11 Chapter 2. Findings and Purpose

12 Sec. 1. The nurse licensure compact is enacted and entered into
13 with all other jurisdictions that legally join the compact, which is,
14 in form, substantially the same as this article.

15 Sec. 2. The party states find the following:

- 16 (1) The health and safety of the public are affected by the
17 degree of compliance with and the effectiveness of
18 enforcement activities related to state nurse licensure laws.
19 (2) Violations of nurse licensure and other laws regulating the
20 practice of nursing may result in injury or harm to the public.
21 (3) The expanded mobility of nurses and the use of advanced
22 communication technologies as part of our nation's health
23 care delivery system require greater coordination and
24 cooperation among states in the areas of nurse licensure and
25 regulation.
26 (4) New practice modalities and technologies make
27 compliance with individual state nurse licensure laws difficult
28 and complex.
29 (5) The current system of duplicative licensure for nurses
30 practicing in multiple states is cumbersome and redundant for
31 nurses and states.
32 (6) Uniformity of nurse licensure requirements throughout
33 the states promotes public safety and public health benefits.

34 Sec. 3. The general purposes of this compact are to do the
35 following:

- 36 (1) Facilitate the states' responsibility to protect the public's
37 health and safety.
38 (2) Ensure and encourage the cooperation of party states in
39 the areas of nurse licensure and regulation.
40 (3) Facilitate the exchange of information between party
41 states in the areas of nurse regulation, investigation, and
42 adverse actions.

1 **(4) Promote compliance with laws governing the practice of**
 2 **nursing in each jurisdiction.**

3 **(5) Invest all party states with the authority to hold a nurse**
 4 **accountable for meeting all state practice laws in the state in**
 5 **which the patient is located at the time care is rendered**
 6 **through the mutual recognition of party state licenses.**

7 **(6) Decrease redundancies in the consideration and issuance**
 8 **of nurse licenses.**

9 **(7) Provide opportunities for interstate practice by nurses**
 10 **who meet uniform licensure requirements.**

11 **Chapter 3. General Provisions and Jurisdiction**

12 **Sec. 1. A multistate license issued by a home state to a resident**
 13 **in that state will be recognized by each party state as authorizing**
 14 **the resident to practice as a nurse under a multistate licensure**
 15 **privilege in each party state.**

16 **Sec. 2. A state must implement procedures for considering the**
 17 **criminal history records of applicants for initial multistate**
 18 **licensure or licensure by endorsement, including the submission of**
 19 **fingerprints or other biometric based information by applicants for**
 20 **the purpose of obtaining an applicant's criminal history record**
 21 **information from the Federal Bureau of Investigation and the**
 22 **agency responsible for retaining that state's criminal records.**

23 **Sec. 3. Each party state shall require the following for an**
 24 **applicant to obtain or retain a multistate license in the home state:**

25 **(1) The applicant meets the home state's qualifications for**
 26 **licensure or renewal of licensure, as well as all other**
 27 **applicable state laws.**

28 **(2) The applicant has either:**

29 **(A) graduated or is eligible to graduate from a licensing**
 30 **board approved licensed nurse prelicensure education**
 31 **program; or**

32 **(B) graduated from a foreign licensed nurse prelicensure**
 33 **education program that has been:**

34 **(i) approved by the authorized accrediting body in the**
 35 **applicable country; and**

36 **(ii) verified by an independent credentials review agency**
 37 **to be comparable to a licensing board approved**
 38 **prelicensure education program.**

39 **(3) If:**

40 **(A) English is not the applicant's native language; or**

41 **(B) the applicant graduated from a foreign prelicensure**
 42 **education program that was not taught in English;**

