

As Further Amended by House Committee

As Amended by House Committee

Session of 2011

HOUSE BILL No. 2018

By Special Committee on Education

1-18

1 AN ACT concerning school districts; relating to school finance; amending
2 K.S.A. ~~2010~~2011 Supp. 72-6455 and 72-6459 and repealing the
3 existing sections.

4
5 *Be it enacted by the Legislature of the State of Kansas:*

6 Section 1. K.S.A. ~~2010~~2011 Supp. 72-6455 is hereby amended to
7 read as follows: 72-6455. (a) (1) As used in this section, "school district"
8 means any district having: (1) (A) An enrollment of at least 50% at-risk
9 pupils; or (2) (B) an enrollment of at least 35.1% at-risk pupils and an
10 enrollment density of at least 212.1 pupils per square mile.

11 (b) (2) The high density at-risk pupil weighting of each school district
12 shall be determined by the state board by multiplying the number of at-risk
13 pupils by .10. The product is the high density at-risk pupil weighting of the
14 district.

15 (e) (3) ~~If a school district becomes ineligible for high density at-risk~~
16 ~~pupil weighting because enrollment of at-risk pupils in the district falls~~
17 ~~below the requirements of paragraph (1) subsection (a), the high density~~
18 ~~at-risk pupil weighting of the district shall be the greater of: (1) (A) The~~
19 ~~high density at-risk pupil weighting in the current school year; (2) (B) the~~
20 ~~high density at-risk pupil weighting in the prior school year; or (3) (C) the~~
21 ~~average of the high density at-risk pupil weighting in the current school~~
22 ~~year and the preceding two school years. The provisions of this subsection~~
23 ~~paragraph shall expire on June 30, 2011.~~

24 (4) ~~This subsection (a) shall expire on June 30 immediately preceding~~
25 ~~the school year for which the appropriation for general state aid is~~
26 ~~sufficient in an amount to fund the base state aid per pupil at an amount~~
27 ~~equal to or greater than \$4,492 commencement of the 2012-2013~~2013-
28 ~~2014 school year.~~

29 (b) (1) ~~This subsection (b) shall be effective on and after July 1 of~~
30 ~~the 2012-2013~~2013-2014 ~~school year for which the appropriation for~~
31 ~~general state aid is sufficient in an amount to fund the base state aid per~~
32 ~~pupil at an amount equal to or greater than \$4,492 and for each school~~
33 ~~year thereafter.~~

34 (2) *The high density at-risk pupil weighting of each school district*

1 shall be determined by the state board as follows:

2 (A) Except as provided in subparagraph (C), if the district has an
3 enrollment of at least 35%, but less than 50% at-risk pupils, the state
4 board shall:

5 (i) Subtract 35% from the percentage of at-risk enrollment in the
6 district;

7 (ii) multiply the amount determined under clause (i) by ~~.007~~.7; and

8 (iii) multiply the number of at-risk pupils enrolled in the district by
9 the product determined under clause (ii). The resulting product is the high
10 density at-risk pupil weighting of the district.

11 (B) If the district has an enrollment of 50% or more at-risk pupils, the
12 state board shall multiply the number of at-risk pupils by .105. The
13 resulting product is the high density at-risk pupil weighting of the district.

14 (C) If the district has an enrollment of at least 35.1% at-risk pupils
15 and an enrollment density of at least 212.1 pupils per square mile, the
16 state board shall multiply the number of at-risk pupils by .105. The
17 resulting product is the high density at-risk pupil weighting of the district.

18 Sec. 2. K.S.A. ~~2010~~2011 Supp. 72-6459 is hereby amended to read as
19 follows: 72-6459. (a) As used in this section, "school district" means any
20 district having an enrollment of at least 40% but less than 50% at-risk
21 pupils.

22 (b) The medium density at-risk pupil weighting of each school district
23 shall be determined by the state board by multiplying the number of at-risk
24 pupils by .06. The product is the medium density at-risk pupil weighting of
25 the district.

26 (c) ~~If a school district becomes ineligible for medium density at-risk~~
27 ~~pupil weighting because enrollment of at-risk pupils in the district falls~~
28 ~~below the requirement of subsection (a), the medium density at-risk pupil~~
29 ~~weighting of the district shall be the greater of: (1) The medium density at-~~
30 ~~risk pupil weighting in the current school year; (2) the medium density at-~~
31 ~~risk pupil weighting in the prior school year; or (3) the average of the~~
32 ~~medium density at-risk pupil weighting in the current school year and the~~
33 ~~preceding two school years.~~

34 The provisions of this subsection shall expire on June 30, 2011.

35 ~~(d) This section shall expire on June 30 immediately preceding the~~
36 ~~school year for which the appropriation for general state aid is sufficient in~~
37 ~~an amount to fund the base state aid per pupil at an amount equal to or~~
38 ~~greater than \$4,492 commencement of the 2012-20132013-2014 school~~
39 ~~year.~~

40 Sec. 3. K.S.A. ~~2010~~2011 Supp. 72-6455 and 72-6459 are hereby
41 repealed.

42 Sec. 4. This act shall take effect and be in force from and after its
43 publication in the statute book.
