Chapter 2. Findings and Purpose

Sec. 1. The nurse licensure compact is enacted and entered into with all other jurisdictions that legally join the compact, which is, in form, substantially the same as this article.

Sec. 2. The party states find the following:

- (1) The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws.**
- (2) Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public.**
- (3) The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation.**
- (4) New practice modalities and technologies make compliance with individual state nurse licensure laws difficult and complex.**
- (5) The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant for nurses and states.**
- (6) Uniformity of nurse licensure requirements throughout the states promotes public safety and public health benefits.**

Sec. 3. The general purposes of this compact are to do the following:

- (1) Facilitate the states' responsibility to protect the public's health and safety.**
- (2) Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation.**
- (3) Facilitate the exchange of information between party states in the areas of nurse regulation, investigation, and adverse actions.**
- (4) Promote compliance with laws governing the practice of nursing in each jurisdiction.**
- (5) Invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses.**
- (6) Decrease redundancies in the consideration and issuance of nurse licenses.**
- (7) Provide opportunities for interstate practice by nurses who meet uniform licensure requirements.**

- 1 **Chapter 3. General Provisions and Jurisdiction**
- 2 **Sec. 1. A multistate license issued by a home state to a resident**
- 3 **in that state will be recognized by each party state as authorizing**
- 4 **the resident to practice as a nurse under a multistate licensure**
- 5 **privilege in each party state.**
- 6 **Sec. 2. A state must implement procedures for considering the**
- 7 **criminal history records of applicants for initial multistate**
- 8 **licensure or licensure by endorsement, including the submission of**
- 9 **fingerprints or other biometric based information by applicants for**
- 10 **the purpose of obtaining an applicant's criminal history record**
- 11 **information from the Federal Bureau of Investigation and the**
- 12 **agency responsible for retaining that state's criminal records.**
- 13 **Sec. 3. Each party state shall require the following for an**
- 14 **applicant to obtain or retain a multistate license in the home state:**
- 15 **(1) The applicant meets the home state's qualifications for**
- 16 **licensure or renewal of licensure, as well as all other**
- 17 **applicable state laws.**
- 18 **(2) The applicant has either:**
- 19 **(A) graduated or is eligible to graduate from a licensing**
- 20 **board approved licensed nurse prelicensure education**
- 21 **program; or**
- 22 **(B) graduated from a foreign licensed nurse prelicensure**
- 23 **education program that has been:**
- 24 **(i) approved by the authorized accrediting body in the**
- 25 **applicable country; and**
- 26 **(ii) verified by an independent credentials review agency**
- 27 **to be comparable to a licensing board approved**
- 28 **prelicensure education program.**
- 29 **(3) If:**
- 30 **(A) English is not the applicant's native language; or**
- 31 **(B) the applicant graduated from a foreign prelicensure**
- 32 **education program that was not taught in English;**
- 33 **the applicant has successfully passed an English proficiency**
- 34 **examination that includes the components of reading,**
- 35 **speaking, writing, and listening.**
- 36 **(4) The applicant has successfully passed an NCLEX for**
- 37 **registered nurses or NCLEX for practical nurses or**
- 38 **recognized predecessor examination, as applicable.**
- 39 **(5) The applicant is eligible for or holds an active license**
- 40 **without encumbrance.**
- 41 **(6) The applicant has submitted, in connection with an**
- 42 **application for initial licensure or licensure by endorsement,**

1 fingerprints or other biometric data for the purpose of
 2 obtaining criminal history record information from the
 3 Federal Bureau of Investigation and the agency responsible
 4 for retaining that state's criminal records.

5 (7) The applicant has:

6 (A) not been convicted or found guilty; or
 7 (B) entered into an agreed disposition;
 8 of a felony offense under applicable state or federal criminal
 9 law.

10 (8) The applicant has:

11 (A) not been convicted or found guilty; or
 12 (B) entered into an agreed disposition;
 13 of a misdemeanor offense related to the practice of nursing, as
 14 determined on a case by case basis.

15 (9) The applicant is not currently enrolled in an alternative
 16 program.

17 (10) The applicant is subject to self-disclosure requirements
 18 regarding current participation in an alternative program.

19 (11) The applicant has a valid Social Security number.

20 Sec. 4. (a) All party states are authorized, in accordance with
 21 existing state due process law, to take adverse action against a
 22 nurse's multistate licensure privilege.

