8
9 *Be it enacted by the Legislature of the State of Kansas:*

10 Section 1. K.S.A. 2013 Supp. 65-1113 is hereby amended to read as
11 follows: 65-1113. When used in this act and the act of which this section is
12 amendatory:

13 (a) "Board" means the board of nursing.

14 (b) "Diagnosis" in the context of nursing practice means that
15 identification of and discrimination between physical and psychosocial
16 signs and symptoms essential to effective execution and management of
17 the nursing regimen and shall be construed as distinct from a medical
18 diagnosis.

19 (c) "Treatment" means the selection and performance of those
20 therapeutic measures essential to effective execution and management of
21 the nursing regimen, and any prescribed medical regimen.

22 (d) *Practice of nursing.* (1) The practice of professional nursing as
23 performed by a registered professional nurse for compensation or
24 gratuitously, except as permitted by K.S.A. 65-1124, and amendments
25 thereto, means the process in which substantial specialized knowledge
26 derived from the biological, physical, and behavioral sciences is applied
27 to: the care, diagnosis, treatment, counsel and health teaching of persons
28 who are experiencing changes in the normal health processes or who
29 require assistance in the maintenance of health or the prevention or
30 management of illness, injury or infirmity; administration, supervision or
31 teaching of the process as defined in this section; and the execution of the
32 medical regimen as prescribed by a person licensed to practice medicine
33 and surgery ~~or~~, a person licensed to practice dentistry *or by a person*
34 *licensed to practice as an advanced practice registered nurse.* (2) The
35 practice of nursing as a licensed practical nurse means the performance for
36 compensation or gratuitously, except as permitted by K.S.A. 65-1124, and

1 any amendments thereto, of tasks and responsibilities defined in part (1) of
2 this subsection (d) which tasks and responsibilities are based on acceptable
3 educational preparation within the framework of supportive and restorative
4 care under the direction of a registered professional nurse, a person
5 licensed to practice medicine and surgery ~~or~~, a person licensed to practice
6 dentistry *or by a person licensed to practice as an advanced practice*
7 *registered nurse.*

8 (e) A "professional nurse" means a person who is licensed to practice
9 professional nursing as defined in part (1) of subsection (d) of this section.

10 (f) A "practical nurse" means a person who is licensed to practice
11 practical nursing as defined in part (2) of subsection (d) of this section.

12 (g) "Advanced practice registered nurse" or "APRN" means a
13 professional nurse who holds a license from the board to function as a
14 professional nurse in an advanced role, and this advanced role shall be
15 defined by rules and regulations adopted by the board in accordance with
16 K.S.A. 65-1130, and amendments thereto.

17 Sec. 2. K.S.A. 2013 Supp. 65-1130 is hereby amended to read as
18 follows: 65-1130. (a) No professional nurse shall announce or represent to
19 the public that such person is an advanced practice registered nurse unless
20 such professional nurse has complied with requirements established by the
21 board and holds a valid license as an advanced practice registered nurse in
22 accordance with the provisions of this section.

23 (b) *On and after the effective date of this act, to be eligible for an*
24 *initial advanced practice registered nurse license, an applicant shall hold*
25 *and maintain a current advanced practice registered nurse certification*
26 *granted by a national certifying organization recognized by the board*
27 *whose certification standards are approved by the board as equal to or*
28 *greater than the corresponding standards established by the board.*

29 (c) The board shall establish standards and requirements for any
30 professional nurse who desires to obtain licensure as an advanced practice
31 registered nurse. Such standards and requirements shall include, but not be
32 limited to, standards and requirements relating to the education of
33 advanced practice registered nurses. The board may give such
34 examinations and secure such assistance as it deems necessary to
35 determine the qualifications of applicants.

36 ~~(e)~~(d) The board shall adopt rules and regulations applicable to
37 advanced practice registered nurses which:

38 (1) Establish roles and identify titles and abbreviations of advanced
39 practice registered nurses which are consistent with *advanced* nursing
40 practice specialties recognized by the nursing profession.

41 (2) Establish education and qualifications necessary for licensure for
42 each ~~role~~ ~~of~~ advanced practice registered nurse *role* established by the
43 board at a level adequate to assure the competent performance by

1 advanced practice registered nurses of functions and procedures which
2 advanced practice registered nurses are authorized to perform. Advanced
3 practice registered nursing is based on knowledge and skills acquired in
4 basic nursing education, licensure as a registered nurse and graduation
5 from or completion of a master's or higher degree in one of the advanced
6 practice registered nurse roles approved by the board of nursing.

7 (3) Define the role of advanced practice registered nurses and
8 establish limitations and restrictions on such role. The board shall adopt a
9 definition of the role under this subsection (c)(3) which is consistent with
10 the education and qualifications required to obtain a license as an
11 advanced practice registered nurse, which protects the public from persons
12 performing functions and procedures as advanced practice registered
13 nurses for which they lack adequate education and qualifications and
14 which authorizes advanced practice registered nurses to perform acts
15 generally recognized by the profession of nursing as capable of being
16 performed, in a manner consistent with the public health and safety, by
17 persons with postbasic education in nursing. In defining such role the
18 board shall consider: (A) The education required for a licensure as an
19 advanced practice registered nurse; (B) the type of nursing practice and
20 preparation in specialized advanced practice skills involved in each role of
21 advanced practice registered nurse established by the board; (C) the scope
22 and limitations of advanced practice nursing prescribed by national
23 advanced practice organizations; ~~and~~ (D) acts recognized by the nursing
24 profession as appropriate to be performed by persons with postbasic
25 education in nursing; *and (E) the certification standards established by an*
26 *accredited national organization whose certification standards are*
27 *approved by the board as equal to or greater than the corresponding*
28 *standards established under this act for obtaining authorization to*
29 *practice as an advanced practice registered nurse in the specific role.*

30 (e) *"Treatment" means, when used in conjunction with the practice of*
31 *an advanced practice registered nurse, planning, diagnosing, ordering*
32 *and executing of a healthcare plan including, but not limited to,*
33 *pharmacologic and non-pharmacologic interventions. This term also*
34 *includes prescribing medical devices and equipment, nutrition, and*
35 *diagnostic and supportive services including, but not limited to, home*
36 *health care, hospice, physical and occupational therapy.*

37 (f) *The practice of nursing as an advanced practice registered nurse*
38 *means the performance for compensation or gratuitously, except as*
39 *permitted by K.S.A. 65-1124, and amendments thereto, of the process in*
40 *which advanced knowledge derived from the biological, physical and*
41 *behavioral sciences is applied to direct and indirect care, including, but*
42 *not limited to, creating and executing a health care plan; nursing and*
43 *medical diagnosis, management, treatment and prescribing; administering*

1 *pharmacologic and non-pharmacologic interventions; counseling and*
2 *health teaching of persons who are experiencing changes in the normal*
3 *health processes or who require assistance in the maintenance of health;*
4 *or the prevention or management of illness, injury or infirmity;*
5 *administration, supervising or teaching within the advanced practice*
6 *registered nurse's role. Within the role of the advanced practice registered*
7 *nurse, an advanced practice registered nurse may serve as a primary care*
8 *provider and lead health care teams.*

9 ~~(d)(g) An advanced practice registered nurse may prescribe drugs~~
10 ~~pursuant to a written protocol as authorized by a responsible physician.~~
11 ~~Each written protocol shall contain a precise and detailed medical plan of~~
12 ~~care for each classification of disease or injury for which the advanced~~
13 ~~practice registered nurse is authorized to prescribe and shall specify all~~
14 ~~drugs which may be prescribed by the advanced practice registered nurse~~
15 *Advanced practice registered nurses are authorized to prescribe, procure*
16 *and administer prescription drugs and controlled substances pursuant to*
17 *applicable state and federal laws. Any written prescription order by an*
18 *advanced practice registered nurse shall include the name, address and*
19 *telephone number of the responsible physician advanced practice*
20 *registered nurse. The advanced practice registered nurse may not dispense*
21 *drugs, but may request, receive and sign for professional samples and may*
22 *distribute professional samples to patients pursuant to a written protocol as*
23 *authorized by a responsible physician. In order to prescribe controlled*
24 *substances, the advanced practice registered nurse shall: (1) Register with*
25 *the federal drug enforcement administration; and (2) notify the board of*
26 ~~the name and address of the responsible physician or physicians. In no~~
27 ~~case shall the scope of authority of the advanced practice registered nurse~~
28 ~~exceed the normal and customary practice of the responsible physician~~
29 *nursing of the federal drug enforcement administration registration as*
30 *prescribed by rules and regulations of the board. An advanced practice*
31 *registered nurse shall comply with the federal drug enforcement*
32 *administration requirements related to controlled substances. An advanced*
33 *practice registered nurse certified in the role of registered nurse anesthetist*
34 *while functioning as a registered nurse anesthetist under K.S.A. 65-1151 to*
35 *65-1164, inclusive, and amendments thereto, shall be subject to the*
36 *provisions of K.S.A. 65-1151 to 65-1164, inclusive, and amendments*
37 *thereto, with respect to drugs and anesthetic agents and shall not be subject*
38 *to the provisions of this subsection. For the purposes of this subsection,*
39 *"responsible physician" means a person licensed to practice medicine and*
40 *surgery in Kansas who has accepted responsibility for the protocol and the*
41 *actions of the advanced practice registered nurse when prescribing drugs.*

42 *(h) An advanced practice registered nurse is accountable to patients,*
43 *the nursing profession and the board for complying with the requirements*

1 of the nurse practice act, and any rules and regulations adopted pursuant
2 thereto, and is responsible for recognizing limits of knowledge and
3 experience, planning for the management of situations beyond the
4 advanced practice registered nurse's expertise and referring patients to
5 other health care professionals as appropriate.

6 (i) (1) The board by rules and regulations shall establish a program
7 of transition to full practice for all persons who on and after the effective
8 date of this act are granted initial licensure as an advanced practice
9 registered nurse or who have less than 2,000 hours of licensed active
10 practice as an advanced practice registered nurse in their initial roles.

11 (2) Advanced practice registered nurses who are subject to the
12 program of transition to full practice shall not prescribe medications
13 except as provided in this subsection.

14 (3) As part of the program of transition to full practice, an advanced
15 practice registered nurse shall complete, within two years from the
16 commencement of the program by the advanced practice registered nurse,
17 a transition to full practice period of 2,000 hours while maintaining a
18 collaborative relationship for practice and for prescribing medications
19 with either a licensed advanced practice registered nurse with full
20 prescriptive authority under subsection (g) or with a physician. The
21 advanced practice registered nurse shall engage in the practice of nursing
22 as an advanced practice registered nurse and may prescribe medications
23 as part of the collaborative relationship.

24 (4) As part of the program of transition to full practice, the board
25 shall specify the manner and form in which the advanced practice
26 registered nurse participating in the program may identify oneself
27 professionally and to the public.

28 (5) The advanced practice registered nurse shall be responsible for
29 completing the required documentation for the program of transition to
30 full practice as specified by the board.

31 (6) Upon the successful completion of the program of transition to
32 full practice, the board of nursing shall authorize the advanced practice
33 registered nurse to engage in the practice of advanced practice registered
34 nursing without the limitations of this subsection and as otherwise
35 authorized by law.

36 (7) The board may adopt rules and regulations necessary to carry out
37 the provisions of this subsection.

38 (8) As used in this subsection, "physician" means a person licensed to
39 practice medicine and surgery.

40 (j) When a provision of law or rule and regulation requires a
41 signature, certification, verification, affidavit or endorsement by a
42 physician, that requirement may be fulfilled by a licensed advanced
43 practice registered nurse working within the scope of practice of such

1 nurse's respective role.