- 1 the applicant has successfully passed an English proficiency
 2 examination that includes the components of reading,
 3 speaking, writing, and listening.
- 4 (4) The applicant has successfully passed an NCLEX for
 5 registered nurses or NCLEX for practical nurses or
 6 recognized predecessor examination, as applicable.
- 7 (5) The applicant is eligible for or holds an active license
 8 without encumbrance.
- 9 (6) The applicant has submitted, in connection with an
 10 application for initial licensure or licensure by endorsement,
 11 fingerprints or other biometric data for the purpose of
 12 obtaining criminal history record information from the
 13 Federal Bureau of Investigation and the agency responsible
 14 for retaining that state's criminal records.
- 15 (7) The applicant has:
- 16 (A) not been convicted or found guilty; or
 17 (B) entered into an agreed disposition;
 18 of a felony offense under applicable state or federal criminal
 19 law.
- 20 (8) The applicant has:
- 21 (A) not been convicted or found guilty; or
 22 (B) entered into an agreed disposition;
 23 of a misdemeanor offense related to the practice of nursing, as
 24 determined on a case by case basis.
- 25 (9) The applicant is not currently enrolled in an alternative
 26 program.
- 27 (10) The applicant is subject to self-disclosure requirements
 28 regarding current participation in an alternative program.
- 29 (11) The applicant has a valid Social Security number.
- 30 Sec. 4. (a) All party states are authorized, in accordance with
 31 existing state due process law, to take adverse action against a
 32 nurse's multistate licensure privilege.
- 33 (b) If a party state takes an adverse action under subsection (a):
- 34 (1) the party state shall promptly notify the administrator of
 35 the coordinated licensure information system; and
- 36 (2) the administrator of the coordinated licensure information
 37 system shall promptly notify the home state of any adverse
 38 actions taken by remote states.
- 39 Sec. 5. (a) A nurse practicing in a party state shall comply with
 40 the state practice laws of the state in which the client is located at
 41 the time service is provided.
- 42 (b) The practice of nursing is not limited to patient care, but

1 includes all nursing practices as defined by the state practice laws
2 of the party state in which the client is located.

3 (c) The practice of nursing in a party state under a multistate
4 licensure privilege subjects a nurse to the jurisdiction of the
5 licensing board, the courts, and the laws of the party state in which
6 the client is located at the time service is provided.

7 Sec. 6. (a) Individuals not residing in a party state may apply for
8 a party state's single state license as provided under the laws of
9 each party state. However, a single state license granted to the
10 individual will not be recognized as granting the privilege to
11 practice nursing in any other party state.

12 (b) This compact does not affect the requirements established by
13 a party state for the issuance of a single state license.

14 Sec. 7. A nurse who holds a home state multistate license on the
15 effective date of this compact may retain and renew the multistate
16 license issued by the nurse's current home state. However, the
17 following apply:

18 (1) A nurse who changes primary state of residence after the
19 effective date of this compact shall meet all applicable
20 requirements of section 3 of this chapter to obtain a multistate
21 license from a new home state.

22 (2) If the nurse fails to satisfy the multistate licensure
23 requirements of section 3 of this chapter due to a
24 disqualifying event occurring after the effective date of this
25 compact:

26 (A) the nurse is ineligible to retain or renew a multistate
27 license; and

28 (B) the nurse's multistate license must be revoked or
29 deactivated in accordance with applicable rules adopted by
30 the commission.

31 **Chapter 4. Application for Nurse Licensure in a Party State**

32 Sec. 1. Upon receipt of an application for a multistate license,
33 the licensing board in the issuing party state shall ascertain,
34 through the coordinated licensure information system, whether:

35 (1) the applicant has ever held, or is the holder of, a license
36 issued by any other state;

37 (2) there are any encumbrances on any license or multistate
38 licensure privilege held by the applicant;

39 (3) any adverse action has been taken against any license or
40 multistate licensure privilege held by the applicant; and

41 (4) the applicant is currently participating in an alternative
42 program.

1 **Sec. 2. A nurse may hold a multistate license, issued by the home**
 2 **state, in only one (1) party state at a time.**

3 **Sec. 3. If a nurse changes primary state of residence by moving**
 4 **between two (2) party states, the nurse must apply for licensure in**
 5 **the new home state, and the multistate license issued by the prior**
 6 **home state will be deactivated in accordance with applicable rules**
 7 **adopted by the commission, including the following:**

8 **(1) The nurse may apply for licensure in advance of a change**
 9 **in primary state of residence.**

10 **(2) A multistate license must not be issued by the new home**
 11 **state until the nurse:**

12 **(A) provides satisfactory evidence of a change in primary**
 13 **state of residence to the new home state; and**

14 **(B) satisfies all applicable requirements to obtain a**
 15 **multistate license from the new home state.**

16 **Sec. 4. If a nurse changes primary state of residence by moving**
 17 **from a party state to a nonparty state, the multistate license issued**
 18 **by the prior home state will convert to a single state license, valid**
 19 **only in the former home state.**

