

STATE OF KANSAS

HOUSE OF REPRESENTATIVES

MR. CHAIRMAN:

I move to amend **House Substitute for SB 113**, on page 10, in line 23, after "2025" by inserting "*Provided further*, That expenditures shall be made by the above agency from the state foundation aid account to distribute the high-density at-risk student weighting to qualifying school districts: *And provided further*, That the high-density at-risk student weighting of a school district shall be the greater of the amounts calculated for such school district pursuant to the following two paragraphs: (1) (A) For a school district with an enrollment of at least 35% at-risk students but less than 50% at-risk students: (i) Subtract 35% from the percentage of at-risk students included in the enrollment of the school district; (ii) multiply such difference by 0.7; and (iii) multiply such product by the number of at-risk students included in the enrollment of the school district; or (B) for a school district with an enrollment of 50% or more at-risk students, multiply the number of at-risk students included in the enrollment of the school district by 0.105; or (2) (A) for any school in a school district with an enrollment of at least 35% but less than 50% at-risk students: (i) Subtract 35% from the percentage of at-risk students included in the enrollment of such school; (ii) multiply such difference by 0.7; and (iii) multiply such product by the number of at-risk students included in the enrollment of such school; (B) for any school in a school district with an enrollment of 50% or more at-risk students, multiply the number of at-risk students included in the enrollment of such school by 0.105; and (C) add the amounts determined pursuant to subparagraphs (A) or (B) for each such school in the school district: *And provided further*, That any school district that qualifies to receive the high-density at-risk student weighting shall spend any moneys attributable to such school district's high-density at-risk

student weighting on the at-risk best practices developed by the state board pursuant to K.S.A. 72-5153(d), and amendments thereto: *And provided further*, That if a school district that qualifies for the high-density at-risk student weighting does not spend such moneys on such best practices, the state board shall notify the school district that it shall repay such money to the school district's at-risk fund: *And provided further*, That on or before January 15, 2025, the state board shall notify the house and senate standing committees on education which school districts had to repay such money and the amount of such money such school district repaid for the preceding school year: *And provided further*, That if such school district does not spend such money on such best practices for three consecutive years, the school district shall not qualify to receive the high-density at-risk student weighting in the succeeding school year"