23 (b) If a party state takes an adverse action under subsection (a):

24 (1) the party state shall promptly notify the administrator of
 25 the coordinated licensure information system; and

26 (2) the administrator of the coordinated licensure information
 27 system shall promptly notify the home state of any adverse
 28 actions taken by remote states.

29 Sec. 5. (a) A nurse practicing in a party state shall comply with
 30 the state practice laws of the state in which the client is located at
 31 the time service is provided.

32 (b) The practice of nursing is not limited to patient care, but
 33 includes all nursing practices as defined by the state practice laws
 34 of the party state in which the client is located.

35 (c) The practice of nursing in a party state under a multistate
 36 licensure privilege subjects a nurse to the jurisdiction of the
 37 licensing board, the courts, and the laws of the party state in which
 38 the client is located at the time service is provided.

39 Sec. 6. (a) Individuals not residing in a party state may apply for
 40 a party state's single state license as provided under the laws of
 41 each party state. However, a single state license granted to the
 42 individual will not be recognized as granting the privilege to

1 practice nursing in any other party state.

2 (b) This compact does not affect the requirements established by
3 a party state for the issuance of a single state license.

4 Sec. 7. A nurse who holds a home state multistate license on the
5 effective date of this compact may retain and renew the multistate
6 license issued by the nurse's current home state. However, the
7 following apply:

8 (1) A nurse who changes primary state of residence after the
9 effective date of this compact shall meet all applicable
10 requirements of section 3 of this chapter to obtain a multistate
11 license from a new home state.

12 (2) If the nurse fails to satisfy the multistate licensure
13 requirements of section 3 of this chapter due to a
14 disqualifying event occurring after the effective date of this
15 compact:

16 (A) the nurse is ineligible to retain or renew a multistate
17 license; and

18 (B) the nurse's multistate license must be revoked or
19 deactivated in accordance with applicable rules adopted by
20 the commission.

21 Chapter 4. Application for Nurse Licensure in a Party State

22 Sec. 1. Upon receipt of an application for a multistate license,
23 the licensing board in the issuing party state shall ascertain,
24 through the coordinated licensure information system, whether:

25 (1) the applicant has ever held, or is the holder of, a license
26 issued by any other state;

27 (2) there are any encumbrances on any license or multistate
28 licensure privilege held by the applicant;

29 (3) any adverse action has been taken against any license or
30 multistate licensure privilege held by the applicant; and

31 (4) the applicant is currently participating in an alternative
32 program.

33 Sec. 2. A nurse may hold a multistate license, issued by the home
34 state, in only one (1) party state at a time.

35 Sec. 3. If a nurse changes primary state of residence by moving
36 between two (2) party states, the nurse must apply for licensure in
37 the new home state, and the multistate license issued by the prior
38 home state will be deactivated in accordance with applicable rules
39 adopted by the commission, including the following:

40 (1) The nurse may apply for licensure in advance of a change
41 in primary state of residence.

42 (2) A multistate license must not be issued by the new home

state until the nurse:

- (A) provides satisfactory evidence of a change in primary state of residence to the new home state; and
- (B) satisfies all applicable requirements to obtain a multistate license from the new home state.

Sec. 4. If a nurse changes primary state of residence by moving from a party state to a nonparty state, the multistate license issued by the prior home state will convert to a single state license, valid only in the former home state.

Chapter 5. Additional Authorities Invested in Party State Licensing Boards

Sec. 1. (a) In addition to the other powers conferred by state law, a licensing board may do any of the following:

- (1) Take adverse action against a nurse's multistate licensure privilege to practice within that party state, as follows:
 - (A) Only the home state may take adverse action against a nurse's license issued by the home state.
 - (B) For purposes of taking adverse action, the home state licensing board shall:
 - (i) give the same priority and effect to reported conduct received from a remote state as it would if the conduct had occurred within the home state; and
 - (ii) apply the home state's laws to determine appropriate action.
- (2) Issue cease and desist orders or impose other encumbrances on a nurse's authority to practice within that party state.
- (3) With respect to pending investigations of a nurse who changes primary state of residence during the course of the investigations, the following:
 - (A) Complete the investigations.
 - (B) Take appropriate action.
- (4) Issue subpoenas for hearings and investigations that require the attendance and testimony of witnesses and for the production of evidence.
- (5) For each nurse licensure applicant:
 - (A) obtain and submit fingerprints or other biometric based information to the Federal Bureau of Investigation for criminal background checks;
 - (B) receive the results of the Federal Bureau of Investigation record search on criminal background checks; and

