1 waived or suspended under the general regulatory sandbox program.

2 (2) The regulatory relief division may:

3 (A) Review state laws and rules and regulations that may
4 unnecessarily inhibit the creation or success of new and existing
5 companies and provide recommendations to the governor and the
6 legislature on amending or repealing such state laws and rules and
7 regulations;

8 (B) create a framework for analyzing the risk level to the health,
9 safety and financial well-being of consumers related to repealing state
10 laws and repealing or waiving the requirements of rules and regulations
11 identified in subparagraph (A);

12 (C) propose potential reciprocity agreements between states that use
13 or are proposing to use similar general regulatory sandbox programs as
14 described in this section;

15 (D) adopt rules and regulations regarding the administration of the
16 general regulatory sandbox program, including rules and regulations that:

17 (i) Administer the general regulatory sandbox program; and

18 (ii) set forth the general regulatory sandbox program application
19 process and reporting requirements; and

20 (E) consult and cooperate with other agencies in the state relating to
21 the general regulatory sandbox program.

22 (c) (1) There is hereby established the general regulatory sandbox

36 house of representatives shall be for two-year renewable terms. Any
37 vacancy in the membership of the advisory committee shall be filled for
38 the unexpired term in the same manner as provided in this paragraph for
39 the original appointment. Notwithstanding the requirements of this
40 paragraph, the director may adjust the length of terms of appointments to
41 the advisory committee, so that approximately half of the advisory
42 committee is appointed every two years.

43 (3) The director shall select a chairperson from among the members

1 of the advisory committee on an annual basis. A quorum of the advisory
2 committee shall be a majority of the appointed members. All actions of the
3 advisory committee shall be by motion adopted by a majority of those

5 (4) The advisory council may meet at any time and at any place
6 within the state upon the call of the chairperson or a majority of the
7 members of the advisory council.

8 (5) The advisory committee shall advise and make recommendations
9 to the regulatory relief division as described in this section.

10 (6) The regulatory relief division shall provide assistance to the
11 advisory committee to prepare and publish meeting agendas, public
12 notices, meeting minutes and any research, data or information requested
13 by the advisory council.

14 (7) The advisory committee, in accordance with K.S.A. 75-4319, and
15 amendments thereto, may recess for a closed or executive meeting when it
16 is considering matters relating to applications submitted by applicants.

17 (8) If approved by the legislative coordinating council, legislative
18 members of the commission attending meetings authorized by the
19 commission shall be paid amounts for expenses, mileage and subsistence
20 as provided in K.S.A. 75-3223(e), and amendments thereto.

21 (d) Beginning in 2026, on or before the first day of each regular
22 legislative session, the director of the regulatory relief division shall
23 prepare and submit a report to the senate standing committee on commerce
24 and the house standing committee on commerce, labor and economic
25 development or their successor committees. Such report shall include:

26 (1) Information regarding each participant in the general regulatory
27 sandbox program, including which industries each participant represents;

28 (2) the anticipated or actual cost savings that each participant
29 experienced due to such participant's participation in the general regulatory
30 sandbox program;

31 (3) recommendations regarding any laws or rules and regulations that
32 should be repealed or amended;

33 (4) information regarding outcomes for consumers; and

34 (5) recommendations for changes to the general regulatory sandbox
35 program or other duties of the regulatory relief division.

36 New Sec. 3. (a) There is hereby created in the regulatory relief
37 division the general regulatory sandbox program. In the administration of
38 the general regulatory sandbox program, the regulatory relief division:

39 (1) Shall consult with each applicable state agency;

40 (2) shall establish a program to enable a person to obtain legal
41 protections and limited access to the market in the state to demonstrate an
42 innovative offering without obtaining a license, certification, registration
43 or other authorization that might otherwise be required by state law;

1 (3) may enter into agreements with or adopt the best practices of
2 corresponding federal regulatory agencies or other states that are
3 administering similar programs; and

4 (4) may consult with businesses in the state about existing or
5 potential proposals for the general regulatory sandbox program.

6 (b) (1) The regulatory relief division shall provide relevant
7 information regarding the regulatory sandbox program and how to apply
8 for the program. The regulatory relief division may provide assistance to
9 an applicant in preparing an application for submission.

10 (2) An applicant to the general regulatory sandbox program may
11 contact the regulatory relief division to request a consultation regarding
12 the general regulatory sandbox program before submitting an application.