2 (k) *The confidential relations and communications between an*
3 *advance practice registered nurse and the advance practice registered*
4 *nurse's patient are placed on the same basis as provided by law as those*
5 *between a physician and a physician's patient in K.S.A. 60-427, and*
6 *amendments thereto.*

7 (l) *An advanced practice registered nurse shall maintain malpractice*
8 *insurance coverage in effect as a condition to rendering professional*
9 *service as an advanced practice registered nurse in this state and shall*
10 *provide proof of insurance at time of licensure and renewal of license. The*
11 *requirements of this subsection shall not apply to an advanced practice*
12 *registered nurse who practices solely in an employment which results in*
13 *the advanced practice registered nurse being covered under the federal*
14 *tort claim act or state tort claims act, or who practices solely as a*
15 *charitable health care provider under K.S.A. 75-6102, and amendments*
16 *thereto, or who is serving on active duty in the military service of the*
17 *United States.*

18 (e)(m) As used in this section, "drug" means those articles and
19 substances defined as drugs in K.S.A. 65-1626 and 65-4101, and
20 amendments thereto.

21 ~~(f) A person registered to practice as an advanced registered nurse~~
22 ~~practitioner in the state of Kansas immediately prior to the effective date of~~
23 ~~this act shall be deemed to be licensed to practice as an advanced practice~~
24 ~~registered nurse under this act and such person shall not be required to file~~
25 ~~an original application for licensure under this act. Any application for~~
26 ~~registration filed which has not been granted prior to the effective date of~~
27 ~~this act shall be processed as an application for licensure under this act.~~

28 Sec. 3. K.S.A. 2013 Supp. 39-923 is hereby amended to read as
29 follows: 39-923. (a) As used in this act:

30 (1) "Adult care home" means any nursing facility, nursing facility for
31 mental health, intermediate care facility for people with intellectual
32 disability, assisted living facility, residential health care facility, home plus,
33 boarding care home and adult day care facility; all of which are
34 classifications of adult care homes and are required to be licensed by the
35 secretary of aging.

36 (2) "Nursing facility" means any place or facility operating 24 hours a
37 day, seven days a week, caring for six or more individuals not related
38 within the third degree of relationship to the administrator or owner by
39 blood or marriage and who, due to functional impairments, need skilled
40 nursing care to compensate for activities of daily living limitations.

41 (3) "Nursing facility for mental health" means any place or facility
42 operating 24 hours a day, seven days a week, caring for six or more
43 individuals not related within the third degree of relationship to the

1 administrator or owner by blood or marriage and who, due to functional
2 impairments, need skilled nursing care and special mental health services
3 to compensate for activities of daily living limitations.

4 (4) "Intermediate care facility for people with intellectual disability"
5 means any place or facility operating 24 hours a day, seven days a week,
6 caring for four or more individuals not related within the third degree of
7 relationship to the administrator or owner by blood or marriage and who,
8 due to functional impairments caused by intellectual disability or related
9 conditions, need services to compensate for activities of daily living
10 limitations.

11 (5) "Assisted living facility" means any place or facility caring for six
12 or more individuals not related within the third degree of relationship to
13 the administrator, operator or owner by blood or marriage and who, by
14 choice or due to functional impairments, may need personal care and may
15 need supervised nursing care to compensate for activities of daily living
16 limitations and in which the place or facility includes apartments for
17 residents and provides or coordinates a range of services including
18 personal care or supervised nursing care available 24 hours a day, seven
19 days a week, for the support of resident independence. The provision of
20 skilled nursing procedures to a resident in an assisted living facility is not
21 prohibited by this act. Generally, the skilled services provided in an
22 assisted living facility shall be provided on an intermittent or limited term
23 basis, or if limited in scope, a regular basis.

24 (6) "Residential health care facility" means any place or facility, or a
25 contiguous portion of a place or facility, caring for six or more individuals
26 not related within the third degree of relationship to the administrator,
27 operator or owner by blood or marriage and who, by choice or due to
28 functional impairments, may need personal care and may need supervised
29 nursing care to compensate for activities of daily living limitations and in
30 which the place or facility includes individual living units and provides or
31 coordinates personal care or supervised nursing care available on a 24-
32 hour, seven-days-a-week basis for the support of resident independence.
33 The provision of skilled nursing procedures to a resident in a residential
34 health care facility is not prohibited by this act. Generally, the skilled
35 services provided in a residential health care facility shall be provided on
36 an intermittent or limited term basis, or if limited in scope, a regular basis.

37 (7) "Home plus" means any residence or facility caring for not more
38 than 12 individuals not related within the third degree of relationship to the
39 operator or owner by blood or marriage unless the resident in need of care
40 is approved for placement by the secretary of the department of social and
41 rehabilitation services, and who, due to functional impairment, needs
42 personal care and may need supervised nursing care to compensate for
43 activities of daily living limitations. The level of care provided to residents

1 shall be determined by preparation of the staff and rules and regulations
2 developed by the department on aging. An adult care home may convert a
3 portion of one wing of the facility to a not less than five-bed and not more
4 than 12-bed home plus facility provided that the home plus facility
5 remains separate from the adult care home, and each facility must remain
6 contiguous. Any home plus that provides care for more than eight
7 individuals after the effective date of this act shall adjust staffing personnel
8 and resources as necessary to meet residents' needs in order to maintain the
9 current level of nursing care standards. Personnel of any home plus who
10 provide services for residents with dementia shall be required to take
11 annual dementia care training.

12 (8) "Boarding care home" means any place or facility operating 24
13 hours a day, seven days a week, caring for not more than 10 individuals
14 not related within the third degree of relationship to the operator or owner
15 by blood or marriage and who, due to functional impairment, need
16 supervision of activities of daily living but who are ambulatory and
17 essentially capable of managing their own care and affairs.

18 (9) "Adult day care" means any place or facility operating less than
19 24 hours a day caring for individuals not related within the third degree of
20 relationship to the operator or owner by blood or marriage and who, due to
21 functional impairment, need supervision of or assistance with activities of
22 daily living.

23 (10) "Place or facility" means a building or any one or more complete
24 floors of a building, or any one or more complete wings of a building, or
25 any one or more complete wings and one or more complete floors of a
26 building, and the term "place or facility" may include multiple buildings.

27 (11) "Skilled nursing care" means services performed by or under the
28 immediate supervision of a registered professional nurse and additional
29 licensed nursing personnel. Skilled nursing includes administration of
30 medications and treatments as prescribed by a licensed physician,
31 *advanced practice registered nurse* or dentist; and other nursing functions
32 which require substantial nursing judgment and skill based on the
33 knowledge and application of scientific principles.

34 (12) "Supervised nursing care" means services provided by or under
35 the guidance of a licensed nurse with initial direction for nursing
36 procedures and periodic inspection of the actual act of accomplishing the
37 procedures; administration of medications and treatments as prescribed by
38 a licensed physician, *advanced practice registered nurse* or dentist and
39 assistance of residents with the performance of activities of daily living.

40 (13) "Resident" means all individuals kept, cared for, treated, boarded
41 or otherwise accommodated in any adult care home.

42 (14) "Person" means any individual, firm, partnership, corporation,
43 company, association or joint-stock association, and the legal successor

1 thereof.

2 (15) "Operate an adult care home" means to own, lease, establish,
3 maintain, conduct the affairs of or manage an adult care home, except that
4 for the purposes of this definition the word "own" and the word "lease"
5 shall not include hospital districts, cities and counties which hold title to an
6 adult care home purchased or constructed through the sale of bonds.

7 (16) "Licensing agency" means the secretary of aging.

8 (17) "Skilled nursing home" means a nursing facility.

9 (18) "Intermediate nursing care home" means a nursing facility.

10 (19) "Apartment" means a private unit which includes, but is not
11 limited to, a toilet room with bathing facilities, a kitchen, sleeping, living
12 and storage area and a lockable door.

13 (20) "Individual living unit" means a private unit which includes, but
14 is not limited to, a toilet room with bathing facilities, sleeping, living and
15 storage area and a lockable door.

16 (21) "Operator" means an individual who operates an assisted living
17 facility or residential health care facility with fewer than 61 residents, a
18 home plus or adult day care facility and has completed a course approved
19 by the secretary of health and environment on principles of assisted living
20 and has successfully passed an examination approved by the secretary of
21 health and environment on principles of assisted living and such other
22 requirements as may be established by the secretary of health and
23 environment by rules and regulations.

24 (22) "Activities of daily living" means those personal, functional
25 activities required by an individual for continued well-being, including but
26 not limited to eating, nutrition, dressing, personal hygiene, mobility and
27 toileting.

28 (23) "Personal care" means care provided by staff to assist an
29 individual with, or to perform activities of daily living.

30 (24) "Functional impairment" means an individual has experienced a
31 decline in physical, mental and psychosocial well-being and as a result, is
32 unable to compensate for the effects of the decline.

33 (25) "Kitchen" means a food preparation area that includes a sink,
34 refrigerator and a microwave oven or stove.

35 (26) The term "intermediate personal care home" for purposes of
36 those individuals applying for or receiving veterans' benefits means
37 residential health care facility.

38 (27) "Paid nutrition assistant" means an individual who is paid to feed
39 residents of an adult care home, or who is used under an arrangement with
40 another agency or organization, who is trained by a person meeting nurse
41 aide instructor qualifications as prescribed by 42 C.F.R. § 483.152, 42
42 C.F.R. § 483.160 and paragraph (h) of 42 C.F.R. § 483.35, and who
43 provides such assistance under the supervision of a registered professional

1 or licensed practical nurse.

2 (28) "Medicaid program" means the Kansas program of medical
3 assistance for which federal or state moneys, or any combination thereof,
4 are expended, or any successor federal or state, or both, health insurance
5 program or waiver granted thereunder.

6 (b) The term "adult care home" shall not include institutions operated
7 by federal or state governments, except institutions operated by the Kansas
8 commission on veterans affairs, hospitals or institutions for the treatment
9 and care of psychiatric patients, child care facilities, maternity centers,
10 hotels, offices of physicians or hospices which are certified to participate
11 in the medicare program under 42 code of federal regulations, chapter IV,
12 section 418.1 et seq., and amendments thereto, and which provide services
13 only to hospice patients.

14 (c) Nursing facilities in existence on the effective date of this act
15 changing licensure categories to become residential health care facilities
16 shall be required to provide private bathing facilities in a minimum of 20%
17 of the individual living units.

18 (d) Facilities licensed under the adult care home licensure act on the
19 day immediately preceding the effective date of this act shall continue to
20 be licensed facilities until the annual renewal date of such license and may
21 renew such license in the appropriate licensure category under the adult
22 care home licensure act subject to the payment of fees and other conditions
23 and limitations of such act.

24 (e) Nursing facilities with less than 60 beds converting a portion of
25 the facility to residential health care shall have the option of licensing for
26 residential health care for less than six individuals but not less than 10% of
27 the total bed count within a contiguous portion of the facility.

28 (f) The licensing agency may by rule and regulation change the name
29 of the different classes of homes when necessary to avoid confusion in
30 terminology and the agency may further amend, substitute, change and in a
31 manner consistent with the definitions established in this section, further
32 define and identify the specific acts and services which shall fall within the
33 respective categories of facilities so long as the above categories for adult
34 care homes are used as guidelines to define and identify the specific acts.

35 Sec. 4. K.S.A. 2013 Supp. 39-1401 is hereby amended to read as
36 follows: 39-1401. As used in this act:

37 (a) "Resident" means:

38 (1) Any resident, as defined by K.S.A. 39-923, and amendments
39 thereto; or

40 (2) any individual kept, cared for, treated, boarded or otherwise
41 accommodated in a medical care facility; or

42 (3) any individual, kept, cared for, treated, boarded or otherwise
43 accommodated in a state psychiatric hospital or state institution for people

1 with intellectual disability.

2 (b) "Adult care home" has the meaning ascribed thereto in K.S.A. 39-
3 923, and amendments thereto.

4 (c) "In need of protective services" means that a resident is unable to
5 perform or obtain services which are necessary to maintain physical or
6 mental health, or both.

7 (d) "Services which are necessary to maintain physical and mental
8 health" include, but are not limited to, the provision of medical care for
9 physical and mental health needs, the relocation of a resident to a facility
10 or institution able to offer such care, assistance in personal hygiene, food,
11 clothing, adequately heated and ventilated shelter, protection from health
12 and safety hazards, protection from maltreatment the result of which
13 includes, but is not limited to, malnutrition, deprivation of necessities or
14 physical punishment and transportation necessary to secure any of the
15 above stated needs, except that this term shall not include taking such
16 person into custody without consent, except as provided in this act.