20 **Chapter 5. Additional Authorities Invested in Party State**
 21 **Licensing Boards**

22 **Sec. 1. (a) In addition to the other powers conferred by state**
 23 **law, a licensing board may do any of the following:**

24 **(1) Take adverse action against a nurse's multistate licensure**
 25 **privilege to practice within that party state, as follows:**

26 **(A) Only the home state may take adverse action against a**
 27 **nurse's license issued by the home state.**

28 **(B) For purposes of taking adverse action, the home state**
 29 **licensing board shall:**

30 **(i) give the same priority and effect to reported conduct**
 31 **received from a remote state as it would if the conduct**
 32 **had occurred within the home state; and**

33 **(ii) apply the home state's laws to determine appropriate**
 34 **action.**

35 **(2) Issue cease and desist orders or impose other**
 36 **encumbrances on a nurse's authority to practice within that**
 37 **party state.**

38 **(3) With respect to pending investigations of a nurse who**
 39 **changes primary state of residence during the course of the**
 40 **investigations, the following:**

41 **(A) Complete the investigations.**

42 **(B) Take appropriate action.**

1 (4) Issue subpoenas for hearings and investigations that
 2 require the attendance and testimony of witnesses and for the
 3 production of evidence.

4 (5) For each nurse licensure applicant:

5 (A) obtain and submit fingerprints or other biometric
 6 based information to the Federal Bureau of Investigation
 7 for criminal background checks;

8 (B) receive the results of the Federal Bureau of
 9 Investigation record search on criminal background
 10 checks; and

11 (C) use the results in making licensure decisions.

12 (6) If otherwise permitted by state law, recover from the
 13 affected nurse the costs of investigations and disposition of
 14 cases resulting from any adverse action taken against the
 15 nurse.

16 (7) Take adverse action based on the factual findings of a
 17 remote state, according to the licensing board's own
 18 procedures for the adverse action.

19 (b) With respect to investigations described in subsection (a)(3):

20 (1) the licensing board shall promptly report the conclusions
 21 of the investigations to the administrator of the coordinated
 22 licensure information system; and

23 (2) the administrator of the coordinated licensure information
 24 system shall promptly notify the new home state of any
 25 actions taken under subsection (a)(3).

26 (c) Subpoenas issued by a licensing board in a party state for the
 27 attendance and testimony of witnesses or the production of
 28 evidence from another party state as described in subsection (a)(4)
 29 must be enforced in the other party state:

30 (1) by a court of competent jurisdiction; and

31 (2) according to the practice and procedure of the court
 32 applicable to subpoenas issued in proceedings pending before
 33 the court.

34 The issuing authority shall pay any witness fees, travel expenses,
 35 mileage, and other fees required by the service statutes of the state
 36 in which the witnesses or evidence are located.

37 Sec. 2. (a) If adverse action is taken by the home state against a
 38 nurse's multistate license, the nurse's multistate licensure privilege
 39 to practice in all other party states must be deactivated until all
 40 encumbrances have been removed from the multistate license.

41 (b) All home state disciplinary orders that impose adverse
 42 action against a nurse's multistate license must include a statement

1 that the nurse's multistate licensure privilege is deactivated in all
2 party states during the pendency of the order.

3 Sec. 3. (a) This compact does not override a party state's
4 decision that participation in an alternative program may be used
5 in lieu of adverse action.

6 (b) In the case of a party state decision described in subsection
7 (a), the home state licensing board shall deactivate the multistate
8 licensure privilege under the multistate license of the nurse for the
9 duration of the nurse's participation in the alternative program.

10 Chapter 6. Coordinated Licensure Information System and
11 Exchange of Information

12 Sec. 1. (a) All party states shall participate in a coordinated
13 licensure information system of all licensed nurses.

14 (b) The coordinated licensure information system must include
15 information submitted by party states:

16 (1) concerning the licensure and disciplinary history of each
17 nurse; and

18 (2) to assist in the coordination of nurse licensure and
19 enforcement.

20 Sec. 2. The commission, in consultation with the administrator
21 of the coordinated licensure information system, shall formulate
22 necessary and proper procedures for the identification, collection,
23 and exchange of information under this compact.