13 (3) An applicant to the general regulatory sandbox program shall
14 provide to the regulatory relief division an application in a form prescribed
15 by the regulatory relief division that:

16 (A) Confirms that the applicant is subject to the jurisdiction of
17 Kansas;

18 (B) confirms that the applicant has established a physical or virtual
19 location in the state from where the demonstration of an innovative
20 offering will be developed and performed and where all required records,
21 documents and data will be maintained;

22 (C) contains relevant personal and contact information for the
23 applicant, including legal names, addresses, telephone numbers, email
24 addresses, website addresses and other information required by the
25 regulatory relief division;

26 (D) discloses criminal convictions of the applicant or other
27 participating personnel, if any;

28 (E) contains a description of the innovative offering to be
29 demonstrated, including statements regarding:

30 (i) How the offering is subject to licensing, legal prohibition or other
31 authorization requirements outside of the general regulatory sandbox
32 program;

33 (ii) each state statute and rule and regulation that the applicant seeks
34 to have waived or suspended while participating in the general regulatory
35 sandbox program;

36 (iii) how the offering would benefit consumers;

37 (iv) how the offering is different from other offerings available in the
38 state;

39 (v) what risks might exist for consumers who use or purchase the
40 offering;

41 (vi) how participating in the general regulatory sandbox program
42 would enable a successful demonstration of the offering;

43 (vii) a description of the proposed demonstration plan, including

1 estimated time periods for beginning and ending the demonstration;

2 (viii) recognition that the applicant will be subject to all laws and
3 rules and regulations pertaining to the applicant's offering after conclusion
4 of the demonstration; and

5 (ix) how the applicant will end the demonstration and protect
6 consumers if the demonstration fails;

7 (F) lists each agency, if any, that the applicant reasonably believes to
8 regulate the applicant's business; and

9 (G) provides any other required information as determined by the
10 regulatory relief office.

11 (4) For each application submitted the regulatory relief office may
12 collect a fee of not to exceed \$250.

13 (5) An applicant shall file a separate application for each innovative
14 offering that the applicant seeks to demonstrate.

15 (c) The application and any related information provided by the
16 applicant shall be confidential and privileged and not be subject to the
17 provisions of the Kansas open records act as provided by K.S.A. 45-215 et
18 seq., and amendments thereto. The provisions of this subsection shall
19 expire on July 1, 2029, unless the legislature reviews and reenacts this
20 provision pursuant to K.S.A. 45-229, and amendments thereto, prior to
21 July 1, 2029.

22 (d) After an application is filed, the regulatory relief office shall:

23 (1) Consult with each applicable agency that regulates the applicant's
24 business to determine if more information is needed from the applicant;
25 and

26 (2) seek any other information from the applicant that the regulatory
27 relief office determines is necessary for an application to be complete.

28 (e) Not later than five business days after the day when a complete
29 application is received, the regulatory relief office shall:

30 (1) Review the application and refer the application to each
31 applicable agency that regulates the applicant's business; and

32 (2) provide to the applicant an acknowledgment of receipt of the
33 application and the identity and contact information of each agency to
34 which the application has been referred for review.

35 (f) (1) Except as provided by this section, not later than 30 days after
36 the day when an applicable agency receives a complete application for
37 review, the applicable agency shall provide a written report to the director
38 of the applicable agency's findings. Such report shall:

39 (A) Describe any identifiable, likely and significant harm to the
40 health, safety or financial well-being of consumers against which the
41 relevant law or rule and regulation protects; and

42 (B) make a recommendation to the regulatory relief office that the
43 application either be admitted or denied entrance into the general

1 regulatory sandbox program.

2 (2) The applicable agency may request an additional five business
3 days to deliver the written report by providing notice to the director. Such
4 request shall automatically be granted, and the applicable agency may only
5 request one extension per application.

6 (3) If the applicable agency recommends that an application should
7 be denied entrance into the general regulatory sandbox program, the
8 written report shall include a description of the reasons for the
9 recommendation, including why a temporary waiver or suspension of the
10 relevant laws or rules and regulations is likely to significantly harm the
11 health, safety or financial well-being of consumers or the public and the
12 likelihood of such harm occurring.

13 (4) If the agency determines that the consumer's or public's health,
14 safety or financial well-being can be protected through less restrictive
15 means than the existing relevant laws or rules and regulations, the
16 applicable agency shall provide a recommendation of how such less
17 restrictive means can be achieved.

18 (5) If an applicable agency fails to deliver a written report as
19 described in this section, the director shall assume that the applicable
20 agency does not object to the temporary waiver or suspension of the
21 relevant laws or rules and rules and regulations for the application seeking
22 to participate in the general regulatory sandbox program.