17 (e) "Protective services" means services provided by the state or other
18 governmental agency or any private organizations or individuals which are
19 necessary to prevent abuse, neglect or exploitation. Such protective
20 services shall include, but not be limited to, evaluation of the need for
21 services, assistance in obtaining appropriate social services and assistance
22 in securing medical and legal services.

23 (f) "Abuse" means any act or failure to act performed intentionally or
24 recklessly that causes or is likely to cause harm to a resident, including:

25 (1) Infliction of physical or mental injury;

26 (2) any sexual act with a resident when the resident does not consent
27 or when the other person knows or should know that the resident is
28 incapable of resisting or declining consent to the sexual act due to mental
29 deficiency or disease or due to fear of retribution or hardship;

30 (3) unreasonable use of a physical restraint, isolation or medication
31 that harms or is likely to harm a resident;

32 (4) unreasonable use of a physical or chemical restraint, medication
33 or isolation as punishment, for convenience, in conflict with a physician's
34 *or advanced practice registered nurse's* orders or as a substitute for
35 treatment, except where such conduct or physical restraint is in furtherance
36 of the health and safety of the resident or another resident;

37 (5) a threat or menacing conduct directed toward a resident that
38 results or might reasonably be expected to result in fear or emotional or
39 mental distress to a resident;

40 (6) fiduciary abuse; or

41 (7) omission or deprivation by a caretaker or another person of goods
42 or services which are necessary to avoid physical or mental harm or
43 illness.

1 (g) "Neglect" means the failure or omission by one's self, caretaker or
2 another person with a duty to provide goods or services which are
3 reasonably necessary to ensure safety and well-being and to avoid physical
4 or mental harm or illness.

5 (h) "Caretaker" means a person or institution who has assumed the
6 responsibility, whether legally or not, for the care of the resident
7 voluntarily, by contract or by order of a court of competent jurisdiction.

8 (i) "Exploitation" means misappropriation of resident property or
9 intentionally taking unfair advantage of an adult's physical or financial
10 resources for another individual's personal or financial advantage by the
11 use of undue influence, coercion, harassment, duress, deception, false
12 representation or false pretense by a caretaker or another person.

13 (j) "Medical care facility" means a facility licensed under K.S.A. 65-
14 425 et seq., and amendments thereto, but shall not include, for purposes of
15 this act, a state psychiatric hospital or state institution for people with
16 intellectual disability, including Larned state hospital, Osawatomie state
17 hospital and Rainbow mental health facility, Kansas neurological institute
18 and Parsons state hospital and training center.

19 (k) "Fiduciary abuse" means a situation in which any person who is
20 the caretaker of, or who stands in a position of trust to, a resident, takes,
21 secretes, or appropriates the resident's money or property, to any use or
22 purpose not in the due and lawful execution of such person's trust.

23 (l) "State psychiatric hospital" means Larned state hospital,
24 Osawatomie state hospital and Rainbow mental health facility.

25 (m) "State institution for people with intellectual disability" means
26 Kansas neurological institute and Parsons state hospital and training
27 center.

28 (n) "Report" means a description or accounting of an incident or
29 incidents of abuse, neglect or exploitation under this act and for the
30 purposes of this act shall not include any written assessment or findings.

31 (o) "Law enforcement" means the public office which is vested by
32 law with the duty to maintain public order, make arrests for crimes and
33 investigate criminal acts, whether that duty extends to all crimes or is
34 limited to specific crimes.

35 (p) "Legal representative" means an agent designated in a durable
36 power of attorney, power of attorney or durable power of attorney for
37 health care decisions or a court appointed guardian, conservator or trustee.

38 (q) "Financial institution" means any bank, trust company, escrow
39 company, finance company, saving institution or credit union, chartered
40 and supervised under state or federal law.

41 (r) "Governmental assistance provider" means an agency, or
42 employee of such agency, which is funded solely or in part to provide
43 assistance within the Kansas senior care act, K.S.A. 75-5926 et seq., and

1 amendments thereto, including medicaid and medicare.

2 No person shall be considered to be abused, neglected or exploited or
3 in need of protective services for the sole reason that such person relies
4 upon spiritual means through prayer alone for treatment in accordance
5 with the tenets and practices of a recognized church or religious
6 denomination in lieu of medical treatment.

7 Sec. 5. K.S.A. 2013 Supp. 39-1430 is hereby amended to read as
8 follows: 39-1430. As used in this act:

9 (a) "Adult" means an individual 18 years of age or older alleged to be
10 unable to protect their own interest and who is harmed or threatened with
11 harm, whether financial, mental or physical in nature, through action or
12 inaction by either another individual or through their own action or
13 inaction when (1) such person is residing in such person's own home, the
14 home of a family member or the home of a friend, (2) such person resides
15 in an adult family home as defined in K.S.A. 39-1501, and amendments
16 thereto, or (3) such person is receiving services through a provider of
17 community services and affiliates thereof operated or funded by the
18 department of social and rehabilitation services or the department on aging
19 or a residential facility licensed pursuant to K.S.A. 75-3307b, and
20 amendments thereto. Such term shall not include persons to whom K.S.A.
21 39-1401 et seq., and amendments thereto apply.

22 (b) "Abuse" means any act or failure to act performed intentionally or
23 recklessly that causes or is likely to cause harm to an adult, including:

24 (1) Infliction of physical or mental injury;

25 (2) any sexual act with an adult when the adult does not consent or
26 when the other person knows or should know that the adult is incapable of
27 resisting or declining consent to the sexual act due to mental deficiency or
28 disease or due to fear of retribution or hardship;

29 (3) unreasonable use of a physical restraint, isolation or medication
30 that harms or is likely to harm an adult;

31 (4) unreasonable use of a physical or chemical restraint, medication
32 or isolation as punishment, for convenience, in conflict with a physician's
33 *or advanced practice registered nurse's* orders or as a substitute for
34 treatment, except where such conduct or physical restraint is in furtherance
35 of the health and safety of the adult;

36 (5) a threat or menacing conduct directed toward an adult that results
37 or might reasonably be expected to result in fear or emotional or mental
38 distress to an adult;

39 (6) fiduciary abuse; or

40 (7) omission or deprivation by a caretaker or another person of goods
41 or services which are necessary to avoid physical or mental harm or
42 illness.

43 (c) "Neglect" means the failure or omission by one's self, caretaker or

1 another person with a duty to supply or provide goods or services which
2 are reasonably necessary to ensure safety and well-being and to avoid
3 physical or mental harm or illness.

4 (d) "Exploitation" means misappropriation of an adult's property or
5 intentionally taking unfair advantage of an adult's physical or financial
6 resources for another individual's personal or financial advantage by the
7 use of undue influence, coercion, harassment, duress, deception, false
8 representation or false pretense by a caretaker or another person.

9 (e) "Fiduciary abuse" means a situation in which any person who is
10 the caretaker of, or who stands in a position of trust to, an adult, takes,
11 secretes, or appropriates their money or property, to any use or purpose not
12 in the due and lawful execution of such person's trust or benefit.

13 (f) "In need of protective services" means that an adult is unable to
14 provide for or obtain services which are necessary to maintain physical or
15 mental health or both.

16 (g) "Services which are necessary to maintain physical or mental
17 health or both" include, but are not limited to, the provision of medical
18 care for physical and mental health needs, the relocation of an adult to a
19 facility or institution able to offer such care, assistance in personal
20 hygiene, food, clothing, adequately heated and ventilated shelter,
21 protection from health and safety hazards, protection from maltreatment
22 the result of which includes, but is not limited to, malnutrition, deprivation
23 of necessities or physical punishment and transportation necessary to
24 secure any of the above stated needs, except that this term shall not include
25 taking such person into custody without consent except as provided in this
26 act.

27 (h) "Protective services" means services provided by the state or other
28 governmental agency or by private organizations or individuals which are
29 necessary to prevent abuse, neglect or exploitation. Such protective
30 services shall include, but shall not be limited to, evaluation of the need for
31 services, assistance in obtaining appropriate social services, and assistance
32 in securing medical and legal services.

33 (i) "Caretaker" means a person who has assumed the responsibility,
34 whether legally or not, for an adult's care or financial management or both.

35 (j) "Secretary" means the secretary of social and rehabilitation
36 services.

37 (k) "Report" means a description or accounting of an incident or
38 incidents of abuse, neglect or exploitation under this act and for the
39 purposes of this act shall not include any written assessment or findings.

40 (l) "Law enforcement" means the public office which is vested by law
41 with the duty to maintain public order, make arrests for crimes, investigate
42 criminal acts and file criminal charges, whether that duty extends to all
43 crimes or is limited to specific crimes.

1 (m) "Involved adult" means the adult who is the subject of a report of
2 abuse, neglect or exploitation under this act.

3 (n) "Legal representative," "financial institution" and "governmental
4 assistance provider" shall have the meanings ascribed thereto in K.S.A.
5 39-1401, and amendments thereto.

6 No person shall be considered to be abused, neglected or exploited or
7 in need of protective services for the sole reason that such person relies
8 upon spiritual means through prayer alone for treatment in accordance
9 with the tenets and practices of a recognized church or religious
10 denomination in lieu of medical treatment.

11 Sec. 6. K.S.A. 2013 Supp. 39-1504 is hereby amended to read as
12 follows: 39-1504. The secretary shall administer the adult family home
13 registration program in accordance with the following requirements:

14 (a) (1) The home shall meet health standards and safety regulations of
15 the community and the provisions of chapter 20 of the national fire
16 protection association, life safety code, pamphlet no. 101, 1981 edition.

17 (2) The home shall have a written plan to get persons out of the home
18 rapidly in case of fire, tornado or other emergency.

19 (3) No more than two clients shall be in residence at any one time.

20 (4) The home shall have adequate living and sleeping space for
21 clients.

22 (5) Each room shall have an operable outside window.

23 (6) Electric fans shall be made available to reduce the temperature if
24 there is no air conditioning. Rooms shall be heated, lighted, ventilated and
25 available.

26 (7) Sleeping rooms shall have space for personal items.

27 (8) Each client shall have a bed which is clean and in good condition.

28 (9) Lavatory and toilet facilities shall be accessible, available and in
29 working order.

30 (10) The kitchen shall be clean with appliances in good working
31 order.

32 (b) (1) A healthy and safe environment shall be maintained for
33 clients.

34 (2) There shall be a telephone in the home.

35 (3) The provider may assist a client with the taking of medications
36 when the medication is in a labeled bottle which clearly shows a
37 physician's orders *or an advanced practice registered nurse's orders* and
38 when the client requires assistance because of tremor, visual impairment,
39 or similar reasons due to health conditions. The provider may assist or
40 perform for the client such physical activities which do not require daily
41 supervision such as assistance with eating, bathing and dressing, help with
42 brace or walker and transferring from wheelchairs.

43 (4) There shall be no use of corporal punishment, restraints or

1 punitive measures.

2 (5) The house shall be free from accumulated dirt, trash and vermin.

3 (6) Meals shall be planned and prepared for adequate nutrition, and
4 for diets if directed by a physician.

5 (c) (1) The provider shall be at least 18 years of age and in good
6 health at the time of initial application for registration. A written statement
7 must be received from a physician, nurse practitioner, or physician
8 assistant stating that the applicant and the members of the applicant's
9 household are free of any infectious or communicable disease or health
10 condition and are physically and mentally healthy. Such statements shall
11 be renewed every two years.

12 (2) The provider shall not be totally dependent on the income from
13 the clients for support of the provider or the provider's family.

14 (3) A criminal conviction shall not necessarily exclude registration as
15 an adult family home; but an investigation thereof will be made as part of
16 the determination of the suitability of the home.

17 (4) The provider shall be responsible for supervision at all times and
18 shall be in charge of the home and provision of care, or shall have a
19 responsible person on call. Any such substitute responsible person shall
20 meet the same requirements as the provider.