24 Sec. 3. All licensing boards shall promptly report to the
25 coordinated licensure information system any:

26 (1) adverse action;

27 (2) current significant investigative information;

28 (3) denials of applications and reasons for the denials; and

29 (4) nurse participation in alternative programs known to the
30 licensing board, regardless of whether the participation is
31 considered to be nonpublic or confidential under state law.

32 Sec. 4. Current significant investigative information and
33 participation in nonpublic or confidential alternative programs
34 must be transmitted through the coordinated licensure information
35 system only to party state licensing boards.

36 Sec. 5. Notwithstanding any other law, all party state licensing
37 boards contributing information to the coordinated licensure
38 information system may designate information that may not be
39 shared with nonparty states or disclosed to other entities or
40 individuals without the express permission of the contributing
41 state.

42 Sec. 6. Any personally identifiable information obtained from

1 the coordinated licensure information system by a party state
 2 licensing board must not be shared with nonparty states or
 3 disclosed to other entities or individuals except to the extent
 4 permitted by the laws of the party state contributing the
 5 information.

6 **Sec. 7. Information contributed to the coordinated licensure**
 7 **information system that is subsequently required to be expunged**
 8 **by the laws of the party state contributing that information must**
 9 **also be expunged from the coordinated licensure information**
 10 **system.**

11 **Sec. 8. The compact administrator of each party state shall**
 12 **furnish a uniform data set to the compact administrator of each**
 13 **other party state, which must include, at a minimum, the following:**

14 (1) **Identifying information.**

15 (2) **Licensure data.**

16 (3) **Information related to alternative program participation.**

17 (4) **Other information that may facilitate the administration**
 18 **of this compact, as determined by commission rules.**

19 **Sec. 9. The compact administrator of a party state shall provide**
 20 **all investigative documents and information requested by another**
 21 **party state.**

22 **Chapter 7. Establishment of the Interstate Commission of Nurse**
 23 **Licensure Compact Administrators**

24 **Sec. 1. (a) The party states create and establish a joint public**
 25 **entity known as the interstate commission of nurse licensure**
 26 **compact administrators.**

27 (b) **The commission is an instrumentality of the party states.**

28 (c) **Venue is proper, and judicial proceedings by or against the**
 29 **commission must be brought solely and exclusively in a court of**
 30 **competent jurisdiction where the principal office of the commission**
 31 **is located.**

32 (d) **The commission may waive venue and jurisdictional**
 33 **defenses to the extent the commission adopts or consents to**
 34 **participate in alternative dispute resolution proceedings.**

35 **Sec. 2. This compact does not waive sovereign immunity.**

36 **Sec. 3. (a) Each party state has and is limited to one (1)**
 37 **administrator. The head of the state licensing board of each party**
 38 **state, or designee, is the administrator of this compact for each**
 39 **party state. An administrator may be removed or suspended from**
 40 **office as provided by the law of the state from which the**
 41 **administrator is appointed.**

42 (b) **A vacancy occurring in the commission must be filled in**

1 accordance with the laws of the party state in which the vacancy
2 exists.

3 (c) Each administrator is entitled to one (1) vote with regard to
4 the promulgation of rules and creation of bylaws and shall
5 otherwise have an opportunity to participate in the business and
6 affairs of the commission. An administrator shall vote in person or
7 by other means provided in the bylaws. The bylaws may provide
8 for an administrator's participation in meetings by telephone or
9 other means of communication.

10 Sec. 4. The commission shall meet at least one (1) time during
11 each calendar year. Additional meetings must be held as set forth
12 in the bylaws or rules of the commission.

13 Sec. 5. All meetings must be open to the public, and public notice
14 of meetings must be given in the same manner as required under
15 the rulemaking provisions in IC 25-42-8.

16 Sec. 6. The commission may convene in a closed, nonpublic
17 meeting if the commission must discuss any of the following:

18 (1) Noncompliance of a party state with the party state's
19 obligations under this compact.

20 (2) The employment, compensation, discipline, or other
21 personnel matters, practices, or procedures related to specific
22 employees or other matters related to the commission's
23 internal personnel practices and procedures.

24 (3) Current, threatened, or reasonably anticipated litigation.

25 (4) Negotiation of contracts for the purchase or sale of goods,
26 services, or real estate.

27 (5) Accusing a person of a crime or formally censuring a
28 person.

29 (6) Disclosure of trade secrets or commercial or financial
30 information that is privileged or confidential.

