- (d) If any person, in writing, declines to register to vote, the voter registration agency shall maintain the form prescribed by subsection (c).
- (e) A voter registration agency shall transmit the completed registration application to the county election officer not later than five days after the date of acceptance. Upon receipt of such a request, the county election officer shall take

appropriate steps to ensure that such person's residence address is not publicly disclosed. Nothing in this subsection shall be construed as requiring or authorizing the secretary of state to include on the voter registration application form a space or other provision on the form that would allow the applicant to request that such applicant's residence address be concealed from public inspection.

- (j) No application for voter registration shall be made available for public inspection or copying unless the information required by subsection (b)(5) has been removed or otherwise rendered unreadable.
- (k) (1) If an applicant fails to answer the question prescribed in subsection (b)(15), the county election officer shall send the application to the applicant at the postal delivery address given on the application, by nonforwardable mail, with a notice of incompleteness. - (2) If the applicant fails to provide proof of United States citizenship and gives consent for the county election officer to obtain proof of United States citizenship as provided in subsection (b)(15), but the county election officer declines to obtain proof of United States citizenship for the applicant, the county election officer shall so notify the applicant and in addition, send the application and the notice as provided in paragraph (1) to the applicant.

If the certificate of birth is obtained for the applicant, it shall be obtained at no cost to the applicant. In the event the agency designated by the applicant refuses to provide or cannot provide the applicant's certificate of birth, the county election officer or chief state election official shall notify the applicant and may assist the applicant in obtaining proof of United States citizenship. After-a person has submitted satisfactory evidence of citizenship has been

 obtained, the county election officer shall indicate this information in the person's permanent voter file. Evidence of United States citizenship shall be satisfied by-providing one of the following, or a legible photocopy of one of the following documents:

- (1) The applicant's driver's license or nondriver's identification card issued by the division of vehicles or the equivalent governmental agency of another state within the United States if the agency indicates on the applicant's driver's license or nondriver's identification card that the person has provided satisfactory proof of United States citizenship;

If only the number of the certificate of naturalization is provided, the applicant shall not be included in the registration rolls until the number of the certificate of naturalization is verified with the United States bureau of citizenship and immigration services by the county election officer or the secretary of state, pursuant to 8 U.S.C. § 1373(c);
- (5) other documents or methods of proof of United States citizenship issued by the federal government pursuant to the immigration and nationality act of 1952, and amendments thereto;

- (1) Any applicant seeking an assessment of evidence under this subsection may directly contact the elections division of the secretary of state by submitting a voter registration application or form as described by this section and any supporting evidence of United States citizenship. Upon receipt of this information, the secretary of state shall notify the state election board, as established under K.S.A. 25-2203, and amendments thereto, that such application is pending.
- (2) The state election board shall give the applicant an opportunity for a hearing and an opportunity to present any additional evidence to the state election board. Notice of such hearing shall be given to the applicant at least five days prior to the hearing date. An applicant shall have the opportunity to be represented by counsel at such hearing.
- (3) The state election board shall assess the evidence provided by the applicant to determine whether—the applicant has provided satisfactory evidence of United States citizenship has been shown. A decision of the state election board shall be determined by a majority vote of the election board.

- (p) A registered Kansas voter who moves from one residence to another within the state of Kansas or who modifies such voter's registration records for any other reason shall not be required to submit evidence of United States citizenship.
- (q) If evidence of citizenship is deemed to be unsatisfactory due to an inconsistency between the document-submitted obtained as evidence and the name or sex provided on the application for registration, such applicant may sign an affidavit:
- (1) Stating the inconsistency or inconsistencies related to the name or sex, and the reason therefor; and
- (2) swearing under oath that, despite the inconsistency, the applicant is the individual reflected in the document provided *or obtained* as evidence of citizenship. However, there shall be no inconsistency between the date of birth on the document provided *or obtained* as evidence of citizenship and the date of birth provided on the application for registration. If such an affidavit is submitted by the applicant, the county election officer or secretary of state shall assess the eligibility of the applicant without regard to any inconsistency stated in the affidavit.
- (r) All documents submitted *or obtained* as evidence of citizenship shall be kept confidential by the county election officer or the secretary of state and maintained as provided by Kansas record retention laws. - (t) Nothing in this section shall prohibit an applicant from providing, or the secretary of state or county election officer from obtaining satisfactory evidence of United States citizenship, as described in subsection (1), at a different time or in a different manner than an application for registration is provided, as long as the applicant's eligibility can be adequately assessed by the secretary of state or county election officer as required by this section.