23 (6) Notwithstanding any other provision of this section, an applicable
24 agency may:

25 (A) By written notice to the regulatory relief office not more than 30
26 days after the date when the applicable agency receives a completed
27 application for review, or within 35 days if an extension has been
28 requested by the applicable agency, reject an application if the applicable
29 agency determines, in the applicable agency's sole discretion, that the
30 applicant's offering fails to comply with standards or specifications
31 required by federal law or regulation or previously approved for use by a
32 federal agency; or

33 (B) reject an application preliminarily approved by the regulatory
34 relief office, if the applicable agency recommended rejection of the
35 application in the agency's written report and provides in the written notice
36 under subparagraph (A) a description of the applicable agency's reasons
37 why approval of the application would create a substantial risk of harm to
38 the health or safety of the public or create unreasonable expenses for
39 taxpayers in the state.

40 (7) If an applicable agency rejects an application under paragraph (6),
41 the regulatory relief office shall not approve such application.

42 (g) (1) Upon receiving a written report, the director shall provide the
43 application and the written report to the advisory committee.

1 (2) The director may call the advisory committee to meet, as needed,
2 but not less than once per quarter if applications are available for review.

3 (3) After receiving and reviewing the application and each written
4 report, the advisory committee shall provide to the director the advisory
5 committee's recommendation as to whether or not the applicant should be
6 admitted as a sandbox participant under this section.

7 (4) As part of the advisory committee's review of each written report,
8 the advisory committee shall use the criteria required for an applicable
9 agency as described in subsection (f).

10 (h) (1) In reviewing an application and each applicable agency's
11 written report, the regulatory relief office shall consult with each
12 applicable agency and the advisory committee before admitting an
13 applicant into the general regulatory sandbox program. Such consultation
14 may seek information regarding whether the applicable agency has
15 previously:

16 (A) Issued a license or other authorization to the applicant; and

17 (B) investigated, sanctioned or pursued legal action against the
18 applicant.

19 (2) In reviewing an application, if a competitor to an applicant is or
20 has been a regulatory relief sandbox program participant, the regulatory
21 relief office and each applicable agency shall weigh such competitor's
22 competition as a factor in favor of allowing the applicant to also become a
23 sandbox participant.

24 (i) In reviewing an application under this section, the regulatory relief
25 office shall consider if:

26 (1) The applicant's plan will adequately protect consumers from
27 potential harm identified by an applicable agency in the written report;

28 (2) the risk of harm to consumers is outweighed by the potential
29 benefits to consumers from the applicant's participation in the general
30 regulatory sandbox program; and

31 (3) certain state laws or rules and regulations that regulate an
32 offering should not be waived or suspended even if the applicant is
33 approved as a sandbox participant, including applicable antifraud or
34 disclosure provisions.

35 (j) An applicant becomes a sandbox participant if the regulatory relief
36 office approves the application and enters into a written agreement with
37 the applicant describing the specific laws and rules and regulations that are
38 waived or suspended as part of participation in the general regulatory
39 sandbox program.

40 (1) The regulatory relief office shall not enter into a written
41 agreement with an applicant that waives or suspends a tax, fee or charge
42 that is administered under the provisions of chapter 79 of the Kansas
43 Statutes Annotated, and amendments thereto.

1 (2) The director may deny any application submitted under this
2 section for any reason, including if the director determines that suspending
3 or waiving enforcement of a law or rule and regulation would cause a
4 significant risk of harm to consumers or residents of the state.

5 (3) (A) If the director denies an application, the regulatory relief
6 office shall provide to the applicant a written description of the reasons for
7 not allowing the applicant to be a sandbox participant.

8 (B) The denial of an application submitted under this section shall not
9 be subject to the administrative procedure act or the Kansas judicial review
10 act.

11 (C) The director shall deny an application for participation in the
12 general regulatory sandbox program described by this section if the
13 applicant or any person who seeks to participate with the applicant, in
14 demonstrating that an offering has been convicted, entered a plea of nolo
15 contendere for any crime involving significant theft, fraud or dishonesty if
16 the crime bears a significant relationship to the applicant's or other
17 participant's ability to safely and competently participate in the general
18 regulatory sandbox program.

19 (4) When an applicant is approved for participation in the general
20 regulatory sandbox program, the director may provide notice of the
21 approval to competitors of the applicant and to the public.

22 New Sec. 4. (a) If the regulatory relief office approves an application
23 under sections 1 through 3, and amendments thereto, the sandbox
24 participant shall have 12 months after the date when the application was
25 approved to demonstrate the offering described in the application.

