26 **(c) This subsection applies only to a municipality. A board (as**
 27 **defined in IC 8-22-1-5) may exercise the power of eminent domain**
 28 **under IC 8-22-2-10 or IC 8-22-3-15 within four (4) miles outside of**
 29 **the municipality's corporate boundaries. However, with regard to**
 30 **an airport in existence on January 1, 2019, the board (as defined in**

39 SECTION 5. IC 36-1-4-18 IS REPEALED [EFFECTIVE JULY 1,
 40 2019]. Sec. 18: ~~A municipality may exercise powers granted by~~
 41 ~~sections 5 and 6 of this chapter in areas within four (4) miles outside~~
 42 ~~its corporate boundaries.~~

1 SECTION 6. IC 36-7-4-205, AS AMENDED BY P.L.207-2014,
 2 SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 3 JULY 1, 2019]: Sec. 205. (a) ADVISORY. A municipal plan
 4 commission shall adopt a comprehensive plan, as provided for under
 5 the 500 series of the advisory planning law, for the development of the
 6 municipality.

7 **(b) ADVISORY. For comprehensive plans that were initially**
 8 **adopted before July 1, 2019, if the municipal plan commission**
 9 **provided in its comprehensive plan for the development of a**
 10 **contiguous unincorporated area that is outside the corporate**
 11 **boundaries of the municipality, the municipal plan commission**
 12 **may continue to exercise territorial jurisdiction over that area**
 13 **unless the jurisdiction of the municipal plan commission is**
 14 **terminated by the affected county as provided in subsection (h).**

15 **(c) ADVISORY. For comprehensive plans that are initially**
 16 **adopted after July 1, 1999, June 30, 2019, the following provisions**
 17 **apply:**

18 **(1) If the municipality is located in a county that has not**
 19 **adopted a comprehensive plan and ordinance covering the**
 20 **contiguous unincorporated area and ~~(†)~~ the municipality**
 21 **~~provides~~ is providing municipal services to the contiguous**
 22 **unincorporated area, ~~or~~ the municipal plan commission may**
 23 **exercise territorial jurisdiction over that area by filing the**
 24 **notices required by subsections (f) and (j).**

25 **(2) If the municipality is located in a county that has adopted**
 26 **a comprehensive plan and ordinance covering the contiguous**
 27 **unincorporated area, the municipal plan commission may**
 28 **exercise territorial jurisdiction over that area only if it obtains**
 29 **the approval of the county legislative body of each affected**
 30 **county under subsection (h).**

31 **(d) ADVISORY. To exercise territorial jurisdiction outside the**
 32 **corporate boundaries of the municipality, the municipal plan**
 33 **commission ~~may~~ must provide in the comprehensive plan (regardless**
 34 **of the date the plan is adopted) for the development of the contiguous**
 35 **unincorporated area, designated by the commission, ~~that is outside the~~**
 36 **~~corporate boundaries of the municipality, and that, in the judgment of~~**
 37 **the commission, bears reasonable relation to the development of the**
 38 **municipality. For purposes of this section, participation of a**
 39 **municipality in a fire protection territory established under IC 36-8-19**
 40 **that includes unincorporated areas contiguous to the municipality may**
 41 **not be treated as providing municipal services to the contiguous**
 42 **unincorporated areas.**

1 **(b) (e) ADVISORY.** Except as limited by the boundaries of
 2 unincorporated areas subject to the jurisdiction of other municipal plan
 3 commissions, an area designated under this section may include any
 4 part of the contiguous unincorporated area within two (2) miles from
 5 the corporate boundaries of the municipality. However, the following
 6 applies to the designation of an area under this section:

7 (1) If the corporate boundaries of the municipality or the
 8 boundaries of that contiguous unincorporated area include any
 9 part of the public waters or shoreline of a lake (which lies wholly
 10 within Indiana), the designated area may also include:

11 (A) any part of those public waters and shoreline of the lake;
 12 and

13 (B) any land area within two thousand five hundred (2,500)
 14 feet from that shoreline.