21 (5) The provider is responsible for encouraging the client to seek and
22 utilize available services when needed.

23 (6) The provider shall comply with the requirements of state and
24 federal regulations concerning civil rights and section 504 of the federal
25 rehabilitation act of 1973.

26 (7) The provider shall assure that clients have the privilege of privacy
27 as well as the right to see relatives, friends and participate in regular
28 community activities.

29 (8) The provider shall keep client information confidential. The use
30 or disclosure of any information concerning a client for any purpose is
31 prohibited except on written consent of the client or upon order of the
32 court.

33 (9) The provider shall maintain contact with an assigned social
34 worker and shall allow the secretary and authorized representatives of the
35 secretary access to the home and grounds and to the records related to
36 clients in residence.

37 (10) The provider shall inform the social worker immediately of any
38 unscheduled client absence from the home.

39 (11) The provider is responsible for helping clients maintain their
40 clothing.

41 (12) The provider shall furnish or help clients arrange for
42 transportation.

43 (13) The provider shall help a client arrange for emergency and

1 regular medical care when necessary.

2 (14) The provider shall submit any information relating to the
3 operation of the adult family home which is required by the secretary.

4 Sec. 7. K.S.A. 40-4602 is hereby amended to read as follows: 40-
5 4602. As used in this act:

6 (a) "Emergency medical condition" means the sudden and, at the
7 time, unexpected onset of a health condition that requires immediate
8 medical attention, where failure to provide medical attention would result
9 in serious impairment to bodily functions or serious dysfunction of a
10 bodily organ or part, or would place the person's health in serious jeopardy.

11 (b) "Emergency services" means ambulance services and health care
12 items and services furnished or required to evaluate and treat an
13 emergency medical condition, as directed or ordered by a physician *or an*
14 *advanced practice registered nurse*.

15 (c) "Health benefit plan" means any hospital or medical expense
16 policy, health, hospital or medical service corporation contract, a plan
17 provided by a municipal group-funded pool, a policy or agreement entered
18 into by a health insurer or a health maintenance organization contract
19 offered by an employer or any certificate issued under any such policies,
20 contracts or plans. "Health benefit plan" does not include policies or
21 certificates covering only accident, credit, dental, disability income, long-
22 term care, hospital indemnity, medicare supplement, specified disease,
23 vision care, coverage issued as a supplement to liability insurance,
24 insurance arising out of a workers compensation or similar law,
25 automobile medical-payment insurance, or insurance under which benefits
26 are payable with or without regard to fault and which is statutorily
27 required to be contained in any liability insurance policy or equivalent
28 self-insurance.

29 (d) "Health insurer" means any insurance company, nonprofit medical
30 and hospital service corporation, municipal group-funded pool, fraternal
31 benefit society, health maintenance organization, or any other entity which
32 offers a health benefit plan subject to the Kansas Statutes Annotated.

33 (e) "Insured" means a person who is covered by a health benefit plan.

34 (f) "Participating provider" means a provider who, under a contract
35 with the health insurer or with its contractor or subcontractor, has agreed to
36 provide one or more health care services to insureds with an expectation of
37 receiving payment, other than coinsurance, copayments or deductibles,
38 directly or indirectly from the health insurer.

39 (g) "Provider" means a physician, *advanced practice registered*
40 *nurse*, hospital or other person which is licensed, accredited or certified to
41 perform specified health care services.

42 (h) "Provider network" means those participating providers who have
43 entered into a contract or agreement with a health insurer to provide items

1 or health care services to individuals covered by a health benefit plan
2 offered by such health insurer.

3 (i) "Physician" means a person licensed by the state board of healing
4 arts to practice medicine and surgery.

5 Sec. 8. K.S.A. 59-2976 is hereby amended to read as follows: 59-
6 2976. (a) Medications and other treatments shall be prescribed, ordered
7 and administered only in conformity with accepted clinical practice.
8 Medication shall be administered only upon the written order of a
9 physician *or an advanced practice registered nurse* or upon a verbal order
10 noted in the patient's medical records and subsequently signed by the
11 physician *or an advanced practice registered nurse*. The attending
12 physician *or an advanced practice registered nurse* shall review regularly
13 the drug regimen of each patient under the physician's *or an advanced*
14 *practice registered nurse's* care and shall monitor any symptoms of
15 harmful side effects. Prescriptions for psychotropic medications shall be
16 written with a termination date not exceeding 30 days thereafter but may
17 be renewed.

18 (b) During the course of treatment the responsible physician,
19 *advanced practice registered nurse* or psychologist or such person's
20 designee shall reasonably consult with the patient, the patient's legal
21 guardian, or a minor patient's parent and give consideration to the views
22 the patient, legal guardian or parent expresses concerning treatment and
23 any alternatives. No medication or other treatment may be administered to
24 any voluntary patient without the patient's consent, or the consent of such
25 patient's legal guardian or of such patient's parent if the patient is a minor.

26 (c) Consent for medical or surgical treatments not intended primarily
27 to treat a patient's mental disorder shall be obtained in accordance with
28 applicable law.

29 (d) Whenever any patient is receiving treatment pursuant to K.S.A.
30 59-2954, 59-2958, 59-2959, 59-2964, 59-2966 or 59-2967, and
31 amendments thereto, and the treatment facility is administering to the
32 patient any medication or other treatment which alters the patient's mental
33 state in such a way as to adversely affect the patient's judgment or hamper
34 the patient in preparing for or participating in any hearing provided for by
35 this act, then two days prior to and during any such hearing, the treatment
36 facility may not administer such medication or other treatment unless such
37 medication or other treatment is necessary to sustain the patient's life or to
38 protect the patient or others. Prior to the hearing, a report of all such
39 medications or other treatment which have been administered to the
40 patient, along with a copy of any written consent(s) which the patient may
41 have signed, shall be submitted to the court. Counsel for the patient may
42 preliminarily examine the attending physician regarding the administration
43 of any medication to the patient within two days of the hearing with regard

1 to the affect that medication may have had upon the patient's judgment or
2 ability to prepare for or participate in the hearing. On the basis thereof, if
3 the court determines that medication or other treatment has been
4 administered which adversely affects the patient's judgment or ability to
5 prepare for or participate in the hearing, the court may grant to the patient
6 a reasonable continuance in order to allow for the patient to be better able
7 to prepare for or participate in the hearing and the court shall order that
8 such medication or other treatment be discontinued until the conclusion of
9 the hearing, unless the court finds that such medication or other treatment
10 is necessary to sustain the patient's life or to protect the patient or others, in
11 which case the court shall order that the hearing proceed.

12 (e) Whenever a patient receiving treatment pursuant to K.S.A. 59-
13 2954, 59-2958, 59-2959, 59-2964, 59-2966 or 59-2967, and amendments
14 thereto, objects to taking any medication prescribed for psychiatric
15 treatment, and after full explanation of the benefits and risks of such
16 medication continues their objection, the medication may be administered
17 over the patient's objection; except that the objection shall be recorded in
18 the patient's medical record and at the same time written notice thereof
19 shall be forwarded to the medical director of the treatment facility or the
20 director's designee. Within five days after receiving such notice, excluding
21 Saturdays, Sundays and legal holidays, the medical director or designee
22 shall deliver to the patient and the patient's physician the medical director's
23 or designee's written decision concerning the administration of that
24 medication, and a copy of that decision shall be placed in the patient's
25 medical record.

26 (f) In no case shall experimental medication be administered without
27 the patient's consent, which consent shall be obtained in accordance with
28 subsection (a)(6) of K.S.A. 59-2978, and amendments thereto.

29 Sec. 9. K.S.A. 2013 Supp. 65-468 is hereby amended to read as
30 follows: 65-468. As used in K.S.A. 65-468 to 65-474, inclusive, and
31 amendments thereto:

32 (a) "Health care provider" means any person licensed or otherwise
33 authorized by law to provide health care services in this state or a
34 professional corporation organized pursuant to the professional
35 corporation law of Kansas by persons who are authorized by law to form
36 such corporation and who are health care providers as defined by this
37 subsection, or an officer, employee or agent thereof, acting in the course
38 and scope of employment or agency.

39 (b) "Member" means any hospital, emergency medical service, local
40 health department, home health agency, adult care home, medical clinic,
41 mental health center or clinic or nonemergency transportation system.

42 (c) "Mid-level practitioner" means a physician assistant or advanced
43 practice registered nurse who has entered into a written protocol with a

1 rural health network physician.

2 (d) *"Advanced practice registered nurse"* means an advanced
3 *practice registered nurse who is licensed pursuant to K.S.A. 65-1131, and*
4 *amendments thereto, and who has authority to prescribe drugs in*
5 *accordance with K.S.A. 65-1130, and amendments thereto.*

6 (e) "Physician" means a person licensed to practice medicine and
7 surgery.

8 ~~(e)~~(f) "Rural health network" means an alliance of members including
9 at least one critical access hospital and at least one other hospital which
10 has developed a comprehensive plan submitted to and approved by the
11 secretary of health and environment regarding patient referral and transfer;
12 the provision of emergency and nonemergency transportation among
13 members; the development of a network-wide emergency services plan;
14 and the development of a plan for sharing patient information and services
15 between hospital members concerning medical staff credentialing, risk
16 management, quality assurance and peer review.

17 ~~(f)~~(g) "Critical access hospital" means a member of a rural health
18 network which makes available twenty-four hour emergency care services;
19 provides not more than 25 acute care inpatient beds or in the case of a
20 facility with an approved swing-bed agreement a combined total of
21 extended care and acute care beds that does not exceed 25 beds; provides
22 acute inpatient care for a period that does not exceed, on an annual average
23 basis, 96 hours per patient; and provides nursing services under the
24 direction of a licensed professional nurse and continuous licensed
25 professional nursing services for not less than 24 hours of every day when
26 any bed is occupied or the facility is open to provide services for patients
27 unless an exemption is granted by the licensing agency pursuant to rules
28 and regulations. The critical access hospital may provide any services
29 otherwise required to be provided by a full-time, on-site dietician,
30 pharmacist, laboratory technician, medical technologist and radiological
31 technologist on a part-time, off-site basis under written agreements or
32 arrangements with one or more providers or suppliers recognized under
33 medicare. The critical access hospital may provide inpatient services by a
34 physician assistant, ~~advanced practice registered nurse or a clinical nurse~~
35 ~~specialist~~ subject to the oversight of a physician who need not be present
36 in the facility *or by an advanced practice registered nurse*. In addition to
37 the facility's 25 acute beds or swing beds, or both, the critical access
38 hospital may have a psychiatric unit or a rehabilitation unit, or both. Each
39 unit shall not exceed 10 beds and neither unit will count toward the 25-bed
40 limit, nor will these units be subject to the average 96-hour length of stay
41 restriction.

42 ~~(g)~~(h) "Hospital" means a hospital other than a critical access hospital
43 which has entered into a written agreement with at least one critical access

1 hospital to form a rural health network and to provide medical or
2 administrative supporting services within the limit of the hospital's
3 capabilities.

4 Sec. 10. K.S.A. 2013 Supp. 65-1626 is hereby amended to read as
5 follows: 65-1626. For the purposes of this act:

6 (a) "Administer" means the direct application of a drug, whether by
7 injection, inhalation, ingestion or any other means, to the body of a patient
8 or research subject by:

9 (1) A practitioner or pursuant to the lawful direction of a practitioner;

10 (2) the patient or research subject at the direction and in the presence
11 of the practitioner; or

12 (3) a pharmacist as authorized in K.S.A. 65-1635a, and amendments
13 thereto.

14 (b) "Agent" means an authorized person who acts on behalf of or at
15 the direction of a manufacturer, distributor or dispenser but shall not
16 include a common carrier, public warehouseman or employee of the carrier
17 or warehouseman when acting in the usual and lawful course of the
18 carrier's or warehouseman's business.

19 (c) "Application service provider" means an entity that sells
20 electronic prescription or pharmacy prescription applications as a hosted
21 service where the entity controls access to the application and maintains
22 the software and records on its server.