31 (7) Disclosure of information of a personal nature where
32 disclosure would constitute a clearly unwarranted invasion of
33 personal privacy.

34 (8) Disclosure of investigatory records compiled for law
35 enforcement purposes.

36 (9) Disclosure of information related to reports prepared by
37 or on behalf of the commission for the purpose of
38 investigation of compliance with this compact.

39 (10) Matters specifically exempted from disclosure by federal
40 or state statute.

41 Sec. 7. (a) If a meeting or part of a meeting is closed under
42 section 6 of this chapter, the commission's legal counsel or designee

1 shall certify that the meeting may be closed and shall reference
2 each relevant exempting provision.

3 (b) The commission shall keep minutes that fully and clearly
4 describe all matters discussed in a meeting and shall provide a full
5 and accurate summary of actions taken, and the reasons for the
6 actions, including a description of the views expressed.

7 (c) All documents considered in connection with an action must
8 be identified in the minutes of the meeting.

9 (d) All minutes and documents of a closed meeting must remain
10 under seal, subject to release by a majority vote of the commission
11 or order of a court of competent jurisdiction.

12 Sec. 8. (a) The commission shall, by a majority vote of the
13 administrators, prescribe bylaws or rules to govern the
14 commission's conduct to carry out the purposes and exercise the
15 powers of this compact, including the following:

16 (1) Establishing the fiscal year of the commission.

17 (2) Providing reasonable standards and procedures:

18 (A) for the establishment and meetings of other

24 advance notice of all meetings and providing an opportunity
25 for attendance of the meetings by interested parties, including
26 the following:

27 (A) Enumerated exceptions designed to protect the public's
28 interest, the privacy of individuals, and proprietary
29 information, including trade secrets.

30 (B) A provision:

31 (i) allowing the commission to meet in closed session only
32 after a majority of the administrators vote with no proxy
33 voting to close a meeting in whole or in part; and

34 (ii) if the commission meets in closed session as described
35 in item (i), requiring the commission to, as soon as
36 practicable, make public a copy of the vote to close the
37 meeting and revealing the vote of each administrator.

38 (4) Establishing the titles, duties, and authority and

(6) Providing a mechanism for winding up the operations of the commission and the equitable disposition of any surplus funds that may exist after the termination of this compact after the payment or reserving of all of the commission's debts and obligations.

(b) Notwithstanding any civil service or other similar laws of any party state, the bylaws prescribed under this section exclusively govern the personnel policies and programs of the commission.

Sec. 9. The commission shall do all of the following:

- (1) Publish the commission's bylaws and rules and any amendments to the bylaws and rules in a convenient form on the Internet web site of the commission.
- (2) Maintain the commission's financial records in accordance with the bylaws.
- (3) Meet and take actions consistent with the provisions of this compact and the bylaws.

- (3) To purchase and maintain insurance and bonds.
- (4) To borrow, accept, or contract for services of personnel, including employees of a party state or nonprofit organizations.
- (5) To cooperate with other organizations that administer state compacts related to the regulation of nursing, including sharing administrative or staff expenses, office space, or other resources.
- (6) To hire employees, elect or appoint officers, fix compensation, define duties, grant the employees and officers appropriate authority to carry out the purposes of this compact, and to establish the commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and related personnel matters.

- 1 (7) To accept, receive, use, and dispose of appropriate
- 2 donations, grants, and gifts of money, equipment, supplies,
- 3 materials, and services while avoiding any appearance of
- 4 impropriety or conflict of interest.
- 5 (8) To lease, purchase, and accept appropriate gifts or
- 6 donations of, or otherwise to own, hold, improve, or use, any
- 7 real, personal, or mixed property while avoiding any
- 8 appearance of impropriety.
- 9 (9) To sell, convey, mortgage, pledge, lease, exchange,
- 10 abandon, or otherwise dispose of real, personal, or mixed
- 11 property.
- 12 (10) To establish a budget and make expenditures.
- 13 (11) To borrow money.
- 14 (12) To appoint committees, including advisory committees
- 15 comprised of administrators, state nursing regulators, state
- 16 legislators or their representatives, consumer representatives,
- 17 and other interested persons.
- 18 (13) To provide and receive information from, and to
- 19 cooperate with, law enforcement agencies.
- 20 (14) To adopt and use an official seal.
- 21 (15) To perform other necessary or appropriate functions to
- 22 achieve the purposes of this compact consistent with the state
- 23 regulation of nurse licensure and practice.