15 (2) This subdivision applies to a municipality that annexes
 16 noncontiguous territory under IC 36-4-3-4(a)(2) or
 17 IC 36-4-3-4(a)(3). The boundaries of the noncontiguous territory
 18 (including territory that is enlarged under ~~subdivision~~
 19 IC 36-4-3-4(a)(2)(B) for the use of the wastewater treatment
 20 facility or water treatment facility) may not be considered a part
 21 of the corporate boundaries of the municipality for purposes of
 22 designating an area under this section.

23 **(c) (f) ADVISORY.** Before exercising their rights, powers, and
 24 duties of the advisory planning law with respect to an area designated
 25 under this section, a municipal plan commission must file, with the
 26 recorder of the county in which the municipality is located, a
 27 description or map defining the limits of that area. If the commission
 28 revises the limits, it shall file, with the recorder, a revised description
 29 or map defining those revised limits.

30 **(d) (g) ADVISORY.** If any part of the contiguous unincorporated
 31 area within the potential jurisdiction of a municipal plan commission
 32 is also within the potential jurisdiction of another municipal plan
 33 commission, the first municipal plan commission may exercise
 34 territorial jurisdiction over that part of the area within the potential
 35 jurisdiction of both municipal plan commissions that equals the product
 36 obtained by multiplying a fraction, the numerator of which is the area
 37 within the corporate boundaries of that municipality and the
 38 denominator of which is the total area within the corporate boundaries
 39 of both municipalities times the area within the potential jurisdiction
 40 of both municipal plan commissions. Furthermore, this commission
 41 may exercise territorial jurisdiction within those boundaries, enclosing
 42 an area reasonably compact and regular in shape, that the municipal

1 plan commission first acting designates.

2 ~~(e)~~ **(h)** ADVISORY. If the legislative body of a county adopts a
3 comprehensive plan and ordinance **after June 30, 2019**, covering the
4 unincorporated areas of the county, a municipal plan commission may
5 not exercise jurisdiction, as provided in this section, over any part of
6 that unincorporated area unless it is authorized by ordinance of the
7 legislative body of the county. This ordinance may be initiated by the
8 county legislative body or by petition duly signed and presented to the
9 county auditor by:

- 10 (1) not less than fifty (50) property owners residing in the area
11 involved in the petition;
12 (2) the county plan commission; or
13 (3) the municipal plan commission.

14 Before final action on the ordinance by the county legislative body, the
15 county plan commission must hold an advertised public hearing as
16 required for other actions of the county plan commission under the
17 advisory planning law. Upon the passage of the ordinance by the
18 county legislative body and the subsequent acceptance of jurisdiction
19 by the municipal plan commission, the municipal plan commission
20 shall exercise the same rights, powers, and duties conferred in this
21 section exclusively with respect to the contiguous unincorporated area.

22 **(i) ADVISORY.** The jurisdiction of a municipal plan commission,
23 as authorized under this ~~subsection~~, **section**, may be terminated by
24 ordinance at the discretion of the legislative body of the county, but
25 only if the county has adopted a comprehensive plan for that area that
26 is as comprehensive in scope and subject matter as that in effect by
27 municipal ordinance.

28 ~~(f)~~ **(j)** ADVISORY. Each municipal plan commission in a
29 municipality located in a county ~~having:~~

- 30 ~~(1) a population of less than ninety-five thousand (95,000); and~~
31 ~~(2) a county plan commission~~

32 that has **not** adopted, in accord with the advisory planning law, a
33 comprehensive plan and ordinance covering the unincorporated areas
34 of the county may, at any time, after filing notice with the county
35 recorder and the county ~~plan commission~~, **legislative body**, exercise or
36 reject territorial jurisdiction over any part of the area within two (2)
37 miles of the corporate boundaries of that municipality and within that
38 county, whether or not that commission has previously exercised that
39 jurisdiction, if the municipality is providing municipal services to the
40 area. ~~Within sixty (60) days after receipt of that notice, the county plan~~
41 ~~commission and the county legislative body shall have the county~~
42 ~~comprehensive plan and ordinance revised to reflect the decision of the~~

1 municipal plan commission exercising the option provided for in this
 2 subsection. If the municipality is not providing municipal services to
 3 the area, the municipal plan commission must obtain the approval of
 4 the county legislative body of each affected county before exercising
 5 jurisdiction.

