AN ACT concerning fees charged for services provided at hospital-based facilities.

Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) As used in this section and section 2, and amendments thereto:

(1) "Affiliated provider" means a provider that is:

(A) Employed by a hospital or health system;

(B) under a professional services agreement with a hospital or health system that permits such hospital or health system to bill on behalf of such provider; or

(C) a clinical faculty member of the medical school of the university of Kansas, who is affiliated with a hospital or health system in a manner that permits such hospital or health system to bill on behalf of such clinical faculty member;

(2) "Campus" means:

(A) The physical area immediately adjacent to a hospital's main buildings and other areas and structures that are not strictly contiguous to the main buildings but are located within two hundred fifty yards of the main buildings; or

(B) any other area that has been determined on an individual case basis by the centers for medicare and medicaid services to be part of a hospital's campus;

(3) "Facility fee" means any fee charged or billed by a hospital or health system for outpatient hospital services provided in a hospital-based facility that is:

(A) Intended to compensate the hospital or health system for the operational expenses of the hospital or health system; and

(B) separate and distinct from a professional fee;

(4) "Health system" means:

(A) A parent corporation of one or more hospitals and any entity affiliated with such parent corporation through ownership, governance, membership or other means; or

(B) a hospital and any entity affiliated with such hospital through ownership, governance, membership or other means;

(5) "Hospital" has the same meaning as provided in K.S.A. 65-425,
and amendments thereto;

(6) "Hospital-based facility" means a facility that is owned or operated, in whole or in part, by a hospital or health system where hospital or professional medical services are provided;

(7) "Professional fee" means any fee charged or billed by a provider for professional medical services provided in a hospital-based facility; and

(8) "Provider" means an individual, entity, corporation or health care provider, whether for profit or nonprofit, whose primary purpose is to provide professional medical services or diagnostic testing.

Sec. 2. (a) If a hospital or health system charges a facility fee utilizing a current procedural terminology evaluation and management (CPT E/M) code for outpatient services or diagnostic testing provided at a hospital-based facility where a professional fee is also expected to be charged, the hospital or health system shall provide the patient with a written notice that includes the following information:

(1) That the hospital-based facility is part of a hospital or health system and that the hospital or health system charges a facility fee that is in addition to and separate from the professional fee charged by the provider;

(2) (A) The amount of the patient's potential financial liability, including any facility fee likely to be charged, and, where professional medical services or diagnostic testing are provided by an affiliated provider, any professional fee likely to be charged, or, if the exact type and extent of the professional medical services needed are not known or the terms of a patient's health insurance coverage are not known with reasonable certainty, an estimate of the patient's financial liability based on typical or average charges for visits to the hospital-based facility, including the facility fee;

(B) A statement that the patient's actual financial liability will depend on the professional medical services actually provided to the patient; and

(C) An explanation that the patient may incur financial liability that is greater than the patient would incur if the professional medical services or diagnostic testing were not provided by a hospital-based facility; and

(3) That a patient covered by a health insurance policy should contact the health insurer for additional information regarding the hospital's or health system's charges and fees, including the patient's potential financial liability, if any, for such charges and fees.

(b) If a hospital or health system charges a facility fee without utilizing a current procedural terminology evaluation and management (CPT E/M) code for outpatient services provided at a hospital-based facility located outside the hospital campus, the hospital or health system shall provide the patient with a written notice that includes the following information:
(1) That the hospital-based facility is part of a hospital or health system and that the hospital or health system charges a facility fee that may be in addition to and separate from the professional fee charged by a provider;

(2) (A) A statement that the patient's actual financial liability will depend on the professional medical services actually provided to the patient; and

(B) an explanation that the patient may incur financial liability that is greater than the patient would incur if the hospital-based facility was not hospital-based; and

(3) that a patient covered by a health insurance policy should contact the health insurer for additional information regarding the hospital's or health system's charges and fees, including the patient's potential financial liability, if any, for such charges and fees.

(c) The written notice described in subsections (a) and (b) shall be in plain language and in a form that may be reasonably understood by a patient who does not possess special knowledge regarding hospital or health system facility fee charges.

(d) (1) For non-emergency care, if a patient's appointment is scheduled to occur 10 or more days after the appointment is made, such written notice shall be sent to the patient by first class mail, encrypted electronic mail or a secure patient internet portal not less than three days after the appointment is made. If an appointment is scheduled to occur less than 10 days after the appointment is made or if the patient arrives without an appointment, such notice shall be hand-delivered to the patient when the patient arrives at the hospital-based facility.

(2) For emergency care, such written notice shall be provided to the patient as soon as practicable after the patient is stabilized in accordance with the federal emergency medical treatment and active labor act, 42 U.S.C. § 1395dd, or is determined not to have an emergency medical condition and before the patient leaves the hospital-based facility. If the patient is unconscious, under great duress or for any other reason unable to read the notice and understand and act on such patient's rights, the notice shall be provided to such patient's representative as soon as practicable.

(e) Subsections (a) through (d) shall not apply if a patient is insured by medicare or medicaid or is receiving services under a workers compensation plan established to provide medical services pursuant to article 5 of chapter 44 of the Kansas Statutes Annotated, and amendments thereto.

(f) A hospital-based facility shall prominently display written notice in locations that are readily accessible to and visible by patients, including patient waiting areas, stating that:

(1) The hospital-based facility is part of a hospital or health system;
(2) if the hospital-based facility charges a facility fee, the patient may incur a financial liability greater than the patient would incur if the hospital-based facility was not hospital-based.

(g) A hospital-based facility shall clearly hold itself out to the public and payers as being hospital-based, including, at a minimum, by stating the name of the hospital or health system in its signage, marketing materials, internet web sites and stationery.

Sec. 3. This act shall take effect and be in force from and after its publication in the statute book.