24 Sec. 11. (a) The commission shall pay, or provide for the
 25 payment of, the reasonable expenses of the commission's
 26 establishment, organization, and ongoing activities.

27 (b) The commission may also levy on and collect an annual
 28 assessment from each party state to cover the cost of the
 29 commission's operations, activities, and staff in the commission's
 30 annual budget as approved each year. The aggregate annual
 31 assessment amount, if any, must be allocated based on a formula
 32 determined by the commission by promulgation of a rule that is
 33 binding on all party states.

34 (c) The commission shall not:
 35 (1) incur an obligation of any kind before securing funds
 36 adequate to meet the obligation; or
 37 (2) pledge the credit of any party state, except by and with the
 38 authority of, the party state.

39 (d) The commission shall keep accurate accounts of all receipts
 40 and disbursements. The receipts and disbursements of the
 41 commission are subject to the audit and accounting procedures
 42 established under the commission's bylaws. However, all receipts

1 and disbursements of funds handled by the commission must be
2 audited annually by a certified or licensed public accountant, and
3 the report of the audit must be included in and be part of the
4 annual report of the commission.

5 Sec. 12. (a) The administrators, officers, executive director,
6 employees, and representatives of the commission are immune
7 from suit and liability, either personally or in their official
8 capacity, for any claim for damage to or loss of property, personal
9 injury, or another civil liability caused by or arising out of an
10 actual or alleged act, error, or omission that occurred, or that the
11 person against whom the claim is made had a reasonable basis for
12 believing occurred within the scope of commission employment,
13 duties, or responsibilities.

14 (b) Subsection (a) does not protect an administrator, officer,
15 executive director, employee, or representative of the commission
16 from suit or liability for any damage, loss, injury, or liability
17 caused by the intentional, willful, or wanton misconduct of that
18 person.

19 (c) The commission shall defend an administrator, officer,
20 executive director, employee, or representative of the commission
21 in a civil action seeking to impose liability arising out of an actual
22 or alleged act, error, or omission that occurred within the scope of
23 commission employment, duties, or responsibilities, or that the
24 person against whom the claim is made had a reasonable basis for
25 believing occurred within the scope of commission employment,
26 duties, or responsibilities.

27 (d) Subsection (c) does not do the following:

28 (1) Prohibit the administrator, officer, executive director,
29 employee, or representative of the commission from retaining
30 that person's own counsel.

31 (2) Require the commission to defend the administrator,
32 officer, executive director, employee, or representative of the
33 commission if the actual or alleged act, error, or omission
34 resulted from that person's intentional, willful, or wanton
35 misconduct.

36 (e) The commission shall indemnify and hold harmless an
37 administrator, officer, executive director, employee, or
38 representative of the commission for the amount of any settlement
39 or judgment obtained against that person arising out of an actual
40 or alleged act, error, or omission that occurred within the scope of
41 commission employment, duties, or responsibilities, or that the
42 person had a reasonable basis for believing occurred within the

1 scope of commission employment, duties, or responsibilities.

2 (f) Subsection (e) does not require the commission to indemnify
3 or hold harmless an administrator, officer, executive director,
4 employee, or representative of the commission if the actual or
5 alleged act, error, or omission resulted from the intentional, willful,
6 or wanton misconduct of that person.

7 **Chapter 8. Rulemaking**

8 **Sec. 1.** The commission shall exercise the commission's
9 rulemaking powers according to the criteria set forth in, and the
10 rules adopted under, this chapter. Rules and amendments are
11 binding as of the date specified in each rule or amendment and
12 have the same force and effect as provisions of this compact.

13 **Sec. 2.** Rules or amendments to the rules must be adopted at a
14 regular or special meeting of the commission.

15 **Sec. 3.** Before promulgation and adoption of a final rule by the
16 commission, and at least sixty (60) days before the meeting at
17 which the rule will be considered and voted on is held, the
18 commission shall file a notice of proposed rulemaking:

- 19 (1) on the Internet web site of the commission; and
20 (2) on the Internet web site of each licensing board or in the
21 publication in which each state would otherwise publish
22 proposed administrative rules.