6 ~~(g)~~ **(k)** AREA. Wherever in the area planning law authority is
 7 conferred to establish a comprehensive plan or an ordinance for its
 8 enforcement, the authority applies everywhere:

- 9 (1) within the county that is outside the municipalities; and
- 10 (2) within each participating municipality.

11 ~~(h)~~ **(l)** ADVISORY—AREA. Whenever a new town is incorporated
 12 in a county having a county plan commission or an area plan
 13 commission, that plan commission and its board of zoning appeals shall
 14 continue to exercise territorial jurisdiction within the town until the
 15 effective date of a town ordinance:

- 16 (1) establishing an advisory plan commission under section
 17 202(a) of this chapter; or
- 18 (2) adopting the area planning law under section 202(b) or 204 of
 19 this chapter.

20 Beginning on that effective date, the planning and zoning functions of

 - 17 under IC 19-7-9 (before its repeal on September 1, 1981);

18 of the corporate boundaries of the city and within the county in which
 19 the city is located. ~~for the purposes of this chapter.~~ The board may
 20 award damages to landowners for real property and property rights
 21 appropriated or injuriously affected and assess benefits to property
 22 beneficially affected. If the board cannot agree with the owners,
 23 lessees, or occupants of any real property selected by the board for the
 24 purposes of this chapter, the board may condemn the property as
 25 provided in this chapter, and, when not inconsistent with this chapter,
 26 may proceed under statutes governing the condemnation of land and
 27 rights-of-way for other public purposes.

28 (b) If the land or surface of the ground on, over, or across which it
 29 is necessary or advisable to establish, construct, or improve a
 30 boulevard, parkway, or pleasure driveway is already in use for another
 31 public purpose or has been condemned or appropriated for a use
 32 authorized by statute and is being used for that purpose by the entity
 33 appropriating it, the public use or prior condemnation does not bar the
 34 board from condemning the use of the ground for park purposes.
 35 However, the use by the board does not permanently prevent the use of
 36 the land or the surface of the ground for the prior public use or by the
 37 entity condemning or appropriating it. In a proceeding prosecuted by
 38 the board to condemn the use of land or the surface of the ground for
 39 purposes permitted by this chapter, the board must show that its
 40 proposed use will not permanently or seriously interfere with the
 41 continued use of the land or the surface of the ground.

42 SECTION 15. IC 36-10-5-2, AS AMENDED BY P.L.119-2012,

1 SECTION 238, IS AMENDED TO READ AS FOLLOWS
2 [EFFECTIVE JULY 1, 2019]: Sec. 2. (a) This section applies to:

3 (1) third class cities and towns, unless otherwise provided by law;
4 and

5 (2) each second class city that:

6 (A) adopted second class city status by ordinance under
7 IC 36-4-1-1.1, as a result of the 2010 federal decennial census;
8 and

9 (B) has adopted all or part of this section by ordinance or
10 resolution.

11 (b) As used in this section, "park authority" means:

12 (1) the municipal legislative body; or

13 (2) any of the following designated by the legislative body as the
14 park authority:

15 (A) The governing body of the school corporation.

16 (B) A recreation board.

17 (C) The municipal works board.

18 (D) Any other appropriate board or commission.

19 (c) If a recreation board is established under subsection (b)(2)(B),
20 it must consist of five (5) resident freeholders appointed by the city
21 executive or the town legislative body. At least one (1) member must
22 be a member of the governing body of the school corporation and no
23 members may serve on the municipal legislative body. All members
24 must be qualified by an interest in and knowledge of the social and
25 educational value of recreation. The members serve without
26 compensation. The members shall be appointed for four (4) year terms
27 from January 1 of the year of their appointment or until their successors
28 are appointed. The initial terms of board members, however, are as
29 follows:

30 (1) One (1) for a term of one (1) year.

31 (2) One (1) for a term of two (2) years.

32 (3) One (1) for a term of three (3) years.

33 (4) Two (2) for terms of four (4) years.

34 A vacancy shall be filled by the appointing authority for the remainder
35 of the unexpired term.

36 (d) The park authority shall manage all public parks, including
37 approaches, that belong to the municipality.