23 (d) "Authorized distributor of record" means a wholesale distributor
24 with whom a manufacturer has established an ongoing relationship to
25 distribute the manufacturer's prescription drug. An ongoing relationship is
26 deemed to exist between such wholesale distributor and a manufacturer
27 when the wholesale distributor, including any affiliated group of the
28 wholesale distributor, as defined in section 1504 of the internal revenue
29 code, complies with any one of the following: (1) The wholesale
30 distributor has a written agreement currently in effect with the
31 manufacturer evidencing such ongoing relationship; and (2) the wholesale
32 distributor is listed on the manufacturer's current list of authorized
33 distributors of record, which is updated by the manufacturer on no less
34 than a monthly basis.

35 (e) "Board" means the state board of pharmacy created by K.S.A. 74-
36 1603, and amendments thereto.

37 (f) "Brand exchange" means the dispensing of a different drug
38 product of the same dosage form and strength and of the same generic
39 name as the brand name drug product prescribed.

40 (g) "Brand name" means the registered trademark name given to a

28 schedule II, III or IV under the uniform controlled substances act, except
29 as provided in this section. Failure to comply with this section by a
30 licensee shall constitute unprofessional conduct under K.S.A. 65-2837,
31 and amendments thereto.

32 (b) When any licensee prescribes, orders, dispenses, administers,
33 sells, supplies or gives or when *any advanced practice registered nurse or*
34 *any mid-level practitioner as defined in subsection (ii) of* by K.S.A. 65-
35 1626, and amendments thereto, prescribes, administers, sells, supplies or
36 gives any amphetamine or sympathomimetic amine designated in schedule
37 II, III or IV under the uniform controlled substances act, the patient's
38 medical record shall adequately document the purpose for which the drug
39 is being given. Such purpose shall be restricted to one or more of the
40 following:

- 41 (1) The treatment of narcolepsy.
- 42 (2) The treatment of drug-induced brain dysfunction.
- 43 (3) The treatment of hyperkinesis.

1 (4) The differential diagnostic psychiatric evaluation of depression.

2 (5) The treatment of depression shown by adequate medical records
3 and documentation to be unresponsive to other forms of treatment.

4 (6) The clinical investigation of the effects of such drugs or
5 compounds, in which case, before the investigation is begun, the licensee
6 shall, in addition to other requirements of applicable laws, apply for and
7 obtain approval of the investigation from the board of healing arts.

8 (7) The treatment of obesity with controlled substances, as may be
9 defined by rules and regulations adopted by the board of healing arts.

10 (8) The treatment of any other disorder or disease for which such
11 drugs or compounds have been found to be safe and effective by
12 competent scientific research which findings have been generally accepted
13 by the scientific community, in which case, the licensee before prescribing,
14 ordering, dispensing, administering, selling, supplying or giving the drug
15 or compound for a particular condition, or the licensee before authorizing
16 a mid-level practitioner to prescribe the drug or compound for a particular
17 condition, *or the advanced practice registered nurse before prescribing,*
18 *ordering, administering or giving the drug for a particular condition,* shall
19 obtain a determination from the board of healing arts that the drug or
20 compound can be used for that particular condition.

21 Sec. 14. K.S.A. 65-2892 is hereby amended to read as follows: 65-
22 2892. Any physician *or advanced practice registered nurse*, upon
23 consultation by any person under ~~eighteen (18)~~ (18) years of age as a
24 patient, may, with the consent of such person who is hereby granted the
25 right of giving such consent, make a diagnostic examination for venereal
26 disease and prescribe for and treat such person for venereal disease
27 including prophylactic treatment for exposure to venereal disease
28 whenever such person is suspected of having a venereal disease or contact
29 with anyone having a venereal disease. All such examinations and
30 treatment may be performed without the consent of, or notification to, the
31 parent, parents, guardian or any other person having custody of such
32 person. Any physician *or advanced practice registered nurse* examining or
33 treating such person for venereal disease may, but shall not be obligated to,
34 in accord with his opinion of what will be most beneficial for such person,
35 inform the spouse, parent, custodian, guardian or fiance of such person as
36 to the treatment given or needed without the consent of such person. Such
37 informing shall not constitute libel or slander or a violation of the right of
38 privacy or privilege or otherwise subject the physician *or advanced*
39 *practice registered nurse* to any liability whatsoever. In any such case, the
40 physician *or advanced practice registered nurse* shall incur no civil or
41 criminal liability by reason of having made such diagnostic examination or
42 rendered such treatment, but such immunity shall not apply to any
43 negligent acts or omissions. The physician *or advanced practice registered*

1 *nurse* shall incur no civil or criminal liability by reason of any adverse
2 reaction to medication administered, provided reasonable care has been
3 taken to elicit from such person under ~~eighteen (18)~~ 18 years of age any
4 history of sensitivity or previous adverse reaction to the medication.

5 Sec. 15. K.S.A. 2013 Supp. 65-2921 is hereby amended to read as
6 follows: 65-2921. (a) Except as otherwise provided in subsection (d), a
7 physical therapist may evaluate and initiate physical therapy treatment on
8 a patient without referral from a licensed health care practitioner. If
9 treating a patient without a referral from a licensed health care practitioner
10 and the patient is not progressing toward documented treatment goals as
11 demonstrated by objective, measurable or functional improvement, or any
12 combination thereof, after 10 patient visits or in a period of 15 business
13 days from the initial treatment visits following the initial evaluation visit,
14 the physical therapist shall obtain a referral from an appropriate licensed
15 health care practitioner prior to continuing treatment.

16 (b) Physical therapists may provide, without a referral, services to:
17 (1) Employees solely for the purpose of education and instruction related
18 to workplace injury prevention; or (2) the public for the purpose of fitness,
19 health promotion and education.

20 (c) Physical therapists may provide services without a referral to
21 special education students who need physical therapy services to fulfill the
22 provisions of their individualized education plan (IEP) or individualized
23 family service plan (IFSP).

24 (d) Nothing in this section shall be construed to prevent a hospital or
25 ambulatory surgical center from requiring a physician order or referral for
26 physical therapy services for a patient currently being treated in such
27 facility.

28 (e) When a patient self-refers to a physical therapist pursuant to this
29 section, the physical therapist, prior to commencing treatment, shall
30 provide written notice to the patient that a physical therapy diagnosis is not
31 a medical diagnosis by a physician.

32 (f) Physical therapists shall perform wound debridement services
33 only after approval by a person licensed to practice medicine and surgery
34 or other licensed health care practitioner in appropriately related cases.

35 (g) As used in this section, "licensed health care practitioner" means a
36 person licensed to practice medicine and surgery, a licensed podiatrist, a
37 licensed physician assistant ~~or a licensed advanced practice registered~~
38 ~~nurse~~ working pursuant to the order or direction of a person licensed to
39 practice medicine and surgery, a licensed chiropractor, a licensed dentist
40 ~~or~~ a licensed optometrist *or a licensed advanced practice registered nurse*
41 in appropriately related cases.

42 Sec. 16. K.S.A. 2013 Supp. 65-4101 is hereby amended to read as
43 follows: 65-4101. As used in this act: (a) "Administer" means the direct

1 application of a controlled substance, whether by injection, inhalation,
2 ingestion or any other means, to the body of a patient or research subject

38 respect to use or possession of peyote, whose use or possession of peyote
39 is in, or for use in, bona fide religious ceremonies of the Native American
40 Church, but nothing in this paragraph shall authorize the use or possession
41 of peyote in any place used for the confinement or housing of persons
42 arrested, charged or convicted of criminal offenses or in the state security
43 hospital; *and*

1 (10) *any person licensed as an advanced practice registered nurse*
2 *under K.S.A. 65-1131, and amendments thereto, and who has authority to*
3 *prescribe drugs in accordance with K.S.A. 65-1130, and amendments*
4 *thereto.*

5 (d) (1) The board may waive by rules and regulations the requirement
6 for registration of certain manufacturers, distributors or dispensers if the
7 board finds it consistent with the public health and safety, except that
8 licensure of any person by the state board of healing arts to practice any
9 branch of the healing arts, Kansas dental board~~or~~, the state board of
10 veterinary examiners *or the board of nursing of advanced practice*
11 *registered nurses* shall constitute compliance with the registration
12 requirements of the uniform controlled substances act by such person for
13 such person's place of professional practice.

14 (2) Evidence of abuse as determined by the board relating to a person
15 licensed by the state board of healing arts shall be submitted to the state
16 board of healing arts and the attorney general within 60 days. The state
17 board of healing arts shall, within 60 days, make findings of fact and take
18 such action against such person as it deems necessary. All findings of fact
19 and any action taken shall be reported by the state board of healing arts to
20 the board of pharmacy and the attorney general.

21 (3) Evidence of abuse as determined by the board relating to a person
22 licensed by the state board of veterinary examiners shall be submitted to
23 the state board of veterinary examiners and the attorney general within 60
24 days. The state board of veterinary examiners shall, within 60 days, make
25 findings of fact and take such action against such person as it deems
26 necessary. All findings of fact and any action taken shall be reported by the
27 state board of veterinary examiners to the board of pharmacy and the
28 attorney general.

37 *advanced practice registered nurse licensed by the board of nursing shall*
38 *be submitted to the board of nursing and the attorney general within 60*
39 *days. The board of nursing shall, within 60 days, make findings of fact and*
40 *take such action against such advanced practice registered nurse as it*
41 *deems necessary. All findings of fact and any action taken shall be*
42 *reported by the board of nursing to the board of pharmacy and the*
43 *attorney general.*

1 (e) A separate annual registration is required at each place of business
2 or professional practice where the applicant manufactures, distributes or
3 dispenses controlled substances.

4 (f) The board may inspect the establishment of a registrant or
5 applicant for registration in accordance with the board's rules and
6 regulations.

7 (g) (1) The registration of any person or location shall terminate when
8 such person or authorized representative of a location dies, ceases legal
9 existence, discontinues business or professional practice or changes the
10 location as shown on the certificate of registration. Any registrant who
11 ceases legal existence, discontinues business or professional practice, or
12 changes location as shown on the certificate of registration, shall notify the
13 board promptly of such fact and forthwith deliver the certificate of
14 registration directly to the secretary or executive secretary of the board. In
15 the event of a change in name or mailing address the person or authorized
16 representative of the location shall notify the board promptly in advance of
17 the effective date of this change by filing the change of name or mailing
18 address with the board. This change shall be noted on the original
19 application on file with the board.

20 (2) No registration or any authority conferred thereby shall be
21 assigned or otherwise transferred except upon such conditions as the board
22 may specifically designate and then only pursuant to the written consent of
23 the board.

24 Sec. 18. K.S.A. 65-4134 is hereby amended to read as follows: 65-
25 4134. A practitioner engaged in medical practice or research, *a*
26 *practitioner who is an advanced practice registered nurse acting in the*
27 *usual course of such practitioner's practice* or a mid-level practitioner
28 acting in the usual course of such mid-level practitioner's practice is not
29 required or compelled to furnish the name or identity of a patient or
30 research subject to the board, nor may such practitioner or mid-level
31 practitioner be compelled in any state or local civil, criminal,
32 administrative, legislative or other proceedings to furnish the name or
33 identity of an individual that the practitioner or mid-level practitioner is
34 obligated to keep confidential.

40 follows: 65-5418. (a) Nothing in the occupational therapy practice act is
41 intended to limit, preclude or otherwise interfere with the practices of
42 other health care providers formally trained and licensed, registered,
43 credentialed or certified by appropriate agencies of the state of Kansas.