23 **Sec. 4.** The notice of proposed rulemaking must include all of
24 the following:

- 25 (1) The proposed time, date, and location of the meeting at
26 which the rule will be considered and voted on.
27 (2) The text of the proposed rule or amendment and the
28 reason for the proposed rule.
29 (3) A request for comments on the proposed rule from any
30 interested person.
31 (4) The manner in which an interested person may submit:
32 (A) notice to the commission of the interested person's
33 intention to attend the public hearing; and
34 (B) written comments.

35 **Sec. 5. (a)** Before adoption of a proposed rule, the commission
36 shall allow persons to submit written data, facts, opinions, and
37 arguments.

38 (b) Submitted information and documents described in
39 subsection (a) must be made available to the public.

40 **Sec. 6. (a)** The commission shall grant an opportunity for a
41 public hearing before the commission adopts a rule or amendment.

42 (b) The commission shall publish the place, time, and date of the

1 scheduled public hearing.

2 (c) A public hearing must be conducted in a manner providing
3 each person who wishes to comment a fair and reasonable
4 opportunity to comment orally or in writing. All hearings must be
5 recorded and a copy of the record must be made available to the
6 public upon request.

7 (d) This section does not require a separate hearing on each
8 rule. Rules may be grouped for the convenience of the commission
9 at hearings required by this section.

10 (e) If no one appears at a public hearing, the commission may
11 proceed with promulgation of the proposed rule.

12 Sec. 7. (a) Following the scheduled hearing date, or by the close
13 of business on the scheduled hearing date if the hearing was not
14 held, the commission shall consider all written and oral comments
15 received.

16 (b) The commission shall, by majority vote of all administrators,
17 take final action on the proposed rule and determine the effective
18 date of the rule, if any, based on the rulemaking record and the full
19 text of the rule.

20 Sec. 8. (a) For purposes of this section, an emergency rule is a
21 rule that must be adopted immediately to do at least one (1) of the
22 following:

23 (1) Meet an imminent threat to public health, safety, or
24 welfare.

25 (2) Prevent a loss of commission or party state funds.

26 (3) Meet a deadline for the promulgation of an administrative
27 rule that is required by federal law or rule.

28 (b) Upon determination that an emergency exists, the
29 commission may consider and adopt an emergency rule without
30 prior notice, opportunity for comment, or hearing. However, the
31 usual rulemaking procedures provided in this compact and in this
32 chapter must be retroactively applied to the rule as soon as
33 reasonably possible, and in no event later than ninety (90) days
34 after the effective date of the rule.

35 Sec. 9. (a) The commission may direct revisions to a previously
36 adopted rule or amendment for purposes of correcting
37 typographical errors, errors in format, errors in consistency, or
38 grammatical errors.

39 (b) Public notice of any revisions must be posted on the Internet
40 web site of the commission. A revision is subject to challenge by
41 any person for thirty (30) days after posting. A revision may be
42 challenged only on grounds that the revision results in a material

1 change to a rule. A challenge must be made in writing and
 2 delivered to the commission prior to the end of the notice period.
 3 If no challenge is made, the revision will take effect without further
 4 action. If the revision is challenged, the revision may not take effect
 5 without the approval of the commission.

6 **Chapter 9. Oversight, Dispute Resolution, and Enforcement**

7 **Sec. 1. Each party state shall enforce this compact and take all**
 8 **actions necessary and appropriate to effectuate this compact's**
 9 **purposes and intent.**

10 **Sec. 2. The commission:**

11 (1) is entitled to receive service of process in a proceeding that
 12 may affect the powers, responsibilities, or actions of the
 13 commission; and

14 (2) has standing to intervene in a proceeding described in
 15 subdivision (1) for all purposes.

16 Failure to provide service of process in a proceeding to the
 17 commission renders a judgment or order void as to the
 18 commission, this compact, or promulgated rules.

19 **Sec. 3. If the commission determines that a party state has**
 20 **defaulted in the performance of the party state's obligations or**
 21 **responsibilities under this compact or the promulgated rules, the**
 22 **commission shall:**

23 (1) provide written notice to the defaulting state and other
 24 party states of the nature of the default, the proposed means
 25 of curing the default, or another action to be taken by the
 26 commission; and

27 (2) provide remedial training and specific technical assistance
 28 regarding the default.