38 (e) If a municipality decides, by ordinance, to establish, lay out, or
39 improve a public park or grounds, or to make an extension of a park or
40 grounds, it may locate the park or grounds, including appurtenances,
41 and it may lay out and open the public ways necessary for the
42 improvement. If it is necessary to acquire land, water rights, or

1 easements, or a pool, lake, or natural stream of water, the park authority
 2 may condemn that property and take possession of it if it is located
 3 within ~~five (5)~~ **miles the corporate boundaries** of the municipality.
 4 Before the park authority condemns the property, it shall assess the
 5 damages to the owners of the property at a meeting of the authority.
 6 Additional condemnation proceedings are the same as those provided
 7 for the taking of property to open streets.

8 (f) The park authority may adopt rules concerning the laying out,
 9 improvement, preservation, ornamentation, and management of parks.
 10 The park authority shall allow monuments or buildings for libraries,
 11 works of art, or historical collections to be erected in a park, as long as
 12 they are under the control of the persons in charge of the park and no
 13 inclosure separates them from the rest of the park.

14 (g) The legislative body of the municipality may also levy a tax on
 15 all taxable property in the municipality to pay for park property and for
 16 its improvement. The legislative body may also borrow money and
 17 issue the bonds of the municipality at any rate of interest payable
 18 annually or semiannually and may sell them for at least par value. The
 19 money derived from the sale of bonds may be used only for the
 20 purchase or improvement of parks. The legislative body shall annually
 21 levy a tax sufficient to pay the interest on the debt on all taxable
 22 property in the municipality to create a sinking fund for the liquidation
 23 of the principal of the debt.

24 (h) If the park authority of a city decides to lease any buildings or
 25 grounds belonging to the city and located in a public park when they
 26 are not required for public use, the proceeds shall be deposited with the
 27 city fiscal officer to the credit of park funds and devoted to the
 28 improvement of public parks.

29 (i) Any nonreverting fund that was created under IC 19-7-6 (before
 30 its repeal on September 1, 1981) continues until abolished by ordinance
 31 of the municipal legislative body. The legislative body may include in
 32 the park authority's annual budget an item and an appropriation for the
 33 specific purposes of a nonreverting capital fund. Money put in the fund
 34 may not be withdrawn except for the purposes for which the fund was
 35 created, unless the legislative body repeals the ordinance creating the
 36 fund. The repeal may not be made under suspension of the rules.
 37 Money procured from fees shall be deposited at least once each month
 38 with the municipal fiscal officer. The fiscal officer shall deposit the
 39 money either in a special nonreverting operating fund or in the
 40 nonreverting capital fund as directed by the park authority. The
 41 legislative body may provide by ordinance that expenditures may be
 42 made from the special nonreverting operating fund without

1 appropriation. Money from fees procured from golf courses, swimming
 2 pools, skating rinks, or other similar facilities requiring major
 3 expenditures for management and maintenance may not be deposited
 4 in this fund. Money from either fund shall be disbursed only on
 5 approved claims that are allowed and signed in the same manner as
 6 other claims of the municipality are allowed and signed.

7 SECTION 16. [EFFECTIVE JANUARY 1, 2019
 8 (RETROACTIVE)] **(a) This SECTION applies only to a
 9 municipality that exercises the power of eminent domain in the
 10 area outside of its corporate boundaries under the sole authority

 14 **(3) IC 36-10-5-2 (before its amendment July 1, 2019).**

15 **(b) The repeal or amendment by this act of the statutes listed in

 20 resolution under IC 32-24-2-6; or**

 22 the property owner rejected the municipality's acquisition
 23 offer;**

24 **not later than January 1, 2019.**

25 **(c) This SECTION expires January 1, 2021.**

26 SECTION 17. An emergency is declared for this act.

Page 10, delete lines 1 through 27, begin a new paragraph and insert:

"SECTION 5. IC 36-7-4-205, AS AMENDED BY P.L.207-2014, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 205. (a) ADVISORY. A municipal plan commission shall adopt a comprehensive plan, as provided for under the 500 series of the advisory planning law, for the development of the municipality. For comprehensive plans adopted after ~~July 1, 1999;~~ **June 30, 2019**, if ~~(1) the municipality provides municipal services to the contiguous unincorporated area; or (2) the municipal plan commission obtains the approval of the county legislative body of each affected county, the municipal plan commission may provide in the comprehensive plan for the development of the contiguous unincorporated area, designated by the commission, that is outside the corporate boundaries of the municipality, and that, in the judgment of the commission, bears reasonable relation to the development of the municipality. For purposes of this section, participation of a municipality in a fire protection territory established under IC 36-8-19 that includes unincorporated areas contiguous to the municipality may not be treated as providing municipal services to the contiguous unincorporated areas.~~

(b) ADVISORY. Except as limited by the boundaries of unincorporated areas subject to the jurisdiction of other municipal plan commissions, an area designated under this section may include any part of the contiguous unincorporated area within two (2) miles from the corporate boundaries of the municipality. However, the following applies to the designation of an area under this section:

(1) If the corporate boundaries of the municipality or the boundaries of that contiguous unincorporated area include any part of the public waters or shoreline of a lake (which lies wholly within Indiana), the designated area may also include:

- (A) any part of those public waters and shoreline of the lake; and
- (B) any land area within two thousand five hundred (2,500)

feet from that shoreline.

(2) This subdivision applies to a municipality that annexes noncontiguous territory under IC 36-4-3-4(a)(2) or IC 36-4-3-4(a)(3). The boundaries of the noncontiguous territory (including territory that is enlarged under subdivision IC 36-4-3-4(a)(2)(B) for the use of the wastewater treatment facility or water treatment facility) may not be considered a part of the corporate boundaries of the municipality for purposes of designating an area under this section.

(c) **ADVISORY.** Before exercising their rights, powers, and duties of the advisory planning law with respect to an area designated under this section, a municipal plan commission must file, with the recorder of the county in which the municipality is located, a description or map defining the limits of that area. If the commission revises the limits, it shall file, with the recorder, a revised description or map defining those revised limits.

(d) **ADVISORY.** If any part of the contiguous unincorporated area within the potential jurisdiction of a municipal plan commission is also within the potential jurisdiction of another municipal plan commission, the first municipal plan commission may exercise territorial jurisdiction over that part of the area within the potential jurisdiction of both municipal plan commissions that equals the product obtained by multiplying a fraction, the numerator of which is the area within the corporate boundaries of that municipality and the denominator of which is the total area within the corporate boundaries of both municipalities times the area within the potential jurisdiction of both municipal plan commissions. Furthermore, this commission may exercise territorial jurisdiction within those boundaries, enclosing an area reasonably compact and regular in shape, that the municipal plan commission first acting designates.

(e) **ADVISORY.** If the legislative body of a county adopts a comprehensive plan and ordinance covering the unincorporated areas of the county, a municipal plan commission may not exercise jurisdiction, as provided in this section, over any part of that unincorporated area unless it is authorized by ordinance of the legislative body of the county. This ordinance may be initiated by the county legislative body or by petition duly signed and presented to the county auditor by:

- (1) not less than fifty (50) property owners residing in the area involved in the petition;
- (2) the county plan commission; or
- (3) the municipal plan commission.

Before final action on the ordinance by the county legislative body, the county plan commission must hold an advertised public hearing as required for other actions of the county plan commission under the advisory planning law. Upon the passage of the ordinance by the county legislative body and the subsequent acceptance of jurisdiction by the municipal plan commission, the municipal plan commission shall exercise the same rights, powers, and duties conferred in this section exclusively with respect to the contiguous unincorporated area. The jurisdiction of a municipal plan commission, as authorized under this subsection, may be terminated by ordinance at the discretion of the legislative body of the county, but only if the county has adopted a comprehensive plan for that area that is as comprehensive in scope and subject matter as that in effect by municipal ordinance.