1 (b) The practice of occupational therapy shall not be construed to
2 include the following:

3 (1) Persons rendering assistance in the case of an emergency;

4 (2) members of any church practicing their religious tenets;

5 (3) persons whose services are performed pursuant to the delegation
6 of and under the supervision of an occupational therapist who is licensed
7 under this act;

8 (4) any person employed as an occupational therapist or occupational
9 therapy assistant by the government of the United States or any agency
10 thereof, if such person practices occupational therapy solely under the
11 direction or control of the organization by which such person is employed;

12 (5) licensees under the healing arts act when licensed and practicing
13 in accordance with the provisions of law or persons performing services
14 pursuant to a delegation authorized under subsection (g) of K.S.A. 65-
15 2872, and amendments thereto;

16 (6) dentists practicing their professions, when licensed and practicing
17 in accordance with the provisions of law;

18 (7) nurses practicing their professions, when licensed and practicing
19 in accordance with the provisions of law or persons performing services
20 pursuant to the delegation of a licensed nurse under subsection (m) of
21 K.S.A. 65-1124, and amendments thereto;

22 (8) health care providers who have been formally trained and are
23 practicing in accordance with the training or have received specific
24 training in one or more functions included in the occupational therapy
25 practice act pursuant to established educational protocols, or both;

26 (9) any person pursuing a supervised course of study leading to a
27 degree or certificate in occupational therapy at an accredited or approved
28 educational program, if the person is designated by the title which clearly
29 indicates such person's status as a student or trainee;

9 association with an occupational therapist licensed under the occupational
10 therapy practice act so long as (A) the person is registered or licensed
11 under the laws of another state which has licensure requirements at least as
12 stringent as the licensure requirements of this act, or (B) the person meets
13 the requirements for certification as an occupational therapist registered
14 (OTR) or a certified occupational therapy assistant (COTA) established by
15 the national board for certification in occupational therapy (NBCOT).

16 (c) Any patient monitoring, assessment or other procedures designed
17 to evaluate the effectiveness of prescribed occupational therapy must be
18 performed by or pursuant to the delegation of a licensed occupational
19 therapist or other health care provider.

20 (d) Education related therapy services provided by an occupational
21 therapist to school systems or consultation regarding prevention,
22 ergonomics and wellness within the occupational therapy scope of practice
23 shall not require a referral, supervision, order or direction of a physician,
24 *an advanced practice registered nurse*, a licensed podiatrist, a licensed
25 dentist or a licensed optometrist. However, when in the course of
26 providing such services an occupational therapist reasonably believes that
27 an individual may have an underlying injury, illness, disease, disorder or
28 impairment, the occupational therapist shall refer the individual to a
29 physician, *an advanced practice registered nurse*, a licensed podiatrist, a
30 licensed dentist or a licensed optometrist, as appropriate.

31 (e) Nothing in the occupational therapy practice act shall be construed
32 to permit the practice of medicine and surgery. No statute granting
33 authority to licensees of the state board of healing arts shall be construed
34 to confer authority upon occupational therapists to engage in any activity
35 not conferred by the occupational therapy practice act.

36 (f) This section shall be part of and supplemental to the occupational
37 therapy practice act.

7 prescribed by the board.

8 Sec. 24. K.S.A. 2013 Supp. 65-6119 is hereby amended to read as
9 follows: 65-6119. (a) Notwithstanding any other provision of law, mobile
10 intensive care technicians may:

11 (1) Perform all the authorized activities identified in K.S.A. 65-6120,
12 65-6121, 65-6123, 65-6144, and amendments thereto;

13 (2) when voice contact or a telemetered electrocardiogram is
14 monitored by a physician, physician assistant where authorized by a
15 physician, an advanced practice registered nurse ~~where authorized by a~~
16 ~~physician~~ or licensed professional nurse where authorized by a physician
17 and direct communication is maintained, and upon order of such person
18 may administer such medications or procedures as may be deemed
19 necessary by a person identified in subsection (a)(2);

20 (3) perform, during an emergency, those activities specified in
21 subsection (a)(2) before contacting a person identified in subsection (a)(2)
22 when specifically authorized to perform such activities by medical
23 protocols; and

24 (4) perform, during nonemergency transportation, those activities
25 specified in this section when specifically authorized to perform such
26 activities by medical protocols.

27 (b) An individual who holds a valid certificate as a mobile intensive
28 care technician once meeting the continuing education requirements
29 prescribed by the rules and regulations of the board, upon application for
30 renewal, shall be deemed to hold a certificate as a paramedic under this
31 act, and such individual shall not be required to file an original application
32 as a paramedic for certification under this act.

33 (c) "Renewal" as used in subsection (b), refers to the first opportunity
34 that a mobile intensive care technician has to apply for renewal of a
35 certificate following the effective date of this act.

36 (d) Upon transition notwithstanding any other provision of law, a
37 paramedic may:

38 (1) Perform all the authorized activities identified in K.S.A. 65-6120,
39 65-6121, 65-6144, and amendments thereto;

40 (2) when voice contact or a telemetered electrocardiogram is
41 monitored by a physician, physician assistant where authorized by a
42 physician or an advanced practice registered nurse ~~where authorized by a~~
43 ~~physician~~ or licensed professional nurse where authorized by a physician

1 and direct communication is maintained, and upon order of such person,
2 may administer such medications or procedures as may be deemed
3 necessary by a person identified in subsection (d)(2);

4 (3) perform, during an emergency, those activities specified in
5 subsection (d)(2) before contacting a person identified in subsection (d)(2)
6 when specifically authorized to perform such activities by medical
7 protocols; and

8 (4) perform, during nonemergency transportation, those activities
9 specified in this section when specifically authorized to perform such
10 activities by medical protocols.

11 Sec. 25. K.S.A. 2013 Supp. 65-6120 is hereby amended to read as
12 follows: 65-6120. (a) Notwithstanding any other provision of law to the
13 contrary, an emergency medical technician-intermediate may:

14 (1) Perform any of the activities identified by K.S.A. 65-6121, and
15 amendments thereto;

16 (2) when approved by medical protocols or where voice contact by
17 radio or telephone is monitored by a physician, physician assistant where
18 authorized by a physician, advanced practice registered nurse ~~where~~
19 ~~authorized by a physician~~ or licensed professional nurse where authorized
20 by a physician, and direct communication is maintained, upon order of
21 such person, may perform veni-puncture for the purpose of blood sampling
22 collection and initiation and maintenance of intravenous infusion of saline
23 solutions, dextrose and water solutions or ringers lactate IV solutions,
24 endotracheal intubation and administration of nebulized albuterol;

25 (3) perform, during an emergency, those activities specified in
26 subsection (a)(2) before contacting the persons identified in subsection (a)
27 (2) when specifically authorized to perform such activities by medical
28 protocols; or

29 (4) perform, during nonemergency transportation, those activities
30 specified in this section when specifically authorized to perform such
31 activities by medical protocols.

32 (b) An individual who holds a valid certificate as an emergency
33 medical technician-intermediate once successfully completing the board
34 prescribed transition course, and validation of cognitive and psychomotor
35 competency as determined by rules and regulations of the board, may
36 apply to transition to become an advanced emergency medical technician.
37 Alternatively, upon application for renewal, such individual shall be
38 deemed to hold a certificate as an advanced emergency medical technician
39 under this act, provided such individual has completed all continuing
40 education hour requirements inclusive of the successful completion of a
41 transition course and such individual shall not be required to file an
42 original application for certification as an advanced emergency medical
43 technician under this act.

1 (c) "Renewal" as used in subsection (b), refers to the first or second
2 opportunity after December 31, 2011, that an emergency medical
3 technician-intermediate has to apply for renewal of a certificate.

4 (d) Emergency medical technician-intermediates who fail to meet the
5 transition requirements as specified may complete either the board
6 prescribed emergency medical technician transition course or emergency
7 medical responder transition course, provide validation of cognitive and
8 psychomotor competency and all continuing education hour requirements
9 inclusive of the successful completion of a transition course as determined
10 by rules and regulations of the board. Upon completion, such emergency
11 medical technician-intermediate may apply to transition to become an
12 emergency medical technician or an emergency medical responder,
13 depending on the transition course that was successfully completed.
14 Alternatively, upon application for renewal of an emergency medical
15 technician-intermediate certificate, the applicant shall be renewed as an
16 emergency medical technician or an emergency medical responder,
17 depending on the transition course that was successfully completed. Such
18 individual shall not be required to file an original application for
19 certification as an emergency medical technician or emergency medical
20 responder.

21 (e) Failure to successfully complete either an advanced emergency
22 medical technician transition course, an emergency medical technician
23 transition course or emergency medical responder transition course will
24 result in loss of certification.

25 (f) Upon transition, notwithstanding any other provision of law to the
26 contrary, an advanced emergency medical technician may:

27 (1) Perform any of the activities identified by K.S.A. 65-6121, and
28 amendments thereto; and

29 (2) perform any of the following interventions, by use of the devices,
30 medications and equipment, or any combination thereof, as specifically
31 identified in rules and regulations, after successfully completing an
32 approved course of instruction, local specialized device training and
33 competency validation and when authorized by medical protocols, or upon
34 order when direct communication is maintained by radio, telephone or
35 video conference with a physician, physician assistant where authorized by
36 a physician, an advanced practice registered nurse ~~where authorized by a~~
37 ~~physician~~, or licensed professional nurse where authorized by a physician
38 upon order of such a person: (A) Continuous positive airway pressure
39 devices; (B) advanced airway management; (C) referral of patient of
40 alternate medical care site based on assessment; (D) transportation of a
41 patient with a capped arterial line; (E) veni-puncture for obtaining blood
42 sample; (F) initiation and maintenance of intravenous infusion or saline
43 lock; (G) initiation of intraosseous infusion; (H) nebulized therapy; (I)

1 manual defibrillation and cardioversion; (J) cardiac monitoring; (K)
2 electrocardiogram interpretation; (L) administration of generic or trade
3 name medications by one or more of the following methods: (i)
4 Aerosolization; (ii) nebulization; (iii) intravenous; (iv) intranasal; (v)
5 rectal; (vi) subcutaneous; (vii) intraosseous; (viii) intramuscular; or (ix)
6 sublingual.

7 (g) An individual who holds a valid certificate as both an emergency
8 medical technician-intermediate and as an emergency medical technician-
9 defibrillator once successfully completing the board prescribed transition
10 course, and validation of cognitive and psychomotor competency as
11 determined by rules and regulations of the board, may apply to transition
12 to an advanced emergency medical technician. Alternatively, upon
13 application for renewal, such individual shall be deemed to hold a
14 certificate as an advanced emergency medical technician under this act,
15 provided such individual has completed all continuing education hour
16 requirements inclusive of successful completion of a transition course, and
17 such individual shall not be required to file an original application for
18 certification as an advanced emergency medical technician under this act.

19 (h) "Renewal" as used in subsection (g), refers to the first or second
20 opportunity after December 31, 2011, that an emergency medical
21 technician-intermediate and emergency medical technician-defibrillator
22 has to apply for renewal of a certificate.

23 (i) An individual who holds both an emergency medical technician-
24 intermediate certificate and an emergency medical technician-defibrillator
25 certificate, who fails to meet the transition requirements as specified may
26 complete either the board prescribed emergency medical technician
27 transition course or emergency medical responder transition course, and
28 provide validation of cognitive and psychomotor competency and all
29 continuing education hour requirements inclusive of successful completion
30 of a transition course as determined by rules and regulations of the board.
31 Upon completion, such individual may apply to transition to become an
32 emergency medical technician or emergency medical responder, depending
33 on the transition course that was successfully completed. Alternatively,
34 upon application for renewal of an emergency medical technician-
35 intermediate certificate and an emergency medical technician-defibrillator
36 certificate, the applicant shall be renewed as an emergency medical
37 technician or an emergency medical responder, depending on the transition
38 course that was successfully completed. Such individual shall not be
39 required to file an original application for certification as an emergency
40 medical technician or emergency medical responder.

41 (j) Failure to successfully complete either the advanced emergency
42 medical technician transition requirements, an emergency medical
43 technician transition course or the emergency medical responder transition

1 course will result in loss of certification.