1 **(C) use the results in making licensure decisions.**
2 **(6) If otherwise permitted by state law, recover from the**
3 **affected nurse the costs of investigations and disposition of**
4 **cases resulting from any adverse action taken against the**
5 **nurse.**
6 **(7) Take adverse action based on the factual findings of a**
7 **remote state, according to the licensing board's own**
8 **procedures for the adverse action.**
9 **(b) With respect to investigations described in subsection (a)(3):**
10 **(1) the licensing board shall promptly report the conclusions**
11 **of the investigations to the administrator of the coordinated**
12 **licensure information system; and**
13 **(2) the administrator of the coordinated licensure information**
14 **system shall promptly notify the new home state of any**
15 **actions taken under subsection (a)(3).**
16 **(c) Subpoenas issued by a licensing board in a party state for the**
17 **attendance and testimony of witnesses or the production of**
18 **evidence from another party state as described in subsection (a)(4)**
19 **must be enforced in the other party state:**
20 **(1) by a court of competent jurisdiction; and**

27 **Sec. 2. (a) If adverse action is taken by the home state against a**
28 **nurse's multistate license, the nurse's multistate licensure privilege**
29 **to practice in all other party states must be deactivated until all**
30 **encumbrances have been removed from the multistate license.**
31 **(b) All home state disciplinary orders that impose adverse**
32 **action against a nurse's multistate license must include a statement**
33 **that the nurse's multistate licensure privilege is deactivated in all**
34 **party states during the pendency of the order.**
35 **Sec. 3. (a) This compact does not override a party state's**
36 **decision that participation in an alternative program may be used**
37 **in lieu of adverse action.**
38 **(b) In the case of a party state decision described in subsection**
39 **(a), the home state licensing board shall deactivate the multistate**
40 **licensure privilege under the multistate license of the nurse for the**
41 **duration of the nurse's participation in the alternative program.**

 39 **from suit and liability, either personally or in their official**
 40 **capacity, for any claim for damage to or loss of property, personal**
 41 **injury, or another civil liability caused by or arising out of an**
 42 **actual or alleged act, error, or omission that occurred, or that the**

1 person against whom the claim is made had a reasonable basis for
2 believing occurred within the scope of commission employment,
3 duties, or responsibilities.

4 (b) Subsection (a) does not protect an administrator, officer,
5 executive director, employee, or representative of the commission
6 from suit or liability for any damage, loss, injury, or liability
7 caused by the intentional, willful, or wanton misconduct of that
8 person.

9 (c) The commission shall defend an administrator, officer,
10 executive director, employee, or representative of the commission
11 in a civil action seeking to impose liability arising out of an actual
12 or alleged act, error, or omission that occurred within the scope of
13 commission employment, duties, or responsibilities, or that the
14 person against whom the claim is made had a reasonable basis for
15 believing occurred within the scope of commission employment,
16 duties, or responsibilities.

17 (d) Subsection (c) does not do the following:

18 (1) Prohibit the administrator, officer, executive director,
19 employee, or representative of the commission from retaining
20 that person's own counsel.

21 (2) Require the commission to defend the administrator,
22 officer, executive director, employee, or representative of the
23 commission if the actual or alleged act, error, or omission
24 resulted from that person's intentional, willful, or wanton
25 misconduct.

26 (e) The commission shall indemnify and hold harmless an

32 person had a reasonable basis for believing occurred within the
33 scope of commission employment, duties, or responsibilities.

34 (f) Subsection (e) does not require the commission to indemnify
35 or hold harmless an administrator, officer, executive director,
36 employee, or representative of the commission if the actual or
37 alleged act, error, or omission resulted from the intentional, willful,
38 or wanton misconduct of that person.

39 **Chapter 8. Rulemaking**

40 **Sec. 1.** The commission shall exercise the commission's
41 rulemaking powers according to the criteria set forth in, and the
42 rules adopted under, this chapter. Rules and amendments are

1 binding as of the date specified in each rule or amendment and
2 have the same force and effect as provisions of this compact.

3 **Sec. 2. Rules or amendments to the rules must be adopted at a**
4 **regular or special meeting of the commission.**

5 **Sec. 3. Before promulgation and adoption of a final rule by the**
6 **commission, and at least sixty (60) days before the meeting at**
7 **which the rule will be considered and voted on is held, the**
8 **commission shall file a notice of proposed rulemaking:**

9 (1) on the Internet web site of the commission; and

10 (2) on the Internet web site of each licensing board or in the
11 publication in which each state would otherwise publish
12 proposed administrative rules.