~~(f)~~ **ADVISORY.** Each municipal plan commission in a municipality located in a county having:

- ~~(1)~~ a population of less than ninety-five thousand (95,000); and
- ~~(2)~~ a county plan commission that has adopted, in accord with the advisory planning law, a comprehensive plan and ordinance covering the unincorporated areas of the county;

~~may, at any time, after filing notice with the county recorder and the county plan commission, exercise or reject territorial jurisdiction over any part of the area within two (2) miles of the corporate boundaries of that municipality and within that county; whether or not that commission has previously exercised that jurisdiction; if the municipality is providing municipal services to the area. Within sixty (60) days after receipt of that notice, the county plan commission and the county legislative body shall have the county comprehensive plan and ordinance revised to reflect the decision of the municipal plan commission exercising the option provided for in this subsection. If the municipality is not providing municipal services to the area, the municipal plan commission must obtain the approval of the county legislative body of each affected county before exercising jurisdiction.~~

~~(g)~~ **(f) AREA.** Wherever in the area planning law authority is conferred to establish a comprehensive plan or an ordinance for its enforcement, the authority applies everywhere:

- (1) within the county that is outside the municipalities; and
- (2) within each participating municipality.

~~(h)~~ **(g) ADVISORY—AREA.** Whenever a new town is incorporated in a county having a county plan commission or an area plan commission, that plan commission and its board of zoning appeals shall continue to exercise territorial jurisdiction within the town until the effective date of a town ordinance:

- (1) establishing an advisory plan commission under section 202(a) of this chapter; or
- (2) adopting the area planning law under section 202(b) or 204 of this chapter.

Beginning on that effective date, the planning and zoning functions of the town shall be exercised under the advisory planning law or area planning law, as the case may be."

(a) The cost of all public notice advertising which any elected or appointed public official or governmental agency is required by law to have published, or orders published, for which the compensation to the newspapers, locality newspapers, or qualified publications publishing such advertising is drawn from and is the ultimate obligation of the public treasury of the governmental unit concerned with the advertising shall be charged to and collected from the proper fund of the public treasury and paid over to the newspapers, locality newspapers, or qualified publications publishing such advertising, after proof of publication and claim for payment has been filed.

(1) Before January 1, 1996, three dollars and thirty cents (\$3.30) per square for the first insertion in newspapers or qualified publications plus one dollar and sixty-five cents (\$1.65) per square for each additional insertion in newspapers, or qualified publications.

(2) After December 31, 1995, and before December 31, 2005, a newspaper or qualified publication may, effective January 1 of

However, the basic charges for the first insertion of a public notice in a newspaper or qualified publication may not exceed the lowest classified advertising rate charged to advertisers by the newspaper or qualified publication for comparable use of the same amount of space for other purposes and must include all multiple insertion discounts extended to the newspaper's other advertisers.

(4) After December 31, 2016, a newspaper, locality newspaper, or qualified publication may, effective January 1 of any year, increase the basic charges by not more than two and three-quarters percent (2.75%) more than the basic charges that were in effect during the previous year. However, the basic charges for the first insertion of a public notice in a newspaper, locality newspaper, or qualified publication may not exceed the lowest classified advertising rate charged to advertisers by the newspaper, locality newspaper, or qualified publication for comparable use of the same amount of space for other purposes and must include all multiple insertion discounts extended to the newspaper's, locality newspaper's, or qualified publication's other advertisers.

An additional charge of fifty percent (50%) shall be allowed for the publication of all public notice advertising containing rule or tabular work.

(c) Notwithstanding subsection (b), a political subdivision may not pay more than two hundred fifty dollars (\$250) for each insertion of a public notice. If a public notice that is required to be published:

- (1) exceeds the amount set forth in this subsection; or**
- (2) contains an error or mistake;**

publication of the public notice on the political subdivision's Internet web site satisfies the requirements of this chapter.

~~(c)~~ (d) All public notice advertisements shall be set in solid type that is at least 7 point type, without any leads or other devices for increasing space. All public notice advertisements shall be headed by not more than two (2) lines, neither of which shall total more than four (4) solid lines of the type in which the body of the advertisement is set. Public notice advertisements may be submitted by an appointed or elected official or a governmental agency to a newspaper, locality newspaper, or qualified publication in electronic form, if the newspaper, locality newspaper, or qualified publication is equipped to accept information in compatible electronic form.

