7 *Be it enacted by the Legislature of the State of Kansas:*

8 Section 1. K.S.A. 2010 Supp. 58a-411 is hereby amended to read as
9 follows: 58a-411. (a) A noncharitable irrevocable trust may be modified
10 or terminated upon consent of the settlor and all qualified beneficiaries,
11 even if the modification or termination is inconsistent with a material
12 purpose of the trust. A settlor's power to consent to a trust's modification
13 or termination may be exercised by an attorney in fact under a power of
14 attorney only to the extent expressly authorized by the power of attorney
15 or the terms of the trust; by the settlor's conservator with the approval of
16 the court supervising the conservatorship if an agent is not so authorized;
17 or by the settlor's guardian with the approval of the court supervising the
18 guardianship if an agent is not so authorized and a conservator has not
19 been appointed. This subsection does not apply to irrevocable trusts
20 created before, or to revocable trusts that became irrevocable before,
21 January 1, 2003.

22 (b) A noncharitable irrevocable trust may be terminated upon
23 consent of all of the qualified beneficiaries if the court concludes that
24 continuance of the trust is not necessary to achieve any material purpose
25 of the trust. A noncharitable irrevocable trust may be modified upon
26 consent of all of the qualified beneficiaries if the court concludes that
27 modification is not inconsistent with a material purpose of the trust.

28 (c) A spendthrift provision in the terms of the trust is *not* presumed
29 to constitute a material purpose of the trust.

30 (d) Upon termination of a trust under subsection (a) or (b), the
31 trustee shall distribute the trust property as agreed by the qualified
32 beneficiaries.

33 (e) If not all of the qualified beneficiaries consent to a proposed
34 modification or termination of the trust under subsection (a) or (b), the
35 modification or termination may be approved by the court if the court is
36 satisfied that:

1 (1) If all of the qualified beneficiaries had consented, the trust could
2 have been modified or terminated under this section; and

3 (2) the interests of a qualified beneficiary who does not consent will
4 be adequately protected.