29 **Sec. 4. (a) If a state in default fails to cure the default, the**
 30 **defaulting state's membership in this compact may be terminated**
 31 **upon an affirmative vote of a majority of the administrators, and**
 32 **all rights, privileges, and benefits conferred by this compact may**
 33 **be terminated on the effective date of termination.**

34 (b) A cure of the default does not relieve the offending state of
 35 obligations or liabilities incurred during the period of default.

36 **Sec. 5. Termination of membership in this compact must be**
 37 **imposed only after all other means of securing compliance have**
 38 **been exhausted. Notice of intent to suspend or terminate must be**
 39 **given by the commission to the governor of the defaulting state and**
 40 **to the executive officer of the defaulting state's licensing board and**
 41 **each of the party states.**

42 **Sec. 6. A state whose membership in this compact has been**

1 terminated is responsible for all assessments, obligations, and
2 liabilities incurred through the effective date of termination,
3 including obligations that extend beyond the effective date of
4 termination.

5 Sec. 7. The commission does not bear any costs related to a state
6 that is found to be in default or whose membership in this compact
7 has been terminated, unless agreed upon in writing between the
8 commission and the defaulting state.

9 Sec. 8. The defaulting state may appeal the action of the
10 commission by petitioning the United States District Court for the
11 District of Columbia or the federal district in which the
12 commission has the commission's principal offices. The prevailing
13 party must be awarded all costs of the litigation, including
14 reasonable attorney's fees.

15 Sec. 9. (a) Upon request by a party state, the commission shall
16 attempt to resolve disputes related to this compact that arise
17 among party states and between party and nonparty states.

18 (b) The commission shall promulgate a rule providing for both
19 mediation and binding dispute resolution for disputes, as
20 appropriate.

21 (c) If the commission cannot resolve disputes among party states
22 arising under this compact:

23 (1) the party states may submit the issues in dispute to an
24 arbitration panel, which must be comprised of individuals
25 appointed by the compact administrator in each of the
26 affected party states and an individual mutually agreed upon
27 by the compact administrators of all the party states involved
28 in the dispute; and

34 (b) By majority vote, the commission may initiate legal action
35 in the United States District Court for the District of Columbia or
36 the federal district in which the commission has the commission's
37 principal offices against a party state that is in default to enforce
38 compliance with the provisions of this compact and the
39 commission's promulgated rules and bylaws. The relief sought may
40 include both injunctive relief and damages. In the event judicial
41 enforcement is necessary, the prevailing party must be awarded all
42 costs of the litigation, including reasonable attorney's fees.

1 (c) The remedies described in this section are not the exclusive
2 remedies of the commission. The commission may pursue any other
3 remedies available under federal or state law.

4 **Chapter 10. Withdrawal and Amendment**

5 **Sec. 1. (a)** Any party state may withdraw from this compact by
6 enacting a statute repealing the compact. A party state's
7 withdrawal does not take effect until six (6) months after
8 enactment of the repealing statute.

9 (b) A party state's withdrawal or termination does not affect the
10 continuing requirement of the withdrawing or terminated state's
11 licensing board to report adverse actions and significant
12 investigations occurring before the effective date of the withdrawal
13 or termination.

14 (c) This compact does not invalidate or prevent any nurse
15 licensure agreement or other cooperative arrangement between a
16 party state and a nonparty state that is made in accordance with
17 the other provisions of this compact.

18 (d) This compact may be amended by the party states. An
19 amendment to this compact is not effective and binding on the
20 party states until the amendment is enacted into the laws of all
21 party states.

22 (e) Representatives of nonparty states to this compact must be
23 invited to participate in the activities of the commission, on a
24 nonvoting basis, before the adoption of this compact by all states.

25 **Chapter 11. Construction and Severability**

26 **Sec. 1.** This compact must be liberally construed so as to
27 effectuate the purposes of the compact. The provisions of this
28 compact are severable, and if any phrase, clause, sentence, or
29 provision of the compact is declared to be contrary to the
30 constitution of any party state or of the United States, or if the
31 applicability of the compact to any government, agency, person, or
32 circumstance is held invalid, the validity of the remainder of the
33 compact and the applicability of the compact to any government,
34 agency, person, or circumstance is not affected.

35 **Sec. 2.** If this compact is held to be contrary to the constitution
36 of any party state, the compact remains in full force and effect as
