through
 5 ~~IC 22-4.1-9-4(a)(5)~~ **IC 22-4.1-4-8(a)(5)** for each activity in the
 6 inventory.

7 (4) Submit, not later than July 1, 2014, to the legislative council
 8 in an electronic format under IC 5-14-6 a strategic plan to
 9 improve the state's education, job skills development, and career
 10 training system. The council shall submit, not later than
 11 December 1, 2013, to the legislative council in an electronic
 12 format under IC 5-14-6 a progress report concerning the
 13 development of the strategic plan. The strategic plan developed
 14 under this subdivision must include at least the following:

15 (A) Proposed changes, including recommended legislation and
 16 rules, to increase coordination, data sharing, and
 17 communication among the state, local, and private agencies,
 18 groups, and associations that are involved in education, job
 19 skills development, and career training.

20 (B) Proposed changes to make Indiana a leader in employment
 21 opportunities related to the fields of science, technology,
 22 engineering, and mathematics (commonly known as STEM).

23 (C) Proposed changes to address both:

24 (i) the shortage of qualified workers for current employment
 25 opportunities; and

26 (ii) the shortage of employment opportunities for individuals
 27 with a baccalaureate or more advanced degree.

28 (5) Complete, not later than August 1, 2014, a return on
 29 investment and utilization study of career and technical education
 30 programs in Indiana. The study conducted under this subdivision
 31 must include at least the following:

32 (A) An examination of Indiana's career and technical
 33 education programs to determine:

34 (i) the use of the programs; and

35 (ii) the impact of the programs on college and career
 36 readiness, employment, and economic opportunity.

37 (B) A survey of the use of secondary, college, and university
 38 facilities, equipment, and faculty by career and technical
 39 education programs.

40 (C) Recommendations concerning how career and technical
 41 education programs:

42 (i) give a preference for courses leading to employment in

- 1 high wage, high demand jobs; and
- 2 (ii) add performance based funding to ensure greater
- 3 competitiveness among program providers and to increase
- 4 completion of industry recognized credentials and dual
- 5 credit courses that lead directly to employment or
- 6 postsecondary study.
- 7 (6) Coordinate the performance of its duties under this chapter
- 8 with the Indiana works councils established by IC 20-19-6-4.
- 9 (b) In performing its duties, the council shall obtain input from the
- 10 following:
- 11 (1) Indiana employers and employer organizations.
- 12 (2) Public and private institutions of higher education.
- 13 (3) Regional and local economic development organizations.
- 14 (4) Indiana labor organizations.
- 15 (5) Individuals with expertise in career and technical education.
- 16 (6) Military and veterans organizations.
- 17 (7) Organizations representing women, African-Americans,
- 18 Latinos, and other significant minority populations and having an
- 19 interest in issues of particular concern to these populations.
- 20 (8) Individuals and organizations with expertise in the logistics
- 21 industry.
- 22 (9) Any other person or organization that a majority of the voting
- 23 members of the council determines has information that is
- 24 important for the council to consider.
- 25 **SECTION 19. An emergency is declared for this act.**
