22 amendments thereto.

23 ~~(c)~~ (d) The failure of the state historic preservation officer to initiate

36 agreement authorizing a city or county to make recommendations or to
37 perform any or all responsibilities of the state historic preservation officer
38 under subsections (a), ~~(b)~~ and ~~(c)~~ and (d) if the state historic

22 for the purpose of awarding grants to assist historic preservation projects
23 involving property included in the national register of historic places or the
24 state register of historic places, excluding property owned by the state or
25 federal government, and shall be used by the state historical society for the
26 administration of the heritage trust fund program. At least 50% of the
27 amount awarded annually in grants shall be used for the preservation of
28 eligible properties owned by county and local governments, county and
29 local historical societies and by private nonprofit organizations. The state
30 historical society may also provide grant assistance from moneys in the

33 may establish different matching fund requirements for the various types
34 of applicants, but the matching contributions required from for-profit
35 corporations shall be dollar for dollar. For-profit corporation applicants
36 shall be assisted only if the property's continued existence is threatened or
37 its rehabilitation is not economically feasible without grant assistance. The
38 state historical society shall ensure that such moneys are expended for the
39 purpose of this section, and may adopt rules and regulations as necessary
40 to carry out the purpose of this section.

41 (2) In evaluating grant applications involving historic preservation
42 projects under subsection (a)(1), the state historical society shall consider
43 the following factors: The level of historical significance of the property;

1 the condition of the property; the urgency of the preservation work
2 proposed; whether or not the property is endangered; the type of work
3 proposed; a geographical distribution of assisted properties; the
4 administrative ability of the applicant; the potential benefit to the
5 community and the state; community support for the project; ineligibility
6 of the project for other funds; and an assessment of the need of the owner
7 for the grant assistance to do the project. *The fact that a city has exempted*
8 *itself from provisions of subsection (a) of K.S.A. 75-2724, and amendments*
9 *thereto, and established its own standards to protect historic properties*
10 *shall have no effect on the evaluation of grant applications.*

11 (3) (A) The state historical society shall establish provisions to
12 recapture grant moneys in accordance with the following factors: If an
13 approved rehabilitated building is held by the grantee for longer than five
14 years after the completion of the grant project, there is no recapture of the
15 grant funds; if the owner, or designated heir, in the case of the owner's
16 death, disposes of the property after a holding period of less than one year
17 after the completion of the grant project, 100% of the grant is recaptured;
18 and for properties held between one and five years, the grant recapture
19 amount is reduced by 20% per year.

20 (B) The state historical society may inspect a rehabilitated property at
21 any time during the five-year period and may revoke or invalidate the
22 approval if work was not undertaken as presented in the grant application
23 or if further unapproved alterations have been made. Modifications made
24 during the five-year period following the completion of the grant shall be
25 made in accordance with standards established by the state historical
26 society.

27 (b) On or before the 10th of each month, the director of accounts and
28 reports shall transfer from the state general fund to the heritage trust fund
29 interest earnings based on:

30 (1) The average daily balance of moneys in the heritage trust fund for
31 the preceding month; and

32 (2) the net earnings rate for the pooled money investment portfolio
33 for the preceding month.

34 (c) Except as otherwise provided in this section, all expenditures from
35 the heritage trust fund shall be made in accordance with appropriation acts
36 upon warrants of the director of accounts and reports issued pursuant to
37 vouchers approved by the secretary of the state historical society or a
38 person designated by the secretary.

39 Sec. 3. K.S.A. 75-2729 and K.S.A. 2011 Supp. 75-2724 are hereby
40 repealed.

41 Sec. 4. This act shall take effect and be in force from and after its
42 publication in the statute book.