13 **Sec. 4. The notice of proposed rulemaking must include all of**
14 **the following:**

15 (1) The proposed time, date, and location of the meeting at
16 which the rule will be considered and voted on.

17 (2) The text of the proposed rule or amendment and the
18 reason for the proposed rule.

19 (3) A request for comments on the proposed rule from any
20 interested person.

21 (4) The manner in which an interested person may submit:

22 (A) notice to the commission of the interested person's
23 intention to attend the public hearing; and

24 (B) written comments.

25 **Sec. 5. (a) Before adoption of a proposed rule, the commission**
26 **shall allow persons to submit written data, facts, opinions, and**
27 **arguments.**

28 (b) Submitted information and documents described in
29 subsection (a) must be made available to the public.

30 **Sec. 6. (a) The commission shall grant an opportunity for a**
31 **public hearing before the commission adopts a rule or amendment.**

32 (b) The commission shall publish the place, time, and date of the
33 scheduled public hearing.

34 (c) A public hearing must be conducted in a manner providing
35 each person who wishes to comment a fair and reasonable
36 opportunity to comment orally or in writing. All hearings must be
37 recorded and a copy of the record must be made available to the
38 public upon request.

39 (d) This section does not require a separate hearing on each
40 rule. Rules may be grouped for the convenience of the commission
41 at hearings required by this section.

42 (e) If no one appears at a public hearing, the commission may

1 proceed with promulgation of the proposed rule.

2 Sec. 7. (a) Following the scheduled hearing date, or by the close
3 of business on the scheduled hearing date if the hearing was not
4 held, the commission shall consider all written and oral comments
5 received.

6 (b) The commission shall, by majority vote of all administrators,
7 take final action on the proposed rule and determine the effective
8 date of the rule, if any, based on the rulemaking record and the full
9 text of the rule.

10 Sec. 8. (a) For purposes of this section, an emergency rule is a
11 rule that must be adopted immediately to do at least one (1) of the
12 following:

13 (1) Meet an imminent threat to public health, safety, or
14 welfare.

15 (2) Prevent a loss of commission or party state funds.

16 (3) Meet a deadline for the promulgation of an administrative
17 rule that is required by federal law or rule.

18 (b) Upon determination that an emergency exists, the
19 commission may consider and adopt an emergency rule without
20 prior notice, opportunity for comment, or hearing. However, the
21 usual rulemaking procedures provided in this compact and in this
22 chapter must be retroactively applied to the rule as soon as
23 reasonably possible, and in no event later than ninety (90) days
24 after the effective date of the rule.

25 Sec. 9. (a) The commission may direct revisions to a previously
26 adopted rule or amendment for purposes of correcting
27 typographical errors, errors in format, errors in consistency, or
28 grammatical errors.

29 (b) Public notice of any revisions must be posted on the Internet
30 web site of the commission. A revision is subject to challenge by
31 any person for thirty (30) days after posting. A revision may be
32 challenged only on grounds that the revision results in a material
33 change to a rule. A challenge must be made in writing and
34 delivered to the commission prior to the end of the notice period.
35 If no challenge is made, the revision will take effect without further
36 action. If the revision is challenged, the revision may not take effect
37 without the approval of the commission.

38 **Chapter 9. Oversight, Dispute Resolution, and Enforcement**

39 Sec. 1. Each party state shall enforce this compact and take all
40 actions necessary and appropriate to effectuate this compact's
41 purposes and intent.

42 Sec. 2. The commission:

1 (1) is entitled to receive service of process in a proceeding that
2 may affect the powers, responsibilities, or actions of the
3 commission; and

4 (2) has standing to intervene in a proceeding described in
5 subdivision (1) for all purposes.

6 Failure to provide service of process in a proceeding to the
7 commission renders a judgment or order void as to the
8 commission, this compact, or promulgated rules.

9 Sec. 3. If the commission determines that a party state has
10 defaulted in the performance of the party state's obligations or
11 responsibilities under this compact or the promulgated rules, the
12 commission shall:

13 (1) provide written notice to the defaulting state and other
14 party states of the nature of the default, the proposed means
15 of curing the default, or another action to be taken by the
16 commission; and

17 (2) provide remedial training and specific technical assistance
18 regarding the default.

19 Sec. 4. (a) If a state in default fails to cure the default, the
20 defaulting state's membership in this compact may be terminated
21 upon an affirmative vote of a majority of the administrators, and
22 all rights, privileges, and benefits conferred by this compact may
23 be terminated on the effective date of termination.

