relationships free of violence, coercion, and intimidation; and

(f) Responsible sexual behavior, including but not limited to discussion of:

1. Self-esteem;

2. Self-discipline; and

3. Premarital abstinence.

(3) By July 1, 2019, all local school districts shall have ready for implementation a plan approved by the department for providing human sexuality education beginning in the 2019-2020 school year, for grades four (4) through twelve (12). The plan shall be developed by an advisory committee appointed by the local school district superintendent composed of lay persons and professional resource personnel in equal numbers.

Participants shall include representatives for:

(a) Teachers;

(b) School administrators;

(c) Guidance counselors;

(d) School nurses;

(e) Parents;

(f) Students;

(g) Parent-teacher organizations;

(h) Religious groups;

(i) Civic groups;

(j) Health or mental health agencies; and

(k) Appropriate governmental agencies.

4) The district plan shall require that:

(a) Students receive:

1. The equivalent of one (1) week of instruction in each year of grades four (4)

and five (5);

2. The equivalent of three (3) weeks of instruction in each year of grades six (6) through eight (8); and

3. One (1) semester of instruction in any of the secondary grades, nine (9) through twelve (12); and

(b) In order to graduate from high school, a secondary school student must:

1. Earn one-half (1/2) credit in human sexuality; or

2. Score eighty percent (80%) on an assessment developed by the department regarding human sexuality.

(5) Each local school district shall, at least thirty (30) days prior to teaching human sexuality in any classroom, make available to the parents and guardians of the students involved information concerning the curriculum and materials to be used.

(6) Each local board of education shall establish a procedure whereby any pupil whose parent or legal guardian submits a signed statement listing the areas of human sexuality education which are in conflict with their moral or religious beliefs shall be excused from the requirements of subsection (4) of this section.

(7) The district plan for human sexuality education shall be approved by the local superintendent and local board of education. The department shall review each district plan for compliance with administrative regulations promulgated to administer the provisions of this section.

(8) Human sexuality education shall be provided by a certified teacher.

(9) In-service training shall be conducted by department-approved trainers with expertise in the areas of instruction to be taught. Additional resource personnel used for local training may be recommended by the local district advisory committee and approved according to local policy."