2 Sec. 26. K.S.A. 2013 Supp. 65-6121 is hereby amended to read as
3 follows: 65-6121. (a) Notwithstanding any other provision of law to the
4 contrary, an emergency medical technician may perform any of the
5 following activities:

- 6 (1) Patient assessment and vital signs;
- 7 (2) airway maintenance including the use of:
 - 8 (A) Oropharyngeal and nasopharyngeal airways;
 - 9 (B) esophageal obturator airways with or without gastric suction
10 device;
 - 11 (C) multi-lumen airway; and
 - 12 (D) oxygen demand valves.
- 13 (3) Oxygen therapy;
- 14 (4) oropharyngeal suctioning;
- 15 (5) cardiopulmonary resuscitation procedures;
- 16 (6) control accessible bleeding;
- 17 (7) apply pneumatic anti-shock garment;
- 18 (8) manage outpatient medical emergencies;
- 19 (9) extricate patients and utilize lifting and moving techniques;
- 20 (10) manage musculoskeletal and soft tissue injuries including
21 dressing and bandaging wounds or the splinting of fractures, dislocations,
22 sprains or strains;
 - 23 (11) use of backboards to immobilize the spine;
 - 24 (12) administer activated charcoal and glucose;
 - 25 (13) monitor intravenous line delivering intravenous fluids during
26 interfacility transport with the following restrictions:
 - 27 (A) The physician approves the transfer by an emergency medical
28 technician;
 - 29 (B) no medications or nutrients have been added to the intravenous
30 fluids; and
 - 31 (C) the emergency medical technician may monitor, maintain and
32 shut off the flow of intravenous fluid;
 - 33 (14) use automated external defibrillators;
 - 34 (15) administer epinephrine auto-injectors provided that:
 - 35 (A) The emergency medical technician successfully completes a
36 course of instruction approved by the board in the administration of
37 epinephrine;
 - 38 (B) the emergency medical technician serves with an ambulance
39 service or a first response organization that provides emergency medical
40 services; and
 - 41 (C) the emergency medical technician is acting pursuant to medical
42 protocols;
 - 43 (16) perform, during nonemergency transportation, those activities

1 specified in this section when specifically authorized to perform such
2 activities by medical protocols; or

3 (17) when authorized by medical protocol, assist the patient in the
4 administration of the following medications which have been prescribed
5 for that patient: Auto-injection epinephrine, sublingual nitroglycerin and
6 inhalers for asthma and emphysema.

7 (b) An individual who holds a valid certificate as an emergency
8 medical technician at the current basic level once successfully completing
9 the board prescribed transition course, and validation of cognitive and
10 psychomotor competency as determined by rules and regulations of the
11 board, may apply to transition to become an emergency medical
12 technician. Alternatively, upon application for renewal, such individual
13 shall be deemed to hold a certificate as an emergency medical technician
14 under this act, provided such individual has completed all continuing
15 education hour requirements inclusive of successful completion of a
16 transition course, and such individual shall not be required to file an
17 original application for certification as an emergency medical technician.

18 (c) "Renewal" as used in subsection (b), refers to the first opportunity
19 after December 31, 2011, that an emergency medical technician has to
20 apply for renewal of a certificate following the effective date of this act.

21 (d) Emergency medical technicians who fail to meet the transition
22 requirements as specified may successfully complete the board prescribed
23 emergency medical responder transition course, provide validation of
24 cognitive and psychomotor competency and all continuing education hour
25 requirements inclusive of the successful completion of a transition course
26 as determined by rules and regulations of the board. Alternatively, upon
27 application for renewal of an emergency medical technician certificate, the
28 applicant shall be deemed to hold a certificate as an emergency medical
29 responder under this act, and such individual shall not be required to file
30 an original application for certification as an emergency medical
31 responder.

32 (e) Failure to successfully complete either an emergency medical
33 technician transition course or emergency medical responder transition
34 course will result in loss of certification.

35 (f) Upon transition, notwithstanding any other provision of law to the
36 contrary, an emergency medical technician may perform any activities
37 identified in K.S.A. 65-6144, and amendments thereto, and any of the
38 following interventions, by use of the devices, medications and equipment,
39 or any combination thereof, after successfully completing an approved
40 course of instruction, local specialized device training and competency
41 validation and when authorized by medical protocols, or upon order when
42 direct communication is maintained by radio, telephone or video
43 conference is monitored by a physician, physician assistant when

1 authorized by a physician, an advanced practice registered nurse ~~when~~
2 ~~authorized by a physician~~ or a licensed professional nurse when authorized
3 by a physician, upon order of such person:

- 4 (1) Airway maintenance including use of:
 - 5 (A) Single lumen airways as approved by the board;
 - 6 (B) multilumen airways;
 - 7 (C) ventilator devices;
 - 8 (D) forceps removal of airway obstruction;
 - 9 (E) CO2 monitoring;
 - 10 (F) airway suctioning;
- 11 (2) apply pneumatic anti-shock garment;
- 12 (3) assist with childbirth;
- 13 (4) monitoring urinary catheter;
- 14 (5) capillary blood sampling;
- 15 (6) cardiac monitoring;
- 16 (7) administration of patient assisted medications as approved by the
17 board;
- 18 (8) administration of medications as approved by the board by
19 appropriate routes; and
- 20 (9) monitor, maintain or discontinue flow of IV line if a physician
21 approves transfer by an emergency medical technician.

22 Sec. 27. K.S.A. 2013 Supp. 65-6123 is hereby amended to read as
23 follows: 65-6123. (a) Notwithstanding any other provision of law to the
24 contrary, an emergency medical technician-defibrillator may:

- 25 (1) Perform any of the activities identified in K.S.A. 65-6121, and
26 amendments thereto;
- 27 (2) when approved by medical protocols or where voice contact by
28 radio or telephone is monitored by a physician, physician assistant where
29 authorized by a physician, advanced practice registered nurse ~~where~~
30 ~~authorized by a physician~~, or licensed professional nurse where authorized
31 by a physician, and direct communication is maintained, upon order of
32 such person, may perform electrocardiographic monitoring and
33 defibrillation;
- 34 (3) perform, during an emergency, those activities specified in
35 subsection (b) before contacting the persons identified in subsection (b)
36 when specifically authorized to perform such activities by medical
37 protocols; or
- 38 (4) perform, during nonemergency transportation, those activities
39 specified in this section when specifically authorized to perform such
40 activities by medical protocols.
- 41 (b) An individual who holds a valid certificate as an emergency
42 medical technician-defibrillator once successfully completing an
43 emergency medical technician-intermediate, initial course of instruction

1 and the board prescribed transition course, and validation of cognitive and
2 psychomotor competency as determined by rules and regulations of the
3 board, may apply to transition to become an advanced emergency medical
4 technician. Alternatively, upon application for renewal, such individual
5 shall be deemed to hold a certificate as an advanced emergency medical
6 technician under this act, provided such individual has completed all
7 continuing education hour requirements inclusive of successful completion
8 of a transition course, and such individual shall not be required to file an
9 original application for certification as an advanced emergency medical
10 technician.

11 (c) "Renewal" as used in subsection (b), refers to the second
12 opportunity after December 31, 2011, that an attendant has to apply for
13 renewal of a certificate.

14 (d) Emergency medical technician-defibrillator attendants who fail to
15 meet the transition requirements as specified may complete either the
16 board prescribed emergency medical technician transition course or
17 emergency medical responder transition course, provide validation of
18 cognitive and psychomotor competency provided such individual has
19 completed all continuing education hour requirements inclusive of the
20 successful completion of a transition course as determined by rules and
21 regulations of the board. Upon completion, such emergency medical
22 technician-defibrillator may apply to transition to become an emergency
23 medical technician or an emergency medical responder, depending on the
24 transition course that was successfully completed. Alternatively, upon
25 application for renewal of an emergency medical technician-defibrillator
26 certificate, the applicant shall be renewed as an emergency medical
27 technician or an emergency medical responder, depending on the transition
28 course that was successfully completed. Such individual shall not be
29 required to file an original application for certification as an emergency
30 medical technician or emergency medical responder.

31 (e) Failure to complete either the advanced emergency medical
32 technician transition requirements, an emergency medical technician
33 transition course or an emergency medical responder transition course will
34 result in loss of certification.

35 Sec. 28. K.S.A. 2013 Supp. 65-6124 is hereby amended to read as
36 follows: 65-6124. (a) No physician, physician assistant, advanced practice
37 registered nurse or licensed professional nurse, who gives emergency
38 instructions to an attendant as defined by K.S.A. 65-6112, and
39 amendments thereto, during an emergency, shall be liable for any civil
40 damages as a result of issuing the instructions, except such damages which
41 may result from gross negligence in giving such instructions.

42 (b) No attendant as defined by K.S.A. 65-6112, and amendments
43 thereto, who renders emergency care during an emergency pursuant to

1 instructions given by a physician, *an advanced practice registered nurse*,
2 the responsible physician for a physician assistant, ~~advanced practice~~
3 ~~registered nurse~~ or licensed professional nurse shall be liable for civil
4 damages as a result of implementing such instructions, except such
5 damages which may result from gross negligence or by willful or wanton
6 acts or omissions on the part of such attendant as defined by K.S.A. 65-
7 6112, and amendments thereto.

8 (c) No person certified as an instructor-coordinator and no training
9 officer shall be liable for any civil damages which may result from such
10 instructor-coordinator's or training officer's course of instruction, except
11 such damages which may result from gross negligence or by willful or
12 wanton acts or omissions on the part of the instructor-coordinator or
13 training officer.

14 (d) No medical adviser who reviews, approves and monitors the
15 activities of attendants shall be liable for any civil damages as a result of
16 such review, approval or monitoring, except such damages which may
17 result from gross negligence in such review, approval or monitoring.

18 Sec. 29. K.S.A. 2013 Supp. 65-6144 is hereby amended to read as
19 follows: 65-6144. (a) A first responder may perform any of the following
20 activities:

21 (1) Initial scene management including, but not limited to, gaining
22 access to the individual in need of emergency care, extricating, lifting and
23 moving the individual;

24 (2) cardiopulmonary resuscitation and airway management;

25 (3) control of bleeding;

26 (4) extremity splinting excluding traction splinting;

27 (5) stabilization of the condition of the individual in need of
28 emergency care;

29 (6) oxygen therapy;

30 (7) use of oropharyngeal airways;

31 (8) use of bag valve masks;

32 (9) use automated external defibrillators; and

33 (10) other techniques of preliminary care a first responder is trained
34 to provide as approved by the board.

35 (b) An individual who holds a valid certificate as a first responder,
36 once completing the board prescribed transition course, and validation of
37 cognitive and psychomotor competency as determined by rules and
38 regulations of the board, may apply to transition to become an emergency
39 medical responder. Alternatively, upon application for renewal of such
40 certificate, such individual shall be deemed to hold a certificate as an
41 emergency medical responder under this act, provided such individual has
42 completed all continuing education hour requirements inclusive of a
43 transition course and such individual shall not be required to file an

1 original application for certification as an emergency medical responder.

2 (c) "Renewal" as used in subsection (b), refers to the first opportunity
3 after December 31, 2011, that an attendant has to apply for renewal of a
4 certificate.

5 (d) First responder attendants who fail to meet the transition
6 requirements as specified will forfeit their certification.

7 (e) Upon transition, notwithstanding any other provision of law to the
8 contrary, an emergency medical responder may perform any of the
9 following interventions, by use of the devices, medications and equipment,
10 or any combination thereof, after successfully completing an approved
11 course of instruction, local specialized device training and competency
12 validation and when authorized by medical protocols, or upon order when
13 direct communication is maintained by radio, telephone or video
14 conference is monitored by a physician, physician assistant when
15 authorized by a physician, an advanced practice registered nurse ~~when~~
16 ~~authorized by a physician~~ or a licensed professional nurse when authorized
17 by a physician, upon order of such person: (1) Emergency vehicle
18 operations; (2) initial scene management; (3) patient assessment and
19 stabilization; (4) cardiopulmonary resuscitation and airway management;
20 (5) control of bleeding; (6) extremity splinting; (7) spinal immobilization;
21 (8) oxygen therapy; (9) use of bag-valve-mask; (10) use of automated
22 external defibrillator; (11) nebulizer therapy; (12) intramuscular injections
23 with auto-injector; (13) administration of oral glucose; (14) administration
24 of aspirin; (15) recognize and comply with advanced directives; (16)
25 insertion and maintenance of oral and nasal pharyngeal airways; (17) use
26 of blood glucose monitoring; and (18) other techniques and devices of
27 preliminary care an emergency medical responder is trained to provide as
28 approved by the board.