~~(d)~~ (e) Each newspaper, locality newspaper, or qualified publication publishing public notice advertising shall submit proof of publication and claim for payment in duplicate on each public notice advertisement published. For each additional proof of publication required by a public official, a charge of one dollar (\$1) per copy shall be allowed each newspaper, locality newspaper, or qualified publication furnishing proof of publication.

~~(e)~~ (f) The circulation of a newspaper, locality newspaper, or qualified publication is determined as follows:

(1) For a newspaper, by the circulation stated on line 10.C. (Total Paid and/or Requested Circulation of Single Issue Published Nearest to Filing Date) of the Statement of Ownership, Management and Circulation required by 39 U.S.C. 3685 that was filed during the previous year.

(2) For a locality newspaper, by a verified affidavit filed with each agency, department, or office of the political subdivision that has public notices the locality newspaper wants to publish. The affidavit must:

(A) be filed with the agency, department, or office of the political subdivision before January 1 of each year; and

(B) attest to the circulation of the locality newspaper for the issue published nearest to October 1 of the previous year, as determined by an independent audit of the locality newspaper performed for the previous year.

(3) For a qualified publication, by a verified affidavit filed with each governmental agency that has public notices the qualified publication wants to publish. The affidavit must:

(A) be filed with the governmental agency before January 1 of each year; and

(B) attest to the circulation of the qualified publication for the issue published nearest to October 1 of the previous year."

"SECTION 6. IC 36-7-4-205, AS AMENDED BY P.L.207-2014, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 205. (a) ADVISORY. A municipal plan commission shall adopt a comprehensive plan, as provided for under the 500 series of the advisory planning law, for the development of the municipality.

(b) ADVISORY. For comprehensive plans that were initially adopted before July 1, 2019, if the municipal plan commission provided in its comprehensive plan for the development of a contiguous unincorporated area that is outside the corporate boundaries of the municipality, the municipal plan commission may continue to exercise territorial jurisdiction over that area unless the jurisdiction of the municipal plan commission is terminated by the affected county as provided in subsection (h).

(c) ADVISORY. For comprehensive plans that are initially adopted after July 1, 1999, June 30, 2019, the following provisions apply:

(1) If the municipality is located in a county that has not adopted a comprehensive plan and ordinance covering the contiguous unincorporated area and (†) the municipality provides is providing municipal services to the contiguous unincorporated area, or the municipal plan commission may exercise territorial jurisdiction over that area by filing the notices required by subsections (f) and (j).

(2) If the municipality is located in a county that has adopted a comprehensive plan and ordinance covering the contiguous unincorporated area, the municipal plan commission may exercise territorial jurisdiction over that area only if it obtains the approval of the county legislative body of each affected county under subsection (h).

(d) ADVISORY. To exercise territorial jurisdiction outside the corporate boundaries of the municipality, the municipal plan commission ~~may~~ **must** provide in the comprehensive plan **(regardless of the date the plan is adopted)** for the development of the contiguous unincorporated area, designated by the commission, ~~that is outside the corporate boundaries of the municipality,~~ and that, in the judgment of the commission, bears reasonable relation to the development of the municipality. For purposes of this section, participation of a municipality in a fire protection territory established under IC 36-8-19 that includes unincorporated areas contiguous to the municipality may not be treated as providing municipal services to the contiguous unincorporated areas.

~~(b)~~ **(e) ADVISORY.** Except as limited by the boundaries of unincorporated areas subject to the jurisdiction of other municipal plan commissions, an area designated under this section may include any part of the contiguous unincorporated area within two (2) miles from the corporate boundaries of the municipality. However, the following applies to the designation of an area under this section:

(1) If the corporate boundaries of the municipality or the boundaries of that contiguous unincorporated area include any part of the public waters or shoreline of a lake (which lies wholly within Indiana), the designated area may also include:

(A) any part of those public waters and shoreline of the lake; and

(B) any land area within two thousand five hundred (2,500) feet from that shoreline.

(2) This subdivision applies to a municipality that annexes noncontiguous territory under IC 36-4-3-4(a)(2) or IC 36-4-3-4(a)(3). The boundaries of the noncontiguous territory (including territory that is enlarged under ~~subdivision~~ IC 36-4-3-4(a)(2)(B) for the use of the wastewater treatment facility or water treatment facility) may not be considered a part of the corporate boundaries of the municipality for purposes of designating an area under this section.

