32 (e) A student to whom this section applies may not request to

 34 corporation in which the student does not have legal settlement.

35 (f) If the number of requests to transfer into a school corporation  
 36 received by the date established for the school corporation under  
 37 subsection (b)(2) exceeds the capacity established for the school  
 38 corporation under subsection (b)(1), each timely request must be given  
 39 an equal chance to be accepted, with the exception that a student  
 40 described in subsection (h) shall be given priority. The governing body  
 41 must determine which students will be admitted as transfer students to  
 42 each school building and each grade level within the school corporation

- 1 by using a publicly verifiable random selection process.
- 2 (g) Except as provided in subsections (i), (j), (k), and (m), the  
3 governing body of a school corporation may not deny a request for a  
4 student to transfer into the school corporation based upon the student's  
5 academic record, scores on statewide assessment program tests,  
6 disciplinary record, or disability, or upon any other factor not related  
7 to the school corporation's capacity.
- 8 (h) Except as provided in subsections (i), (j), and (k), the governing  
9 body of a school corporation may not deny a request for a student to  
10 transfer into the school corporation if the student requesting to transfer:  
11 (1) is a member of a household in which any other member of the  
12 household is a student in the transferee school; or  
13 (2) has a parent who is an employee of the school corporation.
- 14 (i) A governing body of a school corporation may limit the number  
15 of new transfers to a school building or grade level in the school  
16 corporation:  
17 (1) to ensure that a student who attends a school within the school  
18 corporation as a transfer student during a school year may  
19 continue to attend the school in subsequent school years; and  
20 (2) to allow a student described in subsection (h) to attend a  
21 school within the school corporation.
- 22 (j) Notwithstanding subsections (f), (g), and (h), a governing body

24 the school corporation or may discontinue enrollment currently or in a  
25 subsequent school year, or establish terms or conditions for enrollment  
26 or for continued enrollment in a subsequent school year, if:  
27 (1) the student has been suspended (as defined in IC 20-33-8-7)  
28 or expelled (as defined in IC 20-33-8-3) during the twelve (12)

35 (D) for a violation of a school corporation's drug or alcohol  
36 rules; or  
37 (2) the student has had a history of unexcused absences and the  
38 governing body of the school corporation believes that, based  
39 upon the location of the student's residence, attendance would be  
40 a problem for the student if the student is enrolled with the school  
41 corporation.
- 42 For purposes of subdivision (1)(A), student discipline received under

1 IC 20-33-8-25(b)(7) for a violation described in subdivision (1)(B)  
 2 through (1)(D) shall be included in the calculation of the number of  
 3 school days that a student has been suspended.

4 (k) The governing body of a school corporation with a school  
 5 building that offers a special curriculum may require a student who  
 6 transfers to the school building to meet the same eligibility criteria  
 7 required of all students who attend the school building that offers the  
 8 special curriculum.

9 (l) The parent of a student for whom a request to transfer is made is  
 10 responsible for providing the school corporation to which the request  
 11 is made with records or information necessary for the school  
 12 corporation to determine whether the request to transfer may be denied  
 13 under subsection (j).

14 (m) Notwithstanding this section, the governing body of a school  
 15 corporation may authorize the school corporation to enter into an  
 16 agreement with ~~an~~ **a state** accredited nonpublic school or charter

24 (2) member of a household in which any other member of the  
 25 household was a transfer student who attended a school within the  
 26 school corporation during the 2012-2013 school year.

27 However, if a school corporation enrolls a student described in  
 28 subdivision (1) or (2), the school corporation shall also allow a student  
 29 or member of the same household of a student who attended ~~an~~ **a state**
