SENATE RESOLUTION No. 62

MADAM PRESIDENT:

I offer the following resolution and move its adoption:

1	A SENATE RESOLUTION urging the Indiana federal
2	congressional delegation to support efforts to assist victims of
3	sexual assault by military members in obtaining justice through
4	the Military Justice Improvement Act of 2017.
5	Whereas, The United States Military has an ongoing issue
6	with protecting military members against serious crimes,
7	including those related to sexual assault;
8	Whereas, Military members bringing forward reports of
9	Article 120 crimes including aggravated or abusive sexual
10	contact, sexual assault, or rape must go through the member's
11	chain of command in order to have charges brought against a
12	perpetrator through preferral and referral of charges;
13	Whereas, Only a third of military victims of sexual assault
14	crimes in 2016 reported the incident due to concerns about
15	being stigmatized, ridiculed, or experiencing retaliation if they
16	report being assaulted through their chain of command;
17	Whereas, The Military Justice Improvement Act of 2017
18	would remove charging actions out of the chain of command by
19	requiring military offenses with maximum punishments of

1	confinement over one year to have charges be preferred and
2	referred by an Armed Forces officer in grade O-6 or higher, is
3	available to be a trial counsel, has significant experience in
4	trials, and is outside the chain of command;
5	Whereas, Armed Forces Judge Advocates are the most-
6	equipped individuals within the military to make legal
7	judgments, including the preferral of charges, on serious
8	military offenses;
9	Whereas, Indiana houses multiple military installations
10	and deploys more troops per capita than other states to
11	support and defend the United States; and
12	Whereas, In order to remain combat-ready, military
13	members in Indiana and other states should not have the
14	added worry of reprisal or retaliation for bringing forward
15	reports of serious misconduct and deserve to be treated with
16	support through the military justice system: Therefore,
17	Be it resolved by the Senate of the
18	General Assembly of the State of Indiana:
19	SECTION 1. That the Indiana Senate urges the Indiana
20	federal congressional delegation to support efforts to assist
21	victims of sexual assault by military members in obtaining
22	justice through the Military Justice Improvement Act of 2017.
23	SECTION 2. The Secretary of the Senate is hereby directed
24	to transmit copies of this Resolution to each member of the
	1

Indiana federal congressional delegation.