26 (b) An offering that is demonstrated within the general regulatory
27 sandbox program is subject to the following limitations:

28 (1) Each consumer shall be a resident of Kansas; and

29 (2) no law or rule and regulation shall be waived or suspended if such
30 waiver or suspension would prevent a consumer from seeking restitution
31 in the event that the consumer is harmed.

32 (c) (1) A sandbox participant who holds a license or other
33 authorization in another jurisdiction shall not be restricted from acting in
34 accordance with that license or other authorization.

35 (2) A sandbox participant is deemed to possess an appropriate license
36 or other authorization under the laws of the state for the purposes of any
37 provision of federal law requiring licensure or other authorization by the
38 state.

39 (3) Except as provided in paragraph (5), during the demonstration
40 period, a sandbox participant shall not be subject to the enforcement of
41 state laws or rules and regulations identified in the written agreement
42 between the regulatory relief office and the sandbox participant described
43 in section 3(j), and amendments thereto;

1 (4) (A) A prosecutor shall not file or pursue charges pertaining to a
2 law or rule and regulation identified in the written agreement between the
3 regulatory relief office and the sandbox participant described in section
4 3(j), and amendments thereto, that occurs during the demonstration period;
5 and

6 (B) an agency shall not file or pursue any punitive action against a
7 sandbox participant, including a fine or license suspension or revocation,
8 for the violation of a law or rule and regulation that:

9 (i) Is identified as being waived or suspended in the written
10 agreement between the regulatory relief office and the sandbox participant
11 described in section 3(j), and amendments thereto; and

12 (ii) occurs during the demonstration period.

13 (5) A sandbox participant shall not have immunity related to any
14 criminal offense committed during the sandbox participant's participation
15 in the general regulatory sandbox program.

16 (6) By written notice, the regulatory relief office may end a sandbox
17 participant's participation in the general regulatory sandbox program at any
18 time and for any reason, including if the director determines that a sandbox
19 participant is not operating in good faith to bring an innovative offering to
20 market.

21 (7) The regulatory relief office and the regulatory relief office's
22 employees shall be not held liable for any business losses or the recouping of
23 application expenses or other expenses related to the general regulatory
24 sandbox program, including for:

25 (A) Denying an applicant's application to participate in the general
26 regulatory sandbox program; or

27 (B) ending a sandbox participant's participation in the general
28 regulatory sandbox program at any time for any reason.

29 New Sec. 5. (a) Before demonstrating an offering to a consumer, a
30 sandbox participant shall disclose to the consumer:

31 (1) The name and contact information of the sandbox participant;

32 (2) that the offering is authorized pursuant to the general regulatory
33 sandbox program and, if applicable, that the sandbox participant does not
34 have a license or other authorization to provide an offering under state
35 laws that regulate offerings outside of the general regulatory sandbox
36 program;

37 (3) that the offering is undergoing testing and may not function as
38 intended and may expose the consumer to certain risks as identified by the
39 applicable agency's written report;

40 (4) that the provider of the offering is not immune from civil liability
41 for any losses or damages caused by the offering;

42 (5) that the provider of the offering is not immune from criminal
43 prosecution for violations of state law or rules and regulations that are not

1 suspended or waived as allowed by the general regulatory sandbox
2 program;

3 (6) that the offering is a temporary demonstration that may be
4 discontinued at the end of the demonstration period;

5 (7) the expected end date of the demonstration period; and

6 (8) that a consumer may contact the regulatory relief office and file a
7 complaint regarding the offering being demonstrated and provide the
8 regulatory relief office's telephone number and website address where a
9 complaint may be filed.

10 (b) The disclosures required by subsection (a) shall be provided to a
11 consumer in a clear and conspicuous form, and for an offering on a
12 website or application, a consumer shall acknowledge receipt of the
13 disclosure before any transaction may be completed.

14 (c) The regulatory relief office may require that a sandbox participant
15 make additional disclosures to a consumer.

16 New Sec. 6. (a) At least 30 days before the end of the 12-month
17 general regulatory sandbox program demonstration period, a sandbox
18 participant shall:

19 (1) Notify the regulatory relief office that the sandbox participant will
20 leave the general regulatory sandbox program and discontinue the sandbox
21 participant's demonstration after the day on which the 12-month
22 demonstration period ends; or

23 (2) seek an extension pursuant to subsection (d).

24 (b) If the regulatory relief office does not receive notification
25 pursuant to subsection (a), the general regulatory sandbox program
26 demonstration period shall end at the end of the 12-month testing period.