24 (b) A cure of the default does not relieve the offending state of
25 obligations or liabilities incurred during the period of default.

26 Sec. 5. Termination of membership in this compact must be
27 imposed only after all other means of securing compliance have
28 been exhausted. Notice of intent to suspend or terminate must be
29 given by the commission to the governor of the defaulting state and
30 to the executive officer of the defaulting state's licensing board and
31 each of the party states.

32 Sec. 6. A state whose membership in this compact has been
33 terminated is responsible for all assessments, obligations, and
34 liabilities incurred through the effective date of termination,
35 including obligations that extend beyond the effective date of
36 termination.

37 Sec. 7. The commission does not bear any costs related to a state
38 that is found to be in default or whose membership in this compact
39 has been terminated, unless agreed upon in writing between the
40 commission and the defaulting state.

41 Sec. 8. The defaulting state may appeal the action of the
42 commission by petitioning the United States District Court for the

1 District of Columbia or the federal district in which the
 2 commission has the commission's principal offices. The prevailing
 3 party must be awarded all costs of the litigation, including
 4 reasonable attorney's fees.

5 Sec. 9. (a) Upon request by a party state, the commission shall
 6 attempt to resolve disputes related to this compact that arise
 7 among party states and between party and nonparty states.

8 (b) The commission shall promulgate a rule providing for both
 9 mediation and binding dispute resolution for disputes, as
 10 appropriate.

11 (c) If the commission cannot resolve disputes among party states
 12 arising under this compact:

13 (1) the party states may submit the issues in dispute to an
 14 arbitration panel, which must be comprised of individuals
 15 appointed by the compact administrator in each of the
 16 affected party states and an individual mutually agreed upon
 17 by the compact administrators of all the party states involved
 18 in the dispute; and

19 (2) the decision of a majority of the arbitrators is final and
 20 binding.

21 Sec. 10. (a) The commission, in the reasonable exercise of the
 22 commission's discretion, shall enforce the provisions and rules of
 23 this compact.

24 (b) By majority vote, the commission may initiate legal action
 25 in the United States District Court for the District of Columbia or
 26 the federal district in which the commission has the commission's
 27 principal offices against a party state that is in default to enforce
 28 compliance with the provisions of this compact and the
 29 commission's promulgated rules and bylaws. The relief sought may
 30 include both injunctive relief and damages. In the event judicial
 31 enforcement is necessary, the prevailing party must be awarded all
 32 costs of the litigation, including reasonable attorney's fees.

33 (c) The remedies described in this section are not the exclusive
 34 remedies of the commission. The commission may pursue any other
 35 remedies available under federal or state law.

36 Chapter 10. Withdrawal and Amendment

37 Sec. 1. (a) Any party state may withdraw from this compact by
 38 enacting a statute repealing the compact. A party state's
 39 withdrawal does not take effect until six (6) months after
 40 enactment of the repealing statute.

41 (b) A party state's withdrawal or termination does not affect the
 42 continuing requirement of the withdrawing or terminated state's

1 licensing board to report adverse actions and significant
2 investigations occurring before the effective date of the withdrawal
3 or termination.

4 (c) This compact does not invalidate or prevent any nurse
5 licensure agreement or other cooperative arrangement between a
6 party state and a nonparty state that is made in accordance with
7 the other provisions of this compact.

8 (d) This compact may be amended by the party states. An
9 amendment to this compact is not effective and binding on the
10 party states until the amendment is enacted into the laws of all
11 party states.

12 (e) Representatives of nonparty states to this compact must be
13 invited to participate in the activities of the commission, on a
14 nonvoting basis, before the adoption of this compact by all states.

15 **Chapter 11. Construction and Severability**

16 **Sec. 1.** This compact must be liberally construed so as to
17 effectuate the purposes of the compact. The provisions of this
18 compact are severable, and if any phrase, clause, sentence, or
19 provision of the compact is declared to be contrary to the
20 constitution of any party state or of the United States, or if the
21 applicability of the compact to any government, agency, person, or
22 circumstance is held invalid, the validity of the remainder of the
23 compact and the applicability of the compact to any government,
24 agency, person, or circumstance is not affected.

25 **Sec. 2.** If this compact is held to be contrary to the constitution
26 of any party state, the compact remains in full force and effect as
27 to the:

28 (1) remaining party states; and

29 (2) party state affected;

30 as to all severable matters.

31 **Sec. 3.** This compact takes effect on July 1, 2019.
