The licensee shall have 30 days from receipt of the notice to cure the alleged failure or violation, if it can be cured. If the commission finds that the failure or violation has not been cured upon expiration of the 30 days or upon a later deadline granted by the commission, or if the alleged violation is of such a nature that it cannot be cured, the commission may proceed to suspend or revoke the licensee's license pursuant to subsection ~~(j)~~(j). Nothing in this subsection shall be construed to preclude the commission from imposing a fine pursuant to subsection ~~(j)~~(j) even if the violation is cured within 30 days or such other period as provided by the commission.

~~(k)~~(l) If an applicant for a facility owner license proposes to construct a racetrack facility and the commission determines that such license should be issued to the applicant, the commission shall issue to the applicant a facility owner license conditioned on the submission by the licensee to the commission, within a period of time prescribed by the commission, of a commitment for financing the construction of the racetrack facility by a financial institution or other source, subject to approval by the commission. If such commitment is not submitted within the period of time originally prescribed by the commission or such additional time as authorized by the commission, the license shall expire at the end of such period.

~~(l)~~(m) If a facility owner licensee's license authorizes the construction of a dual racetrack facility, such license shall be conditioned on the completion of such facility within a time specified by the commission. If, within the time specified by the commission, the licensee has not constructed a dual racetrack facility in accordance with the plans submitted to the commission pursuant to subsection (e), the commission, in accordance with the Kansas administrative procedure act, shall:

(1) Impose upon the licensee a civil fine equal to 5% of the total parimutuel pools for all races held at the licensee's facility on and after the date that racing with parimutuel wagering is first conducted at such facility and until the date that construction of the dual racetrack facility is completed and horse racing has begun; and

~~(n)~~(o) The grant or denial of an original facility owner license or facility manager license shall not be subject to the Kansas administrative procedure act. Such grant or denial shall be a matter to be determined in the sole discretion of the commission, whose decision shall be final upon the grant of a license to one of two or more competing applicants without the necessity of a hearing on the denial of a license to each other competing applicant. Any action for judicial review of such decision shall be by appeal to the supreme court in accordance with the Kansas judicial review act, except that the scope of review shall be limited to whether the action of the commission was arbitrary or capricious or constituted an abuse of discretion. All competing applicants for the facility owner license or facility manager license shall be parties to such appeal. Any such appeal shall have priority over other cases except those having statutory priority.

~~(n)~~(p) The commission may adopt rules and regulations regulating crossover employment between facility manager licensees and facility owner licensees and organization licensees.