29 Sec. 30. K.S.A. 2013 Supp. 65-7003 is hereby amended to read as
30 follows: 65-7003. As used in K.S.A. 65-7001 through 65-7015, and
31 amendments thereto:

32 (a) "Act" means the Kansas chemical control act;

33 (b) "administer" means the application of a regulated chemical
34 whether by injection, inhalation, ingestion or any other means, directly
35 into the body of a patient or research subject, such administration to be
36 conducted by: (1) A practitioner, or in the practitioner's presence, by such
37 practitioner's authorized agent; or

38 (2) the patient or research subject at the direction and in the presence
39 of the practitioner;

40 (c) "agent or representative" means a person who is authorized to
41 receive, possess, manufacture or distribute or in any other manner control
42 or has access to a regulated chemical on behalf of another person;

43 (d) "bureau" means the Kansas bureau of investigation;

1 (e) "department" means the Kansas department of health and
2 environment;

3 (f) "director" means the director of the Kansas bureau of
4 investigation;

5 (g) "dispense" means to deliver a regulated chemical to an ultimate
6 user, patient or research subject by, or pursuant to the lawful order of, a
7 practitioner, including the prescribing, administering, packaging, labeling

34 *substance in teaching or chemical analysis or to conduct research with*
35 *respect to a controlled substance;*

36 (l) "regulated chemical" means a chemical that is used directly or
37 indirectly to manufacture a controlled substance or other regulated
38 chemical, or is used as a controlled substance analog, in violation of the
39 state controlled substances act or this act. The fact that a chemical may be
40 used for a purpose other than the manufacturing of a controlled substance
41 or regulated chemical does not exempt it from the provisions of this act.
42 Regulated chemical includes:

43 (1) Acetic anhydride (CAS No. 108-24-7);

- 1 (2) benzaldehyde (CAS No. 100-52-7);
- 2 (3) benzyl chloride (CAS No. 100-44-7);
- 3 (4) benzyl cyanide (CAS No. 140-29-4);
- 4 (5) diethylamine and its salts (CAS No. 109-89-7);
- 5 (6) ephedrine, its salts, optical isomers and salts of optical isomers
- 6 (CAS No. 299-42-3), except products containing ephedra or ma huang,
- 7 which do not contain any chemically synthesized ephedrine alkaloids, and
- 8 are lawfully marketed as dietary supplements under federal law;
- 9 (7) hydriodic acid (CAS No. 10034-85-2);
- 10 (8) iodine (CAS No. 7553-56-2);
- 11 (9) lithium (CAS No. 7439-93-2);
- 12 (10) methylamine and its salts (CAS No. 74-89-5);
- 13 (11) nitroethane (CAS No. 79-24-3);
- 14 (12) chloroephedrine, its salts, optical isomers, and salts of optical
- 15 isomers (CAS No. 30572-91-9);
- 16 (13) phenylacetic acid, its esters and salts (CAS No. 103-82-2);
- 17 (14) phenylpropanolamine, its salts, optical isomers, and salts of
- 18 optical isomers (CAS No. 14838-15-4);
- 19 (15) piperidine and its salts (CAS No. 110-89-4);
- 20 (16) pseudoephedrine, its salts, optical isomers, and salts of optical
- 21 isomers (CAS No. 90-82-4);
- 22 (17) red phosphorous (CAS No. 7723-14-0);
- 23 (18) sodium (CAS No. 7440-23-5); and
- 24 (19) thionylchloride (CAS No. 7719-09-7);
- 25 (20) gamma butyrolactone (GBL), including butyrolactone;
- 26 butyrolactone gamma; 4-butyrolactone; 2(3H)-furanone dihydro; dihydro-
- 27 2(3H)-furanone; tetrahydro-2-furanone; 1,2-butanolide; 1,4-butanolide; 4-
- 28 butanolide; gamma-hydroxybutyric acid lactone; 3-hydroxybutyric acid
- 29 lactone and 4-hydroxybutanoic acid lactone; CAS No. 96-48-0; and
- 30 (21) 1,4 butanediol, including butanediol; butane-1,4-diol; 1,4-
- 31 butylene glycol; butylene glycol; 1,4-dihydroxybutane; 1,4-tetramethylene
- 32 glycol; tetramethylene glycol; tetramethylene 1,4-diol; CAS No. 110-63-4;
- 33 (m) "regulated chemical distributor" means any person subject to the
- 34 provisions of the Kansas chemical control act who manufactures or
- 35 distributes a regulated chemical;
- 36 (n) "regulated chemical retailer" means any person who sells
- 37 regulated chemicals directly to the public;
- 38 (o) "regulated chemical transaction" means the manufacture of a
- 39 regulated chemical or the distribution, sale, exchange or other transfer of a
- 40 regulated chemical within or into the state or from this state into another
- 41 state; and
- 42 (p) "secretary" means the secretary of health and environment.
- 43 Sec. 31. K.S.A. 2013 Supp. 65-7302 is hereby amended to read as

1 follows: 65-7302. As used in this act:

2 (a) "Board" means the state board of healing arts.

3 (b) "Ionizing radiation" means x-rays, gamma rays, alpha and beta
4 particles, high speed electrons, protons, neutrons and other nuclear
5 particles capable of producing ions directly or indirectly in its passage
6 through matter.

7 (c) "License" means a certificate issued by the board authorizing the
8 licensee to perform radiologic technology procedures on humans for
9 diagnostic or therapeutic purposes.

10 (d) "Licensed practitioner" means a person licensed to practice
11 medicine and surgery, dentistry, podiatry~~or~~, chiropractic *or advanced*
12 *practice registered nursing* in this state.

13 (e) "Licensure" and "licensing" mean a method of regulation by
14 which the state grants permission to persons who meet predetermined
15 qualifications to engage in a health related occupation or profession.

16 (f) "Nuclear medicine technologist" means a person who uses radio
17 pharmaceutical agents on humans for diagnostic or therapeutic purposes.

18 (g) "Nuclear medicine technology" means the use of radio nuclides
19 on human beings for diagnostic or therapeutic purposes.

20 (h) "Radiation therapist" means a person who applies radiation to
21 humans for therapeutic purposes.

22 (i) "Radiation therapy" means the use of any radiation procedure or
23 article intended for the cure, mitigation or prevention of disease in
24 humans.

25 (j) "Radiographer" means a person who applies radiation to humans
26 for diagnostic purposes.

27 (k) "Radiography" means the use of ionizing radiation on human
28 beings for diagnostic purposes.

29 (l) "Radiologic technologist" means any person who is a
30 radiographer, radiation therapist or nuclear medicine technologist.

31 (m) "Radiologic technology" means the use of radioactive substance
32 or equipment emitting or detecting ionizing radiation on humans for
33 diagnostic or therapeutic purposes upon prescription of a licensed
34 practitioner. The term includes the practice of radiography, nuclear
35 medicine technology and radiation therapy, but does not include
36 echocardiography, diagnostic sonography and magnetic resonance
37 imaging.

38 (n) This section shall take effect on and after July 1, 2005.

39 Sec. 32. K.S.A. 2013 Supp. 72-5213 is hereby amended to read as
40 follows: 72-5213. (a) Every board of education shall require all employees
41 of the school district, who come in regular contact with the pupils of the
42 school district, to submit a certification of health on a form prescribed by
43 the secretary of health and environment and signed by a person licensed to

1 practice medicine and surgery under the laws of any state, or by a person
2 who is licensed as a physician assistant under the laws of this state when
3 such person is working at the direction of or in collaboration with a person
4 licensed to practice medicine and surgery, or by a person holding a license
5 to practice as an advanced practice registered nurse under the laws of this
6 state ~~when such person is working at the direction of or in collaboration~~
7 ~~with a person licensed to practice medicine and surgery.~~ The certification
8 shall include a statement that there is no evidence of a physical condition
9 that would conflict with the health, safety, or welfare of the pupils; and
10 that freedom from tuberculosis has been established by chest x-ray or
11 negative tuberculin skin test. If at any time there is reasonable cause to
12 believe that any such employee of the school district is suffering from an
13 illness detrimental to the health of the pupils, the school board may require
14 a new certification of health.

15 (b) Upon presentation of a signed statement by the employee of a
16 school district, to whom the provisions of subsection (a) apply, that the
17 employee is an adherent of a religious denomination whose religious
18 teachings are opposed to physical examinations, the employee shall be
19 permitted to submit, as an alternative to the certification of health required
20 under subsection (a), certification signed by a person licensed to practice
21 medicine and surgery under the laws of any state, or by a person who is
22 licensed as a physician assistant under the laws of this state when such
23 person is working at the direction of or in collaboration with a person
24 licensed to practice medicine and surgery, or by a person holding a license
25 to practice as an advanced practice registered nurse under the laws of this
26 state ~~when such person is working at the direction of or in collaboration~~
27 ~~with a person licensed to practice medicine and surgery~~ that freedom of the
28 employee from tuberculosis has been established.

29 (c) Every board of education may require persons, other than
30 employees of the school district, to submit to the same certification of
31 health requirements as are imposed upon employees of the school district
32 under the provisions of subsection (a) if such persons perform or provide
33 services to or for a school district which require such persons to come in
34 regular contact with the pupils of the school district. No such person shall
35 be required to submit a certification of health if the person presents a
36 signed statement that the person is an adherent of a religious denomination
37 whose religious teachings are opposed to physical examinations. Such
38 persons shall be permitted to submit, as an alternative to a certification of
39 health, certification signed by a person licensed to practice medicine and
40 surgery under the laws of any state, or by a person who is licensed as a
41 physician assistant under the laws of this state when such person is
42 working at the direction of or in collaboration with a person licensed to
43 practice medicine and surgery, or by a person holding a license to practice

1 as an advanced practice registered nurse under the laws of this state ~~when~~
2 ~~such person is working at the direction of or in collaboration with a person~~
3 ~~licensed to practice medicine and surgery~~ that freedom of such persons
4 from tuberculosis has been established.

5 (d) The expense of obtaining certifications of health and certifications
6 of freedom from tuberculosis may be borne by the board of education.

7 Sec. 33. K.S.A. 2013 Supp. 75-7429 is hereby amended to read as
8 follows: 75-7429. (a) As used in this section, "medical home" means a
9 health care delivery model in which a patient establishes an ongoing
10 relationship with a physician or other personal care provider in a
11 physician-directed team, *or with an advanced practice registered nurse* to
12 provide comprehensive, accessible and continuous evidence-based primary
13 and preventive care, and to coordinate the patient's health care needs
14 across the health care system in order to improve quality and health
15 outcomes in a cost effective manner.

16 (b) The department of health and environment shall incorporate the
17 use of the medical home delivery system within:

18 (1) The Kansas program of medical assistance established in
19 accordance with title XIX of the federal social security act, 42 U.S.C. §
20 1396 et seq., and amendments thereto;

21 (2) the health benefits program for children established under K.S.A.
22 38-2001 et seq., and amendments thereto, and developed and submitted in
23 accordance with federal guidelines established under title XXI of the
24 federal social security act, section 4901 of public law 105-33, 42 U.S.C. §
25 1397aa et seq., and amendments thereto; and

26 (3) the state mediKan program.

27 (c) The Kansas state employees health care commission established
28 under K.S.A. 75-6502, and amendments thereto, shall incorporate the use
29 of a medical home delivery system within the state health care benefits
30 program as provided in K.S.A. 75-6501 through 75-6523, and amendments
31 thereto. Except that compliance with a medical home delivery system shall
32 not be required of program participants receiving treatment in accordance
33 with a religious method of healing pursuant to the provisions of K.S.A.
34 2013 Supp. 75-6501, and amendments thereto.
