35 (D) Any other organization that serves individuals with
36 brain injuries or family members and caregivers of an
37 individual with a brain injury.

38 (E) Urban and rural areas of Indiana.

39 (F) Minority populations of Indiana.

40 (b) A task force member does not receive compensation for
41 serving on the task force. However, each member of the task force
42 is entitled to:

1 (1) reimbursement for traveling expenses as provided under
2 IC 4-13-1-4; and

3 (2) other expenses actually incurred in connection with the
4 member's duties as provided in the state policies and
5 procedures established by the Indiana department of
6 administration and approved by the budget agency.

7 (c) A member's term of office on the task force is four (4) years.
8 A member may not serve more than two (2) consecutive terms.

9 (d) The office of the secretary shall staff the task force.

10 (e) The affirmative votes of a majority of the appointed
11 members are required for the task force to take action on any
12 measure, including the annual report.

13 Sec. 7. (a) The duties of the task force include the following:

14 (1) Before November 1, 2014, the development of:

15 (A) a comprehensive statewide plan to address the needs of
16 individuals with brain injuries and the families and
17 caregivers of such individuals; and

18 (B) strategies to accomplish the statewide plan.

19 (2) The preparation of an annual report to:

20 (A) the general assembly; and

21 (B) the governor;

22 concerning the status of brain injury services in Indiana and
23 the task force's plan to address any need for services. The
24 report must be submitted to the general assembly in an
25 electronic format under IC 5-14-6 and must also be posted on
26 the office of the secretary's Internet web site. The initial
27 report must be available not later than November 1, 2015.

28 (b) The task force may consult with experts to assist in carrying
29 out the task force's duties under this section.

30 Sec. 8. The comprehensive statewide plan described in section
31 7 of this chapter must include the following:

32 (1) A priority listing of needed services and a plan for
33 development of these services.

34 (2) The feasibility of the creation of a permanent division of
35 chronic brain injury within the office of the secretary to
36 coordinate policies, programs, and services for individuals
37 with:

38 (A) acquired brain injuries; and

39 (B) chronic brain injuries;

40 and the appropriate funding and staffing for the new division.

41 (3) Recommendations for the establishment of a permanent
42 brain injury account and funding for the account for use in

1 the development of strategic public-private partnerships that
2 expand brain injury services and other services for
3 individuals with a chronic brain injury.
4 **(4) Recommendations for:**
5 **(A) building provider capacity and provider training; and**
6 **(B) improving the coordination of brain injury services.**
7 **(5) Development and funding for a statewide public awareness**
8 **campaign.**
9 **Sec. 9. The office of the secretary and the state department of**
10 **health shall provide any requested relevant data and information**
11 **to the task force to carry out the duties of the task force.**
12 **Sec. 10. The office of the secretary shall encourage the**
13 **following:**
14 **(1) Cooperation and collaboration among state agencies**
15 **regarding the development of the comprehensive statewide**
16 **plan described in section 7 of this chapter.**
17 **(2) Community participation in implementation of a statewide**
18 **brain injury services program.**
19 **Sec. 11. The office of the secretary may accept, expend, and**
20 **retain any gifts, bequests, contributions, or grants from private**
21 **and public entities for the purposes of carrying out this chapter.**
22 **SECTION 7. An emergency is declared for this act.**