~~(c)~~ **(f) ADVISORY.** Before exercising their rights, powers, and duties of the advisory planning law with respect to an area designated under this section, a municipal plan commission must file, with the recorder of the county in which the municipality is located, a description or map defining the limits of that area. If the commission revises the limits, it shall file, with the recorder, a revised description or map defining those revised limits.

~~(d)~~ **(g) ADVISORY.** If any part of the contiguous unincorporated

area within the potential jurisdiction of a municipal plan commission is also within the potential jurisdiction of another municipal plan commission, the first municipal plan commission may exercise territorial jurisdiction over that part of the area within the potential jurisdiction of both municipal plan commissions that equals the product obtained by multiplying a fraction, the numerator of which is the area within the corporate boundaries of that municipality and the denominator of which is the total area within the corporate boundaries of both municipalities times the area within the potential jurisdiction of both municipal plan commissions. Furthermore, this commission may exercise territorial jurisdiction within those boundaries, enclosing an area reasonably compact and regular in shape, that the municipal plan commission first acting designates.

(e) **(h) ADVISORY.** If the legislative body of a county adopts a comprehensive plan and ordinance **after June 30, 2019**, covering the unincorporated areas of the county, a municipal plan commission may not exercise jurisdiction, as provided in this section, over any part of that unincorporated area unless it is authorized by ordinance of the legislative body of the county. This ordinance may be initiated by the county legislative body or by petition duly signed and presented to the county auditor by:

- (1) not less than fifty (50) property owners residing in the area involved in the petition;
- (2) the county plan commission; or
- (3) the municipal plan commission.

Before final action on the ordinance by the county legislative body, the county plan commission must hold an advertised public hearing as required for other actions of the county plan commission under the advisory planning law. Upon the passage of the ordinance by the county legislative body and the subsequent acceptance of jurisdiction by the municipal plan commission, the municipal plan commission shall exercise the same rights, powers, and duties conferred in this section exclusively with respect to the contiguous unincorporated area.

(i) ADVISORY. The jurisdiction of a municipal plan commission, as authorized under this ~~subsection~~, **section**, may be terminated by ordinance at the discretion of the legislative body of the county, but only if the county has adopted a comprehensive plan for that area that is as comprehensive in scope and subject matter as that in effect by municipal ordinance.

(f) **(j) ADVISORY.** Each municipal plan commission in a municipality located in a county ~~having:~~

- (1) a population of less than ninety-five thousand (95,000); and

(2) a county plan commission

that has **not** adopted, in accord with the advisory planning law, a comprehensive plan and ordinance covering the unincorporated areas of the county may, at any time, after filing notice with the county recorder and the county ~~plan commission; legislative body~~, exercise or reject territorial jurisdiction over any part of the area within two (2) miles of the corporate boundaries of that municipality and within that county, whether or not that commission has previously exercised that jurisdiction, if the municipality is providing municipal services to the area. ~~Within sixty (60) days after receipt of that notice, the county plan commission and the county legislative body shall have the county comprehensive plan and ordinance revised to reflect the decision of the municipal plan commission exercising the option provided for in this subsection. If the municipality is not providing municipal services to the area, the municipal plan commission must obtain the approval of the county legislative body of each affected county before exercising jurisdiction.~~

~~(g)~~ **(k)** AREA. Wherever in the area planning law authority is conferred to establish a comprehensive plan or an ordinance for its enforcement, the authority applies everywhere:

- (1) within the county that is outside the municipalities; and
- (2) within each participating municipality.

~~(h)~~ **(l)** ADVISORY—AREA. Whenever a new town is incorporated in a county having a county plan commission or an area plan commission, that plan commission and its board of zoning appeals shall continue to exercise territorial jurisdiction within the town until the effective date of a town ordinance:

- (1) establishing an advisory plan commission under section 202(a) of this chapter; or
- (2) adopting the area planning law under section 202(b) or 204 of this chapter.

Beginning on that effective date, the planning and zoning functions of the town shall be exercised under the advisory planning law or area planning law, as the case may be."