27 (c) If a demonstration includes an offering that requires ongoing
28 duties, the sandbox participant may continue to do so but shall be subject
29 to enforcement of the laws or rules and regulations that were waived or
30 suspended as part of the general regulatory sandbox program.

31 (d) Not later than 30 days before the end of the 12-month general
32 regulatory sandbox program demonstration period, a sandbox participant
33 may request an extension of the general regulatory sandbox program
34 demonstration period.

35 (1) The regulatory relief office shall grant or deny a request for an
36 extension in accordance with subsection (a) by the end of the 12-month
37 general regulatory sandbox program testing period.

38 (2) The regulatory relief office may grant an extension in accordance
39 with this section for not more than 12 months after the end of the general
40 regulatory sandbox program demonstration period.

41 New Sec. 7. (a) A sandbox participant shall retain records, documents
42 and data produced in the ordinary course of business regarding an offering
43 demonstrated in the general regulatory sandbox program.

1 (1) If a sandbox participant ceases to provide an offering before the
2 end of a demonstration period, the sandbox participant shall notify the
3 regulatory relief office and each applicable agency and report on actions
4 taken by the sandbox participant to ensure consumers have not been
5 harmed as a result.

6 (2) The regulatory relief office shall establish quarterly reporting
7 requirements for a sandbox participant, including information about any
8 consumer complaints.

9 (3) The regulatory relief office may request records, documents and
10 data from a sandbox participant, and upon the regulatory relief office's
11 request, the sandbox participant shall make such records, documents and
12 data available for inspection by the regulatory relief office.

13 (b)(1) The sandbox participant shall notify the regulatory relief office
14 and each applicable agency of any incidents that result in harm to the
15 health, safety or financial well-being of a consumer.

16 (2) If a sandbox participant fails to notify the regulatory relief office
17 and each applicable agency of any incidents as described in this subsection
18 or the regulatory relief office or an applicable agency has evidence that
19 significant harm to a consumer has occurred, the regulatory relief office
20 may immediately remove the sandbox participant from the general
21 regulatory sandbox program.

22 (c) Not later than 30 days after the date when a sandbox participant
23 leaves the general regulatory sandbox program, the sandbox participant
24 shall submit an exit report to the regulatory relief office and each
25 applicable agency describing an overview of the sandbox participant's
26 demonstration, including any:

27 (1) Incidents of harm to consumers;

28 (2) legal action filed against the participant as a result of the
29 participant's demonstration; and

30 (3) complaints filed with an applicable agency as a result of the
31 participant's demonstration.

32 (d) Not later than 30 days after the date when an applicable agency
33 receives the quarterly reporting described in subsection (g) or an exit
34 report from a sandbox participant as described in subsection (c), the
35 applicable agency shall provide a written report to the regulatory relief
36 office on the demonstration that describes any statutory or regulatory
37 reform that the applicable agency recommends as a result of the
38 demonstration.

39 (e) The regulatory relief office may remove a sandbox participant
40 from the general regulatory sandbox program at any time if the regulatory
41 relief office determines that a sandbox participant has engaged in, is
42 engaging in, or is about to engage in any practice or transaction that is in
43 violation of sections 1 through 7, and amendments thereto, or constitutes a

1 violation of a law or rule and regulation for which suspension or waiver
2 has not been granted.

3 (f) The regulatory relief office shall create and maintain a website
4 that invites residents and businesses in the state to make suggestions
5 regarding laws and rules and regulations that could be modified or
6 eliminated to reduce the regulatory burden of residents and businesses in
7 the state.

8 (g) (1) On at least a quarterly basis, the regulatory relief office shall
9 compile the results of suggestions from the website and provide a report to
10 the governor, the senate standing committee on commerce and the house
11 standing committee on commerce, labor and economic development or
12 their successor committees.

13 (2) In creating such report, the regulatory relief office:

14 (A) Shall ensure that private information of residents and businesses
15 that make suggestions on the website is not made public; and

16 (B) may evaluate the suggestions and provide analysis and
17 suggestions regarding which state laws and rules and regulations could be
18 modified or eliminated to reduce the regulatory burden on residents and
19 businesses in the state while still protecting consumers.

20 Sec. 8. K.S.A. 75-4319 is hereby amended to read as follows: 75-
21 4319. (a) Upon formal motion made, seconded and carried, all public
22 bodies and agencies subject to the open meetings act may recess, but not

25 describing the subjects to be discussed during the closed or executive
26 meeting; (2) the justification listed in subsection (b) for closing the
27 meeting; and (3) the time and place at which the open meeting shall
28 resume. The complete motion shall be recorded in the minutes of the
